GATEWAY CHAMBER NAMES WINNERS AT MAYORS DINNER

The mayors and government officials of Union County held court at the annual Mayors Dinner of the Gateway Regional Chamber of Commerce Thursday, March 26, at the Newark Airport Marriot Hotel. Common themes included the state's 2 percent property tax cap, high store occupancy and area development.

Award winners were:

- Joseph Menza of Hillside as Mayor of the Year for his perseverance in promoting city interests despite significant opposition;
- Chris Cotter of Summit as Business Administrator of the Year for making Summit a business-friendly town;
- Police Chief Eric Mason of Cranford as Public Safety Official of the Year;
- Scotch Plains Mayor Nancy Malool as Speaker of the Night for her light-hearted poetry, accompanied by bongos.

The collective overviews of the county's municipalities included: the challenges and successes of meeting the state's property tax cap; Fanwood and Westfield retaining 100 and 90 percent store occupancy during the recession, respectively; Linden moving forward with development of 108 acres of former General Motors property; Rahway's continuing expansion of facilities dedicated to the arts; New

Providence allowing alcohol to be served in restaurants; and more than 1,000 new jobs coming to Hillside due to business development.

"Each year the mayors' presentations reflect the issues towns and cities throughout the state are facing," said James Coyle, Gateway president. "While the night is light-hearted and fun we hear both the realities of economic pressures and the pride in addressing these challenges. Municipal government always is demanding and often thankless. Once each year we try to say thanks."

At Frank K. Henley Elementary the second to fifth grade classes have been participating in various activities to help improve their volleyball skills, lead by physical education teacher Mr. Caleb Bain. Over the course of six weeks the students have not only learned how to bump, set and serve the volleyball, but also the rules and regulations of a volleyball game. The students have come a long way in short amount of time to say the least. The next unit the students will be tackling will be the Presidential Fitness Challenge. Here the students will learn the skills necessary to improve their fitness and eating habits to live happier, healthier lives.

(above, l-r) Students are perfecting their bumping skills! Nick Galati, Shailynn Rapp (bumping), Skye Sener, Zach Corbonaro and A.J. Martucci.

GIRL SCOUTS GO GREEN

Cadet Troop 446 from Garwood led by Diana Moore taught their little sisters in Clark Daisy Troop 425 how to create terrariums using recycled soda bottles and other recycled materials in an effort to help the Daisy Scouts earn their "green petal" for using resources wisely. The activity was the perfect way to get the Girl Scouts excited about celebrating Earth

Day and caring for our planet. The girls expressed ways they will use resources wisely at home. For example, the girls pledged to turn off lights and TVs when they are not in use, not to waste running water and to recycle their garbage with their parents help. Clark Daisy Troop 425 is led by Alicia Scipioni, Kelli Kaminskas and Jackie Skwirut.

GIRL SCOUTS VISIT THE CLARK FIRE DEPART.

Daisy Troop 425 and sister Brownie Troop 791 were very excited to visit the Clark Firehouse located on Broadway. Deputy Chief Robert Venturella and Firefighter Thomas Campbell demonstrated what a firefighter looks like in full turnout gear when entering a house on fire, so the girls would not be afraid of them. The firefighters also explained how their turnout gear protects them from getting hurt. Other topics that were discussed were fire prevention and evacuation plans. After the demonstration, the girls were eager to take a tour of a fire truck. Upon leaving the fire department, every scout received a Fire Station Tour patch, a fire detector, fire hat and many other special treats provided by the Clark Fire Department. The girls thanked Deputy Chief Venturella and Firefighter Campbell for helping their community.

PIZZA BOX BIOGRAPHIES

Two second grade classes at Frank K. Hehny Elementary School in Clark completed their first biography using pizza boxes for their reports. Students in Ann Marie Estevez and Ellen Tamburino's classes participated in the project. Each child was assigned a famous person to research. They decorated the cover and inside of the box top with catchy titles and pictures about their person. The bottom of the box included 8 slices of "pizza" with facts about the person's life. The facts were assembled in their box in date order and decorated with "toppings". The second graders presented their reports to their classmates as well as visiting first grade classes, who enjoyed seeing the completed projects and learning about so many famous people.

