CLARK PUBLIC LIBRARY LAUNCHES REDESIGNED WEBSITE

On Wednesday, March 25th, Clark Public Library launched its newly redesigned website. Searchers will find a clearer, cleaner, more interactive web experience when they visit the library site.

New features include readers' advisory service from the database Novelist. Learn a new language by accessing databases like Mango more quickly and easily. When using the catalog, users can click on the "related" tab on the side for author information, complete series listings and new title and author suggestion based on their interests. In the coming weeks, a new calendar feature will also be added to make room reservation and event registration faster and easier. Getting lost in endless Google results? Searchers will also find that the Encyclopedia Britannica has also been incorporated into the catalog so that verified research information is easily access by clicking "Britannica" in the top left corner.

Send us your feedback by clicking the "How are we doing?" link and let us know what you would like to see on the website. We've got more exciting innovations coming so follow us on Facebook or download the library's app found on the website. Visit www.clarklibrary.org.

Union County Historical Society SPECIAL NOTICE

The Society has made arrangements for our annual dinner/meeting to be held at the Garden Restaurant, 943 Magie Avenue, Union, near the Elizabeth/Union boundary line. This event will take place at 2:00 PM on April 12, 2015.

The menu will consist of a salad, the diner's choice of either chicken, fish, or pasta and dessert and beverage. The cost for each meal will be \$25.00, which is barely enough to cover our expenses. It is necessary that reservations must be made and paid in advance, by filling out and returning the order blank at the bottom of this page. The restaurant requires that we have at least thirty diners in order to retain this price and room, so please get your orders in early and relieve the mental load on the dinner committee members. An addressed envelope is enclosed for your convenience.

As this dinner is also our April Meeting, any necessary business action will be accomplished, but with as little inconvenience as possible. An interesting program will also be presented by Walter Boright, who will be our guest speaker.

DEUTSCHER CLUB SUPPLIES SOUND OF CLARK

When you think of your hometown, chances are images come to mind. Perhaps it's an historic structure or maybe it's a feature of nature, but have you ever stopped to consider the sounds of your town? A life-long resident of New Jersey hopes to create an audio mosaic of the state made up from a sound from each one of its 565 municipalities.

Bernie Wagenblast began his quest on July 4, 2013 in Milltown at the town's Independence Day parade. Since then he's added over 140 towns around the state. Wagenblast calls his

project New Jersey 565 and says he tries to find a sound that's unique for the town. In many instances the audio clips, and the story behind them, may even be surprising to long-time residents.

At one time various clubs and organizations celebrating the ethnic heritage of its members could be found almost everywhere in the state. While many still exist, they are far fewer than in the past. Here in Clark, the Deutscher Club on Featherbed Lane brings to mind the sights, sounds and tastes of Germany. In a wooded

picnic grove you'll find beer and wursts, men in lederhosen and women in dirndls and often there are German bands playing. One of those bands provides the sound for Clark. You can hear it at <http://shouts.at/T09>.

Wagenblast's goal is to collect 100 sounds a year and complete the project in six years. You can hear other communities' sounds at <http://www.pinterest.com/brwagenblast/new-jersey-565>. If you have a suggestion for a sound for New Jersey 565 you can reach Bernie at bernie@bwcommunications.net.

This year, for the first time ever, the Athletic Department has decided to institute a new award. The Best Teammate Award will be given out seasonally to one member from each athletic team that best fits the characteristics of a good teammate. The individuals that receive these awards exhibit upbeat attitudes and outstanding character. They helped influence the team’s culture in a positive manner, while always supporting teammates and promoting team unity. The Best Teammate Award Winners were: Boys’ Basketball – Trevor McSorley, Girls Basketball – Sabrina Parin, Wrestling – Andrew Lameira, Ice Hockey – Dylan McCabe, Boys’ Winter Track & Field – Zack Hofschneider, Girls’ Winter Track & Field – Gianna Randazza, Swimming – Jordyn Janusz, Bowling – Richard Risko, and Cheerleading – Alexandria Ianco.

The evening culminated with the announcement of the Team Most Valuable Players. MAKING MEASUREMENT FUN

(above) Amanda Armetta and Braelyn Prusakowski

Second graders in Ms. Kane's class at Valley Road Elementary School in Clark, work in pairs to practice measuring in inches and centimeters.

While measuring the students took turns finding their height, arm span and head size.

In order to better understand measurement the students worked in larger groups to measure different items around the classroom. The students had to find items that were easy to measure in inches using a ruler. Once the students showed that they mastered this skill, they worked collaboratively in pairs using a tape measure to measure their height, length of foot, and head size.

After the students completed measuring, the

class created different data charts representing the various measurements. The students took turns listed their findings on the smart board. Together we created a line graph, a bar graph and a picture graph of the measurements.

