POLISH CULTURAL FOUNDATION ENRICHING LOCAL CULTURE

Located in the Township of Clark, The Polish Cultural Foundation is the only organization of its kind in the tri-state area. The non-profit organization was founded to enrich local culture by showcasing Polish talents and traditions, demonstrating its breadth of contributions to world culture.

The Foundation also works to preserve Polish culture. It is home to the Skulski Art Gallery, which houses works from a variety of artists, from local artists to internationally renowned. Also in the Foundation, the Marjanczyk Library has over 15,000 books and publications in both Polish and English languages, available for ethnic research or reading.

The Foundation fosters education with its Polish Supplementary School and college scholarships. The Supplementary School, which can facilitate up to 700 students at a time, focuses on Polish ethnic studies, exposing students to language, history, geography, music, culture, and heritage. Undergraduate scholarships are awarded to deserving students each year for pursual of higher education.

The Polish Cultural foundation hosts a number of events throughout the year, including concerts, lectures, and heritage events. This September, there are some upcoming events at the Foundation open to the public.

The Skulski Art Gallery is pleased to present a new exhibit. Entitled "The Joy of Painting", the exhibit will showcase oil and watercolor paintings done by students of Aleksandra Nowak Art School. The artists come from an eclectic mix of backgrounds, from architects to geologists to high school students. All of their works will be presented together from September 12th through 30th at the Polish Cultural

CLARK'S 150TH ANNIVERSARY

Celebrated during Four Centuries Weekend

On October 18th and 19th the Dr. Wm. Robinson Museum and Clark Historical Society will be participating in Union County's "Four Centuries in a Weekend". It is our pleasure to have back with us for the weekend the Red Storm Drum and Dance Troupe performing Native American dancing and music and we have a Betsy Ross reenactor joining us to talk about the history of the American flag. Throughout the weekend we will be cooking on the open hearth and you are welcome to sample the delicious food. The museum has three floors that are open to the public and guides will be available to answer questions about the history of the house and Clark.

Saturday night the museum will once again be holding paranormal tours hosted by New Jersey Paranormal. Tickets are \$5.00 with four tours starting at 6:45pm. For tour times and ticket reservations visit us on Facebook or our website.

On Sunday, October 19th, we will be having a special celebration in honor of Clark Township's 150th Anniversary. Clark Township was established in 1864 by residents of the 5th Ward of Rahway. Please join us for light refreshments on Sunday to celebrate this very special anniversary. For more information visit our website, www.DrRobinsonMuseum.org or find us on Facebook

UNICO PREPARES FOR 7TH ANNUAL FEAST!

11 CRITICAL HOME INSPECTION TRAPS TO BE AWARE OF WEEKS BEFORE LISTING YOUR HOME FOR SALE

Clark NJ - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn prospective buyers away altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help homesellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 1003. You can call any time, 24 hours a day, 7 days a week.

Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

We also accept fluorescent light bulbs 4', 8', round and "U" shaped. No compact bulbs.

Branch pick

Monday, September 22nd

all branches should be out by Sunday. Branches should not be put out until the 3rd full week of the month. This will keep our roadways safe for pedestrians and motorists; keep our town looking clean; prevent branches from clogging the storm drains; and will be easier for the street sweeper to maintain the complete street.

September 29th is the last branch pick up for 2014.

Grass pick up is every Monday. Grass should be out by 6 a.m. Monday morning in a suitable 20-30 gallon container. Do not dump grass in the street or mix with branches. Bulky pick up is by appointment. Your bulky items should only be placed curbside the weekend before your scheduled pick up. We do not accept construction material, paints, food waste, or electronics.

Please call DPW 732.428.8402, or email if you need a confirmation dpw@ourclark.com.

Recycling

Recycling is now single stream which means you can put all your recyclables in the same container (paper, cardboard, plastic, glass, etc.). Did you know toilet paper and paper towel rolls are recyclable? How about your shampoo bottle? The DPW has installed over 90 tons of asphalt in pot hole repairs this year. If you see a pot hole please report it to DPW for repair.

Tree trimming

Tree trimming is ongoing. We are trying to give each ward fair time for tree trimming, so please be patient if you have called for tree trimming.

Leaf pick

Leaf pick up begins late October. If you have a catch basin by your residence that needs cleaning please call DPW so we can check it. We have over 900 in the Township to clean and inspect.

