The Second Annual Miracles for Myeloma a 5K Run/Walk is scheduled for Saturday, September 27, at Oak Ridge Park in Clark. The course is staged entirely within the park on paved paths, and people of all ages are encouraged to participate in this community-wide fundraiser. Miracles for Myeloma raised over \$51,000 at last year's event that went directly to the International Myeloma Foundation (IMF) towards a research grant. Multiple Myeloma is a cancer of plasma cells which attacks and destroys bone.

The entry fee is \$25 per walker or runner until September 1; after that it is \$30. Children's fees are \$15. Runners may also register on the day of the event. For pre-registered participants, T-shirts and event bags will be distributed. Awards will be given for best times in various age categories. All proceeds will be donated to the International Myeloma Foundation (IMF). Registration will open at 8:00 a.m. with the race officially starting at 9:30 a.m.

A Remembrance Path, where maroon and white balloons tied to placards with names of people being honored or remembered will be featured. Maroon balloons are designated for patients living with Myeloma or other forms of cancer and white in remembrance of those who have passed on from cancer. Anyone can purchase these for an additional \$25.00 donation.

The co-founders of the race are Clark resident Sheree Pask, a Myeloma survivor and a teacher at The Presbyterian Nursery School in Westfield, and Westfield resident Gina Klemm, whose brother Frank Guarino died of the disease

in 2012.

Pask, currently in remission, has undergone chemotherapy and two stem cell transplants over the last few years. "I am blessed with a wonderful support network of family members, friends, co-workers, doctors and nurses who have helped me immensely during my cancer journey," she said. "Last year's event was wonderful. Now I am calling upon all of you once again to help us get to the finish line...finding a cure for Multiple Myeloma."

SPANISH FOR THE WORKPLACE PROGRAM AT THE INDUSTRY-BUSINESS INSTITUTE

Our research shows us that 22.99% of Union County residents list Spanish as the language they speak at home. Union County's population numbers show us that 27.3 % of our county residents are Hispanic or Latino. Training your staff to welcome and assist your Spanish speaking clientele in their own language will only help improve your business results and grow your customer base. More importantly, it will create a sense of community, a comfortable place to shop, for customers for whom English is a new challenge.

"We understand that employees in customer service jobs do not need to be completely fluent in Spanish, but some essential words and phrases can help them serve your customers," says Lisa Hiscano, Director of Career and Continuing Education at Union County College. "This program is designed to help with essential communications between sales and service staff

and customers at the workplace."

This 12-hour program is offered free of charge to businesses under a grant from the New Jersey Business and Industry Association.

We will bring this program to an employer or group of employers for groups of ten or more attendees. We will also schedule an open enrollment class if employers have one or two employees who would like to develop their ability to communicate better in Spanish.

The Industry-Business Institute is working with local Chambers of Commerce to bring this training to business owners and members. Scheduling is flexible depending upon employer's needs. If you would like to train your service employees, whether you are a retail shop, a food establishment, or any other service business, please call us to learn more about how to bring this to your employees. Contact Nancy Burke at 908-527-7207 or burke@ucc.edu.

FREE HELP FOR CAREGIVERS FROM CATHOLIC CHARITIES

If you are caring for someone 60 years of age or older and you feel stressed, frustrated or overwhelmed there is help available. Catholic Charities offers confidential counseling sessions for caregivers of Union County residents. We also provide information and assistance in regards to senior and caregiver services offered in your local area. Our licensed social worker can meet with you at 505 South Ave East, Cranford NJ 07016 or in your own home for your convenience. Please call 908-497-4011 to make an appointment! You don't have to do it all on your own!

RONALD MCDONALD HOUSE CHARITIES RENEWS GRANT SUPPORT FOR PROGRAMS AT TRINITAS REGIONAL MEDICAL CENTER

Children in need of intense therapy for psychiatric issues who receive treatment at Trinitas Regional Medical Center will benefit from a \$5,000 grant from Ronald McDonald House Charities, New York Tri-State Area and Ronald McDonald House Charities Global.

The Ronald McDonald House Charities grant will support Project Serenity designed to help children ages 7 – 17 who are unable to function within a regular classroom setting or home environment. The grant will provide these children with access to therapists and clinicians who will help them develop their social skills and communications skills. Further, due to the nature of the trauma that many of these children have experienced, Project Serenity will provide therapeutic supplies that encourage movement as an outlet for these children as valuable coping skills. In addition, the grant will fund the replacement of furniture and therapeutic items found in a Comfort Room where these children can reduce their stress levels and learn how to use and develop their own self-calming abilities. Finally, the grant will support education and training for parents to understand their children's psychiatric illness, learning disabilities and the tools needed to communicate better and cope more constructively with their behaviors.

