VIN BANEK IS 2ND IN DEFENSIVE PLAYER OF THE YEAR VOTING

On Thursday, December 05, 2013, NJ.Com closed a poll that was being voted on by the public on who the best defensive player in the State of New Jersey was this past season in the sport of High School Football. The panel of experts came up with a list of 38 of the state's best defensive players. One of the players listed was Arthur L. Johnson's own Vin Banek, a senior Linebacker / TE that was a three year starter on the Crusader Football Team.

Vin had a stellar career for the Crusaders as the Senior LB regularly pushed 20 tackles per game for Johnson High School. Banek, who wore #40, finished his career with a school record 390 tackles while accumulating 17 wins throughout his varsity football career. Vin is a three sport athlete and also was named captain of the football, basketball, and lacrosse teams for his senior season. He is a member of the Crusader Athletic Leadership Council in addition to being a standout student, with a GPA of 4.716.

Vin finished second to Ken Bradley of Jackson High School, who garnered 21.33% of the votes (37,965 Votes). Vin finished with 15.59% of the votes, which came out to 27,756 votes.

Michael Mancino, Head Football Coach at Arthur L.

Photo by Miek Siessel

Johnson High School, had this to say about the career of Vin Banek: "In my 20 years of coaching high school football, Vin Banek may be the toughest player I have ever coached. His work ethic and desire to be the best is what drives him and by the way he carries a 4.716 GPA. He is the epitome of what a student athlete should be."

CRANFORD MONTHLY JOINS RENNA MEDIA'S FAMILY OF NEWSPAPERS

Beginning in January 2014 Cranford Monthly will join Renna Media's family of newspapers. Just like Clark Monthly, Cranford Monthly will deliver important information from the departments in town hall, along with news from the schools and library. Community service organizations are encouraged to promote their events and celebrate their accomplishments free of charge. The newspaper's goal is to be a positive influence on the economic development and overall well-being of Cranford. There will be no investigative reporting or political content; Cranford Monthly exists to share all of the good things that are happening in town.

Renna Media is a Cranford based business owned and operated by husband and wife team Joe and Tina Renna. Cranford Monthly joins Renna Media's family of twelve community newspapers published in and around Union and Somerset counties. The publications are "hyper-local" in nature in that they contain information focused on each individual town and are direct mailed within those towns.

The concept of being hyper-local is to give local

businesses a venue to promote events and services. Reaching local customers gives you the highest return for your advertising dollars. The newspapers are designed (black ink on newsprint) to keep the cost of an advertisement to as low as \$60. A discount is also applied for those businesses involved in their local Chamber of Commerce. Regional businesses can take advantage of one low rate for advertising in multi publications.

Joe and Tina Renna, owners of Renna Media, LLC, have been publishing community newspapers since 1998 with the launch of Around About Peterstown, a regional newspaper about the Italian-American neighborhood in Elizabeth, NJ.

Renna Media sought to fill what they saw as a void in other communities and created newspapers that would give a venue to town administrations and non-profit organizations to promote upcoming events as well as to showcase the accomplishments of local residents and businesses.

For more information about Renna Media publications, please visit www.renna.com. Contact information: info@rennamedia.com; 908-418-5586.

CUB SCOUT PACK 145 OF CLARK

Cub Scout Pack 145 of Clark - Den 2 had a great time doing a build it workshop project at a recent trip to the Lowes in Woodbridge, NJ. The boys worked on building a pull it car. After they

were done the Den had fun racing their projects in the aisle. They were given a tour of the store and learned a lot of information about the different tools.

HOLIDAY MAIL FOR HEROES CAMPAIGN

NJ GRADUATED DRIVER LICENSE PROGRAM

Students in Laura Bundy's third period Driver's Education class at Johnson High School just learned about the GDL also known as the Graduated Driver's License. The GDL is a program teen and first-time drivers must complete to get their unrestricted basic driver license. The program is designed to reduce driving fatalities among first-time drivers and their passengers. By having more experience, new drivers will be more capable of handling all types of driving situations.