BOOK FAIR LUAU

Students at Frank K. Hehnlly Elementary School in Clark enjoyed the Scholastic Book Fair recently. The theme was "Book Fair Luau: It's a Reading Celebration!" Each child had the opportunity to visit the fair with their class. Parents were invited to school to assist their children with their books and also aid other students with their selections. Parents also

helped the classroom libraries grow by donating books chosen from the teacher's wish lists. Every gift was recognized with a bookplate identifying the family name as the donor. The fair was a successful literacy event, making over \$7,600 for the school. The proceeds help purchase birthday books and summer reading books for over 500 children at Hehnlly each year.

TECH TIP TUESDAY

Frank K. Hehnlly Elementary School's computer literacy teacher, and teacher of the year, Diane Rizzo, has been passing along her technology knowledge to the rest of the staff. Every Tuesday, before school begins, she organizes

"Tech Tip Tuesday" for teachers to come and learn about new worthwhile websites for classroom use. She also demonstrates ways to implement them as effective instructional tools. Teachers learning about these sites have found them to be very beneficial, as they correlate them with the curriculum. Diane also instructs students in grades K-5 each week, visiting their classrooms with laptops for practice with technology. Each student uses a MacBook to learn age-appropriate, 21st century computer skills. The skills include tech terminology, word processing, keyboarding, digital citizenship, resource tools and multimedia projects.

2012 CLARK BOE SHOWCASE OF SUCCESS

On Tuesday, March 27, 2012, the Clark School District honored our Championship Bowling Team at the Board of Education's "Showcase of Success" meeting.

After last year's successful season, in which the Bowling team won the Watchung Conference, Union County, and State Sectional Championship, it would have been natural to lower the expectations for this year's team, as numerous seniors graduated from the program last year. In spite of this, the Bowling Program at Arthur L. Johnson High School exceeded expectations by doing the incredible and repeating as Watchung Conference, Union County, and State Sectional Champions for the second straight year.

The team was led by veteran coach Michele

Zaleski and her longtime volunteer, Steve Hopkins. This year's squad consisted of the following bowlers: Jason Chesnowski, Tim Coons, Vincent DiGeronimo, Michael Griffin, Steven Kotowski, Danny Levitz, Tom Malanga, John Messina, Gus Ochoa, and Bobby Weisensee.

The Supervisor of Athletics, Health, and Physical Education, Gus Kalikas, had this to say about the event: "Our bowling team once again took our school and the Clark community on a wonderful ride. To match the success of last year's team is a tremendous achievement, and the Clark School District, along with the community of Clark, are all extremely proud of the Bowling program and all of its accomplishments."

FAMILY TIME

Sherry D'Amico's fifth grade students at Frank K. Hehnly Elementary School had a special visit with her son and former Hehnly student, Alex D'Amico. The students listened to stories read by Alex and learned about his passion for chess. Alex explained how he is the owner and creator of D'Amico Chess and corresponding website, which provides the

opportunity to share his love of the game as a player, organizer and tutor. He started this when he was president of Rider University's Chess Club, and is presently a law student at Fordham in NYC. The fifth graders enjoyed meeting their teacher's son and hearing about what he had done since he left Hehnly.

PUBLISHING PARTY

Laura Venezia's fifth grade students at Frank K. Hehny Elementary School in Clark, have enhanced their writing skills throughout the year. They created daily journal entries and have learned new techniques on how to be better authors and writers. Individually they decided on one story to perfect by examining what they wrote about the most in their journals. The culmination of the project was the publishing

party, where the students read their stories aloud in front of their classmates, families, Hehny Principal Shirley Bergin, Elementary Supervisor Janeen Allmendinger, and Superintendent Mr. Kenneth Knops. The students also created a pod cast for the audience to view their pictures on the classroom smart board while listening to audio files of each student explaining what they have learned and why they love writing.

WINTER ATHLETIC AWARDS

On Monday, March 26, 2012, the Arthur L. Johnson Athletic Department held their 2011 – 2012 Winter Athletic Awards. The evening, sponsored by the Crusader Athletic Booster Club, was held in the Arthur L. Johnson Auditorium.

All the Winter Athletic Teams and their seasons were highlighted by their coaches while handing out letters and awards to the student athletes. Over 160 varsity athletic letters were handed out throughout the evening, as participation in athletics at Arthur L. Johnson High School continues to grow.

