## CLARK AMERICAN LEGION AUXILIARY WORKS FOR VETERANS

September is the start of Clark Post 328 American Legion Auxiliary year of activities. New members are always welcome to join. We need volunteers to help in our many activities to support our veterans here in Clark or at our nearby Veterans facilities. Our meetings are held on the first Wednesday of every month at the American Legion Post 328 Hall at 78 Westfield Avenue, Clark. This year's first meeting is September 7th at 7 p.m.

Our first fundraiser this year is a yard sale to be held September 24th at the American Legion Post on Westfield Avenue, Clark.

The American Legion Auxiliary is a service organization to support The American Legion and to honor the sacrifice of those who serve by enhancing the lives of our veterans, military and their families both home and abroad. The American Legion Auxiliary Clark Post 328 actively works to advocate for our veterans, educate our citizens, mentor youth,

and promote patriotism, good citizenship, peace and security.

Our main fundraiser is the annual Poppy Drive. Every May members go to local businesses and shops to offer poppies to all citizens to memorialize those veterans who gave their lives in service of our country. Surely you have seen our red poppies being handed out at supermarkets, bakeries and shops.

One of the activities the Post Auxiliary supports is Girls State, sending two local high school girls to the annual convention. Our volunteers also visit elderly veterans who live in the Menlo Park Veterans Memorial Home and female veterans at Lyons Veterans Hospital for a fun evening of arts, crafts, pizza and laughs. In past years we have also made hand-sewn quilts that were raffled off to raise funds for local veteran causes. The Auxiliary also holds a Pancake Breakfast and a Pasta Night during the year. Our activities culminate in June with a festive buffet for our members. Become a member and help our veterans.

## A MESSAGE FROM CLARK SUPERINTENDENT OF SCHOOLS

Dear Members of the Clark Community,

The most remarkable aspect of being an educator is that each September we get to start anew, building on the strengths of the past but making the necessary adjustments to become even stronger as we move ahead. I am beyond excited for the impending opening of our new school year. I would be remiss if I did not thank our twelve-month and ten-month/two-week administrators and support staff for all of their diligent work this summer. Their efforts are a central reason why we will be ready for an outstanding beginning. Our maintenance team led by Mr. John Pingor is deserving of a special acknowledgement for their preparation of our buildings and grounds. They were engaged in a number of projects this summer that will provide our students and staff with enhanced facilities for years to come. The importance of this physical upkeep of our schools should never be devalued.

Schools will reopen for students on Tuesday, September 6. This first day of school is always a most special one and one that we, as a school district, are excited for. Getting to see a large number of our parents and guardians at our various Back-to-School Nights will be equally rewarding. ALJ's is scheduled for Monday, September 19, CHK's for Thursday, September 22, CPA's for Monday, September 26, VRS's for Tuesday, September 27, and FKH's for Wednesday, September 28. Please know that we, as an administrative team, have an open door policy and are here to address any concerns that you may have. It is our sincere hope to continue to "inspire greatness" through the work that we do.

Respectfully yours,  
*Edward Grande*  
Superintendent of Schools

## JASON'S FRIENDS FOUNDATION INC. 6TH ANNUAL CAR SHOW & MOTORCYCLE RUN

Jason's friends Foundation Inc. began seven years ago when little Jason Condit, a local boy, was diagnosed with stage 4 Neuroblastoma. Founder and Chairman, George Sangiuliano was determined to help. He gathered a group of men and women, all volunteers, and made it their mission to raise as much money as they could to help Jason and other children with cancer.

Since its inception the foundation has helped numerous families with children suffering from pediatric cancer by offsetting the burden of their bills and expenses by raising money through various events and fundraisers throughout the year.

Each year that passes, our main event continues to grow. We have spent countless hours trying to make this event our best yet in honor of our namesake, Jason. At the young age of 10 years old, Jason left this world on April 18th 2014, after three years of battling cancer. He touched the lives of all of us and will be deeply missed. Although his body has left us, his spirit will forever be with each one of us and he will live on through the efforts of this foundation.

