CLARK RELAY FOR LIFE 32 TEAMS AND 416 PARTICIPANTS HAVE RAISED \$90,481.89 AND COUNTING

The American Cancer Society held Relay For Life of Clark on June 13th at Arthur L Johnson High School. According to their website, as of this writing, 32 teams and 416 participants have raised \$90,481.89 and counting. The following letter from the event's chair is also posted:

Thank you for joining us at the 2015 Relay For Life of Clark. This year, our hearts were heavy as we remembered Tylor Collins and Edwin John Rodriguez who lost their battle to cancer. We will always remember. Each person who shares the Relay For Life experience can take pride in knowing that they are working to create a world where this disease will no longer threaten our loved ones or rob anyone of another birthday.

As a community, we came together to celebrate cancer survivors, with our youngest survivor, Isabella Rodriguez (age 4), remember those lost, and fight back against a disease that has taken so much from each of us.

Dollars raised from Relay For Life supporters like you allow the American Cancer Society to help save lives by supporting education and prevention efforts, funding groundbreaking cancer research, and providing free information and services for people with cancer who need them.

We could not do it without you! We have raised \$87,000 and counting. Our summer goal is to reach \$100,000. Together, we can finish the fight against this disease. Congratulations to all of you!

Please note, we are continuing to accept donations online and by mail until August 31, 2015. Thank you so much for all your continued support. You have helped make our Relay For Life event an awe-inspiring and memorable experience.

Please mail checks to: American Cancer Society, RFL Clark, 986 S Springfield Avenue, Springfield NJ 0708.

CLARK CHAMBER OF COMMERCE

During the June meeting of the Clark Chamber of Commerce Chief Pedro Matos announced that crime is down this year compared to the first six months of 2014.

Chief Matos credited an initiative that he put in place, along with former Chief Alan Scherb, in January 2015. The initiative was to get more officers to be proactive and visible in the community. As a result Chief Matos reported that all matter of property crimes are down by 40%. Car burglaries are down 30%, home burglaries are down 40%, and motor vehicle accidents involving pedestrians are down 50% which indicates that the initiative is having an effect on safer driving habits.

Both the Police Department and the Township of Clark are actively involved with the Chamber, attending the monthly meetings and offering a

forum for business owners to participate in a dialogue with their municipality.

The Clark Chamber of Commerce meets monthly during the year, except for the summer months of July and August.

The next scheduled meeting is set for September 23rd at 8:30 a.m. at the Holiday Inn, Clark.

MOTHER SETON COMMENCEMENT

(above, l-r) Imrin Goraya, Valedictorian and Emily Wieszczeck, Salutatorian

Mother Seton Regional High School, Clark, New Jersey held Commencement exercises on May 28, 2015. Diplomas were presented by members of the administrative team: Sister Jacquelyn Balasia, Joan Barron and Maureen Connell. The class of 2015 has achieved in excess of 18 million dollars in academic scholarships and awards as of May 28, 2015. Maureen Connell delivered the invocation and Sister Jacquelyn announce the academic scholarship awards. Reverend Kevin Murphy, a member of the social studies department at Mother Seton gave the closing benediction.

In her congratulatory remarks, Joan Barron stated: "Commencement - a time when something begins. It signals to the world that you are ready to tackle the next challenge, whatever that challenge might be. Graduates, embrace the education that you received here at Mother Seton. Use your leadership wisely. Take with you your pursuit of academic excellence and of course, your Seton Spirit. You made history here as students, friends, team mates and club members. Continue to serve others. By serving others, you are ultimately serving God. Congratulations Class of 2015!"

The Administrator's Award for academic excellence during the past four years was awarded to Valedictorian, Imrin Goraya and Salutatioian, Emily Wieszczeck. The Saint Elizabeth Anne Seton Award for exemplary witness to Christian values during the past four years was awarded to Sarah Dedinsky.

Imrin Goraya, Valedictorian, shared these thought with her classmates: "What I will truly take away from my years at MSR, aside from my extracurricular and service activities, is the excellent education and various opportunities to excel that I have received throughout the course

of my high school career. Academic success is a very essential pillar of our Mission Statement. We have all had the opportunity to obtain a rich, extensive education with the variety of courses that are offered at MSR. You are all hard-working individuals who are capable of achieving success, and I would like to remind you to never let anything get in the way of achieving your goals. As Henry David Thoreau once said, "Go confidently in the direction of your dreams. Live the life you have imagined." I hope that you all continue to live by this motto and never lose sight of what you've worked so hard for up to this point." Imrin will be attending Widener University as a Biology Pre-Med major, beginning her first year in an eight-year medical program affiliated with Temple University School of Medicine.

Salutatorian, Emily Wieszczeck stated: "I would be remiss if I did not give credit and express my gratitude to the wonderful administration, teachers and staff who, for four years have contributed to each of our journeys by continually going beyond requirements and expectations. What do you want to do? It's such a loaded question when you think about. I think I can speak for most of my fellow graduates when I say that I certainly don't have everything figured out. Socrates said that "education is the kindling of a flame, not the filling of a vessel," and as we will soon see, our education does not simply end by being handed a diploma. Saint Catherine of Siena got it right when she said, "be who you are meant to be and you will set the world on fire." We are each stewards of our own small flames, and throughout our lives we will meet countless others who will feed the flames of our knowledge and wisdom." Emily will study nursing at Franciscan University.

