NEWBERY HONOR AWARD WINNING AUTHOR VISITS KUMPF

On March 26, 2014, at Carl H. Kumpf Middle School in Clark, Johanna Reiss, Newbery Honor Award winning author of the autobiographical book for children, *The Upstairs Room*, gave a school-wide presentation about her own experiences during the Second World War. When German soldiers invaded and occupied Holland in 1940, because they were Jewish, the author and her sister Sini were forced to hide in a cold, drab room in a gentile family's farmhouse in order to avoid being captured by the Nazis. During their time in hiding, German officers decided to take over this particular farmer's home and use it as their headquarters. This made life even more frightening for the ten year old child.

This period in the author's life is the subject of her talks as she visits schools. Mrs. Reiss brought artifacts from the time period as well as a CD of photos to enhance her presentation. She gave three grade-level talks with a question and answer portion. After a luncheon in the author's honor attended by school administrators, school board members, supervisors, teachers and students, a book signing session took place.

Mrs. Marie McCarthy's grade seven language arts students began reading *The Upstairs Room* and immediately fell in love with "Annie." They became enthralled by the content of her story. Upon the completion of reading the first three chapters, the students sent Mrs. Reiss an email asking if she were alive and well. The author graciously responded and said she was very much alive and living in New York City. She also indicated that she was not only a writer but also a speaker who loves to present her story to students throughout the country.

The author stated that soon after she had finished writing *The Upstairs Room*, she found "there was still something I wanted to say, something that was as meaningful to me as the story I had told in the first book, the story of war. 'The fighting has stopped. Peace treaty signed,' newspapers announce at the conclusion of every

war. From a political point of view, the war is over, but in another sense it has not really ended. People are fragile. They are strong, too, but wars leave emotional scars that take a long time to heal, generations perhaps. I know this to be true of myself, and of others. And out of those feelings came *The Journey Back*, a story of the aftermath of the Second World War."

The presentations by author Johanna Reiss really brought the story content to life and what better perspective than to have the actual author "in the flesh" at Kumpf Middle School. To have a primary source like this is so rare. The author's message to the students was "to hate is evil, unproductive and a waste of time." She added that Johan, the farmer, cautioned her on Liberation Day, "I did not risk my life hiding you for three years so that you would go out and hate." It was an experience the students will always remember.

CLARK KIWANIS CLUB WELCOMES NEW MEMBER

Jennifer Zollo, assistant manager of the Columbia Bank in Clark was inducted recently into the Kiwanis Club of Clark. At the dinner meeting, former state governor of NJ District Kiwanis Dean Konner welcomed the newest member and challenged her to work closely with the philanthropic club. "Your club's purpose is to educate and inform children and teens how to become leaders in their school and community," he explained. "Because you are joining the world's largest organization whose focus is children, I know that you see that 'Children, Priority One' is the basis of all that we do."

Governor Dean reminded her that the motto of Kiwanis International is "Changing the world, one child and one community at a time."

The Clark club that meets on the second and fourth Tuesday nights of each month at the Clark Public Library is the proud parent sponsor of the K-Kids Clubs at Hehnly School and Valley Road School as well as the Builders Club at Kumpf Middle School and the Key Club at the ALJ High School. The advisers of the clubs - Donna Kircher at Hehnly, Paula Spence, Susan Dzurowcik and Teresa Gotti at Valley Road, Lindsay Molloy at Kumpf and Ellen Zamboni at the high school- encourage the students to be active in community service. They do walk-a-thons, car washes, food and clothing drives, bake sales and visits to nursing homes and hospitals.

Throughout the years, both the middle school and high school have won state recognition for their service to others. The Hehnly School's club has been cited numerous times in the Jersey Kiwanian, a bi-monthly newsletter, for their outstanding community service. President elect for the Kiwanis Club Jim Dougherty spoke highly of the clubs. "Our sponsored youth programs, headed by Kiwanis Liaison Ann Yarusavage, are our shining stars!"

All of the K-Family groups in Clark are currently participating in the Pennies for Patients drive this month to raise money for and

awareness of children who have leukemia and other forms of cancer. This past fall, Key Club members and Clark Kiwanis members assisted in a 5-K Run/Walk which raised \$50,000 for multiple myeloma research, a disease which Kiwanis member and co-ordinator of the event Sheree Pask is battling.

