TRAVELING SENIOR SHOW VISITS CLARK

By Edir Coronado

Cranford Senior Housing visited the Clark seniors for their annual performance "Strike Up The Band." For 20 years this group has traveled across Union County to entertain crowds at different Senior centers.

This annual event marks the end of the year for the Clark senior meetings until September. All seniors were treated to a free boxed lunch from the Honey Baked Ham Co. while enjoying the performances. This tradition has been taking place for years.

"The Show was originally called Show Boat," described Joe Yorey, who was one of the originators and the only member of the cast who has been with the show since its conception.

These showbiz veterans have orchestrated 10 shows in the months of May and June, 8 on the road, with their last two at Cranford Senior Housing. The group performs comedy routines, musical numbers, and skits to entertain their audience. These entertainers receive as much joy as they produce for their spectators. Sixteen-year performer Gladys McFadden confesses "I'm a ham and love the show, I love getting up performing." "It really shows what seniors can still do," added Wilma Felderman.

This is especially true for Shannon Costello, who was recruited last year to join the traveling show and couldn't resist the urge to showcase her

talents again this year. "I love to sing" exclaimed Costello, she performs with another group and jumped at the opportunity for more stage time.

This nomadic group of artists are assisted by Activities Director Sharon Malkousko, the show's producer; Cindy Rabinowitz, the director and prompter; and John Decotiis, pianist. Malkousko described that "there are auditions held, but anyone who auditions, is on the show."

The number of participants never dwindle "once they do the show they are hooked" explains Malkousko. This has to do with the uniqueness of the show, Malkousko adds that in her 17 years with show, she has never heard of another performance like the one displayed by the Cranford Senior Housing.

Year after year this collection of stars put on an incredible display, as time passes "people change, but the show stays the same" explains Yorey "and that's due to hard work."

OVER 200 PARTICIPANTS FOUGHT TO END CANCER AT THE ANNUAL RELAY FOR LIFE OF CLARK ON JUNE 4, 2016

Twenty-nine teams and over 200 people participated in the American Cancer Society Relay For Life of Clark "Give Cancer the Boot" event on June 4, 2016 at Arthur L. Johnson High School.

The event raised over \$50,000 to help the American Cancer Society save lives through groundbreaking cancer research, education and risk reduction efforts, and free information and critical services for people with cancer who need them.

"It was inspirational to see people from all parts of our community past and present come out to support us and make an impact in the fight to end cancer," said Cindy Kraus, event leader volunteer. "Together, we celebrated those surviving cancer, remembered loved ones lost, and took tangible action to make a difference."

The following teams and individuals were recognized for their extraordinary efforts:

- Team Edwin John Rodriguez raised over \$11,000
- Team Amici e Cugini raised over \$10,000
- Team ShopRite Stomps on Cancer raised over \$6,000
- Carolanne Romeo, team captain of ShopRite Stomps on Cancer, raised over \$5,000
- Cindy Kraus, team captain of Amici e Cugini, raised over \$5000
- Mike Conte, team captain of Union Catholic SMAC, raised over \$3000

The Relay For Life movement unites communities across the globe to celebrate people who have battled cancer, remember loved ones

lost, and take action to finish the fight once and for all. Relay For Life events are community gatherings where teams and individuals camp out at a school, park, or fairground and take turns walking or running around a track or path. Teams raise funds in the months leading up to the event. Relay For Life is the world's largest fundraising event to fight every cancer in every community, with four million participants in 6,000 events worldwide in 2015.

Donations can still be made by visiting relayforlife.org or www.relayforlife.org/clarknj.

About the American Cancer Society

The American Cancer Society is a global grassroots force of 2.5 million volunteers saving lives and fighting for every birthday threatened by every cancer in every community. As the largest voluntary health organization, the Society's efforts have contributed to a 22 percent decline in cancer death rates in the U.S. since 1991, and a 50 percent drop in smoking rates. Thanks in part to our progress; 14.5 million Americans who have had cancer and countless more who have avoided it will celebrate more birthdays this year. We're determined to finish the fight against cancer. We're finding cures as the nation's largest private, not-for-profit investor in cancer research, ensuring people facing cancer have the help they need and continuing the fight for access to quality health care, lifesaving screenings, clean air, and more. For more information, to get help, or to join the fight, call us anytime, day or night, at 1-800-227-2345 or visit cancer.org.