This year's event will be held on September 25, 2016 from 9 am to 4 pm at Oak Ridge Park in Clark, NJ. It will consist of a car show with 200 cars exhibiting various makes and models, both new and old, as well as a 50-mile scenic motorcycle run through the hills of New Jersey. Live entertainment will be provided by DJ Hot Rod Mike who will MC and provide the guest with music throughout the day. Our Tricky Tray

table will be packed with items, so be sure to stop and take a look. In addition to the Tricky Tray, we will be raffling off 2 flat screen HDTVs. Raffle tickets are \$10 each. Please note-100% of the proceeds go directly to Jason's friends Foundation, a 501(c)(3) nonprofit organization built on donations, sponsorships and volunteer work. We are always looking for volunteers and donations are welcome and greatly appreciated.

Those inspired to help the foundation or make a donation can do so by visiting our website, [www.jasonsfriendsfoundation.org](http://www.jasonsfriendsfoundation.org), or by contacting the foundation through our main number 732-396-0606. Contributions are tax-deductible to the fullest extent permitted by law. For those interested in donating by check please make them payable to, and kindly mail: Jason's Friends Foundation, Inc., 138 Westfield Ave., Clark, NJ 07066.

We encourage any parent or guardian of a child with pediatric cancer to apply for a grant. Grant applications can be downloaded from our website under the "Grants" tab.

To request an application by mail please call 732-396-0606 or email [info@jasonsfriendsfoundation.org](mailto:info@jasonsfriendsfoundation.org).

To learn more about Jason's friends Foundation Inc., please visit our website at [www.jasonsfriendsfoundation.org](http://www.jasonsfriendsfoundation.org). If you know someone who is battling pediatric cancer please call 732-396-0606. Be assured, help is on the way.

### Back to School Breakfast Nutrition

By: Christina Frescki, MBA, RD • ShopRite of Clark

School is back in session so that means a change from lazy summer days to a jam packed fall. You have heard it a million times, "Breakfast is the most important meal of the day," however, trying to get kids out the door on time for school can mean skimping on the morning nutrition.

According to the Academy of Nutrition and Dietetics, kids who eat breakfast also are less likely to be overweight and more likely to have an overall healthier diet; a fact that holds true for adults too!

Here are some grab-and-go breakfast ideas you can serve up for the morning rush:

- Whole grain cereal with sliced banana and berries served with fat free milk
- Fruited yogurt parfait: Mix plain or vanilla Greek yogurt with chopped nuts and fruit
- Peanut butter and sliced apples on whole-wheat toast
- Sliced turkey breast and low fat cheese on a toasted whole grain English muffin
- Breakfast wrap: Spread peanut butter on a whole wheat tortilla and top with chopped peanuts, raisins and a sliced banana
- Whole-grain mini bagel with 2 tablespoons peanut butter and sliced banana
- Whole-grain granola bar, fresh fruit (like an apple or banana), and a container of milk

If you have a little more time in the morning, try one of these minimal prep breakfast ideas:

- Combine two eggs in a microwavable safe bowl. Add 1 tablespoon of milk. Microwave for 30 seconds, then transfer onto a 100% whole-wheat English muffin. Top with shredded low-fat cheese and sliced tomato.
- Fill a whole-wheat pita with low-fat cottage cheese. Add in fresh fruit like pineapple or peaches and then drizzle with a small amount of honey.
- Add hot water to a plain instant oatmeal packet. Mix in raisins, slivered almonds, and cinnamon applesauce for sweetness. For an extra calcium boost, use milk instead of water.
- Smoothie: In a blender, combine frozen fruit, low-fat yogurt, and milk. Blend and enjoy!

To save time in the morning, plan out breakfast the night before. You can even pull out some of the ingredients so you have one less thing to do when you wake up!

