THANKS SHARING PIZZA MAKING DAY

Students in Ms. Jackie Grigoli's kindergarten class at Valley Road School in Clark celebrated the theme of sharing throughout the month of November. Parents and students had the opportunity to share some of their favorite recipes activities, books, foods, and crafts with the class. To culminate this activity, Ms. Grigoli invited her father, Mr. Jake Grigoli into the classroom to share how to make pizza.

Ms. Grigoli read the book "Jacqualena's Pizzeria" written by Jacqualena Grigoli. This book illustrates the step by step directions needed to make a pizza. Students were first instructed how to fold their own pizza box. Then, Mr. Grigoli explained the pizza making steps: flattening the dough, spreading the sauce, and sprinkling the cheese. Mr. Grigoli demonstrated how he throws the pizza into the air to make it flat and round. With the help of administrators, Superintendent Kenneth Knops, Assistant Superintendent Ed Grande, Principal Joseph Beltramba, Elementary Supervisor Janeen Allmendinger and parent volunteers, each student made their own personal pizza. Finally, Students, administrators, and parents enjoyed a slice of pizza made by Mr. Grigoli.

Each student was able to bring their pizza home with cooking instructions and the opportunity to share their pizza

with their families. This event is truly an exciting and memorable experience for students and parents alike.

MOTHER SETON STUDENTS GIVE THANKS

Students at Mother Seton Regional High School in Clark conducted a food drive at school in November. A total of forty-five Thanksgiving baskets were collected by the students and faculty. They were donated to St John's Food

Pantry in Clark-Linden, Saint Joseph's Social Service Center in Elizabeth and to local needy families. The project was under the direction of Sister Jacquelyn Balasia and the members of the student council executive board.

CLARK GIVE AND SHARE GIVES THANKS

(above) ALJ High School Juniors Louis and Nick Cacchione collected food (Thanksgiving sides) throughout the Third Ward Clark neighborhood of East and West Lanes, up Blake Drive and around Clauss Road like they do every year. They drove around to each participating house and collected and donated 42 bags of food to the Clark Give and Share special holiday collection.

The Clark Give and Share Program wishes to extend a heartfelt thank you to all who participated in the year's "Bag of Sides" program.

This is the second year we sponsored the program which collected boxed potatoes, stuffing, canned vegetables, cranberry sauce and gravy to supplement holiday dinners. The response was overwhelming with over 400 items each being donated. All food is distributed by three pantries hosted by St. John The Apostle Food Pantry: St. John's-Linden, the Clark Municipal Building and the Buckle Center in Winfield.

A special thanks to Donna Kircher and her K-Kids, Cub Scout Pack 145, Holly and Erik Melao, the Y-Squares, Dawn Greco, Donna Cacchione and all those anonymous elves who dropped off donations.

A very special thank you to Maria Breien and Denise Granrath- Girls Scout Troop # 40537. The girls made beautiful holiday cellophane wrapped baskets which were distributed to those unable to travel outside the home.

Anyone with questions on the pantry, the Clark Give and Share Program, or how to volunteer can contact Nancy Raymond, Health Officer at 732-259-6137.

GIRL SCOUTS CELEBRATE VETERANS DAY AND SUPPORT THE TROOPS

Brownie Girl Scout Troop 425 led by Alicia Scipioni, Kelli Kaminskas and Jackie Skwirut as well as Cadet Troop 791 participated in Operation Gratitude. Operation Gratitude is a program that buys back your Halloween candy for \$1 per pound and then donates the candy in care packages to our servicemen and women overseas. Eryn Giuliano from Magic Smiles Dental Group located in Linden, NJ visited the girls during their November meeting to accept their donated Halloween candy. The girls were awarded \$60 to donate to a charity and gave all the girls toothbrushes, toothpaste and dental floss.

Sergeant Major Eddie Neas also came to visit the Brownie troop to teach them a little history about Veterans Day, and to tell them about a charity he helps with called Marines Care of the L/Cpl Robert J Slattery Detachment, Marine Corps League. Marines Care was started to support all injured military service personnel located at the Walter Reed National Military Medical Center in Bethesda, Maryland and elsewhere. Brownie Troop 425 and the Cadets of 791 felt very proud to give the money they earned from Operation Gratitude to Mr. Neas for Marines Care. They also created cards for the troops to thank them for their service.