THE ARTHUR L. JOHNSON GYMNASTIC TEAM

The Arthur L. Johnson Gymnastic Team visited Clark Preschool for a brief presentation in the gymnasium. During the fall 2015 season, the Gymnastic Team had an outstanding year finishing 4th in the Union County Tournament and as a team qualified for the State Sectionals. Individually, Gina Ferdinandi qualified for the State Sectionals in all four events and in the All-Around Event.

The team's presentation coincided with the Phys. Ed. unit this month, "Introduction to Gymnastics." Throughout the month, Ashley Tenpenny, the PE teacher, incorporated warm-up, stretching, tumbling, jumping, and balance to strengthen legs improve cardiovascular endurance and balance. Children benefit from an active lifestyle and participating in sports. Taking part in any exercise activities significantly reduces the risk of obesity, heart disease and diabetes in adulthood. Organized sports provide a chance for children to increase their activity and develop socially and physically. Gymnastics is one of the most comprehensive lifestyle programs available to children incorporating strength, flexibility, speed, balance, coordination,

power and discipline. Participation in gymnastics helps children become physically active and stay fit and healthy.

The ALJ gymnastic team and Head Coach Brianna Ferdinandi, demonstrated gymnastic movements on the mats, including; hand stand walk, cartwheels, front walk overs, round offs,

round off backhand spring back tucks, and back walkovers. The children were intrigued with the gymnast movements and applauded their performance.

Special thanks to Brianna Ferdinandi and Ashley Tenpenny who organized, set and cleaned up the special event.

5TH GRADE GIFTED & TALENTED STUDENTS FROM CLARK SCHOOLS PRESENT THEIR WINNING CASE AT THE 2016 LAW FAIR

The students from the 5th Grade Gifted & Talented Program presented their winning mock trial case, "The Case of the Injured Basketball Star" at the New Jersey State Bar Foundation's Law Fair in New Brunswick held in May. Prior to the presentation, the students were invited to prepare in the boardroom. Once court was in session, Attorney Deborah Factor, Esq. was introduced and presided over the trial. The students wrote a script and acted out the roles of the lawyers, plaintiff, defendant, and the witnesses. A bailiff swore in each of the four

witnesses. An audience of children and teachers from Valley Road School in Clark, NJ and another elementary school from Monroe Township served as jury members. After the presentation of the case, the audience broke up into groups. The judge then asked each group to select a "foreperson" to deliver and explain their group's verdict. After a brief question and answer portion between the judge and the jury, the 5th Graders and their teacher, Mrs. Tarello were presented with a plaque for the school and personalized certificates for each student.

heart is where the home IS...

Saying goodbye to the place where you've lived and created memories can be very stressful. My own relocation to New Jersey has helped me to personally relate to my clients, and become the agent I am today. I can assist in relieving a lot of the anxiety that most homeowners and buyers experience.

CANCER FOUNDATION CELEBRATES 33 YEARS

The Emmanuel Cancer Foundation Headquarters and Central Region recently relocated to 67 Walnut Avenue in Clark.

The Emmanuel Cancer Foundation (ECF) was founded in New Jersey 33 years ago to honor seven year-old Emmanuel Vizzoni who lost his battle with Burkett's lymphoma. During his illness, Emmanuel's parents, Susan and Joseph Vizzoni, experienced the enormous emotional and financial hardships that families endure when a child is diagnosed with cancer. In 1983, two years after Emmanuel's death, the Vizzoni family established ECF to assist other families experiencing the trauma of childhood cancer.

Now based in Clark, ECF's mission is to provide a variety of specialized services at no charge to any New Jersey family facing the challenges of caring for a child with cancer. This is accomplished through: professional in-home counseling; advocacy on behalf of the families; material support such as food, clothing, toys, and household items; and emergency financial relief.

ECF has provided free assistance to nearly 2,000 families in need since its grassroots inception to its statewide reach today. Services begin where hospitals leave off-- at home--where families find themselves isolated and missing the supportive network found in a medical setting. To refer a family in need, simply call ECF's Headquarters Office at (908) 322-4323, ext. 16.

ECF is able to provide its unique services for free thanks to contributions from the community and countless volunteers. Opportunities to help are endless; please visit ECF's website at www.emmanuelcancer.org, or call (908) 322-4323 to learn more. Example volunteer opportunities are:

- deliver groceries and gifts to families' homes
- organize a food drive
- organize a gift card drive
- organize a fundraising event, big or small

Like us on Facebook at facebook.com/EmmanuelCancerFoundation and see first hand all the special things going on.