## BACK-TO-SCHOOL TIME FOR FOSTER KIDS, TOO CLARK RESIDENTS NEEDED TO SERVE AS ADVOCATES

Just as the kids head back to school, you may find yourself with more free time — and thrilled at the possibilities! How about changing the life of an area foster child? Train in Westfield later this month with like-minded locals and enjoy a light dinner, guest speakers and a team of trainers that equip you with all the tools needed to become a successful Court Appointed Special Advocate (CASA) volunteer. While many Clark students happily settle into school routines, buoyed by active parents readying for Back to School Night, there are foster youth without that support system who face educational challenges. Your commitment to their success helps ensure access to an education that meets their specialized needs:

Five-year-old Samantha is severely autistic and almost completely nonverbal. Due to excessive violence in the family home, a concerned neighbor called for help and, after investigation, Samantha was removed from her parents' care and placed in foster care. Although primarily nonverbal, the two phrases Samantha does say graphically depict the violence she

witnessed at home and confirm the trauma she endured. Since entering care, it has become clear Samantha also is a victim of educational neglect. At age three, Samantha was entitled to an Individualized Education Plan from the Department of Education to ensure continued in-home speech and behavioral services to move her toward enrollment in a half-day educational program. Unfortunately, Samantha's parents neglected to utilize these services and she is now two years behind others her age! A CASA volunteer can advocate for Samantha's educational rights and needed services, among other things, and make recommendations to the family court judge that will ensure her best interests remain prioritized.

CASA of Union County is seeking Clark residents to be the voice for one of the nearly 600 Union County youth, ages 0-21, in foster care through no fault of their own, as there are currently only enough volunteers to serve one-third of those youth. Trained CASA volunteers are sworn in by a judge and empowered to speak to foster parents, teachers, doctors, lawyers,

tutors, therapists and more. They visit the youth regularly, incorporate findings into court reports and attend court hearings quarterly, working to ensure best interests are considered and a safe and permanent home is secured as quickly as possible. .

Fall training kicks off Tuesday, Sept. 27, 2016 and includes 10 sessions over several weeks. A swearing-in at the Union County Courthouse by a family court judge and luncheon follows. Training is 6 to 9 p.m. at the County Clerk Building, 300 North Avenue East in Westfield, across from the diner. A light dinner is provided.

Attend an information session to learn more: Evening sessions are Tuesday, Sept. 6 and Wednesday, Sept. 21 at the County Clerk Building in Westfield; morning sessions are 10 a.m.

Sept. 9 and Sept. 23 at CASA's offices, 1143-45 East Jersey Street in Elizabeth.

Clark residents are encouraged to contact Lisa at (908) 527-7048

or [lporis@casaoioncounty.org](mailto:lporis@casaoioncounty.org) for details or to RSVP for an information session.

### 11 CRITICAL HOME INSPECTION TRAPS TO BE AWARE OF WEEKS BEFORE LISTING YOUR HOME FOR SALE

Clark NJ - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn prospective buyers away altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help homesellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To order a FREE Special Report, visit [www.njhomeinspectiontraps.com](http://www.njhomeinspectiontraps.com) or to hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 3001. You can call any time, 24 hours a day, 7 days a week.

Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

### MIRACLES FOR MYELOMA 5K RUN IN OAK RIDGE

The Annual Miracles for Myeloma 5K Run/Walk in Clark will be held this year on Saturday, September 24, 2016. One of the organizers explains what keeps hundreds of participants coming back to help raise money for a little known disease. "It's her strength and fortitude that inspire so many of us," Ron Pask said of his wife Sheree Pask who is in remission of multiple myeloma, a rare form of cancer.

The husband and wife duo from Clark, with friend Gina Klemm of Westfield, have been the originators and driving force behind the event that is having its fourth anniversary. Ms. Klemm's brother, Frank Guardino, succumbed from myeloma five years ago.

