7 THINGS YOU MUST KNOW BEFORE PUTTING YOUR HOME UP FOR SALE

Linden NJ - A new report has just been released which reveals 7 costly mistakes that most homeowners make when selling their home, and a 9 Step System that can help you sell your home fast and for the most amount of money.

This industry report shows clearly how the traditional ways of selling homes have become increasingly less and less effective in today's market.

The fact of the matter is that fully three quarters of homesellers don't get what they want for their homes and become disillusioned and - worse - financially disadvantaged when they put their homes on the market.

As this report uncovers, most homesellers make 7 deadly mistakes that cost them literally thousands of dollars. The good news is that each and every one of these mistakes is entirely preventable. In answer to this issue, industry insiders have prepared a free special report entitled "The 9 Step System to Get Your Home Sold Fast and For Top Dollar".

To order a FREE Special Report, visit www.njhomesellermistakes.com or to hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 1000. You can call any time, 24 hours a day, 7 days a week.

FLEET WEEK COMES TO LINDEN HIGH SCHOOL

Three U.S. Navy MH-60S helicopters from HELSEACOMBATRON NINE (HSC-9), along with members of EOD Unit-12, landed at Tiger stadium to visit with the Linden High School NJROTC cadets on May 21st. The cadets had the opportunity to tour the helicopters and speak with the crews about missions and life in the Navy. The landing, which was part of Fleet Week 2015 activities, gave our Linden NJROTC students insight on the training and how focused one has to be on a task and the skills you need to accomplish any mission that they may face. The

Navy stressed that this pertains to the classroom because that is where it all begins. They explained the amount of reading, math skills and team work it takes to be successful not only in the military but also in the everyday activities of life. The Linden High School NJROTC consists of over 400 students and has grown significantly since the establishment of the unit in 1986. The purpose of the NJROTC program is to instill in students the values of citizenship, service to the United States, personal responsibility, and a sense of accomplishment.

(above) Daniel Perrone a cadet in the Linden High School NJROTC sits in a MH-60S "Seahawk", similar to the Army "Blackhawks" and Coast Guard "Jayhawks". They are a versatile platform for military airlift operations. Currently all services except the Marine Corps use a version of this airframe to conduct operations ranging from Combat Troop entry/exit, cargo replenishment, passenger transport and most importantly Search & Rescue (SAR).

SCHOOL NO. ONE HEALTH AND WELLNESS FAIR

(above) The Turner family spent time as a family becoming educated on staying healthy and safe.

The School No. One Health and Wellness Fair took place in April and featured an assortment of informational displays from vendors and agencies from the surrounding community of Linden, N.J. The goal was to increase health awareness through screenings and education, and to promote positive behavior choices. The entire Linden school District and their families

were invited to attend. The local police, fire, and ambulance departments brought their emergency vehicles which were on display. The fair featured games, brochures and pamphlets, blood screenings, blood pressure checks, finger printing, and other important life saving information.

Dona Preston, Principal and Tara McCarthy, School Nurse, plan to coordinate and host this event annually. Information on future fairs will be posted throughout Linden as well as on Comcast channel 36 and Verizon channel 42.

(above) Linden Detective Captain Dave Hart explains the emergency preparedness brochures to the families at the School No. 1 Health and Safety Fair.

STUDENTS VISIT NJ SEA GRANT CONSORTIUM

Third grade students from Mrs. Lisa Rieckhoff and Mrs. Rokhsana Suggs' class attended an all day outdoor event on May 11th at the NJ Sea Grant Consortium. The New Jersey Sea Grant Consortium is an affiliation of Colleges and Universities dedicated to advancing knowledge and stewardship of New Jersey's marine and coastal environment and meets its mission through innovative research,

education and extension programs.

Students learned the importance of a salt marsh. They also participated in shell collecting and identification while at the beach. An overview of the history of Sandy Hook was also integrated into the program. This trip correlates to the Structures of Life science kit taught at third grade. Students were able to observe many organisms in their ecosystems.

LINDEN POLICE UNITY TOUR

MONIKA OLIVEIRA IS LINDEN'S FIRST FEMALE MOTORCYCLE OFFICER

The Linden Police Department is proud to welcome its first female Motor Officer, Monika Oliveira. Monika is a 7-year veteran of the police department, having recently graduated from the prestigious Northwestern Motor Officer training program. The Northwestern Motor Officer training program began thirty years ago when a partnership between Harley-Davidson and the Northwestern University Center for Public Safety was forged. Harley-Davidson, the manufacturer of the police motorcycles, supplies all of the cycles as well as fuel and a full-time mechanic to travel the entire county to train America's police officers in safe and effective motor skills specifically designed for police officers.