GIRL SCOUT TROOP 40549 LENDS A HAND TO PROJECT "BRAVERY BAGS"

At their October meeting, Girl Scout Troop 40549 lent a hand to Project "Bravery Bags", a volunteer effort to supply brave and courageous women who have had a mastectomy with a little pampering. The girl scouts put together gift bags containing nail polish and hand lotion which were then turned over to Lenore

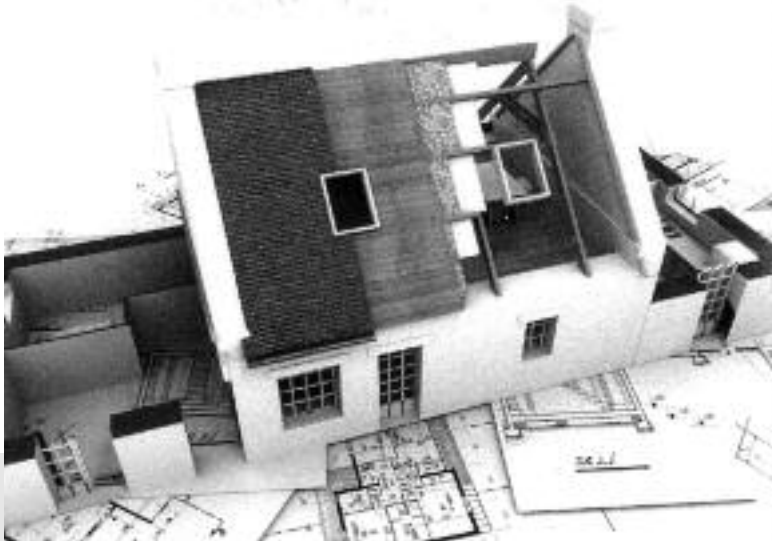

Grubman, Coordinator of the Bravery Bag Project out of JFK Medical Center. The gift bags were then put into a pink tote bags with other "comfort" items such as makeup bags, lip balm, nail files, lifesavers, hand sanitizer, and a pillow to rest their arm. The Bravery Bags were then distributed to patients fighting breast cancer.

KEY CLUB PRESENTS A UNIT ON MANNERS TO CLARK PRESCHOOL

The Key Club sponsored by Ellen Zamboni, School Counselor at the Arthur L. Johnson High School presented to the children of Clark Preschool a unit on "Manners." The Key Club sponsored by Kiwanis International has a main objective to assist in carrying out their mission to serve the children of the world. The high school students provided hands-on service to teach and reinforce manners, an important part of social skills at the preschool level. The High school students sang a song about manners to the tune of Twinkle, Twinkle Little Star, read the story Madeline Says Merci by John Bemelmans Marcian, distributed handmade hands to exemplify a quiet hand, and played the game charades by performing skits requiring feedback from the children. They ended their presentation by visiting the individual classrooms and talking with the children, asking questions reinforcing the unit content. The Key Club students kept the children riveted on key messages and the activities provided multiple ways to absorb the concepts providing maximum impact. At the preschool level, manners are an important part of social skills. Children who develop manners at a young age will carry them without thought into adulthood.

ALJ MARCHING BAND DETAILS END OF SEASON ACCOMPLISHMENTS

Johnson's Crusader Marching Band flew through the rankings this past season with their field show, "Apollo 13". Throughout these past two months, they have accomplished so much, on and off the field—and this season was only the beginning.

The Band's 2013 field show, "Atlantis", earned the band some great recognition; one of which being promoted from A-Class to Open Class. A-Class is a competing class aimed at bands with less experience, funding or staff, and Open Class is for the most competitive, high-achieving bands. ALJ's band spent three years in A-Class before being promoted. The promotion to Open Class meant that the band had to work harder than ever, and that they might not do as well as they have in past years, but this did not scare the band members.

"We went from an inexperienced group who had to learn to walk left-foot-first, to a conditioned powerhouse that took control of the field. It's been unbelievable!" stated colorguard co-captain Katie Weilandics. "Mrs. Bollaro pushed us to our limits, and we've created a band whose name will not be unheard of in seasons to come."

At their first competition this season, the band took home the award for second place, receiving a score of 80.3. To the band and staff, this was a good starting place. They understood that they needed to grow, and grow they did.

At the Atlantic Coast Championships in Hershey, PA, the band competed against band's with decades of experience competing in the

Open Class. With that afternoon's performance, they finally placed ninth out of twenty-six qualifying bands with a final score of 92.2! Additionally, the Band's woodwind section placed second overall.