For more information about this philanthropic organization, contact the Clark president Susan Dougherty at crusadersue@hotmail.com.

WOLF VISITS CUB SCOUT PACK 145

DENTAL HEALTH MONTH

Students from Joseph Sortino's Physical Education and Health classes at Frank K. Hehley School celebrated Children's Dental Health Month by welcoming Dr. Arthur Szabela, a dentist at Garden State Dental Design on Raritan Road, Clark N.J. Also visiting was Lisa Sortino, a dental hygienist from the office of Dr. Frank Paternostro, Elizabeth N.J. Both dental health professionals reviewed oral homecare, healthy eating habits and the importance of visiting the dentist regularly. The students were supplied with new toothbrushes and toothpaste to get a good start on a lifetime of healthy teeth and gums.

(above, l-r) Ella Rishko, Lisa Sortino and Jack Kalikas

During the March Cub Scout Pack 145 meeting the scouts had the opportunity to meet a beautiful wolf from Wolf Visions in Sussex county. Mr. Reo brought along Takomah, (just about 15 months old), for the scouts to see and learn about.

The kids were incredibly respectful and

attentive during the entire evening. Many thanks to Mr. Reo for a very informative and exciting presentation as well as a huge thank you to Sean Mirek for organizing the entertainment for the evening. For more information on scouting, please visit our web site at www.cubpack145.info.

After helping countless local knee pain sufferers discover relief, local Doctor warns...
**“If You Or A Loved One Are Scheduled For Knee Surgery Then,
 Read This Article Before It’s Too Late!”**

There is a safe, non-surgical FDA cleared treatment now available locally that has been proven to effectively reduce and even eliminate knee pain... and the best part is It’s Covered By Most Insurance Including Medicare!

Union County, New Jersey- A century ago the average American lived to about 50 years of age. Today we’re living to nearly 80 years of age. While that fact alone is astonishing even more so is that today’s population remains active well into their 70’s and 80’s. It is no longer uncommon to hear about a 70 year old playing tennis, or an 80 year old shooting a round of golf with friends. However for the estimated 50 million adults in the United States who have some form of arthritis, the image of an active lifestyle may seem all but a distant memory, until now...

A revolutionary new non-surgical treatment called Viscosupplementation (VS) Therapy is providing hope and relief for many knee pain sufferers. Offered locally by Northeast Spine & Wellness Center, this procedure is minimally invasive, requires no surgery, can provide immediate relief, and has little to no recovery time.

If you are experiencing any of the following symptoms in your knee or joints, chances are your pain is due to a condition called osteoarthritis, and you may be a candidate for care:

- **Pain:** Your joints may ache, or the pain may feel burning or sharp. For some people, the pain may come and go. Constant pain or pain while you sleep may be a sign that your arthritis is getting worse.
- **Stiffness:** When you have arthritis, getting up in the morning can be hard. Your joints may feel stiff and creaky for a short time, until you get moving. You may also get stiff from sitting.
- **Muscle weakness:** The muscles around the joint may get weaker. This often happens with knee arthritis.
- **Swelling:** Arthritis can cause swelling in joints, making them feel tender and sore.
- **Deformed joints:** Joints can start to look like they are the wrong shape.
- **Reduced range of motion and loss of use of the joint:** As your arthritis gets worse, you may not be able to fully flex, or extend your joints. Or you may not be able to use them at all.
- **Cracking and creaking:** Your joints may make crunching, creaking sounds.

If you are experiencing any of the above mentioned symptoms, don’t worry, there is hope. Many that have undergone VS Therapy report these very symptoms, only to see them reduced or even eliminated after receiving care.

Until recently, the only advice for many suffering from knee and joint pain was to:

- Try exercising
- Try physical therapy
- Try pain pills
- Try muscle relaxants
- Try pain shots
- Try dangerous surgery

If you are tired of trying treatments that don’t provide lasting relief, or if you are afraid to try any of these treatments, don’t worry. If you have tried any of these treatments and experienced little to no relief, you may still be a candidate for Viscosupplementation Therapy. Call (732) 827-0800 and schedule a no cost screening today! *You have nothing to lose but your pain!*

According to the American Academy of Orthopaedic Surgeons (AAOS), there are about 270,000 knee replacement operations performed each year in the United States; this image depicts the procedure.

