UNVEILING AND DEDICATION OF WOMAN'S MONUMENT

By: Edir Coronado

Community members in Clark, NJ gathered outside the municipal building for the unveiling and dedication of the Women's Monument. Bill Caruso, veteran, former council member, and longtime community member, spearheaded the event. He began the ceremony by welcoming all those in attendance and offered appreciative remarks about the women who served the military in every capacity, commenting "this is long overdue," referring to the lack of recognition received by women veterans.

Emma Knutson followed by singing the National Anthem, shortly after Father Dennis Surban delivered the invocation. Special guests and speakers in attendance included: The Honorable Mayor Sal Bonaccorso; President and Program Chairman of Clark UNICO, Mr. Ralph Bernardo; Program Chairman and Clark American Legion Post Commander, Jack Doran; and Clark VFW Commander, Dave Mormak. All of which gave their gratitude for the sacrifices of these past and present service members.

Mayor Bonaccorso praised all the efforts put forth by the

various entities involved in the fundraising dinner for the monument. He was elated about the location of the monument, in front of the municipal building, stating, "I believe this is a fitting spot, it's not in some park, where it will be forgotten, it will be honored here forever and ever at Clark Township."

Amy Wenger, an Airforce Senior Airman (SrA), the scheduled keynote speaker was unable to attend, but prepared a speech that Mr. Ralph Bernardo delivered. In the speech, SrA Wenger stated, "I would not be standing in my uniform today, if it weren't for those women in the past decades who have stood before me." She went on to speak about some of the earliest examples of courageous women during wartime efforts, like Sarah Edmonds, who disguised herself as a man in order to participate in The Civil War.

After the closing remarks, Emma Knutson returned to the podium to sing God Bless America. Soon after the monument was unveiled, it reads "In Honor Of All The Brave Women Who Served In The Armed Forces And Gave Their Lives For Our Country."

5K RUN/1M WALK CASA OF UNION COUNTY RACES TO REACH FOSTER YOUTH

Lace up your sneakers, Clark folks, and step up to change the life of an abused, neglected or abandoned Union County child placed in foster care. It's easier than you think! On Saturday, May 14, 2016, CASA of Union County will host its second annual Foster the Dream 5k Run and 1 Mile Walk right here at Oak Ridge Park to raise awareness of the need for community volunteers to serve as Court Appointed Special Advocates, and to raise funds to expand recruitment and training efforts.

Life in foster care - and the circumstances that led to it - is no walk in the park, but your walk or run in the park can change that! CASA of Union County currently serves 155 of the 600 youth in care; your participation brings waiting foster youth closer to having a CASA volunteer of their own.

Appointed by family judges, trained CASA volunteers serve foster youth by advocating in court and the community to ensure needs are being met and best interests are a priority. The

judicial appointment means advocates are authorized to speak with the youth's attorney, teachers, doctors, therapist, foster parents, caseworker and more, and then report findings to the judge.

The race course is uSATF-certified and awards are given to the first-place male and female finisher, as well as runners in age brackets.. The morning includes raffle prizes, and such post-race sustenance as fruit, bagels and water aplenty.

Check-in and packet pick-up begins 7:30 am race day; the 1 mile walk begins at 9 am and the 5k run at 9:30 am. High-quality performance race shirts are guaranteed to all paid registrants through April 20. Registration is \$25 for the run and \$20 for the walk; \$5 more after April 15. Children under 10 are free.

Register at www.fosterthedream.org, taking the first steps toward changing the life of an abused, neglected or abandoned child. Contact Jen Mutch, race chair and CASA board member, at (917) 453-5415 or jcdowntown@hotmail.com.

COMMUNITY HELPER MONTH

On April 26, Canine Police Officer Timothy O'Grady from the Union County Sheriff's Office visited the Clark Preschool for Community Helper Month. Officer O'Grady spoke about his duty on the K-9 Search and Rescue unit with his dogs and his role as a canine officer and handler.

The dogs are trained and bred for their intelligence and strong sense of smell. The handlers care for their dogs 24/7, working with them during the day and when off-duty, the canine officer and dog go home together to their family, just like you do!