"We accomplished so much," stated Caroline Hoynowski, piccolo section leader. "We have really pushed ourselves enough to make this show the best it can be!"

ALJ's Marching Band started from nothing just eight years ago and has molded itself into a successful, disciplined machine—one could say

the band has skyrocketed, and in more ways than one. This season's success in Open Class was only the beginning.

Though it's disappointing to see this season come to a close and tough to see the seniors say goodbye, the Crusader Marching Band will continue to strive for a long, long time because of its wonderful staff members, hardworking students and supportive parents.

Whether your son has never played lacrosse before or has several years of experience, 2015 is going to be a fun and productive year.

We practice and play mostly on the High School turf starting in March. New players and parents should know that our K-6th grade program has a strong focus on instruction and making sure the boys are working on the basic skills needed. When the boys are ready, scrimmages and games vs. comparably skilled local towns are arranged.

If you do not have played lacrosse or have little experience with the game that's ok! Boys who play soccer, football, basketball, hockey or wrestling will pick this game up very fast. We will teach them how to play.

MATT PEDICINE SIGNES LETTER OF INTENT

On November 19, 2014, various staff members and administration at Arthur L. Johnson High School participated in a signing day ceremony to honor Matt Pedicine's years of service to Crusader Athletics and commemorate his signing of a Nation Letter of Intent to play NCAA Collegiate Lacrosse at Hobart University.

Arthur L. Johnson's senior student athlete Matt Pedicine signed his letter of intent to continue his athletic and academic career at the collegiate level, where he will continue playing lacrosse at Hobart University. The senior midfielder had an outstanding season for the Crusaders as a junior as he led his team to a State Championship in lacrosse. Matt also participates in football for the Crusaders, where he rushed for over 1,000 yards while helping the team reach the NJSIAA playoffs. As one can see, Matt has had a wonderful athletic career as a Crusader.

Gus Kalikas, Athletic Director at Arthur L. Johnson High School, had this to say about the event. "Matt has been an integral part of the

success of our athletic programs while attending Arthur L. Johnson High School. More importantly, he has been model student athlete that did things the right way both on the fields, in the classroom, and throughout our community. Although it will be sad to see him leave, the Crusader's loss is Hobart's gain, and we look forward to following his successful collegiate lacrosse career over the next four years."

FIFTH GRADERS LEARN HARMFUL EFFECTS OF DRUGS AND ALCOHOL

Fifth graders from Bryan Lowe's fifth grade class at Valley Road School started their ten-week long course on the life-changing effects of drugs and alcohol recently. Lieutenant Grady from the Clark Police Department volunteered to teach the students the harmful effects of these substances and has been teaching the course for over ten years.

Students were able to see Lieutenant Grady, a representative of the local police force, in a positive way, and as a role model for living a drug-free life. Fifth graders were introduced to the course by choosing their dream car. Some chose Jeeps and Mustangs while others chose more expensive vehicles like Lamborghinis and Ferraris. Lt. Grady then informed them to

consider a scenario where they would have to keep this car for their entire life. He asked them how they would maintain the cars to last that long. The students responded with items such as, "change the oil" or "get car washes." After this the students were asked if they frequently ate junk food or watched hours of television. The connection was then made that the students would treat a vehicle properly, but may not do the same for their own bodies. Lieutenant Grady went on to speak about how doing drugs can have an even greater negative impact on their lives. Students were made to think about their personal decisions in a way they may not have thought of otherwise. "It's extremely important to show students these harmful effects early in

life, and it's great to have such a cooperative police department that benefits the community in this way," Lowe said of the program.

Students in Ms. Guarino's third grade class and Mrs. Mytrowitz's kindergarten class met to give thanks to each other for being "buddies". The two classes are part of the Frank K. Hehnlly Buddy Class Program, which is designed to connect older and younger students build relationships, as they move through Hehnlly School. The students worked together to create an array of Thanksgiving projects, such as thumbprint turkeys and Thanksgiving cards.

"Our Buddy Program is one of our most successful programs here at Hehnlly School," explained Mrs. Bergin, Frank K. Hehnlly Principal. "The students not only have fun with their "new" friends, but they also work on various parts of the curriculum with the older students serving as educational role models for our younger students."

These two classes will continue to meet as the year continues.