How does this therapy work?

Northeast Spine & Wellness Center uses high tech medical equipment and decades of experience to pinpoint problem areas with extreme accuracy. Viscosupplementation is then injected into the knee joint and bonds with naturally occurring joint fluid to create a lubricating and cushioning layer. This reduces pain, inflammation, and swelling of the joint. Most patients compare the treatment to getting a flu shot and report little pain or discomfort.

What is injected into the knee?

Hyaluronic acid (Hyalgan) is a natural substance extracted from rooster combs and purified to mimic the lubricating substance (synovial fluid) that occur naturally in the joint. In patients with osteoarthritis synovial fluid “dries up,” allowing the cartilage of the joint to rub against itself and other surfaces causing pain, inflammation, and in most cases damage to the joint. Think of this treatment like oiling a squeaky door hinge. Once applied, the squeaking stops and the door moves more freely.

When will I feel results?

Most feel an immediate reduction in pain and return to normal activities in weeks.

Considering surgery?

People who suffer from knee pain typically try supplements or pain medications before seeking help from a doctor. When all else fails and the pain is too much, some feel surgery is the only option.

How do I know that this is right for me?

The American Academy of Rheumatology recommend the use of Hyalgan for treatment of osteoarthritis of the knee. At Northeast Spine & Wellness Center we will give you an honest and fair evaluation of your particular knee pain. To accommodate demand, we have opened our schedule to provide “no cost” screenings.

Real Patients, Real Stories, Real Relief!

“My knee feels great. I was a bit skeptical when I first read about the program in the paper but from the moment I walked through the door I knew that this program was going to be different. The entire atmosphere from the attitude of the staff to the office itself put me at ease. I had already had a total knee replacement and wanted to try something rather than go through another painful surgery. After completing the program my initial impression was correct. I can now dance again which I have not done in years, and my lifestyle is on its way back to normal.”

- Elizabeth B.

Surgery is no longer your only option. Hope does exist, and this therapy has helped others like you.

So what are you waiting for? Pick up the phone and call us today to schedule your risk-free, no-obligation, screening at no cost to you. Since adding this medical breakthrough to our practice, the response has been overwhelming. So we’ve added extra lines to accommodate your calls. If our line is busy, or if you are re-directed to voice mail, please leave a message or call back. Living pain free and getting your life back is well worth the time and effort it might take to get a hold of us so that we can schedule your no-cost screening. So keep calling - help is only a phone call away... (732) 827-0800. While you are trying to reach us, please feel free to visit www.NESpineCenter.com where you can learn more about Viscosupplementation Therapy and how it may be the right solution to your knee pain.

EDUCATION FUND HOSTS HIGHLY SUCCESSFUL WINE TASTING FUNDRAISER

The Clark Education fund held their annual Wine Tasting fundraiser recently at the Gran Centurions in Clark. The fun filled evening featured a tasting of various wines, microbrews and food. Knowledgeable experts were hand to provide information and recommendations to suit all tastes. A capacity crowd of 200 guests packed the Gran Centurions in support of the fundraiser of the Clark Education Association, an organization that has been a valued educational partner of the school district since it was first launched in 2004.

The mission of the Clark Education Fund is to support and enhance instructional programs and projects of Clark students and teachers that are consistent with Clark Board of Education policies and objectives and to provide seed money for such programs. The Clark Education Fund accepts grant applications twice a year

from the educators of Clark's Public Schools.

Grants are intended to help fund materials, programs and other ideas not currently financed by the district. The Clark Education Fund strives to award grants to those educators presenting innovative and creative ways to enhance the

current curriculum. Whether it is providing access to new technologies in the classroom or finding a way to make learning more hands-on and interesting to the children in Clark Public Schools, the Clark Education Fund has invested in each school and in turn each Clark student.