Their working duties involve bomb investigations and specialized patrol functions servicing the local Police Departments, Prosecutor's Office, and the Union County Police. Office O'Grady and his dogs kept the children riveted during the presentation and sparked their curiosity with questions at its conclusion.

SAL BONACCORSO CHOSEN MAYOR OF THE YEAR BY GATEWAY CHAMBER

The Gateway Regional Chamber of Commerce named its 2016 slate of government award winners during the chamber's 27th Annual Mayors Dinner, held at the Newark Liberty International Airport Marriott on April 15, 2016. Each year the chamber honors each of the municipalities in Union County and recognizes their public servants, including those who were the year's brightest stars.

Mayor Sal Bonaccorso of Clark was named Mayor of the Year for his work turning an abandoned brownfield site into the new Clark Commons, the largest commercial real estate project in Union County in two decades. He thanked John Laezza, Clark Business Administrator for all his assistance.

Laura Reinertsen, clerk/administrator in Kenilworth, was named Business Administrator of the Year for her focus on improving the Kenilworth business community through multiple administrations.

Mayor Angela Garretson of Hillside was voted Best Speaker of the night.

"The business community and local government work hand-in-hand to support and build local communities, employ local residents and drive the local economy," said Jim Coyle, the chamber president. "Each supports the other and a dinner honoring our government leaders and attended by members of the business community is an ideal setting to recognize that partnership."

The dinner also gives each mayor or their designee of each town the opportunity to share with the audience the municipality's accomplishment for the year and their expectations for the coming year. Many make

FARMER JOHN TEACHES HOW TO HATCH A CHICK

To celebrate Spring, The Clark Preschool welcomed farmer John from Quiver Farm, Pennsburg, Pennsylvania with his chick hatching project. Farmer John arrived with a live rooster, Dion, a hen, Sweet, and all the necessary equipment to take care of the eggs and chicks once they have hatched.

The farmer set up an incubator and presented a short presentation to the children and Mrs. DeAngelis, "the chief egg tender." The children learned how to care for the eggs for the rest of the week by checking the temperature, turning the eggs, and keeping the water trough full. On Friday, the eggs will be turned for the last time,

extra water will be added to the trough and left untouched for the weekend. Sometime on Monday the chicks will start to hatch. As they dry the children will put the baby chicks in the brooder box as shown in the presentation. On Friday, the chicks will be picked up and taken back to the farm.

Incubating and hatching chicken eggs is a hands-on-learning experience. We are all excited for the Quiver Farm project. Farm education is FUN! Science caring compassion and responsibility - all curled up in one egg! Check the Clark Preschool website for photos of the chick hatching project.

OVER 9,000 WALKED TO CREATE A WORLD FREE OF MS AT 11 LOCATIONS

Over 9,000 participants and volunteers supported Walk MS on April 16 & 17 and have raised over \$1.2 million to date. The National MS Society NJ Metro Chapter hosted 11 walks across northern and central NJ from a park like setting in Union County to the NYC skyline in Jersey City to the boardwalk at the Jersey Shore. Walk MS is an opportunity for people living with MS and those who care about them to connect, join together, be inspired and raise critical funds for the National Multiple Sclerosis Society.

Donations are still being counted and accepted. The goal for this year is to raise \$1.8 million to support local programs for over 11,000 living with MS in our local area as well as fund cutting-edge research for a cure.

In 2015 alone, more than 315,000 people in nearly 550 locations across the country walked to create a world free of MS, raising nearly \$50 million. Since 1988, Walk MS has raised more than \$920 million to fund critical research and life-changing services to help people with MS live their best lives. Last year, more than 10,000

participants and volunteers came together for Walk MS to raise more than \$1.7 million for the New Jersey Metro Chapter.

Multiple sclerosis is an unpredictable, often disabling disease of the central nervous system that disrupts the flow of information within the brain, and between the brain and body.

Symptoms range from numbness and tingling to blindness and paralysis. The progress, severity and specific symptoms of MS in any one person cannot yet be predicted, but advances in research and treatment are leading to better understanding and moving us closer to a world free of MS. Most people with MS are diagnosed between the ages of 20 and 50, with at least two to three times more women than men being diagnosed with the disease. MS affects more than 2.3 million worldwide.

