ALEXEI TYBURCZY COMPLETES NEW JERSEY STATE POLICE TROOPER YOUTH PROGRAM

Alexei Tyburczy of Clark participated in the New Jersey State Police Trooper Youth Week Program which was held on July 20-24 at the New Jersey State Police Academy in Sea Girt .

The Trooper Youth Week is a residential youth education program developed by the New Jersey State Police. This program presents simulated law enforcement programs for male and female students who have completed their junior year and are entering their senior year of high school. The week's activities include lectures and presentations covering many facets of police work and criminal justice. Participants were exposed to a disciplined quasi-military environment, including military drills in combination with structured fast moving programs of classroom activities, lectures, films, practical exercises and physical training, simulating the NJSP recruit training experience.

Alexei attends Union Catholic High School. He learned that teamwork is essential to be successful in any tough situation. He thought this was a wonderful program for those who are thinking of entering the field of law enforcement.

Alexei also received a certificate of Achievement in the New Jersey State Police Academy Top Physical Challenge. He finished with a total score of 94%. His family is very proud of his accomplishment.

CLARK LIBRARY WILL FEATURE A 9/11 EXHIBIT THROUGH SEPTEMBER

(above l-r) Clark Firefighter Jan Guskind with his son Samuel Guskind. Samuel choose to build a 9/11 monument in front of the Clark Firehouse headquarters for his Eagle Scout Project which was dedicated in 2014.

The Clark Public Library will be featuring a 9/11 exhibit through September 30th. The exhibit was contributed by Clark Resident Ed Ruth. Ruth and his family have been residents of Clark for over 15 years. He is a survivor of the terrorists attacks which occurred in New York City on September 11, 2001. His office was on the 49th floor of 2 WTC (South Tower). His company, Marsh & McLennan, lost over 300 people that day, mostly from the higher floors of 1 WTC.

This is the second year that Ed has displayed a 9/11 exhibit at the library. Ed recalled "For the last several years I have been privileged to speak

at Clark's 9/11 memorial service at Jim Nelson Park. However, three years ago I had made a trip to the Clark Library in early September and was disappointed on not seeing anything about this historic yet horrific day. Being a 9/11 survivor, I became determined to do something to remember the day. I spoke with several people including Angel Albanese in her role as Council liaison to the Library. She opened the door to speak with the Library Director, Dawn Jenkin. I also reached out to Rose Ann Nelson, Jim Nelson's wife and other Clark residents who were 9/11 survivors. In a collaborative effort an exhibit was put on display in the Library in September 2014 for a full month".

Jim Nelson, 40, was a Port Authority police officer who lived in Clark with his wife Roseanne and two daughters Anne and Caitlin. Nelson died while working at the scene to save others when the towers collapsed. Ed Ruth is repeating the effort again this year to include not only the events of 9/11 and the Jim Nelson Memorial, but pictures of the memorials from the surrounding towns of Cranford, Westfield and Scotch Plains, including the names of those lost that day. This year a piece of steel from the North Tower will be included in the display. This was obtained through the efforts of Scott McCabe of Clark DPW. Also to be included in the exhibit will be a patch honoring NYPD and PA and FDNY as well as commemorative bracelets of FDNY officers lose that day as well as one for Jim Nelson.

The Township of Clark will hold a ceremony on September 11th at 9 a.m. at Broadway Park. Residents are encouraged to attend.

PEDRO M. MATOS SWORN IN AS SIXTH CHIEF OF POLICE IN THE HISTORY OF THE DEPARTMENT

Submitted by Clark Police Department

On Friday August 21, the Clark Police Department swore in the sixth Chief of Police in the history of the department, Pedro M. Matos. For those of you who do not know Chief Matos, he is a 19-year veteran of the Clark Police Department. Prior to being hired in Clark, the Chief served in the United States Marine Corps, seeing action in Somalia during Operation Restore Hope.

As a police officer, the Chief received numerous awards and commendations over the years and was promoted through the ranks. In

addition to being a Patrol Division Supervisor, Watch Commander and Patrol Captain, Chief Matos has served as the Department's Domestic Violence Liaison, Terminal Agency Coordinator, Information Technology Coordinator and Training Coordinator.