(above, l-r) A number of staff members pose for a picture during the Clark Education Fund's recent fundraiser: Assistant Superintendent Ed Grande; Mrs. Lourdes Barrett; Erika Barrett, second grade teacher at Frank K. Hehnlly School; Superintendent of Schools Kenneth Knops, Kimberly Belverio, Kindergarten Teacher at Valley Road School; Clark Education Fund President Bob Brede; and Joseph Beltramba, Principal of Valley Road Schol.

ATHLETIC LEADERSHIP COUNCIL PARTICIPATED IN AUTISM AWARENESS DAY

On April 02, 2014, members of the Crusader Athletic Leadership Council participated in the Clark School District's Autism Awareness Day at the Clark Pre-School. Autism is one of a group of serious developmental problems called autism spectrum disorders that appear in early childhood — usually before age three. Though symptoms and severity vary, all autism spectrum disorders affect a child's ability to communicate and interact with others. The number of children diagnosed with autism appears to be rising. It's not clear whether this is due to better detection and reporting of autism or a real increase in the number of cases or both. While there is no cure for autism, but intensive, early treatment can make a big difference in the lives of many children with the disorder.

C.A.L.C. members participated in numerous events throughout the occasion that not only were enjoyable for all of the children, but also raised awareness for autism. In addition, the teachers had a multitude of activities relating to autism that incorporated C.A.L.C. members and pre-school students alike. Some of these events included: Let's Go Blue Fishing, Blue Egg Relay Races, Blue Balloon Hop, Pin the Puzzle Piece, Autism Necklace, Ball Toss, Blue Bean Bag Toss, Obstacle Course, and Parachute. C.A.L.C. members Vin Banek, Christina Bonnacorso, Michele Brocato, Zachary Cierpial, Emily Curran, Vincent Fischetti, Mike LaBianca, Joe Lomeli, Maura Moran, Steven Paterno, Mike Pieros, Michele Pozyc, Jessie Riddlestorffer, Victor Rizzuto, Nick Vargas,

Steven Weisensee, and Veronica Zatkan all assisted and volunteered for this wonderful event.

Gus Kalikas, Supervisor of Athletics, Health, and Physical Education at Arthur L. Johnson High School, had this to say about the event. "The C.A.L.C. was thrilled to be able to assist with the Clark School District's Autism Awareness Day events at the Clark Pre-School. It was fun watching the High School Student Athletes as they interacted with the young children, and I think both groups not only enjoyed the experience, but learned a lot while doing it. Both Miss Lillis, along with Mrs. Sarosy and all of the Clark Pre-School should be commended for the wonderful event that was put together to bring awareness to autism."

Miss Lillis, Clark Pre-School Teacher, had this to say about the event. "I could not have been happier with our 2nd Annual Autism Event! All of those who participated in Wednesday's event seemed to have a smile on

their face from start to finish. To me, seeing all of those smiling faces truly makes this event worth while!"

The C.A.L.C. would like to thank Mrs. Consiglio, Mrs. Koepfler, Mrs. Kowalski, Mrs. LaManna, Miss Lillis, Pre-School Director Marie Sarosy, and everyone associated with the Clark Pre-School for welcoming us and allowing us to be a part of a fabulous day.

5TH GRADE GIRLS BASKETBALL TEAM WIN 2ND CHAMPIONSHIP

Coaches Sondra Parin, and Brittany Murray, longtime members of the Clark Travel Basketball family as players and now dedicated coaches, have lead their 5th grade girls team to a 2nd Winter Championship. Powered by a

sense of teamwork and great leadership the 5th grade girls lost only one game before winning their second championship. Beating their Westfield rivals in a one point semifinal game they brought the house down with a standing

room only crowd to beat Cranford by 5 in the championship game. A sign of great things to come. Keep an eye on these young, talented girls and their coaches. They have skill, heart, passion, and the will to win!

CLARK GIVE & SHARE

The St. John The Apostle Food Pantry will be distributing food at the Clark Recreation cafeteria, 430 Westfield Ave., between 12:00 noon-2:00 p.m. on the following dates: April 15th, May 20th and June 17th, 2014. Anyone with questions, can contact Nancy Raymond, Health Officer at 732-428-8405.