About National MS Society

The National MS Society mobilizes people and resources so that everyone affected by

multiple sclerosis can live their best lives as we stop MS in its tracks, restore what has been lost and end MS forever.

To fulfill this mission, the Society funds cutting-edge research, drives change through advocacy, facilitates professional education, collaborates with MS organizations around the world, and provides services designed to help people with MS and their families move their lives forward. Last year alone, through our comprehensive nationwide network, the Society devoted \$122.2 million to help more than one million individuals connect to the people, information and resources they need. To move closer to a world free of MS, the Society also invested \$54 million to support more than 380 new and ongoing research projects around the world.

Early and ongoing treatment with an FDA-approved therapy can make a difference for people with multiple sclerosis. Learn about your options by contacting the National MS Society at nationalMSSociety.org or 1-800-344-4867.

CRUSADER ATHLETICS LEADERSHIP COUNCIL AUTISM AWARENESS

On Wednesday, April 20, 2016, members of the Crusader Athletic Leadership Council participated in the Clark School District's Autism Awareness Day at the Clark Pre-School.

Autism is one of a group of serious developmental problems called autism spectrum disorders that appear in early childhood, usually before age three. Though symptoms and severity vary, all autism spectrum disorders affect a child's ability to communicate and interact with others. The number of children diagnosed with autism appears to be rising. It's not clear whether this is due to better detection and reporting of autism or a real increase in the number of cases or both. While there is no cure for autism, intensive, early treatment can make a big difference in the lives of many children with the disorder.

C.A.L.C. members participated in numerous events throughout the occasion that not only were enjoyable for all of the children, but also raised awareness for autism. In addition, the teachers had a multitude of activities relating to autism that incorporated C.A.L.C. members, and pre-school students alike. Some of these events included: bowling, basketball, ice cream relay, foam ball toss, soccer, scooter relay, coloring autism ribbon craft, wiffle ball, obstacle course, and parachute toss.

C.A.L.C. members Ryan Bohm, Wyatt Bohm, Kelsey Briscese, Liam Deacy, Riley Delaney, Michael DeMarco, Nicholas DiGeronimo, Jonathan Duffy, Justin Falke, Wes Giannobile, Sean Kovatch, Molly Panetta, Gianna Randazza, Anthony Rizzuto, Andrew Sanchez, Zack Sandler, Dominique Smith, Stephanie Visconte,

Sydney Zamboni, and Gabriella Zatko all participated in the event.

Arthur L. Johnson High School's Athletic Director, Gus Kalikas, had this to say about the event. "The C.A.L.C. was thrilled to be able to assist with the Clark School District's Autism Awareness Day events at the Clark Pre-School. It was fun watching the High School Student Athletes as they interacted with the young children, and I think both groups not only enjoyed the experience, but learned a lot while doing it. All of the Clark Pre-School should be commended for the wonderful event that was put together to bring awareness to autism."

Lori Kowalski, Clark Pre-School Supervisor

and Nurse, expressed. "I could not have been happier with our 4th Annual Autism Awareness Event! All of those who participated in Wednesday's event seemed to have a smile on their face from start to finish. It was a great day all around"

The C.A.L.C. would like to thank Special Education teacher Kelly Moscarella, and Physical Education teacher Ashley Tenpenny for their efforts throughout the day. Special thanks to Valerie LaManna, Stefanie DeVizio, Pre-School Supervisor and Nurse Lori Kowalski, and everyone associated with the Clark Pre-School for welcoming us and allowing us to be a part of a fabulous day.

UNICO TEACHES PRE-SCHOOLERS HOW TO MAKE PIZZA

Clark Unico celebrated “Community Service Month” by instructing 60 pre-schoolers how to make a pizza pie at the Recreation Center. Clark Unicans Moreno Rimmaudo and Al Pezzella were kind enough to volunteer their free time to teach the children about the most popular Italian food, pizza. After Moreno assembled the pie with sauce and cheese and Al threw the dough up in the air, the pizza was cooked and served to each student and teacher. It was a wonderful event for the children, teachers, and members of UNICO as well, who came to the event to take photos, set up, and clean up. Next stop is Zion Lutheran Pre-school.