VALLEY ROAD SCHOOL MEET AND GREET

PROMOTING ART IN THE SCHOOLS

New Valley Road School Art Teacher Michelle Matesic puts the finishing touches on her hallway bulletin board titled "Get Ready for a Colorful Year." Miss Matesic will serve as the art teacher for each student in the K-5 school, which will usher in the new academic year on September 4th.

Matesic is a graduate of William Paterson University. While at William Paterson University she received academic recognition in the form of graduating Summa Cum Laude, attaining Dean's List status, receiving Humanities Honors, and being awarded the New Trustee Scholarship, the Honors College Scholarship and the Academic Excellence Scholarship. This past Spring she served as a leave replacement art teacher at the Frank K. Hehny School, where she assisted in many school projects and taught art class to the school's entire K-5 student population.

Fifth grade students and their parents at the Valley Road School in Clark had the opportunity to meet their new teacher, Ms. Sharon Fisher at an evening Meet and Greet on August 20th.

Superintendent of Schools Kenneth Knops, Director of Curriculum Ed Grande, and Valley Road School Principal Joseph Beltramba facilitated the evening, where a packed room of over 50 fourth graders and their parents had the

opportunity to meet their new teacher.

Superintendent Knops then explained in detail the interview process to the parents in attendance, which included the District receiving 403 applications for the fifth grade position and administration interviewing a total of 60 of these applicants in a first round of interviews, followed by a second round of interviews with 6 finalists.

FOUR DAY NEW TEACHER ORIENTATION

To the visitor of the Arthur L. Johnson Media Center the week before school started there was a constant flurry of activities, questions, and presentations as newly hired staff members were acclimated to their new positions with the Clark School District.

Assistant Superintendent Edward Grande organized, planned, and facilitated a rigorous and informative four-day workshop that began

with a welcome by Board of Education President Lorraine Aklonis, followed by a presentation Superintendent of Schools Kenneth Knops on "Expectations of New Teachers" and concluded with a bus tour of Clark Township facilitated by Valley Road School Principal Joe Beltramba.

In between were interactive workshops focusing on Right To Know, Designing Class

Web Pages, Server Access and eChalk, Parent Communication, School Law, Writing Press Releases, Overview of Special Education, Implementation of Anti-Bullying Legislation, Crisis Procedures, and a host of other timely and informative topics of interest.

At the conclusion of each day's session of the orientation program, the new teachers exited the way they entered; full of energy, enthusiasm, and eagerly anticipating the start of the school year next week. The novice teachers were energized by the information disseminated at the orientation, and more eager than ever to begin work.

Clark Superintendent of Schools Kenneth Knops stated that he was very pleased with the quality and quantity of the workshop. "Assistant Superintendent Ed Grande did an outstanding job in putting together a very informative, timely, and interactive program to help orientate our new teachers into the school community. Ed has a wonderful aura and enthusiasm about him, he made the teachers feel comfortable, all the while making sure that any timely topic that would assist teachers in their professional development was included in the four-day workshop agenda. I thank Ed for his outstanding efforts, and know all the workshop attendees were grateful to him for the comprehensive orientation in which they participated."

JOHNSON FOOTBALL VISITS FIRST CHILDREN'S SCHOOL

On Thursday, August 14, 2014, members of the Arthur L. Johnson High School Crusader Football Team participated in a visit to the First Children's School, located in Fanwood, NJ.

The First Children's School in Fanwood is a stepping off point for children who need highly specialized educational services for some period of time in their lives. First Children's services extend into the home districts of students with special needs where they are invited to work with faculty and administration to assure that children with special needs get cutting-edge services in their home schools. The dedicated staffs, including teachers, aides, and therapists,

are prepared to deliver their services in the schools and homes of the children they serve. First Children partners with districts and other providers like Children's Specialized Hospital and Eden Autism Services to make sure that the children receive the very best services possible.

Members of the Crusader Football Team went into various classrooms and participated in a multitude of activities relating to the school's curriculum. In addition, the First Children's School organized a "Sports Day" where Crusader Athletes and children from the First Children's School participated in a wiffle ball game to welcome the Crusader Football Team to

the school.

Anthony DelConte, Head Football Coach, had this to say about the event. "The football program was thrilled to be able to assist with the daily routines and to participate in the waffle ball game held at the First Children's School. It was fun watching the High School Student Athletes as they interacted with the children, and I think both groups not only enjoyed the experience, but learned a lot while doing it."

The Arthur L. Johnson High School Crusader Football Team would like to thank everyone associated with the First Children's School for welcoming them.

