10TH ANNIVERSARY 9/11 CEREMONY HONORS JAMES NELSON

James Nelson

The Clark community came together on September 10, 2011 in a ceremony to mark the 10th anniversary of the September 11, 2001 terrorist attacks. Clark resident James Nelson, a 16-year veteran of the Port Authority Police Department was killed in the line of duty that day while rescuing others at the World Trade Center. Mr. Nelson had also rescued people in the aftermath of the World Trade Center bombing in 1993. Jim was 40 years old; he left behind his wife Rosanne and daughters Caitlin and Anne who were 5 and 11 at the time. According to accounts he rushed to the scene shortly after 9 a.m. on September 11 from the Port Authority Police Academy, where he taught recruits, in Jersey City.

TOMA HONORED WITH FOUR CHAPLAINS BRONZE MEDALLION

David Toma

Clark Resident David Toma was bestowed the prestigious Four Chaplains Bronze Medallion. Toma dedicated his life to motivating and mentoring youth as a public speaker and counselor. He influenced millions world wide through over 15,000 lectures.

Renowned as one of the world's "greatest detectives", Toma uses his life experiences and his 21 years in law enforcement in Newark, NJ to teach. His innovative style lead to two television series based on his career, "Toma" and "Baretta". A screenplay has also been written about him.

Toma authored six books, the latest being "Unforgettable- the life and legend of David Toma." His books and videos are used in

schools, hospitals, jails and treatment centers as healing tools.

The Four Chaplains is the latest in a long list of humanitarian awards and honorary Phds. Canada presented him with an Olympic Medal for his work there in 1976.

Toma lectures are as dramatic as his life. Known for going undercover in disguise, he lived in the world of the criminals and despite the danger did his job using non-violent methods. His record was unmatched in the number of arrests and a 98% conviction rate.

Toma put criminals behind bars but he also rescued lost souls in despair, who were stuck in the seamy environment with little hope of getting out without help.

SEÑORITA'S HOSTS EVENT FOR HURRICANE IRENE RELIEF FUND

Señorita's Mexican Grill Located at the Hyatt Hills Golf Complex in Clark hosted an event to raise money for a hurricane Irene relief fund. Money raised will be presented to the mayors of Clark, Cranford and Westfield to be used in their towns relief efforts. Money was raised in different ways throughout the evening; Hyatt Hills donated a percentage of mini-golf sales, street type vendors set up booths and donated their sales, local businesses sent gift baskets to raffle off and Senoritas "now more then" Mexican donated a generous portion of the nights proceeds. "We're part of a special community here" said new Executive Chef Christopher Ciccia, "I am very happy to be working back in my home town". Christopher joined the Senorita Family in August and made an impact immediately, the menu, a Mexican Italian Fusion is truly a style that cannot be missed. "I use only the freshest ingredients and prepare all food to order."

Live entertainment was also a big part of the evening. A local band "Punch Bully" donated the afternoon to help this great cause.

Punch Bully will be performing again at Senoritas Saturday September 17th. They also have been booked by the Clark PBA to play at a fall charity event in late October which will be held at the Deutscher Club.

Senoritas would like to thank all that came out to support this great cause.

CLARK CHAPTER OF UNICO ANNOUNCES 5TH ANNUAL ITALIAN AMERICAN FEAST

The Clark chapter of UNICO proudly announces the fifth Annual Italian American Feast to be held this fall in Clark. The event will be held for three days during the Columbus Day weekend, October 7th, 8th and 9th, in the parking lot on the recreation side of the municipal building and also in front of the tennis courts.

The feast will consist of many of your favorite Italian foods including sausage, pizza, zeppole, eggplant, calzone, pastas, seafood and much more. We will also have beer and wine. There will be game trailers for everyone to take a chance to win prizes, plus a money wheel, 50/50, and an LCD Flat Screen TV raffle.

Children will be entertained by taking a spin on various rides, having their face painted or eating cotton candy, popcorn, and ice cream. Clark residents will be entertained by Brother John Brown, live band on Friday night, Sounds of the Street doo-wop band on Saturday night and an Italian Singer on Sunday. Various crafters and retailers will also be on hand for people to

stroll along and shop.