Then the students had the opportunity to create word problems using the data from our charts. The second graders shared their word problems to the while the rest of the class worked independently to find out the answer to the problem.

"It is always wonderful seeing hands on learning. The students made a difficult topic fun and exciting by having the opportunity to measure one another." Kane commented.

CLARK RELAY FOR LIFE

The Clark Recreation Center hosted a Zumbathon on March 14th, all the money raised for the event went to Clark Relay for Life which benefits Cancer research. Several vendors were in attendance as well as a live DJ. The event cost only \$10 which included two and a half hours of Zumba, water, a cup of fresh fruit, and a ticket for a door prize. Everyone who attended had a great time with the five instructors, and additional money was raised with themed basket raffles, all for a great cause.

Relay for Life of Clark will begin on Saturday June 13th at 12:00 p.m. through Sunday June 14th, 2015 at Arthur L Johnson High School. For more information visit relayforlife.org.

The American Cancer Society Relay For Life is the world's largest and most impactful fundraising event to end cancer. It unites communities across the globe to celebrate people who have battled cancer, remember loved ones lost, and take action to finish the fight once and for all.

LIONS EYE BANK CHANGED NAME TO EVERSIGHT NEW JERSEY

On March 20, the Lions Eye Bank of New Jersey changed its name to Eversight New Jersey to re-energize its mission and inspire more people to support the organization's commitment to providing the gift of sight now and into the future.

"Our new name was chosen to better represent our connection to the Eversight family of community-based eye banks in Illinois, Michigan, Ohio and here in New Jersey that, together, provide the resources and expertise of a global organization," said Margaret Chaplin, Executive Director. "Our vision for the future is to expand our reach, connect more effectively with our communities and provide a life full of sight to all people in need."

As part of the Eversight network, Eversight New Jersey provides corneal tissue for sight-restoring transplants to nearly 8,000 people each year. As the organization continues to expand its reach, it remains committed to providing sight-

saving tissue for transplant as well as research.

"Our success in providing sight-restoring corneas for the people of New Jersey would not be possible without the long-time support of the New Jersey Lions Clubs," Chaplin added. "As we look to the future, we will continue to foster and celebrate that partnership."

Chaplin said Eversight New Jersey's new tagline – Making Vision a Reality – speaks to the organization's commitment to providing the gift of sight to people anywhere in the world.

"Our tagline speaks to our vision for the future – exploring the unknown so that one day

we can eliminate blindness," she said. "In changing our name to Eversight New Jersey, we announce a renewed and ongoing commitment to preserving and restoring sight through transplantation, research, education and partnership."

Eversight New Jersey is a charitable, not-for-profit organization dedicated to the preservation and restoration of sight through transplantation, research, education and partnership. Our network of community based eye banks – in Illinois, Michigan, New Jersey and Ohio – recovers, evaluates and provides human eye tissue for transplantation; supports research into the causes and cures of blinding eye conditions; promotes donation awareness through public and professional education; and provides humanitarian aid to people around the world in need of sight-restoring services.

VALLEY ROAD FIFTH GRADERS PARTICIPATE IN THE BOSTON TEA PARTY

In Miss Williamson's fifth grade class at Valley Road Elementary in Clark, the students have been studying the causes of the American Revolution. The students studied the taxes, laws, and restrictions that were placed on the colonists

by King George III. The students studied the point of view of the loyalists, patriots, and the colonists that were neutral during this time.

Also, they studied the point of view of the British soldiers during this time period and

participated in activities to simulate what it would feel like to be taxed with the Sugar Act and the Stamp Act.

In this specific activity, the students had the opportunity to participate in the Boston Tea Party. Miss Williamson and Miss Reilly divided the class into two groups. One group was the British Parliament. They decorated boxes to resemble tea boxes from the time period. The second group was the Sons of Liberty. They had to fill out an invitation inviting them to the event and dress like the Mohawk Native American tribe. The Sons of Liberty gathered together and stormed the classroom, which represented the ships, grabbing the tea boxes and throwing them out of the classroom. After the event took place, the students were asked how they felt based on their role. The students shared their feelings and thoughts of how Parliament would feel and how the Sons of Liberty felt after the event. The students also brainstormed why the Sons of Liberty named the event the Boston Tea Party and what they thought Parliament and King George III would call this event. By completing this activity the students were able to put themselves into history and understand the severity and importance of the event from both viewpoints. The students will continue to learn about the events leading up to the American Revolution.

EASTER EGG HUNT

The Clark Recreation annual Easter Egg Hunt was held on March 28th. Hundreds of residents turned out to participate in the festivities which included so much more than hunting for eggs. There were games, prizes, free baskets and a station set up to decorate them, face painting, treats and photos with the Easter Bunny and more!