MEADE NAMED TO ALL-STATE CHORUS

Last weekend, six vocalists from Mount Saint Mary Academy in Watchung participated in the All-State Chorus, most competitive singing contest in New Jersey, according to Marion Drew, Director of Choral Activities and Theater Classes.

"They competed against over 1,000 singers, and two of our students were accepted into this very elite ensemble, which only accepts 400 singers," she said. Sydney Nigro of Westfield and Catharine Meade of Clark, both sophomores, will

sing in Atlantic City in November and at NJPAC in Newark after many rehearsals in preparation for the concerts over the next several months. "I am so very proud of Catharine and Sydney, and the four other girls who tried out for this highly competitive group. It takes courage to do this and a willingness to give so much of your talents, which they have in abundance, and their time, which is very limited. They are going to have an amazing experience, which they really deserve," said Mrs. Drew.

“NEPAL-MY HOME AT THE TOP OF THE WORLD” A PHOTOGRAPHIC EXHIBIT

The Skulski Art Gallery of the Polish Cultural Foundation in Clark, NJ is proud to present a photographic exhibit by Polish artist Sylwia Neupane from May 6 – 31. The public is welcome for the opening reception scheduled for Friday, May 6, 8:00-10:00 p.m. Admission is free and refreshments will be served.

Sylwia Neupane went to Nepal in 2003 with the intention of touching the foothills of the Himalayan Mountains and Buddhist monasteries situated on the mountain tops. Although she did not find the perfect place of Shangri-La, Nepal became her home.

“When I was a child, I use to sit with my father over the geographical atlas of the World and looked at the Himalayas region and remember thinking that one day I will end up going there...”, says Sylwia.

She was always interested in Buddhism and tradition of Nepal and Tibet. While living in Nepal she began to study the teachings of Buddha, as well as Natural Medicine.

Unfortunately, in April 2013 Nepal was hit by very strong earth quakes. “Within one minute, most of us became homeless, without a roof over our heads. Finding shelter away from the slopes, precipice, mountains became a challenge for everyday life”, says Sylwia.

Photography is a great passion for Sylwia. This exhibition is a tribute to people of all Nepal, especially those living in villages in the remote areas of the Himalayas, for their strength,

courage, dedication and determination to find joy by just being. Sylwia Neupane captured the moments and feelings of people in time of tragedy, who despite all kept their values, dignity and compassion, always willing to help others.

The Polish Cultural Foundation, a non-profit organization is located at 177 Broadway, Clark, NJ, is just off of exit 135 from the GSP. For more information please contact PCF office at 732-382-7197, or visit our website: www.pcfnj.org

Book Club for Adults

Monday, May 16 at 7:00 p.m.

Join us for the next meeting of our adult book club. We will be discussing "The Samurai's Garden" by Gail Tsukiyama. A 20-year-old Chinese painter named Stephen is sent to his family's summer home in a Japanese coastal village to recover from a bout with tuberculosis. Here he is cared for by Matsu, a reticent housekeeper and a master gardener. Over the course of a remarkable year, Stephen learns Matsu's secret and gains not only physical strength, but also profound spiritual insight. Please speak with a librarian for information on obtaining a copy of the book.

Creative Times

Friday, May 27 at 10:30 a.m.

Day off from school? Stop by the library and express your creative self. Art materials, LEGO® bricks and other material will be available for you to create what you like! Drop by anytime between 10:30 and 11:30 a.m. Program will conclude at noon.

No registration is required.

History of the Jersey Shore

Monday, June 6 at 7:00 pm.

Have you ever wondered why there is an elephant-shaped building on the beach in Margate? A concrete ship stuck in the sand off Cape May Point? A town named Loveladies? Join author and photographer Kevin Woyce for a colorful tour of our coastal history, from the long-ago days of pirates, shipwrecks, and lighthouses to the founding of today's most popular summer resorts.

A question and answer period will follow the presentation.

Free Movies

Monday and Wednesday at 1:00 p.m.

Newly released DVDs are featured each Tuesday evening at 6:30 p.m. No registration is required for movies.
