KENILWORTH CHAMBER AWARDS THREE SCHOLARSHIPS

The Kenilworth Chamber of Commerce recently awarded three Kenilworth, New Jersey high school seniors with a \$1000 scholarship each for their continued education.

Nine students submitted applications for the scholarships during the course of the school year and at their last Chamber meeting, the members of the Kenilworth Chamber of Commerce awarded the prizes.

Ms. Sephanie Hand, who will be graduating from Union County Academy for Allied Health Sciences, Ms. Victoria Bihler, who will be graduating from Union County Academy for Information Technology, and Ms. Kathryn Nieves who will be graduating from David Brearley High School accepted their awards in a small ceremony that took place at the Kenilworth Public Library on the afternoon of May 24, 2011.

The ceremony was attended by Isabel Coronel of Access Self Storage, Chairman of the Kenilworth Chamber of Commerce, and the families of each student.

Ms. Hand will attend Charleston Southern University, Ms. Bihler will attend The College of New Jersey, and Ms. Nieves will attend Centenary College in the Fall of 2011.

The Kenilworth Chamber has been raising money for these scholarships through its Street Banner Program and through the Taste of Kenilworth each fall.

Chamber president Isabel Coronel noted that the group was

(above l-r) Victoria Bihler, Isabel Coronel - Chairwoman Kenilworth Chamber of Commerce, Kathryn Nieves & Stephanie Hand

very pleased to again be able to offer the scholarships this year. "We couldn't do it without the support of the community. Thank you to everyone who comes out the Taste each year. It's a great event and a very worthy cause."

The Kenilworth Chamber salutes the winners of this year's scholarships!

MEMO FROM THE MAYOR

I would first like to thank all of the young adults who took part in the Borough's annual Youth in Government Day on May 25, 2011. Anthony Renda, Hope Bera, Michael Mossucco, Alicia Casamento, Shelby Loza, Matthew Curtin, Ashley Oriol, as Mayor and council took over our jobs at the meeting. Also participating were Conchetta Aronowitz, Paval Patel, Christine Coppola, Antonio Altamirano, Maria Angela Bui and Rajiv Dave. This is one of my favorite meetings. It provides the participants with a small glimpse of what the governing body does.

I again want to thank Merck for their participation on this special day. As its predecessor, Schering Plough, had done for decades, Merck hosted the participating students to a tour of their tremendous Research & Development facility followed by lunch.

A new memorial for the victims of September 11th who had close ties to the Borough is being constructed. The memorial will feature a piece of a beam from the World Trade Center which was given to our Fire Department in recognition of their response to the tragedy on September 1, 2001. This massive beam is twisted and distorted from the bombing and brings home the magnitude of what happened.

I would like to thank the PBA, VFW, and the Fire Department for their help in planning the memorial. I would particularly like to recognize both Bob Vesselli and Dave Kokai for their help in designing the memorial. They will also be instrumental in its construction.

I am asking for donations to this project in order to defray the cost to the Borough. All donations can be made to the Pride in Kenilworth Committee, and should be sent to Borough Hall, 567 Boulevard, Kenilworth, NJ. Please note on your check that the donation is being made for the September 11th Memorial.

Mayor Kathi Fiamingo

SEPTEMBER 11th MEMORIAL IN PLANNING STAGES

Through the combined efforts of Mayor Fiamingo, Chief Grady, the Kenilworth PBA, the Kenilworth Fire Department and Rescue Squad and the Veteran's of Foreign Wars Post 2230, the tenth anniversary of the attack on the World Trade Center will be commemorated with a new memorial to the three individuals from the Borough who were killed in the attack.

Instrumental in both the design and the installation of the memorial are Bob Vesselli of Vesselli Landscape & Design and Dave Kokai of Dave's Landscaping. "Bob and Dave are donating a great deal of their time and expertise to this project and it cannot be completed without them", said Bob Jeans, Commander of the VFW Post 2230. When Commander Jeans was asked by Chief Grady to become a part of the planning committee he immediately thought of both Bob and Dave. "I was thrilled that Bob and Dave agreed to help", said Mayor Kathi Fiamingo, "We absolutely could not have afforded to do this project without their help and I just can't thank them enough."