Chief Matos' dedication to the township and his professionalism were seen throughout the speech he gave at the swearing in ceremony. Specifically, the Chief spoke of how he has a plan to make a positive impact on the department through training and technological

advances. In addition, Chief Matos spoke of how his greatest hope is for the officers of the department to exhibit a high level of professionalism and to make each citizen contact a positive experience in some way.

The members of the Clark Police Department and its civilian staff wish Chief Matos nothing but the best during his tenure as Chief. We are confident that Chief Matos will continue to make a positive impact on the Clark Police Department, its officers and staff and the Township of Clark.

JOHNSON FOOTBALL VISITS FIRST CHILDREN'S SCHOOL

Visit www.renamedia.com
and Clark Monthly on
FacebookBook
for more stories and photos.

Members of the Arthur L. Johnson High School Crusader Football Team recently participated in a visit to the First Children's School, located in Fanwood, New Jersey.

The First Children's School in Fanwood is a stepping off point for children who need highly specialized educational services for some period of time in their lives. First Children's services extend into the home districts of students with special needs where they are invited to work with faculty and administration to assure that children with special needs get cutting-edge services in their home schools. The dedicated staffs, including teachers, aides, and therapists, are prepared to deliver their services in the schools and homes of the children they serve. First Children partners with districts and other providers like Children's Specialized Hospital and Eden Autism Services to make sure that the

children receive the very best services possible.

Members of the Crusader Football Team went into various classrooms and participated in a multitude of activities relating to the school's curriculum.

Anthony DelConte, Head Football Coach, had this to say about the event. "The football program was thrilled to be able to assist with the daily routines and to participate in activities held at the First Children's School. It was fun watching the High School Student Athletes as they interacted with the children, and I think both groups not only enjoyed the experience, but learned a lot while doing it."

The Arthur L. Johnson High School Crusader Football Team would like to thank everyone associated with the First Children's School for welcoming us and allowing us to be a part of a fabulous day.

OPEN REGISTRATION FOR CUB SCOUT PACK 145 OF CLARK

Cub Scout Pack 145 of Clark is holding its annual open registration the evening of Tuesday, September 15th, between 7:30pm and 9pm, at the Clark Recreation Center cafeteria. Registration into Cub Scouts is open the entire month of September. Leaders and committee members are always available to answer any questions you may have had about scouting. Please visit www.cubpack145.info for more information on joining.

Scouting helps develop academic skills, self-

confidence, ethics, leadership skills and citizenship skills. While various activities and youth groups teach basic skills and promote teamwork, Scouting goes beyond that and encourages a deeper appreciation for service to others in their community. Scouting promotes activities that lead to personal responsibility and high self-esteem. As a result, when hard decisions have to be made, peer pressure can be resisted and the right choices can be made.

Some of Pack 145 activities include camping

adventures. Our first camping trip is western themed with numerous preplanned activities - the trips are loads of fun for the boys as well as the parents. Other activities will be field trips, community service projects, hiking, fishing, sports, archery, arts & crafts, skits, storytelling and Pinewood Derby races to name just a few.

Cub scouts is open to boys entering first through fifth grade. All boys are encouraged to bring a buddy. Visit Cubpack145.info for more information.

CAMP INVENTION FOSTERING CREATIVITY AND PROBLEM-SOLVING SKILLS

Camp Invention, the nation's premier summer enrichment day camp program that is supported by the United States Patent and Trademark Office (USPTO) and the National Inventors Hall of Fame (NIHF) came to Hehnly School the week of July 27th-July 31st. Directed by the K-5 Gifted and Talented Coordinator, Cindy Tarello, the weeklong day camp for students entering grades one through six fostered innovation and creativity while also building self-esteem, teamwork, persistence and goal-setting skills.

Camp Invention encourages inventive young

minds through Science, Technology, Engineering and Mathematics (STEM) in a fun and creative atmosphere.

The children experienced successful completion of challenging projects as they rotated daily through four different modules taught by teachers from the Clark Public School District. The modules were: Design Studio: Illuminate, Inducted, Take Apart: Next Level Gamers, and Kartwheel. Leadership Interns from Arthur L. Johnson High School in Clark stayed with the campers throughout the week as they rotated through the modules providing

assistance, guidance, and leadership to the children.