The race begins at 9:30 a.m. at Oak Ridge Park in Clark with check-in beginning at 8 a.m. In the last three years, the event has raised over \$275,000 in the pursuit of the cure for the disease.

Registration and additional information for the event are available at [miracles4mm@comcast.net](mailto:miracles4mm@comcast.net).

The USTAF certified race is held at the park that has wheelchair friendly tree-lined paths. Post-race refreshments, giveaways and acknowledgements will follow. "There are a number of ways to get involved," says Mr. Pask, "even if you aren't able to participate through walking or running."

A balloon-lined Remembrance Path features signs that can be purchased for \$25 each in honor or in memory of someone. Businesses may purchase ad space placed at the water stations, mile markers or start or finish lines where their logos will be displayed prominently. Additionally, donations of any amount may be given online through the website. For additional information about registration fees or the event in general, call at 732-574-9182.

As in years past, the Arthur L. Johnson High School Key Club, under the direction of Clark Kiwanis member and Key Club adviser Ellen Zamboni will be on hand to face paint, pass out water and assist with the setup of the Remembrance Path.

Card holders have free access to a family destination that provides a spectrum of free services, including digital workshops for all-ages; STEAM programs/activities; family storytimes; and game nights. "Our library provides access and programs for students of all ages," says Dawn Jenkin, Library Director. "For preschool age children we offer early literacy storytimes to encourage school readiness, for older children and teens we supplement education with hands-on science, technology, engineering, arts and math (STEAM) programs, and for older teens we have information and tools to help prepare for college."

## 2016 NATIONAL NIGHT OUT RECAP

This year's National Night Out was held on Tuesday August 2nd. The Clark Police provided soda, water, hot dogs and Italian ice (Rita's), and trinkets for the kids.

The Fire Deptment, Rescue Squad, Emergency Management as well as several other agencies were on hand to speak with residents about safeguarding their homes and just as a general get together with everyone for the summer. The entire night was informative and enjoyable.

National Night Out was first held in 1983; 33 years later the event has been carrying on strong. Celebrated in all 50 states, Canada, and military bases around the world, this event shines a light on the determination by law enforcement and the community to work in a cohesive manner to help keep their neighborhoods safe. The job of police officers often entails more than just catching criminals and with such a difficult profession, having the community by your side relieves stress from the arduous profession.

## PASTOR GREWE INSTALLED AS NEW MINISTER AT ZION LUTHERAN CHURCH IN CLARK

Pastor Nathan Grewe was installed as the new minister at Zion Lutheran Church of Clark on Saturday, August 6, 2016.

Pastor Grewe grew up in Quincy, Illinois, and graduated from Concordia Theological Seminary, Ft. Wayne, Indiana, in 2011. He served his vicarage at Trinity Lutheran Church in Janesville, Minnesota, and was ordained in June 2011. Since his ordination he has served as Pastor of Immanuel Lutheran Church in Conway, Missouri and has saw his congregation grow in size from a mission church to one of approximately 100 members. Pastor Grewe not only ministered to his own congregation, but led local mission teams in the Conway area and helped with tornado relief after the devastation in Joplin, Missouri. As a big Chicago Cubs fan, he has also enjoyed coaching children's sports teams in the past.

Pastor Grewe and his wife, Melinda, were high school sweethearts and were married in 2005. They are the proud parents of 4 beautiful children and are now living in Clark. With both a father and grandfather involved in Lutheran education, Pastor Grewe hopes to be active in the local schools and in the community.