The Clark Give and Share would like to extend special thanks to the following for their generous donations of food, gift cards and continued support of the program.

The faculty and staff of Arthur L. Johnson High School who participated in a "Jeans Day" and collected over 265 cans of soup and \$430.00 in ShopRite gift cards. Special thanks to Frank Stebbins, Ms. Casale and the National Junior Honor Society at Carl H. Kumpf Middle School. Special recognition to Jake Tarentino, Ryan Patela, Ryan Pittari and Nicholas McCaffery. Krista Champman, Kristina Veit, Sherri D'Amico and the Carl H. Kumpf sixth grade math class. The students of ALJ who participated in our annual drive by food drive.

FOURTH GRADE PUBLISHING PARTY

Miss Nicole Parlavecchio's fourth grade class at the Frank K. Hehny School in Clark held a Publishing Party on March 14, 2014. The students in Miss Parlavecchio's class wrote Realistic Fiction stories. Each story had a problem. Each problem continued to get worse until the end, when they reached their solutions.

Parents and family members attended the Publishing Party to hear and see their students read their stories. The students set up an introduction and closing for the audience to introduce what realistic fiction actually is. The students taught a small lesson on what realistic fiction is and then began their reading.

Two students were narrating and introducing each student. The students would come to the front of the classroom and read their stories using their fluency and expression practice.

The students practiced all week for their big debuts. They conquered their nerves and did a fantastic job!

Students in Ms. Ashley Guarino's third grade class at Frank K. Hehny Elementary School in Clark participated in the classroom's highly anticipated reading auction. Students have been preparing for the auction since school began in September by logging the minutes they have read each night. Students earned \$5 of fake auction money for every parent-approved 30 minutes of reading they completed outside of school hours.

In the beginning of the year, Ms. Guarino and students wrote to nationwide corporations, local businesses, parents, professional sports teams, and various other organizations to request donations to serve as prizes for the reading auction. Students have eagerly awaited the day of the auction and have worked hard to earn dollars to purchase items. The auction didn't disappoint as students were able to bid for highly coveted items such as hockey pucks signed by players from members of the NHL's New York Islanders, arts and crafts goods from Michaels Stores, four box seat tickets for a Somerset Patriots minor league baseball game, and gift cards to stores such as Barnes & Noble.

The auction served as a catalyst to encourage students to read on their own. While earning auction dollars may have been each student's initial motivation to read outside of school hours, many students realized that reading is enjoyable.

SHEEP SHEARING AT THE DR. WM. ROBINSON MUSEUM, APRIL 27TH

Join us on April 27th from 12-4pm for our annual sheep shearing at the museum. A professional shearer will be removing the wool from several sheep to get ready for the warmer weather. Bring family and friends and join us for this event. The museum, which was built around 1690, will be open for tours. We have staff available inside the house to answer any questions, including facts about Clark and the surrounding area and don't forget your camera. There are three floors that contain artifacts and reproductions dating back to the 18th and 19th century. The first floor is ADA accessible and there is a video tour of the other two floors. On street parking is available. We are located at 593 Madison Hill Road, Clark. Visit our website www.DrRobinsonMuseum.org for more information.

REGISTRATION FOR RISING FRESHMEN AT ALJ

Registration for students in the rising freshmen class recently concluded at Arthur L. Johnson High School. This year the ALJ guidance department invited future 9th grade students and their parents to attend evening appointments for freshmen scheduling. Current 8th grade students and their parents were able to meet with ALJ school counselors to discuss future course selection, elective opportunities, and the overall high school experience. Ms. Casey Loalbo, School Counselor at Carl H. Kumpf Middle School, stated, "Holding high school registration at ALJ enriched the process on many levels. Future 9th graders along with their parents were able to visit the high school and actively participate in a discussion with counselors about their future at ALJ." Comprehensive placement rubrics were used in determining student placement for the various levels in all core courses. Several components were included on these rubrics such as, general scholastic ability as measured by NJASK scores,

high school placement assessment scores, their current grades, and teacher recommendations. It was evident that this registration process was a success for parents and students as they begin their educational journey at ALJ.