CUB SCOUT REGISTRATION TO BE HELD SEPTEMBER 16TH

Cub Scout Pack 145 of Clark will host its annual open registration the evening of Tuesday, September 16th - at the Clark Recreation Center Cafeteria, (former Brewer Building), located at 430 Westfield Avenue. Open registration will occur between the hours of 7:00 pm - 9:30 pm - leaders and committee members will be present to answer any questions you may have about scouting.

Scouting helps develop academic skills, self-confidence, ethics, leadership skills and

citizenship skills. While various activities and youth groups teach basic skills and promote teamwork, Scouting goes beyond that and encourages a deeper appreciation for service to others in their community.

Scouting promotes activities that lead to personal responsibility and high self esteem. As a result, when hard decisions have to be made, peer pressure can be resisted and the right choices can be made.

Some of Pack 145 activities include field

trips, community service projects, camping adventures, arts & crafts, sports, skits, story telling, hiking, archery and Pinewood derby races to name just a few.

Cub Scouts is open to all boys entering first through fifth grade that attend the Clark school system. All boys are encouraged to bring a buddy.

We hope to see you on September 16th! For more information on Clark Cub Scout Pack 145 please visit: www.cubpack145.info.

FRANK K HEHNLY SCHOOL FIRST GRADERS MEET THEIR NEW TEACHER

First grade students and their parents at the Frank K. Hehnlly School in Clark had the opportunity to meet their new first grade teacher, Ms. Samantha McHugh, at an evening Meet and Greet on Thursday evening, August 28th.

Superintendent of Schools Kenneth Knops, Director of Curriculum Ed Grande, and Frank K. Hehnlly School Principal Shirley Bergin

facilitated the evening, where a packed room of over 45 first graders and their parents had the opportunity to meet their new teacher.

Superintendent Knops then explained in detail the interview process to the parents in attendance, which included the District receiving 409 applications for the first grade position and administration interviewing a total

of 60 of these applicants over a course of three days in a first round of interviews, followed by a second round of interviews. Miss McHugh was officially appointed to her position by the Board of Education on August 26th. Knops stated that teaching in the Clark community is a very desirable scenario for teacher candidates, and the community attracts many applicants.

Superintendent Knops next introduced Ms. McHugh to all those in attendance, highlighting her academic record, certifications, student teaching experiences, and hobbies and interests. Ms. Fisher is a 2014 graduate of Rider University, where she received her Bachelor of Science Arts in Elementary Education and Dance Studies, earning a superlative cumulative grade point average of 3.78, and graduating Summa Cum Laude. While at Rider University, Miss McHugh had the opportunity to student teach in a co-teaching model within a full day, Kindergarten program in the Manalapan-Englishtown Regional School District. Earlier she was afforded the experiences of working in a fifth grade and kindergarten in the West Windsor-Plainsboro School District, a fifth grade with the Lawrenceville Schools, and Kindergarten and First Grade in Monroe Township. In addition to her experience teaching in the public schools, Miss McHugh is also a dance instructor, having taught dance to children aged 4-12 at the Dance Carousel in Spotswood, and currently teaching classes for preschool students at the New Jersey Dance Scene in Fords.

LIBRARY CARD IS YOUR CHILD'S TICKET TO ACADEMIC SUCCESS

Every parent wants their child to succeed, and one of the simplest ways you can ensure your child's academic success is by making a quick trip to the library. September is Library Card Sign-up Month, a time when the Clark Public Library joins with the American Library Association and public libraries nationwide to make sure that every student has the most important school supply of all – a free library card.

Resources at the Clark Public Library are available to anyone who has a library card. Students can turn to the library for materials, programs and services that support academic achievement. Students can use their library cards from home, too. Our library offers access to important educational resources, like Encyclopedia Britannica Online, Facts on File, and Tumblebooks to name only a few

“Our library provides all types of students a welcoming atmosphere where they can explore, discover and create,” says Dawn Jenkin, Library Director. “Students learn in a variety of ways, thanks to the resources available at the library we can meet the needs of all ages and types of learners. Whether that is through resources for homework help, programs at the library or access to print and e-books, the library has something for everyone – all with a free library card. It is for these reasons that a library card is most important school supply of all.”

Throughout the course of the month, the library will host a number of activities, including an interactive telling of the classic folktale Anansi and the Moss-Covered Rock on Sunday, September 21st at 2:00 p.m., Lego Club and ongoing story times. For more information on how to sign up for a library card, visit the Clark Public Library in person at 303 Westfield Avenue in Clark or visit the library online at www.clarklibrary.org, or call 732 388 5999.