Who are these Heroes and Cool Kids???? The Heroes and Cool Kids program originated in 1998 in three school districts throughout New Jersey. Within a few years the number grew from three schools to fifty-six schools now participating. The objective of the program is to allow the ALJ High School student athletes to mentor the sixth grade Kumpf students on important life skills such as sportsmanship, conflict resolution, and positive lifestyle choices, highlighting drug, alcohol and tobacco prevention. Clark high school "heroes" attend a conference three times within the school year in which they are trained by professional athletes on the different techniques they can use to show that drinking and drugs are not the cool thing to do. They give them many different options they can participate in as well as refusal skills and the confidence they need to "Just Say NO." Our heroes are igniting strength and wisdom in our sixth graders so that they can themselves become teachers, leaders, or whatever they dream to be.

C.A.L.C. VISITS FIRST CHILDREN'S SCHOOL

Members of the Crusader Athletic Leadership Council participated in a visit to the First Children's School, located in Fanwood, New Jersey in June.

The First Children's School in Fanwood is a stepping off point for children who need highly specialized educational services for some period of time in their lives. First Children's services extend into the home districts of students with special needs where they are invited to work with faculty and administration to assure that children with special needs get cutting-edge services in their home schools.

The dedicated staffs, including teachers, aides, and therapists, are prepared to deliver their services in the schools and homes of the children they serve. First Children partners with districts and other providers like Children's Specialized

Hospital and Eden Autism Services to make sure that the children receive the very best services possible.

C.A.L.C. members went into various classrooms and participated in a multitude of activities relating to the school's curriculum. Athletic Director Gus Kalikas had this to say about the event: "The C.A.L.C. was thrilled to be able to assist with the daily routines of the First Children's School. It was fun watching the High School Student Athletes as they interacted with the children, and I think both groups not only enjoyed the experience, but learned a lot while doing it."

The C.A.L.C. would like to thank everyone associated with the First Children's School for welcoming us and allowing us to be a part of a fabulous day.

STUDENTS JUMP FROM THE HEART

Recently students in the Frank K. Hehnly School participated in the American Heart Association's Jump Rope for Heart Campaign. During physical education classes, the students learned how their heart worked and how to care for their heart through healthy exercise and proper nutrition. The students then joined together and raised over \$5,000 for the American Heart Association (AHA), with Paul DeGregorio, a first grade student, raising the most money.

"This year marks the tenth year that Hehnly School has been participating in this very special community service program," explained Donna Kircher, School Nurse and one of the program's organizers. "Hehnly students joined millions of other students around the country to raise funds for the American Heart Association to increase research and the advancement of various treatments."

In addition, the AHA awarded Hehnly School's physical education department with \$300 in gift cards to be used for the purchase of equipment to help students maintain a healthy heart through physical activity.

"This is one of the most successful fundraisers that our school holds each year," added Mrs. Kircher. "It's a great way to allow children to get involved in raising money for a wonderful organization, while at the same time working on keeping fit."

(above) Hehnly School's first grader, Paul DeGregorio, was the top fundraiser for the Jump Rope for Heart Campaign.

GIRL SCOUTS BEAUTIFY RECREATION CENTER

Clark Girl Scouts performed their service project/community service by beautifying the Clark Recreation Center. The girls purchased plant holders and decorated them with quotes and their names and filled them with beautiful

flowers. The flowers were placed at the two entrances of the Recreation Center. Clark Recreation Director Ralph Bernardo praised the work of the girls and thanked them for all their volunteer work.

(above, standing, l-r) Standing: Jenna Grandal, Grace Warnick, Amaya Perez, Gina Galiszewski. (sitting, l-r) Braelyn Prusakowski, Lisa Karnaugh, Krista Steiner, Juliana Trescott, Madelynn Brazaitis, Julia Bowen, Livia Cantor.

MORNING OF BEAUTY

Clark Recreation seniors enjoyed a “Morning of Beauty” as L’Oréal make up specialists visited the Senior Center on Friday June 10th. For three hours L’Oréal staff from the corporate headquarters in Clark, treated the Clark seniors to a full facial makeup and/or manicure. Each senior left with a goody bag filled with samples and make up products. L’Oréal has been treating the seniors for a few years now. Everyone enjoyed the attention and outcome.