DONATIONS TO SUPPORT JAMES MONROE SCHOOL

The Valley Road School Community has a lot to be proud of. Students in K-Kids and Student Council collected donations to help support teachers and students of James Monroe Elementary school in Edison. The school was destroyed by a devastating fire on March 24th. K-Kids and Student Council students did a lot of work in a short amount of time and the results were amazing...."We made a difference"! The donations that were collected were dropped off to "Stuff The Bus".

KUMPF STUDENTS CELEBRATE PI DAY!

Students at Carl H. Kumpf Middle School in Clark celebrated Pi Day on March 14th. Pi is an irrational number in mathematics that the students study in various units throughout the year. An irrational decimal continues on forever without a pattern. Pi is most commonly known in the shortened form of 3.14, although it does continue on forever. Students discussed the many times Pi is used to calculate measurements, and discussed the formulas that involve using Pi.

In order to celebrate this day, students were asked to bring in a circular treat to share with their classmates. Students were required to find the area and circumference of their food item using Pi in the formulas. As a class we discussed the relevance of Pi and how important it is to the mathematical community. Students then celebrated by eating their circular treats which included, cookies, pies, pizzas, cupcakes, bagels and much more!

SCHOOLS HOLD ANNUAL SCIENCE FAIR

The Clark Elementary Schools held their Science Fair recently. Students from Valley Road School and Frank K. Hehnly School showcased over 80 projects ranging from making ice cream, growing crystals and freezing bubbles to mummifying a hotdog, building robots, and powering a clock with citrus fruits and a potato. Families and friends packed into the Carl H. Kumpf cafeteria for a fun filled night of exhibitions and hands on experiments.

CHEERS TO GIA COLICCHIO

Gia Colicchio, a fifth grader at Hehnly School in Clark who participates in Cheer Pop Warner, was selected First Team for Pop Warner Eastern Region Scholar Athlete. This honor is bestowed upon the top 35 cheer leaders from the Eastern Regions five-state area. In order to qualify, she had to have a 96% or higher grade point average. Also taken into consideration is a student's participation in clubs, groups, volunteer work, community service, etc. In addition, Gia was also selected as a National Pop Warner All American Scholar Athlete and will attend the 54th annual All American Scholar Banquet on May 23rd at Disney's yacht Club Resort in Disney. With over 50,000 children participating, she was selected to be part of a very elite group.

Provident BANK

Commitment you can count on.SM

1) Cash back rewards are based on your account and will equal the total amount of eligible signature-based debit card purchases for each calendar period and do not exceed 1% through your Provident Cash Back Checking account each statement period (not to exceed a total of 20% in 2014). This Cash Back rewards factor is variable and may change at our discretion. In the United States, cash back rewards are subject to a 3% cap. 2) There are no points or gift cards to redeem, no minimum balance requirements, and no monthly service charges. 3) Mobile banking is available on all mobile devices. 4) Cash back rewards will be redeemed, deposited, and available on the first business day of the following calendar period. Cash back will be paid provided that the Provident Cash Back Checking debit card is used to purchase the merchandise. If you do not meet the qualification requirements for a statement period, your account will still be active as a debit checking account. However, the 1% cash back will not be available until the following statement period. 5) Mobile banking account activation required. However, you must deposit a minimum of \$50 to activate your account. 6) Cash back rewards are available on all debit cards. 7) The minimum amount that you can spend to qualify for cash back is \$5. 8) Cash back rewards are not available for ATM withdrawals, deposits, or transfers. 9) Cash back rewards are not available for ATM withdrawals, deposits, or transfers. 10) Cash back rewards are not JESS RUSIN RECEIVES BEST OFFENSIVE PLAYER AWARD

Jess Rusin recently completed an incredible senior season that capped off one of the most prolific scoring careers in Quinnipiac history. As a forward she tallied a program single – season record with 17 goals and 39 points on her way to breaking the career records in both categories. Jess finished her career with 40 goals and 94 points, both all-time records at Quinnipiac.

Just this season alone, Jess Rusin earned the following honors: MAAC Player of the Week (October 15, 2014); All-MAAC First Team; MAAC Offensive Player of the Year; MAAC Player of the Year; MAAC Regular Season Champion; MAAC Conference Champion; All Mid-East Region (First Team); MAAC All-Academic Honoree; NFHCA National Academic Squad.