Save the date as we extend an invitation to join in on this wonderful fall festival. If you would like to volunteer to help with the feast or partake in the festivities, please feel free to call Ralph Bernardo, Clark UNICO Chapter President at 908-337-7773.

For those of you not familiar with UNICO, we are the largest Italian American Service Club in the US, non profit and non sectarian. The UNICO Clark chapter will be running the feast. The proceeds raised from last year's feast enabled us to donate over \$23,000 to academic and sports scholarship awards to our high school students, underprivileged and handicap children, charities, community and civic activities, just to name a few.

We are excited and proud to bring the event to the township of Clark again this year and are anticipating an even larger turnout and great experience for all residents. Mark your calendars and bring your appetite as a guaranteed fun time will be had by all!

CHECK-OUT HUNGER

Starting in September look for the Check-Out Hunger coupons at your local supermarket. Community FoodBank Check-Out Hunger has generated over \$1million dollars in donations four years in a row. The Check-Out Hunger campaign is an annual fundraiser that takes place every autumn, from late September through the end of January, at most major supermarkets and some convenience stores in New Jersey. It benefits the Community FoodBank of New Jersey and their affiliates, such as St. John's, by providing an easy way for supermarket shoppers to help fight hunger in their own communities.

Shoppers can find a display of Check-Out Hunger donation slips right at the checkout aisle. Every \$1, \$2, \$3 and \$5 donation slip has its own UPC, just like any other item in the store. Whenever a shopper makes a donation, the cashier scans the Check-Out Hunger donation slip and your tax-deductible donation will appear on your grocery receipt. 100% of every Check-Out Hunger donation in the service area goes to the Community FoodBank to help in the fight against hunger.

2 FAT GUYS FUELS FOOTBALL TEAM WITH PASTA

The Johnson Crusader Football Crew, formerly known as the “Johnson Crusader Breakfast Moms” – is a group of football parents that meet weekly to serve the JV and Varsity football players and all the coaches a meal before their games. This year the boys will be having salad, pasta, bread and fruit salad. The team is fortunate to have the support of the business community which donates food and funds. 2 Fat Guys, a pizzeria/restaurant in Colonia will be donating the pasta for the meals, preparing a different type of pasta each time.

2 Fat Guys is owned by Clark residents Tom Petronella and Ed Pedicine, who is also an assistant coach for the team. The restaurant, which opened five months ago, wants to include community service programs as part of their operation. Manager Eric Moore looks for opportunities to help other organizations with events and programs.

2 Fat Guys has a unique take on local dining.

they want to bring the boardwalk back home. The restaurant features tastes of the Jersey shore year round. Items like Corn Dogs, Zeppoles and Fried Oreos are available. Diners can have their fill of regular pizzeria fare and Italian dinners along with boardwalk French Fries and Philadelphia Cheesesteak sandwiches.

2 Fat Guys pride themselves on serving generous portions. So much so that they have a menu of Eating Challenges. For instance if a customer can eat a Dickie Burger and an order of Fatso Fries in 40 minutes that get their meal for free along with a T-shirt and a photo on the Fat Guy’s Wall of Fame.

2 Fat Guys is committed to making their restaurant as much fun as being on vacation down the shore. More importantly they are committed to giving back to the community. Community service organizations can contact Eric Moore at 732-382-3900 to discuss ways the pizzeria can assist them.

The Arthur L. Johnson Crusaders Varsity Football Program, led by Head Coach Michael Mancino, visited the First Children School on Thursday, August 18, 2011.

Most students at the school are challenged by physical, medical and developmental issues. All are working hard to overcome those challenges and be the best they can be. The Crusaders interacted with the students and teachers and had a fun and exciting day with the children.

Mancino encourages his student/athletes to participate in community service activities. He welcomes inquiries by phone at (908) 337-4419 or email at mmancino@clarkschools.org

SEPTEMBER IS NATIONAL LIBRARY CARD SIGN-UP MONTH

Do you have your library card? According to a study by the American Library Association, more than half of the population of the United States has a card.