Included in the design will be a three foot portion of a steel beam from the twin towers at the Trade Center which was given to the Kenilworth Fire Department as a result of their responding on the day of the attack. "The KFD is proud to contribute this piece of history to the Borough's memorial", said Chief Lewis Giordino. The Department plans to incorporate a larger piece of the beam in a monument to be established at the Fire Department building at a later date.

Sgt. Robert Kaulfers, Mr. John Tobin and Mr. John Ueltzhoeffer each had significant ties to the Borough of Kenilworth when their lives were cut short by the terrorist attack on the World Trade Center on September 11, 2001. Both Sgt. Kaulfers and Mr. Tobin were living in the Borough at the time of their deaths. John Ueltzhoeffer was born and raised in the Borough and his father, John, was a member of Borough council from 1976-1984.

The Pride in Kenilworth Committee is accepting donations to defray the costs of the

memorial. All checks should be sent to Pride in Kenilworth Committee, 9/11 Memorial Project, 567 Boulevard, Kenilworth, NJ 07033. "All donations are welcome", said Mayor Fiamingo, "We know that all the residents of Kenilworth will want to help with this Project. If everyone donated even a small amount we would be able to completely cover the costs of this project."

DAVID BREARLEY STUDENTS COLLECT THOUSANDS OF PENNIES FOR PATIENTS

Submitted by: Mr. David Novak

The 2010-11 "Pennies for Patients" fundraiser was just completed. The David Brearley Middle and High School raised a total of \$5,654.00 this year. In memory of Jeffrey Bubnowski, the money was donated to the Leukemia and Lymphoma Society's School and Youth Program. Jeffrey Bubnowski is the younger brother of Brearley's Assistant Principal Ronald Bubnowski. Jeffrey died of leukemia in August of 2010. The Brearley students were extremely committed to this very worthy cause. Since 2004, David Brearley Middle and High School has raised \$27,710.09 for the Leukemia and Lymphoma Society's School and Youth Program through the "Pennies for Patients" fundraiser.

In the high school, the individual class that raised the most money this year was Mrs. Greten's homeroom class. These first place winners raised \$291.79 and won a pizza party.

In the high school, the individual class that raised the second greatest amount of money this year was Ms. Spampinato's homeroom class. These second place winners raised \$174.70 and won an ice cream party.

In another very charitable action, these winning high school homeroom classes have decided to donate the money for their pizza and ice cream parties (\$70.00 total) to the Michael N. Bibbo Surgery Fund (.thebibbofund.com). Michael Bibbo is a junior at David Brearley High School. He has been diagnosed with Primary Lymphedema and is in need of major surgery.

In the middle school, the homeroom class that raised the most money was Mr. Shapiro's

homeroom class. These first place winners raised \$356.16 and won a pizza party.

In the middle school, the homeroom class that raised the second greatest amount of money was Mrs. Alvarez's homeroom class. These second place winners raised \$188.84 and won an ice cream party.

The "Pennies for Patients" committee this year was chaired by David Brearley High

School senior Amy Roman. Assisting with the fundraiser were Brearley seniors James Hannon, Megan Gilligan and Jaclynn Vaughn. The generosity of the David Brearley Middle and High School students, faculty, and staff during this charitable fundraiser is a fine example of true volunteerism. It is also proof of their commitment to helping others. Great job, David Brearley!

(above) David Brearley Assistant Principal Mr. Ronald Bubnowski, Jaclynn Vaughn, Meghan Gilligan, Amy Lynn Roman, James Hannon, and David Brearley Nurse Mrs. Cynthia Hegna with the check for the \$5654.00 in donations collected by the David Brearley student volunteers.

PROVIDING WORLD CLASS CAREER ACADEMIES IN KENILWORTH

Dr. Scott Taylor, Assistant Superintendent

Four career academies are slated for launch in 2012-2013 in the Kenilworth School District. Each school “within” the larger high school will serve approximately 15-20 students whose four-year Brearley High School career will culminate in an immersive senior year program that will transition them to a college or university level program.

The David Brearley Middle School Academy of Math and Science will engage Sixth to Eighth Graders in integrated learning experiences that will provide them initial exposure to engineering and research careers. The David Brearley High School STEM (Science, Technology, Engineering, and Math) Academy, the Academy of Sports Management and the Academy of the Arts will provide Ninth to Twelfth Graders who have targeted their career interests, small and immersive learning environments taught by the district’s own specialists.

