GIRL SCOUTS IN CLARK - GARWOOD - WINFIELD TROOP 40361 EARN THEIR SILVER AWARD

Lauren Mulvihill, Kaitlyn King and Erin Hening, Cadette Girl Scouts in Clark-Garwood-Winfield Troop 40361, delivered their scout-designed and built garden cart to the Clark Nursing & Rehabilitation Center of Clark to earn their Silver Award, the highest award Cadettes can earn. The Silver Award is earned through a community service project that requires a minimum of 50 hours of work as well as other strict requirements. Lauren, Kaitlyn and Erin, now ALJ High School freshmen, have been close friends since kindergarten so working on this together was especially meaningful.

The three girls have volunteered at the center for three years, entertaining residents with dance, musical performances and games. Their interaction with and affection for residents inspired the idea for their service project. They realized that some residents, many in wheelchairs, may have enjoyed gardening, but age, declining health and physical limitations make it difficult. So the girls set about designing a mobile, flexible gardening cart, built to Americans With Disability (ADA) specs, with removable planting trays, so residents can enjoy gardening and living with beautiful, seasonal plants and flowers year round in their sunny community recreation room.

The project began early this year with the girls drafting, negotiating and redrafting several designs before finally settling on one. They used recycled wood and began to assemble the cart in May, learning how to use various hand and power tools safely in the process. They also shopped for

supplies, paying for some of it with money they had earned babysitting. The trio put time into the project whenever they could over the summer. Finally, after many hours of planning, shopping, building, sanding and staining, and changing things that weren't going quite as planned, the cart was completed in late July.

The girls delivered the cart on September 2nd, 2015 to the center. They planted with the residents, filling the cart with beautiful fall mums and a few annuals to brighten residents' days throughout the fall. Schieferstein Farm Market and Garden Center and Shop Rite of Clark generously donated some of the plants needed for their project. The girls plan to continue volunteering at the center, and will rotate plants seasonally. They are already planning to plant Poinsettias in December, Pansies in early spring, and pretty summer annuals in May or June.

RESIDENTS BAND TOGETHER FOR MIRACLES FOR MYELOMA RACE

Area residents banded together to raise money for multiple myeloma research at the Miracles for Myeloma 5K Run/Walk held on Saturday, September 26, 9:30am-11am at Oak Ridge Park in Clark.

Westfield resident Gina Klemm became involved with the event after her brother Frank Guarino succumbed to the disease. Mr. Ron Pask and his wife Sheree Pask of Clark have been the unflagging force in originating and continuing the event with the assistance of Mrs. Klemm. Mrs. Pask is currently in remission of the disease that is a form of cancer which forms in white blood cells. Mrs. Pask, a preschool teacher at the Westfield Presbyterian Church's nursery school, has the support of her colleagues and friends who have formed a team this year. "Colleagues, parents with children and their dogs attended and it was a festive atmosphere with the tree-lined, wheel chair accessible pathway," Mrs. Pask said of the race.

The Clark Kiwanis Club and Kiwanis' sponsored Key Club from Arthur L. Johnson High School assist each year at the event. "I don't know what we would do without the volunteer help of our Key Club and their adviser Ellen Zamboni," Mrs. Park explained.

Miracles for Myeloma 5K Run/Walk started three years ago when approximately 500 people registered, participated and raised \$50,000 in their first year. Last year the race involved

almost 750 people from all over the state, raising almost \$150,000 for International Myeloma Foundation (IMF).

A remembrance path lined the race pathway with laminated placards of the names of loved ones who fought cancer and people who are living with the disease. They are honored through donations by their friends and families. Please feel free to call 732-574-9182 to donate in memory or in honor of someone.

At last year's Miracles for Myeloma fundraising race/walk, participants of all ages got involved.

ALJHS ALUMNI ASSOCIATION NEWS

Each year for the past three years the ALJHS Alumni Association has awarded two \$1000 scholarships to graduating seniors who have demonstrated academic excellence and leadership qualities in the school and community.

This year, due to the generosity of our membership, the association was able to award a third scholarship, The Donald Storms '59 Scholarship to another deserving senior.

The recipients are Louis Cacchione, Danielle Marzone, and Emily Kirk. The association wishes them well as they set off to their college campuses this fall.

At the annual Hall of Fame/Scholarship

dinner in May, Hall of Famer inductee, Ralph Marano pledged a fourth scholarship to be given to a student who plans to attend a trade or technical school. This award will be presented along with the others at our May, 2016, dinner.

Anyone wishing to nominate an outstanding ALJ alum to the Hall of Fame may secure a nomination form on the website or in the main office in the high school. All submissions must be presented before January 15, 2016.

Membership in the Alumni Association is open to all ALJ alumni, parents/guardians of

current ALJ students, and past and present faculty. Registration can be initiated on the association website, aljalumni.org. There is no fee and the website is secure. Classes who are planning reunions have received a great deal of help by having their classmates register in advance of the event.

The association meets at the high school five times a year with scholarship, dinner, and activities committees meeting a few additional times. The next meeting will be held on October 7th at 9:30. All alumni are welcomed to attend.