If you are not one of these people, you are missing out on the great services that Clark Public Library offers, which is more than just books and reference services. In an increasingly digital world, access to information and technology is becoming more important daily. However, in an unstable economic climate, many people do not have access to current technology. Libraries are the number one access point for free Internet access. Libraries also provide technology resources for job seekers, who can use the library's computers to write and send out resumes, as well as use the internet to search and apply for employment.

Public libraries also host special events and programs for the public. Story times for children are offered three times a week. On September 26th at 7:00 p.m., a program celebrating the 125th anniversary of the dedication of The Statue of Liberty will take place. Join author, photographer and lecturer, Kevin Woyce as he discusses how The Statue of Liberty was built and the key people involved in her creation. He will showcase both original photographs and historic images of the Statue of Liberty. Teens can help plan programs and activities at the library by becoming part of the Teen Advisory Board. The first meeting will take place on Wednesday, September 21st at 3:30 p.m. This is just a small sample of the many

great programs available. Registration is required for most programs.

Library Director, Patricia Anderson states, "Public libraries are an important part of the community. They provide access to books, magazines, videos and more. They allow you to connect to the rest of the world through their public computers. Best of all, it's free"

What are you waiting for? Getting a library card is easy. Proof of residency in Clark is required. Just bring a valid New Jersey driver's license, property tax bill or current rental agreement. For children registering for a card, the parent or guardian will require proof of residency.

To sign up for a library card or to learn more about the programs offered, visit:

ST. AGNES SCHOOL GEARED UP FOR NEW YEAR

Submitted by Mrs. Schnaars

During the summer, St. Agnes School in Clark has geared up for another new and exciting school year. Our cafeteria has been completely renovated, as well as the stage in the auditorium. Also, if you happen to drive by, you will find the school looking so much brighter and alive with school spirit. Our brand new gymnasium being built is coming along nicely. Some areas of the school even received a fresh coat of paint.

St. Agnes opened its doors to all middle school students on Wednesday, September 7, 2011 and to elementary students on Thursday, September 8, 2011. All students assembled in the playground area at 8:00 am on their respective start date with the exception of the Kindergarten students as they met their teacher at the classroom for a quick "photo-op". Mrs. Heather Schnaars, the principal, started the school year off with all of the parents and/or guardians gathering together and reciting a

blessing for their children before entering the building for the start of the new school year.

The first couple of days had 12:00 pm dismissals; in preparation for the first full week of full days began Monday, September 12, 2011. Pre-Kindergarten children follow a special schedule to introduce them to their new routine.

The middle school students have the option this year of joining in on some special study skills classes that will be offered by the principal. The school has added a Vocabulary textbook into the curriculum for fourth and fifth grades. The fourth and fifth grades also start switching classes to help better prepare the students for the middle school.

We anticipate a very exciting 2011/12 school year. The students and faculty are looking forward to being challenged and rewarded all at the same time.

Visit our website at www.stagnesschool.com to learn more about the St. Agnes School.

CHARTER SCHOOLS PROGRAM SCHEDULED

Charter schools will be the focus of a program to be presented by the League of Women Voters of the Union Area at 7 p.m. Sept. 20 in the Cranford Community Center, 220 Walnut Ave.

Sandy Matsen, a former president of the League of Women Voters of New Jersey and co-chair of the state League's Education Committee, will be the speaker. Her topic will be "Charter Schools: A League Perspective."

The meeting, which is free and open to be public, will be the first of three Union area League programs being held as part of a national League study on education. It will be followed by membership meetings in October and November, when a special committee formed for the study will present additional information on various aspects of education. At the end of the November meeting, members will try to reach consensus on a series of questions

concerning education from national League headquarters.

Similar programs are being held this fall by local Leagues throughout the country. Based on conclusions reached at these meetings, the national League will then take an official position on education and will lobby elected officials in support of it. This is the same grass roots decision-making process followed by the League in forming positions on a wide range of issues, ranging from finance to social policy to the environment.