The most recent course was hosted by the Linden Police Department. It began on April 13th for potential instructors and on April 20th for operators. "This was the most difficult training I have ever been a part of, and I would never have made it through such a difficult program without experienced and knowledgeable instructors," said Officer Oliveira. "I am proud to join the police motor unit and will work hard to further my skills as my street experience grows."

"Monika worked hard every day to earn a tremendous reputation from her instructors," said Lt. Michael Babulski, Motor Unit Commander.

"Our female officers continue to break down barriers and show their worth and expertise in areas that have traditionally been reserved for men", added Police Chief James Schulhafer.

(above, l-r) Lt. Michael Babulski, Officer Monika Oliveira, and Chief James Schulhafer

The Linden Police Department sent a ten-member team to participate in the 18th annual Police Unity Tour. The grueling 4-day event began on May 9th and consisted of officers from many departments who rode bicycles 300+ miles from the World Trade Center Memorial in New York City to Washington D. C. as part of National Police Week.

The Police Unity Tour was established in 1997 as a way to raise awareness of Law Enforcement Officers killed in the line of duty and to raise money for the National Law Enforcement Officers Memorial and Museum. The officers, as a part of Team Linden, were required to raise \$1,850 per individual to participate in this unique event.

Team Linden was comprised of 10 members from the Linden Police Department. Lt's

Michael Babulski and Joseph Cacioppo as well as Patrolmen James Schulhafer and John Vasquez will be putting themselves through the ultimate test as they pedaled bicycles through four states on their way to Washington DC.

The bicyclists were escorted by four Linden Police motor officers. Investigators Ian Conk, Peter Hammer Jr. And Mark Kahana as well as Patrolman Juan Velardeoperated police motorcycles that served as escort vehicles to ensure safety to all participants in the tour.

The Linden Police also supplied the Unity Tour with a support vehicle and trailer which was operated by Patrolmen Daniel Diaz and Angel Padilla. They followed behind the tour closely and were ready to be called upon to assist if anything unfortunate arose while on the tour.

PROMISE WALK FOR PREECLAMPSIA

On Sunday, May 17th, The Promise Walk for Preeclampsia was held at the Oak Ridge Golf Course in Clark. The month of May has been designated as Preeclampsia Awareness Month. In the United States, every 6 minutes a mother and baby face life or death consequences as a result of preeclampsia. The walk is organized to raise money for medical research on this life-threatening condition. There were over 350 people registered for the event.

One team was sponsored by Linden Police Department secretary Stephanie Feuerschwenger. Her team, in its first year, raised over \$2,200.00.

CELEBRATION SINGERS SPRING CONCERT

Under the direction of Brian Clissold and Jennifer Jenkins, The Celebration Singers are preparing for their spring performance "The Rhythm of Life" at Scotch Plains Fanwood High School, 667 Westfield Road, Scotch Plains, NJ 07076 on Friday, June 5th and Saturday, June 6th at 8:00 pm. Tickets can be purchased online at celebration-singers.org or through the phone at 908-552-4656.

The Celebration Singers is a non-profit musical entertainment organization. Our goal is to reach out to as many people as possible in as many different environments so as to expose people to the Art of Music. Our diverse programs give audiences the opportunity to experience a wealth of musical styles and disciplines, and see this music performed by children and adults.

Although many outstanding choral groups exist in our state, there are few groups that bring the same rigorous and exacting musical

standards to the performance of the variety of songs. Our mission is to bring before as wide an audience as possible the beauty, richness, and excitement of not only a valuable segment of American culture, "the Classic American Popular Song," but of songs of many styles and from other cultures. At the same time, we look to provide a more diverse musical education to our children and adult chorus members and audience alike. It continues to grow in scope, appeal, and audience and member enthusiasm.

Funding for the Celebration Singers is made possible in part by the New Jersey State Council for the Arts, Department of State, through a grant administered by the Union County Office of Cultural and Heritage Affairs. For more information, please visit our website at celebration-singers.org, or email us at: celebrationsingersnewjersey@gmail.com. You may also leave a phone message at 908-552-4656.