(above) The students in Mrs. Koepfler's class at Valley Road School in Clark celebrated Veterans Day by learning the meaning of Veterans Day and the important roles of veterans in our country and around the world. They learned that veterans are strong, kind, they protect us, they fight for freedom and love our country. The students made a poster thanking the veterans who visited the Valley Road School for an assembly and also made cards thanking the veterans who have students in our class. It was wonderful to see the gratitude and the interest the children exhibited to during these important patriotic activities. Thank you veterans for all you do to have freedom in this great country we live in.

RENNA MEDIA NAMED 2015 SMALL BUSINESS OF THE YEAR BY THE GATEWAY REGIONAL CHAMBER OF COMMERCE

The Gateway Regional Chamber of Commerce is the largest business association in the New York Metropolitan area with about 1,200 members. The group's long history dates back to 1911 when it was founded as the Elizabeth Chamber of Commerce by John D. Rockefeller and other New Jersey industrialists. Today the Gateway Chamber serves as an umbrella organization for a dozen regional and local chambers and networking groups.

Each year the Chamber selects three businesses as their large, medium and small businesses of the year. They have selected Renna Media as the small business of the year for 2015. The honor of large company of the year goes to Linden petroleum company Infineum USA L.P. and Summit investment firm R Sealaus & Co. was named as the medium company of the year. The Linden Chamber of Commerce was named the Chamber of the Year.

Joe and Tina Renna were nominated and selected not only for the success of their business but the community service aspect of their business plan. Renna Media publishes twelve community newspapers that are mailed free to 58,000 homes and businesses on a monthly basis. The focus of the newspapers is to support the community service organizations in the towns that they publish in. Non-profits can promote events at no charge. The publications also recognize individuals and businesses that perform community service. The newspapers also serve as a calendar of upcoming events for the towns, schools, and libraries.

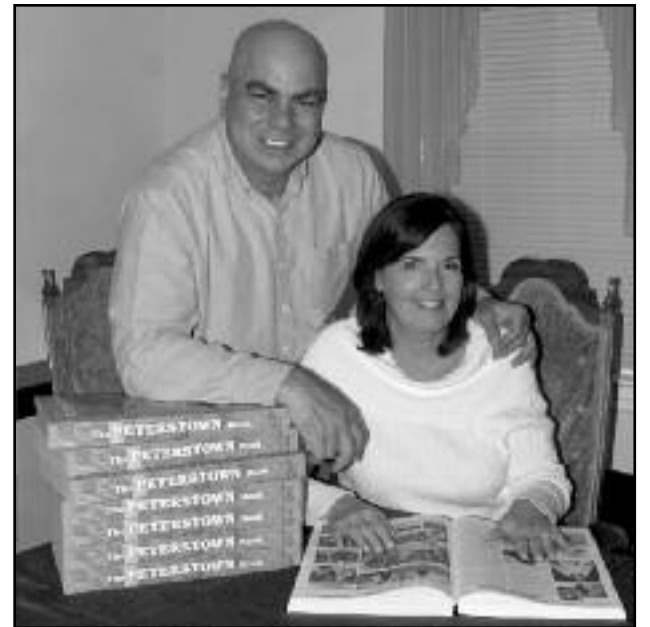

Renna Media launched their newest publication Cranford Monthly in January of 2014, it is mailed to every home and business in town. It joins other Union County publications in Clark, Linden, Rahway, Kenilworth, and Union, along with six newspapers in their western zone, Warren, Watchung, Long Hill, Green Brook, Dunellen, and North Plainfield.

Tina and Joe also publish Around About Peterstown on a bi-monthly basis. This publication is less of a business venture and more of a labor of love. The Peterstown Newspaper attempts to record the oral history of the Elizabeth neighborhood Joe grew up in. In September of 2013 they published The Peterstown Book, a one hundred year history of the Italian American Neighborhood.

The biggest benefit to being a Gateway Chamber member is networking. The smallest companies have access to the largest. The Chamber hosts approximately 180 networking events a year. Prospective members are invited to events also. If a business is a member of one group then they are automatically a member of all groups.

The groups include:

- Linden Chamber of Commerce
- Clark Chamber of Commerce
- Kenilworth Chamber of Commerce
- Warren Chamber of Commerce
- Somerset Hills Business Network
- Irish Business Association
- Gateway Association of Business Women
- Workforce Education Committee