Previous grant funding from Ronald McDonald House Charities New York Tri-State

Area and Ronald McDonald House Charities Global totaling \$47,000 was given to Trinitas Health Foundation in 2009, 2010 and 2013.

"Trinitas mental health professionals and clinicians are dedicated to helping the children they serve who suffer from traumatic physical, mental, emotional and sexual abuse," explains Nadine Brechner, Vice President and Chief Development Officer. "Thanks to Ronald McDonald House Charities, we are better able to address the challenging needs of these children by equipping our professional staff and the children themselves with vital therapeutic tools."

David P. Civile Foundation for Boating Safety Awareness

PADDLE SAFETY RULES

1. Take an on-water paddlesport class for safety, skill development and essential rescue skills before planning a trip.
2. Always wear your US Coast Guard approved life jacket! Attach a whistle or horn.
3. Dress for the weather conditions and be prepared for cold-water immersion. Hypothermia is a serious danger at any time of the year. Without a PFD in cold water, survival time can be reduced to minutes.
4. Plan Ahead: Know the water you are paddling. Be aware of tides and dangerous currents and have a float plan. Tell people where you are going and when you plan to return.
5. Have proper Safety Kit gear on board (alarm, light, paddle leash, etc).
6. Never paddle alone. A buddy can come to your aid if you get in trouble. New paddlers should paddle with someone more experienced.
7. Learn skills necessary to maneuver your boat. Practice how to get out of, hang on to, and re-enter if capsized. Don't overload and keep your balance.
8. Do not exceed your paddling ability. Know your limits.
9. Learn to recognize potential hazards and use good judgment to avoid them.
10. Check your equipment prior to each use for signs of wear or failure.

TRYOUTS FOR THE RAPIDS SWIM TEAM ANNOUNCED

The Gateway Family YMCA "Rapids" Swim Team is back for its third season. After a very successful 2013-2014 season the Rapids swim team is looking to keep on growing! We will have a Boys Team and a Girls Team this year and compete against other YMCAs that have a boy's team and a girl's team. Our team consists of 62 swimmers from all over the area; Avenel, Carteret, Colonia, Clark, Elizabeth, Port Reading, Union, Rahway, Roselle, Roselle Park, Sewaren, Winfield Park and Woodbridge.

Last season the Rapids Swim Team finished its dual meet season with 4 wins and 2 loses, but had another great championship meet season with 95% of the team getting their personal best times at the championship meets. We participated in 8/under Championships, Bronze YMCA Championships, YMCA Silver States Championships and YMCA State Championships.

Our swim season runs from September through March with dual meets starting in

October and the Championship meets starting in February. Our swim meets are on Saturdays and can be home at the Rahway Branch of the Gateway Family YMCA or at the site of the YMCA team we are competing against that week. We will be attending additional meets this year to give our swimmers more experience and more competitiveness.

Coach Ed Soder believes that the Rapids are more than just a swim team. He strives to help each team member be the best they can be in the pool and throughout their lives. Coach Ed believes that every swimmer has untapped potential that is waiting to come out. One of the Coach Ed's key quotes is "Personal Best, Leads to Success!" Meaning that if you improve one small aspect of your race each time you swim, it will lead you to more and more success in that event.

The Rahway branch of the Gateway Family YMCA will be holding a Summer Tune-up Clinic August 11 through August 21, 2014. The

clinic will meet on Mondays, Tuesdays, Wednesdays, and Thursdays from 6:00 – 7:00 PM. This clinic is a great way to get ready for the season as we will be working on endurance, starts and turns. Tryouts for the Rapids will be held August 25, 26, and 27 at the following times.

Monday August 25, 2014 – 5:30 -7:00 pm
for 10/under age groups

Tuesday August 26, 2014 – 5:30 -7:00 pm
for 11and older age groups

Wednesday August 27, 2014 – 5:30 – 7:00 pm
for all ages

Also, individual tryouts are available if a swimmer cannot make the dates above. Please call Ed Soder at 732-388-0057 to schedule a tryout.

The Rapids are looking to make some waves in 2014-2015 – so come be a part of something bigger-join the Rapids!