HEHNLY SCHOOL CELEBRATES 100TH DAY

With all the snow days, students in the Frank K. Hehnlly School had to postpone the 100 Day of School Celebration, but it finally happened. Hehnlly School was full of festivities and special lessons focused on the magic number of 100.

In Miss McHugh's first grade class, students participated in various centers in the classroom, all focused on the number 100. One such center was the 100 Cup Station where students worked together to create a tower with 100 cups. The activity not only required students to use geometric and science skills through balancing, but it required students to work together to enable their tower to stand on its own.

"The students and staff at Hehnlly School look forward to the 100th day. Not only is a day to mark more of the school year behind us than in front of us, but it is also a time to reflect upon the learning opportunities that have already taken place and to keep our eyes focused on what we need to do as we move forward," explained Mrs. Bergin, Hehnlly Principal.

(right, l-r) Miss McHugh's first grade students Madeline Schmidtberg, Matthew Martino, Reese Sebok, CJ DiBiasi, Nick Clinto work together to meet their 100 cup tower creation.

2014-2015 JOHNSON FOOTBALL DINNER

Mike Basso

Mike Labianca

The Arthur L. Johnson Crusader Football Team held their annual post-season awards banquet on March 1st. Head Football Coach Anthony DelConte presided over the event as all athletes were honored for their contributions to Crusader Football. In addition, numerous scholarships were awarded to deserving student athletes throughout the evening. The night culminated with the showing of the 2014 Crusader Football Team's highlights. It was a wonderful evening to celebrate both past and present Crusaders and continues to keep the tradition of Crusader Football alive and well.

Below is a recap of the scholarships awarded throughout the evening:

THE COLLEGIATE ATHLETE OF THE YEAR

The Collegiate Athlete of the Year honors a former Crusader that has gone on to succeed both in the classroom and on the athletic fields. The 2014 recipient was Alex Rodrigues, who played collegiate football at TCNJ.

THE HENRY A. VARRIANO MEMORIAL AWARD

Henry R. Varriano presents this award to a senior player who displays determination and a never give up attitude. The recipient of this award always puts Team Above Self --- Sacrificed Individuality for the Team --- Pushed himself to achieve greater heights --- Overcame Adversity --- and displayed perseverance. The Varriano Award is for a scholarship and plaque. --- The 2014 Varriano Award winner was Jason Brougham.

THE CLARK POP-WARNER SCHOLARSHIP

Clark Pop-Warner annually gives a scholarship to one football player and one cheerleader that have come through the program and continued their careers in their respective sports while attending Arthur L. Johnson High School. The Clark Pop-Warner Scholarship is for a scholarship and plaque. The 2014 recipients were Matt Pedicine and Jess Sbarro.

CENTURY 21 JRS ACADEMIC ACHIEVEMENT AWARD

George and Carene Sanguliano annually present the Century 21 JRS Academic Achievement Award to our Senior Football player with the highest Grade Point average. The

Award includes a scholarship and plaque. This year's 2014 Academic Achievement Award winner is Michael Basso.

THE DENNIS CARPINI MEMORIAL SCHOLARSHIP

The Dennis Carpini Memorial Scholarship recipient receives a scholarship & plaque. It is presented to the senior football player who, like Dennis, overcame odds and had a true love of Crusader Football. The athlete must be a heart and soul competitor, a unifier, and a positive role model. The 2014 Dennis Carpini Memorial Scholarship goes to...Michael Labianca.

THE WILLIAM WATERSON MEMORIAL SCHOLARSHIP

Officer Waterson made the ultimate sacrifice...he gave his life in the line of duty. He was brave, honest, and devoted to the job. Mr. Tom Maye, owner of Station Cab, presents this award to be displayed in our main trophy case and a scholarship to the senior who most exemplifies the character traits of Officer Waterson. This award speaks to sacrifice and commitment. The recipient set a new standard of leadership and character in our school and community. He has the innate ability to impact all students in our school. He is well liked, and respected, by his peers. The 2014 William Waterson Memorial Scholarship goes to...Jacob Lopez.

THOMAS SANTAGUIDA "SAINT OF THE YEAR" AWARD

The loss of Thomas Santaguida devastated all of us. We lost a man we all loved and admired. When Mr. Santaguida came to Johnson in 1993, he had to replace one of the most respected and loved men in ALJ history in Lou Paragallo. He won everyone over with his dignity, his professionalism, his confidence, and most of all, his sense of sportsmanship and fair play. He was a mentor to us all and we became stronger from the experience. As a high school player at Plainfield Mr. Santaguida played football and basketball. His coaches and teammates say his fiery stile and zest for competition stood out even then. Those are the qualities that are celebrated in naming the 2012 Johnson Football "Saint of the Year". --- The 2014 "Saint of the Year" is...Andrew Lameira.