At the conclusion of the week, the sixty campers had an opportunity to display and explain their creative inventions and projects at the Inventor's Showcase. During this time, parents, family members and friends were invited to peruse these creative inventions made from everyday household objects after watching a slideshow of the children hard at work and play throughout the week. After a successful and invigorating week, the students and staff were eager to plan for Camp Invention 2016!

A LIBRARY CARD IS THE COOLEST CARD – SEPTEMBER IS LIBRARY CARD SIGN-UP MONTH

Studies show that children who are read to in the home and who use the library perform better in school. September is Library Card Sign-up Month, a time when the Clark Public Library joins with the American Library Association and public libraries nationwide to make sure that every student has the most important school supply of all – a free library card. Resources at the Clark Public Library are available to anyone who has a library card. Students can turn to the library for materials, programs and knowledgeable library staff that support academic achievement.

Today's libraries aren't only a place of quiet study, but also creative and engaging community centers. The Clark Public Library offers a variety of print and digital resources, including Encyclopedia Britannica Online, Mango Languages and free e-books that can be accessed in person or online. "Our library provides access and programs for students of all ages," says Dawn Jenkin, Library Director. "For preschool age children we offer early literacy and lap sit storytimes to encourage school readiness, for older children and teens we supplement education with hands-on science, technology, engineering, arts and math (STEAM) programs, and for older teens we have information and tools to help prepare for college. There's really something for everyone and it's all free with a library card."

MESSAGE FROM EDWARD GRANDE

Interim Superintendent of Schools

DEAR MEMBERS OF THE CLARK COMMUNITY,

The most remarkable aspect of being an educator is that each September we get to start anew, building on the strengths of the past but making the necessary adjustments to become even stronger as we move ahead. I am beyond excited as a result of the successful opening of our new school year. I would be remiss if I did not thank our twelve-month and ten-month/two-week administrators and support staff for all of their diligent work this summer. Their efforts are a central reason why we were ready for this outstanding beginning. Our maintenance team led by Mr. John Pingor is deserving of a special acknowledgement for their preparation of our buildings and grounds. They were engaged in a number of projects this summer that will provide our students and staff with enhanced facilities for years to come. The importance of this physical upkeep of our schools should never

be devalued.

Schools reopened for students on Thursday, September 3. This first day of school is always a most special one and one that we, as a school district, were excited for. These expectations for a strong opening that we had were not only met but they were exceeded. Getting to see a large number of our parents and guardians at our various Back-to-School Nights was equally rewarding, and I am looking forward to our continued interactions throughout the year. Please know that we, as an administrative team, have an open door policy and are here to address any concerns that you may have. It is our sincere hope to “inspire greatness” through the work that we do.

Respectfully yours,
Edward Grande

RENNA MEDIA LAUNCHES SEVEN NEW NEWSPAPERS

Beginning in October 2015 Renna Media's family of monthly newspapers will grow from 12 to 18 publications. The towns of Westfield, Scotch Plains, Fanwood, Summit, New Providence, Berkeley Heights, and Mountainside will join Renna Media's existing newspapers and will deliver important information from the departments in town hall, along with news from the schools and libraries. Community service organizations are encouraged to promote their events and celebrate their accomplishments free of charge.

The goal of all our community newspapers is to have a positive influence on the economic development and overall well-being of the towns they serve.

Renna Media is a Cranford based business owned and operated by husband and wife team Joe and Tina Renna. Renna Media's family of 18 community newspapers are published in and around Union and Somerset counties with a total circulation of 100,000 newspapers mailed monthly. The publications are "hyper-local" in nature in that they contain information focused on each individual town and are direct mailed

within those towns.

The concept of being hyper-local is to give local businesses a venue to promote events and services. Reaching local customers gives you the highest return for your advertising dollars. The newspapers are designed (black ink on newsprint) to keep the cost of an advertisement to as low as \$60. Inserts are also available. Regional businesses can take advantage of one low rate for advertising in multi publications.

Joe and Tina Renna, owners of Renna Media, LLC, have been publishing community newspapers since 1998 with the launch of Around About Peterstown, a regional newspaper about the Italian-American neighborhood in Elizabeth, NJ.