The Union Area League is comprised of members from Union, Cranford, Linden, Springfield, Westfield and other communities. Membership is open to all citizens, men as well as women, 18 years of age and over. Anyone interested can call (908) 925-9784 or visit www.lwvnj.org.

KUMPF SCHOOL HOSTS CHANGE MY WORLD NOW AUTHOR

The Carl H. Kumpf School will not only have the unique opportunity of being included in the 20-week national tour called "Change My World Now," but they will also get to meet the author, Gina Otto, of *Cassandra's Angel*, the children's book from which "Change My World Now" was adapted. *Cassandra's Angel* is a book "about stories we are given in our lives about who

others think we are... and then dropping those stories so that we can become who we are meant to be. The book's message bridges age, culture, gender, and religion."

The sixth grade students of Kumpf will greet the tour bus at 1:00 p.m. on October 4, 2011, watch the presentation, and then have a meet-and-greet with the author to discuss the major themes of the presentation and how they personally relate to them.

These efforts are part of the Clark Public School's anti-bullying initiative. This district-wide initiative is organized around the world-renown Olweus Bullying Prevention Program.

FUND HELPS CHILDREN WITH CANCER

Submitted by Kathy Denora

The Michael C. Denora Foundation of Clark, New Jersey was established in 2009 in memory of my son, Michael who lost his battle with pediatric cancer at the age of 23. His wishes were to help the children battling this horrible disease in what ever way possible.

With Michael's hopes and dreams as the driving force, we focused on raising money to help these special children. Michael's Foundation touches the lives of these special children. The children and their families need our help to make their hardest days just a little bit easier. Our foundation is focused on helping local children thru the Cancer Institute of New Jersey, Bristol-Myers Squibb Children's Hospital and Embrace Kids.

We are a new foundation and growing. Last year, through much support from family and friends, we helped fund a Thanksgiving Day Luncheon for the children and their families in the hospital, provided Christmas gifts to patient families as well as needed items to the Pediatric Hematology/Oncology Cancer Clinic to keep the children occupied during treatments.

Together we can truly make a difference for these special children – who just want to be kids – grow up – go to college – and have a family of their own.

With Warmest Regards & These Special Children Forever in our Hearts,

Kathy Denora - Clark, New Jersey
(left) Hope you can join us for our second annual comedy night benefit.

ANNUAL POLISH HARVEST FESTIVAL "DOZYNKI" WILL BE SEPTEMBER 25

The Polish Cultural Foundation invites the community to its Annual Polish Harvest Festival which is being held on Sunday, September 25 starting at 3pm at 177 Broadway in Clark. The Polish American Folk Dance Company of Brooklyn, New York will lead the festival program with their presentation of the harvest with folk dances and humorous folk songs (traditional couplets). There will be plenty of Polish ethnic food available as well as a cash bar with Polish beer and spirits. PCF has invited a selection of Polish businesses to the event, which will have concessions available with Polish historical artifacts, jewelry, t-shirts, music and CD's, and other items for sale. There will be music for everyone's enjoyment and the dance floor will be open to all. Children can also play games organized by The Polish Girl Scouts. Door prizes will be awarded at random and attendees can enter for a chance to win a 50/50 raffle.

The general public is invited to attend this festive event in celebration of Poland's traditions and heritage. Tickets for the festival are \$8 for adults, with free admission for children under 12 years.

The Polish Cultural Foundation also invites local residents, businesses and the overall community who are interested in contributing to this event by volunteering their time, having a vendor table at the event or being a sponsor.

The Harvest celebration, or "Dozynki" is considered to be one of Poland's most recognized traditions. This tradition is based on the history of tenant farmers presenting the Lord and the Lady of the Manor with gifts and garlands of wheat and wild flowers as part of a joyous fall celebration of the harvest. Throughout Poland's history, the focus on the "Dozynki" tradition revolve around the harvest representing the fruits of the farmers' labors, as well as their ability to sustain themselves through the winter months.

The Polish Cultural Foundation, located in Clark, New Jersey, is a non-profit organization dedicated to the preservation of the Polish culture and heritage. For more information about the Polish Cultural Foundation and its events, please visit <http://www.polishculturalfoundation.org>.