HOOKED ON FISHING

Clark Recreation introduced another new class – Hooked on Fishing. This new program introduces children to the great sport of fishing. Lenny and Dawn Grieco from Lenny's Plumbing and Heating volunteered their time and talents to teach children how to hook a worm, cast, reel in and all of the other basic fundamentals of fishing. Assisting in the teaching of the session were Larry Hoogsteden,

Sean Mirek, and Jordan Zambell. The fish were biting at Tamaques Park Saturday, May 30th, as the kids caught over 35 fish – which were all let go of course. In addition they got to see and touch 2 turtles and bull frogs. Each participant received a T-shirt, use of an assortment of polls, supplied worms, drinks and knowledge all supplied again by the generosity of Lenny's Plumbing & Heating.

WESTFIELD AVENUE BUSINESS DISTRICT

The Westfield Avenue Business District is working to become an even better destination for shoppers, boutiques, restaurants, and other businesses. To accomplish this the Westfield Avenue Advisory Committee was formed in March 2015. Led by Dean Russo, owner of Personally Yours Gift Baskets, an initial meeting was held with residents, property owners, Mayor Sal Bonaccorso and Clark Business Administrator John Laezza. Follow-up meetings were then held with the Township and a plan is now being formulated to move the effort forward. Once a plan is created, sometime in late summer or early fall, it will be presented to the district's property owners, and then the Township Committee will draft and vote on an ordinance to create a Special Improvement District.

The goal is to beautify the area with streetscapes and landscaping as well as renovate and clean up some of the existing properties. The Township recently applied for and received a \$30,000 matching grant from Union County. The funding will be used towards the planning and development stages of creating a Special Improvement District.

C.A.L.C. PARTICIPATES IN FIELD DAY AT THE CLARK PRE-SCHOOL

Members of the Crusader Athletic Leadership Council participated in Field Day at the Clark Pre-School recently. Field Day is a day set aside for sports or athletic competition with the entire Pre School. The activities of the day included: Black Can Throw, Soccer Kick, Limbo, Ring Toss, Mini Golf, Obstacle Course, Ice Cream Relay, Basketball, Parachutes, and Scooter Relay Races.

C.A.L.C. members were integrated within each station and had a fabulous time interacting with all of the Clark Pre School students. C.A.L.C. members Michael Basso, Ryan Bohm, Wyatt Bohm, Kelsey Briscese, Jason Brougham, Lou Cacchione, Michael DeMarco, Nick

DiGeronimo, Justin Falke, Jenna Koppel, Sean Kovatch, Tom Nadolsky, Molly Panetta, Michael Pieros, Jessie Riddlestorffer, Kelly Sweeney, Stephanie Visconti, Taylor Webb, and Steven Weisensee assisted in all of the activities throughout the day.

Gus Kalikas, Athletic Director, at Arthur L. Johnson High School, had this to say about the event. "The C.A.L.C. was thrilled to be able to assist with the Clark Pre School's Field Day events. It was fun watching the High School Student Athletes as they interacted with the young children."

Lori Kowalski, preschool nurse and coordinator, stated, "With the threatening

weather the annual Clark Preschool Field was held in the Brewer gymnasium. The children rotated through ten activities from soccer to scooter relay for motor skills. I would like to thank the volunteer parents, and preschool staff, especially John Mongiello, Physical Education Teacher, who organized, set and cleaned up the special event. Special thanks go to the Crusader Athletic Leadership Council Club.

The C.A.L.C. would like to thank Megan Consiglio, Sharon DeAngelis, Valerie LaManna, Mary Lillis, Lori Kowalski, Marie Sarosey, and everyone associated with the Clark Pre-School for welcoming us and allowing us to be a part of a fabulous day.

ZACK HOFSCHEIDER BREAKES RECORD IN THE 800 METER DASH

Zack Hofschneider recently broke the Arthur L. Johnson High School record in the 800 meter dash. The feat was accomplished at the NJSIAA Group Meet which was held in South Plainfield on May 30, 2015.

The record from 1998 was formerly held by Helder Santo with a time of 2:00.8. The new record comes in at 2:00.1.

Head Track & Field Coach Christopher Marcin had the following to say about the record

setting distance runner: "Zack has significantly improved this season and his focus and hard work was a big part of his success. To break a 17 year old school record is a huge accomplishment," said Coach Chris Marcin. "In addition to our record breaking athletes, this season has produced Conference, County, and State Champions. I am very proud of all our athletes and look forward to the future of Johnson Track and Field."

JOHNSON GIRLS VARSITY GYMNASTICS TEAM

The Johnson Girls Varsity Gymnastics Team took a trip across the street to the Clark Pre-School Annex for a gymnastics demonstration. Mr. John Mongiello, the P.E teacher at the pre-school, was teaching gymnastics to his students that week.

Coach Brianna Ferdinandi, who also works at the pre-school as a para-professional, suggested bringing her team in for a short assembly to reinforce Mr. Mongiello's lessons, as well as get the youngsters of Clark excited about

gymnastics. "There's no activity a young child can participate in better than gymnastics to gain strength and master their basic locomotor skill," said Mr. Mongiello. "It was great to have my team come over and put on a show for the pre-schoolers," Coach Ferdinandi Stated. "It helps our youth get excited about an awesome sport and it is great to have my team be positive role-models to the youth in our community." All-in-all it was a great experience for everyone involved.