In addition, Jess carried a GPA of 3.8 as a Physical Therapy Major.

Jess played on the Arthur L. Johnson High School Field Hockey team for Head Coach Katrina Poskay. Coach Poskay had this to say about her former player: “Jess Rusin was not only one of the state's elite field hockey players, but is a young woman who possesses the finest work ethic. She is the epitome of dignity and grace both on and off the field. I am a better coach for having her play for me and a better person for having known her.”

Arthur L. Johnson High School is extremely proud of Jess Rusin’s athletic and academic career and wishes her nothing but the best in her future going forward.

STUDENT ARTWORK EXHIBITION AT LIBRARY

An exhibit of artwork by Frank K. Hehly Elementary School students is on display at the Clark Public Library. The work is shown in the display case near the front entrance and the two additional cases downstairs outside the library's meeting room. The grades of the students range from kindergarten to fifth grade with their artwork ranging from drawings to watercolor paintings to relief sculptures. The students' art teacher is Ms. Michelle Matesic.

The artwork shows how students discover and develop their artistic talents throughout the school year. Featured artwork addresses art curriculum and concepts taught by Miss Matesic. The work includes Lascaux Cave drawings, Carnival masks, recycled and abstract sculptures inspired by the artist Louise Nevelson, and watercolor paintings inspired by Claude Monet. Artwork will continue to be displayed through April.

(above, l-r) Students with some of the artwork that are on display: Vinny Frasca, Lindsay Marczewski, Isabella Kaczan, Andrew Fernandez, Vittorio DeMartinis, Marisa Brady, and Dante Sanguiliano with their art teacher Miss Michelle Matesic.

At Valley Road Elementary School in Clark, Miss Kelly Williamson's fifth grade class is participating in a project pertaining to veterans and Memorial Day. The students are interviewing veterans from all wars and branches of service in order to create biographies. The biographies will be compiled into a book about the veterans of Clark. The completed book will be distributed at the Memorial Day celebration at Valley Road in May. Recently, the students interviewed Mr. Harold White, who served in World War II. He was also a POW. This was the first POW the students had met and interviewed. It was a very

unique and memorable experience to have the chance to interview such a courageous man. The students had the opportunity to ask him questions and to learn about his experiences. The students also were able to learn about the life in America during WWII from his wife, Mrs. White. Mr. White brought in artifacts, pictures, and medals to help the students to further their understanding of his service, his experiences, and his dedication to this country. The students were very thankful for his service and for having the opportunity to interview Mr. White. The fifth graders will continue to interview veterans for their project.

FRANK K. HEHNLY SCHOOL CHALLENGES STUDENT MUSICIANS

The students in Meghan Bowers' instrumental program at Frank K. Hehnly Elementary School in Clark were presented a new opportunity to play their instruments in a more challenging environment. In January, students who wanted to play demanding band pieces auditioned for the newest addition to Hehnly, the Hehnly Chamber Winds. Twenty-five students auditioned, and only eleven students made the ensemble.

Hehnly Chamber Winds is a new group that meets every Thursday morning before school. This group performs a higher level of music than the other two bands at Hehnly, Beginning and Advanced Band. Playing in a chamber group benefits student musicians in multiple ways,

allowing them to grow musically and socially. Chamber groups have a smaller amount of musicians which results in a higher demand from each student to know their music. It requires a higher level of independence and confidence due to the transparency of the music written for the ensemble.

The Hehnly Chamber Winds are looking for performance opportunities within the Clark community. Next month, the Chamber Winds will be making their first appearance at the Frank K. Hehnly Art Show on April 30, 2014. Following this performance, the ensemble will be performing at the Memorial Day Ceremony at Frank K. Hehnly Elementary with the Select Choir.

(above, l-r) Students in Frank K. Hehnly's new ensemble, the Hehnly Chamber Winds, practice new music they're working on for upcoming performances. In the first row: Julia Skultety and Abigail Granrath. In the second row: Ashley Breien, Jordan Downey, Brandon Costa, Nicholas Zotos, Matthew Zukowski and Michael Smeraglia.