Academies will be career focused. Students will connect the real world to everything that happens in the classroom. Academy curricula will emphasize real-world applications whenever new concepts are introduced and each program will be crafted to show students how their studies will lead to a career in their respective field.

Students will be educated in smaller class settings as they interact with peers in intimate learning communities with those who have similar interests. Each academy will house approximately 15-20 students, and they will develop learning partnerships with their teachers

with whom they will work all four years of their academy experience.

Global awareness will be a theme of all of the academy programs. Students will use technology to serve the global community and will work with researchers, practitioners, and peers from around the world by using videoconferencing tools and social media to develop their early careers in the context of global demands. Service learning will be a foundational component of this program. Students will use electronic tools to help people around the world, using the skills they acquire throughout their academy studies.

Field experiences, including mentorships with professionals, will be one of two senior year capstones to the four-year academy sequence. Senior academy students will participate in a field mentorship and will shadow selected professionals, working side by side with them for one semester. Students will be exempt from “seat time” in certain classes during their senior year so they may go off-campus to fulfill the work experience requirement.

A second senior year capstone will have all students building higher knowledge while accumulating college credit. Academy students will be enrolled in college-level classes that support their career-focus and can lead to a full semester of higher education credit. Partnerships will be developed with regional colleges and universities to provide Brearley Academy students will additional resources and opportunities that support their career pursuits in

science, technology, math, and engineering, as well as sports management and the arts.

One of the keys to the success of the David Brearley Academies will be having the high school and local businesses foster relationships that would have our senior students working in local offices, shops, and service providers in the area. I welcome your interest and will gladly take your calls at 908-276-5936, extension 541. A promotional Brearley Academy video can also be viewed by going to the district’s website www.kenilworthschools.com and clicking the link under the “District News” headline on the right side of the page.

DAVID BREARLEY MIDDLE/HIGH SCHOOL STUDENTS OF THE MONTH

(above) Janine Casale and Dani Mauro.

The David Brearley High School Student of the Month for May is a mature, hard-working, responsible senior. Janine Casale is a Peer Leader, a member of Bears That Care, and was voted Homecoming Queen this past fall. Janine has participated in both soccer and track throughout her high school career, receiving the MVP award her junior year for Winter Track and Soccer. For soccer she also received an Honorable Mention, 1st Team All Conference. Outside of school, Janine is active in CYO, is

the captain of her soccer club team, and coaches a team for the Kenilworth Soccer Club. Congratulations, Janine!

The May Middle School Student of the Month is Miss Dani Mauro. Dani is described by her teachers as being a high achieving student, who always works hard to do her absolute best in school. In fact, if this diligent student misses a day of school or has difficulty with the homework, she has been known to take it upon herself to go for extra help in the mornings, just to be sure that she has a clear grasp of what she needs to accomplish. This incredible work ethic and commitment to her education, makes her a top student in all of her classes. Moreover, Dani is also well known for being a polite student with a great attitude. This past February, she was even involved in one of the leading roles of the Middle School play, Little Red: Life in the Hood. These commendations are what make Dani a great choice for David Brearley's Student of the Month. Congratulations Dani Mauro, and keep up the great work!

LIBRARY ANNOUNCES 2011 SEASON FOR "THE BARD ON THE BOULEVARD"

The Kenilworth Public Library is pleased to announce the schedule for the 2011 season of "The Bard on the Boulevard," a series of three live performances of Shakespeare's plays presented by members of The Hudson Shakespeare Company. The season will kick off with a performance of the much beloved comedy *A Midsummer Night's Dream* on June 16, followed by a performance of the history play *Henry V* on July 21 and concluding with a performance of *Timon of Athens* on August 11. These performances are free and open to all members of the general public. All performances are scheduled to take place under the stars at the football field of David Brearley High School which is located at 14th Street and

the Boulevard; it is suggested that attendees bring their own lawn chairs, blankets or other outdoor seating as sitting in the bleachers for these performances is not recommended. In the event of rain, performances will be moved indoors to the Kenilworth Public Library, located at 548 Boulevard. All performances are scheduled to begin at 7:30 PM.

The informal outdoor setting, coupled with the play's appealing costumes and sense of whimsical fantasy make this an excellent opportunity for parents to offer their children their first exposure to the works of Shakespeare.