Renna Media sought to fill what they saw as a void in other communities and created newspapers that would give a venue to town administrations and non-profit organizations to promote upcoming events as well as to showcase the accomplishments of local residents and businesses.

For more information about Renna Media publications, please call 908-418-5586 or email: info@rennamedia.com. Visit us on-line at RennaMedia.com.

CLARK FIRE DEPARTMENT DOUBLE WETDOWN

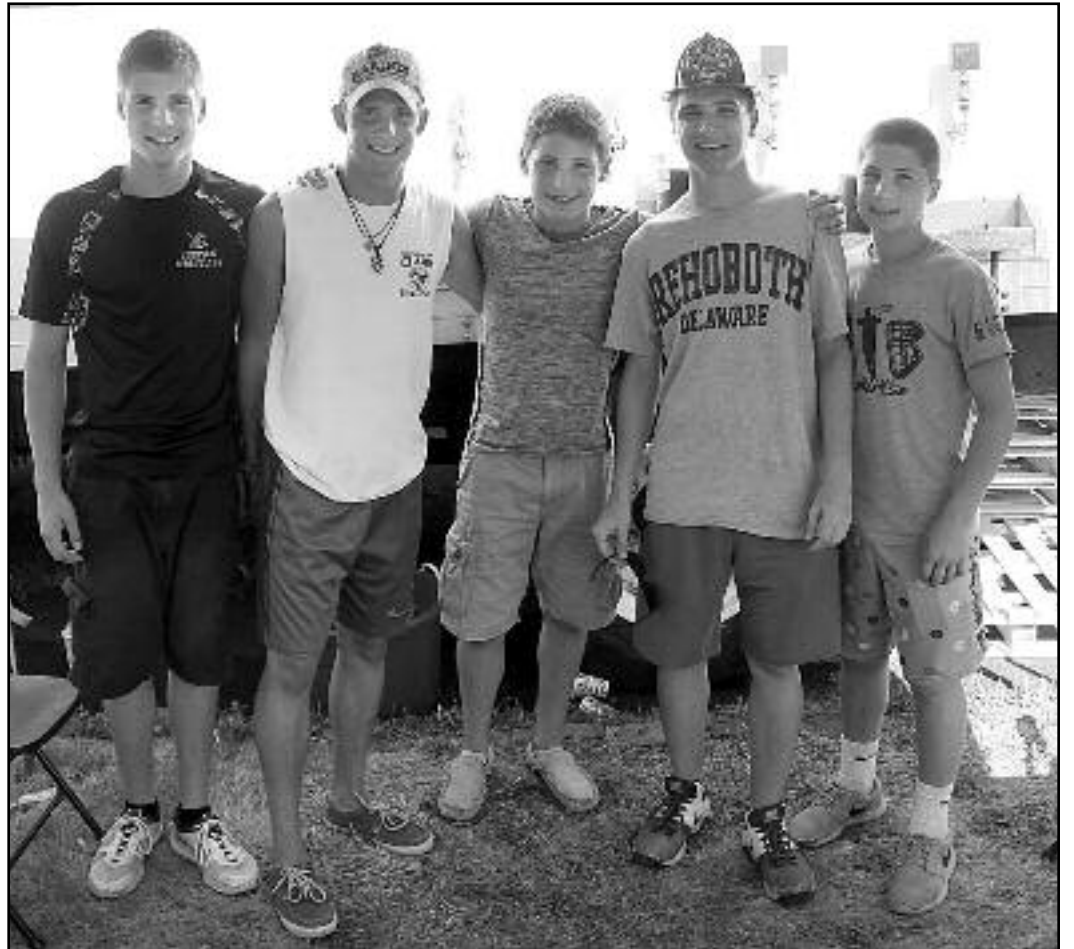

The Clark Fire Department held a Double Wetdown event on August 15th to celebrate their 2 new Pierce Velocity Rescue pumpers.

The family fun event was a way for the Fire Department to thank the community for their

support, and it was also a fund raiser. Live Music was provided by The Nerds and The Mix. There were rides for the kids, food, and beer. With the weather topping at around 93 degrees that day, young and old enjoyed the water spray.

Photos of this and other events can be found at www.renamedia.com and on [Facebook.com/ClarkMonthly](https://www.facebook.com/ClarkMonthly). Feel free to "Like", "Tag" & "Share."