HEHNLY SCHOOL STUDENT COUNCIL

The Frank K. Hehny Executive Student Council team recently kicked off the 2015-2016 school year with their first morning meeting.

The board was elected by the Frank K Hehny student body in June of 2015.

Under the guidance of Hehny School teacher; Megan Bowers and Laura Venezia; the Student Council is looking forward to a school year filled with fun and school spirit!

MRS. CONNER’S CLASS HAS SUPERPOWERS!

Mrs. Nina Conner’s second and third grade language arts students at Frank K. Hehny Elementary School in Clark are preparing for a successful new year by flexing their newfound superhero muscle! Each student was asked to imagine themselves as the superhero in a back to school comic book. The students then wrote about how their chosen set of superpowers would aid them in progressing academically through the school year to meet specified goals. Superpowers ranged from being a good friend to being the fastest reading third grader in the world. The class’ work will be displayed on a bulletin board which will allow the entire school to marvel at their might!

REMEMBERING SEPTEMBER 11TH

BENDER-CHESNEY EDUCATIONAL SUPPORT PRO OF THE YEAR

The Clark Education Association has honored Pre- School Paraprofessional, Christine Bender-Chesney as Educational Support Professional of the year! Christine was nominated by many of her colleagues who had wonderful things to say about her and her dedication to the children. Congratulations to Christine!

(above) Doreen Babis, Supervisor of Special Services, Jennifer Lewis, CEA President, Christine Bender-Chesny, ESP of the year, and Mary Jo Baker, CEA Corresponding Secretary.

(above) Students in Ms. Tornquist's second grade classroom created a craft to remember the events and heroes of September 11, 2001. Ms. Tornquist led students in a group discussion about heroes and what makes someone a hero. Students broke into pairs to discuss what makes someone brave and heroic. Students discussed the heroes of September 11th and heroes in our own community. As a closing activity, students worked on a craft in the shape of a heart with the American flag. Two towers were fixed to the heart in remembrance of all the heroes of 9/11.

HEHNLY STUDENTS REMEMBER SEPT 11TH

Fourteen years after the tragic events of September 11th, the students at the Frank K. Hehnly School stood together to show their patriotism and love for America. The students showed solidarity by wearing red, white and blue, and sang patriotic songs during the school's remembrance assembly.

"The events of September 11th were tragic and are now engrained in America's history," explained Shirley Bergin, Principal of Hehnly School. "We want the children of our school to be aware of this day and have the chance to honor those who lost their lives both in the Towers and heroically trying to save others."

In addition, the fourth and fifth grade students at Hehnly School were part of a special assembly where they were able to view steel that was taken from the Twin Towers as part of a "Mobile Memorial" that was provided by the Township.

"The students were in awe that a piece of these historic buildings were in front of their eyes," added Bergin. "It was a very moving experience for our students."

CRUSADER ATHLETIC BOOSTER CLUB MEETING

On Tuesday, September 09, 2015, the Arthur L. Johnson High School Crusader Athletic Booster Club held their first meeting of the year. In attendance at the packed house were coaches, players, and parents who had the opportunity to meet the fall coaches and listen to them speak on behalf of their teams in addition to listening to a guest speaker who talked about maximizing your high school athletic experience.

John McCarthy of Montclair State University was a guest speaker. John is an award-winning teacher, author, and coach who captivated student athletes, coaches, and parents alike with his discussions on high school athletics. The symposium focused on talking to the audience on numerous topics related to high school athletics today. Furthermore, John McCarthy talked about excerpts from his book, *What Would Yogi Do?*, which provided guidelines for athletes, coaches, and parents who love sports. The highlight of the evening was when John McCarthy introduced surprise guest speaker Gian Paul Gonzalez.

Gian Paul Gonzalez's program, "Going All In", discussed the keys to helping empower the student athletes to truly commit to goals despite the obstacles that will try to hinder the type of commitment they will need for success. Gonzalez implored the audience to let ALL IN be more than just a slogan, but become a lifestyle that will impact all parts of their life.

Gonzalez is a social studies teacher in Union County, NJ and has been delivering his message to athletics teams, Fortune 500 companies, high schools and churches. He was a former NCAA Division III All-American first team basketball player at Montclair State University. Gonzalez played in the NBA Summer League in 2007.

A WATERMELON WELCOME BACK

The students of Mrs. Nina Conner and Mrs. Carol Iden's 3rd grade classes at Frank K. Hehny Elementary School in Clark recently indulged in a sensory experience in the classroom. The co-teachers concealed pieces of watermelon and asked the students to attempt to guess what the hidden mystery item was allowing them to use single senses at a time to aid them. Having successfully identified the fruit, the students were asked to reflect on the abilities which enabled them to properly recognize the pieces of watermelon. Mrs. Conner and Iden's students then wrote short descriptive pieces regarding how each of their five senses aided them in discovering the hidden identity of the mystery item. As an extension to this activity, students were asked to contemplate how each of the five senses combine to allow us to go about our daily lives.

(right) Mrs. Nina Conner and Kylie DiFulvio using their senses of touch to identify the mystery item.