The Hudson Shakespeare Company, based in Jersey City, has been offering live performances in a variety of settings since 1992. They have

been collaborating with the Kenilworth Public Library to provide performances of Shakespeare and the work of other playwrights since 2004. More information about the Hudson Shakespeare Company can be found on their website, www.hudsonshakespeare.org.

Funding for the 2011 season of "The Bard on the Boulevard" has been made possible in part by the New Jersey State Council on the Arts, Department of State, a partner agency of the National Endowment of the Arts, through a grant administered by the Union County Office of Cultural and Heritage Affairs. Additionally, the Kenilworth Chamber of Commerce has signed on as a Gold Level sponsor for these events.

ST. ANTHONY'S ITALIAN FAMILY FEAST IN NEIGHBORING ROSELLE PARK

*Experience Church of the Assumption's St. Anthony's Italian Family Feast
Bigger and Grander than Last Year! June 9 – 12, 2011*

You know that summer has arrived in Roselle Park when the Church of the Assumption holds its annual St. Anthony's Italian Family Feast. This year it will be four days of faith, fun, family and friends, packed full of delicious homemade cooking, an Italian style Café, food venders, non-stop entertainment, music, amusements, and games. The events, located on the Church grounds at 113 Chiego Place, will begin on Thursday, June 9 and run through Sunday, June 12. Hours: Thurs 6-10 pm, Fri 6-11 pm, Sat 4-11 pm, Sun 2-10 pm.

However, this will not just be a four day carnival. The new pastor of the Church of the Assumption, Fr. James Spera, has planned a faith oriented celebration that includes a procession through the streets with the statue of St. Anthony. The 100 year old statue of St. Anthony, recently refurbished after languishing in storage since the current church was built, was part of the parish when it was founded in 1907. There will be a street procession honoring St. Anthony after the Noon Mass on June 12th and accompanied with music by the Tony Neglia Band.

This festival is close to Fr. Spera's heart, who holds a devotion to the saint and a fascination with his life. St. Anthony was famous for his preaching and is a Doctor of the Church. Fr. Spera remarks "St. Anthony is the Lost and Found department of heaven." On Friday June 3, 2011 at 4:15 pm, you can discover more about this fascinating saint, when Fr. Spera is interviewed live on WFJS Catholic radio. In addition to enlightening the listening audience on the history of and traditions associated with St. Anthony, Fr. Spera will speak about the Feast and the St. Anthony procession. Tune your radio to WFJS 1260 AM, WFJS 89.3 FM or stream online at www.domesticchurchmedia.org

Church of the Assumption holds this annual Italian feast because originally it was designated as an Italian parish. A century ago, when the parish was founded, a parish could petition the archdiocese for permission to redefine itself under a designation that served a specific ethnic community. Eleven years ago the parish searched for a fundraising event that would attract a diverse ethnic demographic. What is there not to love about Italian food?

BJORN MODELS LIBRARY'S COMMEMORATIVE TEE FOR SALE

The Kenilworth Public Library is celebrating the 75th anniversary of its current building at 548 Boulevard. To that end, Bjorn is wearing his commemorative tee shirt while “boning” up on how to “unleash” the potential of his human, Kenilworth councilman Scott Klinder. A limited number of 75th anniversary tee shirts in children's sizes are still available for sale at the circulation desk at \$10 apiece.

BOOK DISCUSSION GROUP LOOKS AT ERICA BAUERMEISTER'S THE BOOK OF ESSENTIAL INGREDIENTS

The book discussion group of the Kenilworth Public Library will meet at 7:15 PM on Tuesday, June 14, to discuss *The Book of Essential Ingredients*, by Erica Bauermeister. The novel's title refers to a series of monthly cooking classes run by Lillian, the proprietor of a first class restaurant. Each of the book's chapters focuses on the life of a different member of the class: a young mother, a long married husband and wife, a kitchen designer, a young widower, a misfit teenager, a software engineer, and a woman who is moving into the middle stages of dementia. According to the author, this book is about taking “ ‘unimportant’ bits of life and making them beautiful.”

Participation in the book discussion group is free and open to all adult members of the general public, including people who reside in communities other than Kenilworth. Previous experience with a book discussion group is not required and new members are always welcome. Copies of the book will be available for check out at the circulation desk and residents of other communities should inquire regarding ways they might be eligible for borrowing privileges at the Kenilworth Public Library. Because space is limited, preregistration is requested