There is a three step route to the GDL. The first step is the Permit (age 16). The requirements are to obtain parent/guardian signature, pass vision and written tests, drive supervised and pass the road test. The next step is the Probationary License (age 17). The requirements are to complete the student Permit or examination Permit necessities. The last step is the Basic License (age 18). The requirements are to complete the Probationary License requirements.

The children in the Before Care program at Frank K. Hehly Elementary School in Clark spread holiday cheer this month by sending personally decorated cards to The Red Cross sponsored "Holiday Mail for Heroes" campaign.

The program encompasses service members recovering in Military hospitals and those stationed in the United States and abroad. The cards are also sent to our Veterans. The students were happy to share art work and well wishes.

TUESDAYS 8/7c NBC

DEAR MEMBER OF THE SCHOOL AND TOWNSHIP COMMUNITIES

Submitted by Kenneth J. Knops, Superintendent of Schools

It is with pleasure that I welcome each of you to the 2013-2014 school year in the Clark Public Schools. As educators we welcome the ushering in of a new academic year as a fresh start with new and exciting challenges as we embark upon providing our students with a quality instructional program and educational experience that will prepare them for the challenges of life in the 21st Century. The initial three months of the school year have passed by in a flash, nonetheless they positive and successful one, resulting in a very productive start of the school year. Students throughout the district have made smooth and seamless transitions into their new grades, classes, and in some cases, schools.

I am pleased to introduce you to the newest member of the Administrative Team. Ms. Yuri Diaz is our new Grades 6-12 Supervisor of Language Arts, Social Studies, Art, and Music. Ms. Diaz is no stranger to the Clark School Community, prior to her being appointed as

Supervisor, she had a distinguished and successful six year stint as World Language Teacher at Arthur L. Johnson High School. We are appreciative for Ms. Diaz's past contributions to our students as their World Language Teacher, and we look forward to her future contributions as a member of our supervisory staff and administrative team.

As we usher in the new academic year, we do so with new programs and new innovations in each of schools. Our elementary schools have a new literacy program in place this year, a new reading and writing program titled "Reading Wonders." Carl H. Kumpf Middle School begins Year Two of the school-wide implementation of both block scheduling in Mathematics and Language Arts as well as the school-wide technology-based mathematics program, The Progressive Mathematics Initiative. New to the middle school this year is the implementation of a "Physics First" model of science delivery for eighth graders in algebra

through the Progressive Science Initiative. Ninth grade algebra classes at Arthur L. Johnson High School are having the content delivered through the Progressive Mathematics Initiative, as the program expands to the high school.

Over the summer months maintenance, repairs, painting, and upgrades were performed in our school buildings to assure that upon students' return to classes in September that each building provides a safe and secure environment for our pupils and that each school is properly upgraded to serve as a platform for launching our instructional program.

In closing, I wish to extend my best wishes to each of you and families for a successful, fulfilling, and enjoyable school year ahead. Should you wish to contact me, I can be reached at email address kknops@clarkschools.org or you may call me at (732) 574-9600, Extension 3350. My best wishes to each of you and your loved ones for an enjoyable and peaceful holiday season.

SCOUTING FOR FOOD

On Saturday November 16, 2013 Cub Scout Pack 30 of Saint John the Apostle Church participated in their annual Scouting for Food drive. The Scouts of Pack 30 collected over 300 pounds of food for the Saint John the Apostle Food Pantry, who are celebrating their 20th

anniversary this year. The food collected will be used to feed over 700 people during the upcoming Holiday Season. After they collected the food that was generously donated by the community around St John the Apostle Church the Scouts helped sort and store the food.

MEETING OF THE GENERAL ASSEMBLY

Fourth Graders from Frank K. Hehny School in Clark traveled to the New Jersey Statehouse earlier this week as part of their study of the State of New Jersey and its Government. While at the Statehouse, the students were provided with a personalized tour of both the General

Assembly and Senate by Senator Christopher "Kip" Bateman. Senator Bateman captivated his young audience with an address that touched upon the history of the Statehouse, an early visit to Trenton by George Washington, how a bill becomes a law, and the democratic process.