# WHEN IT COMES TO PREVENTING SUICIDE, YOU MATTER!

September is Suicide Prevention Month. It's a time when organizations, communities and individuals throughout the nation will bring attention to how each of us can be a part of the solution to end suicide. Can you imagine feeling so hopeless that you'd consider taking your own life? For some what feels unthinkable is optional, and the experience often goes unnoticed and unaddressed. The unfortunate reality is that suicide is the 10th leading cause of death in America; occurs every 12.3 minutes; and, takes the life of approximately 117 individuals on any given day. Those who complete suicide most often suffered in silence and were desperate to end their emotional pain. Experts believe that people don't really want to die, but in a moment choose a permanent solution to solve a temporary problem that felt overwhelming. However, suicide can be prevented and help is available. Therefore, our challenge as a society, neighborhood, family member, friend or concerned individual is to be educated about suicide prevention, and prepared to take action in the event that we find ourselves in the difficult position to assist someone in distress.

It's important to know that we should always take a person serious whenever they suggest they no longer want to live. Also, we must understand that age, ethnicity, gender or economic status does not protect a person from experiencing suicidal thoughts or behaviors. It is always right to tell somebody who can partner with you to keep the person safe whether that be a parent, spouse/partner, adult sibling, teacher, doctor or police officer to name a few. Finally, in a crisis immediately call 911 or the National Suicide Hotline at 1-800-273-TALK (8255).

There are many opportunities to learn more and equip ourselves with helpful information. A few resources to assist us in our efforts to obtain important knowledge includes: 1) New Jersey Hopeline at 1-855-654-6735 or www.njhopeline.com - includes a live chat option; and, 2) National Suicide Prevention Lifeline (www.suicidepreventionlifeline.org). The list is not exhaustive nor intended to exclude a host of organizations that are invaluable in the effort to prevent suicide. It's simply a beginning step that each of us can take. Suicide prevention is everyone's business. So, speak up, speak out,

and speak often because you matter!

**SEEKING YOUTH TO VOLUNTEER FOR IMAGINE, A CENTER FOR COPING WITH LOSS** CLARK MONTHLY • Page 21 • September 2016

Imagine, A Center for Coping with Loss, a free grief support center for children and adults coping with loss due to death, is recruiting youth volunteers for its Fall 2016 class of Volunteer Youth Facilitators and for the Imagine Youth Advisory Council (iYAC.) Youth Facilitators provide support to children ages 3 to 12 who have experienced the death of a parent, sibling, or caregiver while iYAC provides advice, outreach and event support.

Caroline Sullivan, 17, of Cranford, has served as a youth facilitator in one of Imagine's children's groups for a year after attending a one day, seven hour training. Propelled by her experience as a bereaved child who received support, Caroline is now dedicated to helping other children while they grieve.

The experience thus far has been life-changing. Caroline stated, "Volunteering for this program has given me the opportunity to provide for others the same support and acceptance that was once provided for me. Imagine breaks down the walls that separate us in the rest of our lives and provides a unique space for coping with loss."

Volunteers come from all walks of life and need no special background other than a willingness to listen, a heart inclined to serve, and the ability to be with children and adults in

pain without trying to fix, solve or give advice. No prior experience is necessary. Volunteers must be at least 14 years old. Volunteers serve as companions and loving listeners for those who are grieving.

Imagine is a free year-round peer grief support center located in Westfield, New Jersey and serving all of Union County and beyond. Imagine serves children age 3-18 who have had a parent or sibling die, with concurrent support groups for their parents or guardians. Support for children and teens living with a parent or sibling with a life-altering physical illness is also available through Imagine's Coping with Illness program. Free year-round support groups are also available for adults 18 and up who have had a friend, sibling, parent or other important person in their life die, or who have a parent, sibling or friend living with an illness.

If you are interested in learning more about the upcoming training scheduled for September 10, 11:30 a.m. – 6:30 p.m., or about Imagine, please contact Connie Palmer, LCSW, Imagine's Clinical Training Director at [connie@imagineinj.org](mailto:connie@imagineinj.org) or 908-264-3100.

For information about iYAC contact Program Director Mandi Zucker at [mandi@imagineinj.org](mailto:mandi@imagineinj.org) or 908-264-3100 or visit [www.imagineinj.org](http://www.imagineinj.org).