The program continued with the Student Athlete Award, which was presented by the Principal of Arthur L. Johnson High School, Mr. Rick Delmonaco. The Student Athlete Award is given out each athletic season to a student athlete that is not only a champion on the field, but in the classroom as well. The 2011-2012 Winter Student Athlete award recipient was

David Roglieri.

The evening culminated with the announcement of the Team Most Valuable Players. The MVPs were: Boys' Basketball – Dan Hogan, Girls Basketball – Cyndi Wilson, Wrestling - Sal Montuori, Ice Hockey - Salvatore DeMarzo, Boys' Winter Track & Field - Nick Mullery, Girls' Winter Track & Field - Amanda Wnorowski, Swimming - David Roglieri, Bowling - John Messina, and Cheerleading - MaryKate Lavan.

The Supervisor of Athletics, Health, and Physical Education, Gus Kalikas, had this to say about the event: "Once again, our Winter Awards Program was a successful evening as it allows the District, Administration, and Coaches the opportunity to acknowledge a wonderful Winter Sports Season as well as recognize both student athletes and their parents alike for all that they have accomplished this past winter athletic season."

SALVATORE DEMARZO SELECTED NJ DEVILS HS PLAYER OF THE MONTH

Each month, December through February, six student-athletes, one from each of six different conferences, are selected as recipients of the prestigious New Jersey Devils Player of the Month Award. Winners are based on nominations received from varsity ice hockey coaches throughout the state and voted on by local media. Award winners and their guests receive tickets to a Devils' game, a plaque presented by a Devils' player, and dinner compliments of the Devils. The 2011-12 season marks the 19th season that the Devils are

honoring high school student-athletes.

Arthur L. Johnson's own Salvatore DeMarzo was the recipient of this award for the month of February. Sal finished the year with 44 goals and 29 assists for a total of 73 points. In his career he finished with 149 goals and 117 assists for a total of 266 points. After a slow start this year Sal led his Crusader teammates on an incredible run straight to the Union County Finals, where the Crusaders eventually lost a hard fought game to Summit, the eventual New Jersey State Champion.

Sal's wonderful career will continue next year as he will be playing Ice Hockey Juniors for the Walpole Express next season. Coach Michael Nudo had this to say about Sal DeMarzo, "Salvatore is one of those special young men and players that do not come around often. It was a pleasure coaching him the last four years. Whenever a coach has a player as good as Sal it makes the hockey season a lot of fun. At times I would catch myself just marveling at what he does on the ice. Sal has appeared in more championship games than any other player to date in the 20 years of the Arthur L. Johnson Ice Hockey program. It will be a long time before we see a player like Sal again. He has much to look forward to accomplishing in his future both on and off the ice."

LEADERSHIP SEMINAR PRESENT MARINE CORPS TRAITS AND PRINCIPLES

On Tuesday, April 03, 2012, members of the Crusader Athletic Leadership Council were involved in the Marine Corps Leadership Seminar. The Marine Corps Leadership Seminar is built around the Marine Corps 14 Leadership Traits and 11 Leadership Principles which are the hallmark of the United States Marine Corps.

A presentation was given to conduct an interactive guided discussion explaining and defining the 14 Leadership Traits and 11 Leadership Principles. The presentation included scenario based examples in which students working in groups identify how they would approach and act in a given scenario utilizing the Leadership Traits and Principals.

This seminar provided the students and members of the Crusader Athletic Leadership

Council with leadership strategies and techniques to assist with their high school athletics, academic effort, and overall personal development.

Gus Kalikas, Supervisor of Athletics, Health, and Physical Education at Arthur L. Johnson High School, had this to say about the event. "The C.A.L.C. was thrilled to be able to host Major Ogden and the Marine Leadership Seminar at our Crusader Athletic Leadership Council Meeting. Our student athletes learned a lot through both talking about aspects of

leadership and role playing various scenarios that integrated the leadership traits that were discussed. There is no doubt in my mind that our student athletes will be able to employ these traits in the classrooms and on the fields in order to make themselves better students, athletes, and citizens."

The C.A.L.C. would like to thank Major Ogden, Captain Simpson, and all of the Marines that attended the meeting and assisted the Student Athletes of Arthur L. Johnson High School in continuing to strive for excellence.
