FUND RAISER TO BE HELD FOR JACK SHEEHY ON SEPT 30TH

Submitted by: The Jack Sheehy Fund

Jack Sheehy passed away on August 8th, 2016. He was born in Ft. Campbell, Ky., moved to Linden as a child, and graduated from Linden High School in 1976. Jack, along with his brother and father owned Sheehy's Reliable Tire Service on St. Georges Avenue for 40 years, Jack retired in 2014. He was a fair man – sometimes maybe too fair – often undercharging for the work he did. Jack was the beloved husband of 30 years to Linda Hesse Sheehy. They had 4 children, Jaclyn, Katelyn, Dayna and John.

On Jack's memorial page his children shared in part "Just be yourself," an infamous Jack Sheehy one liner that he slipped in any change he could. Three simple words filled with honesty, compassion, pride, courage and of course "Jack," my dad, our dad – the man, the myth, the legend."

Jack loved Linden and wanted to give back to his community, so he ran for 7th ward councilman in 2008 and won. He served the residents of that ward selflessly for two terms until 2013. Jack was also a member of the Linden Loyal Order of Moose Club and many other organizations.

Sadly, Jack had some significant setbacks in his life. His home, which he worked very hard for, incurred heavy damage during Superstorm Sandy in 2012 and his health declined further. Besides having to endure dialysis every other day, Jack developed substantial issues with blood circulation due to kidney disease. After several operations to save his left leg the doctors amputated it below the knee. However, his problems did not end there. While recovering, he took a fall that caused the healing incision on his amputated leg to split open requiring his devoted wife to leave her job so she could be a fulltime caregiver. It took some time before his left leg began to heal properly, but then tragedy struck again. He began having the same type of issues with his right leg. Unfortunately, he lost that leg as well. Again he faced a slow, hard recovery and was in the initial stages of being measured for his prostheses when his difficult journey ended on August 8th with his passing. Jack is at peace now. His suffering has ended.

So you can easily see that his family needs your help. Jack never let the city of Linden, or his automotive repair shop customers down, and we can't let them down. That is why we are asking for your help.

Please donate to the Jack Sheehy Fund at 617 Princeton Rd, Linden, NJ 07036, or on line at go fund me www.gofundme.com "JACK SHEEHY FUND". Also attend the fundraising pasta dinner to be held on September 30th at the JTG Center located at 330 Helen Street, Linden. There are two seatings: first 5:00 PM to 6:30 PM; or second 6:30PM to 8:00 PM. There will be a 5050 Raffle and Tricky Tray auction. Note there will be additional parking on the 3rd floor of the City Hall Parking Garage.

11 CRITICAL HOME INSPECTION TRAPS TO BE AWARE OF WEEKS BEFORE LISTING YOUR HOME FOR SALE

Linden NJ - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn prospective buyers away altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help homesellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To order a FREE Special Report, visit www.njhomeinspectiontraps.com or to hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 1003. You can call any time, 24 hours a day, 7 days a week.

Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

DONATION TO THE LINDEN FIRE DEPARTMENT

A few months ago Infineum of Linden reached out to The Linden Fire Department with an offer of a \$5,000 donation for fitness equipment for the Linden firehouses. For years Infineum and the Linden Fire Department have worked together to run many public programs, but this time Infineum wanted to make a commitment to help with keeping firefighters fit. It was due to Infineum's initiative and generosity that the City of Linden and Firefighter's Unions FMBA 34 and Fire Officers FMBA 234 also decided also decided to join Infineum and make donations to replace a lot of the old, outdated and unsafe fitness and gym equipment in the firehouses.

Firefighting is one of the most physically taxing and demanding jobs, and therefore firefighters need to keep at top physical shape at all times. Not only do firefighters need to have good strength, but they also need to keep their heart and cardiovascular system in shape. Heart disease and heart attacks are the #1 killer of firefighters, so helping them maintain top physical shape is a key to cutting down the risk of heart disease.

Linden Fire Chief Joseph Dooley spoke of the donations by saying "The Linden Fire

Department is thankful to Linden FMBA unions and the City OF Linden for their commitment in keeping their members health in the forefront. The biggest thank you goes to Infineum for their generous donation. Their commitment to giving back to the community truly got the ball rolling on the overhaul of the firehouse gyms".

Once Infineum and The FMBA's donations were committed, the Linden Fire Department purchased new weight machines and cardio equipment for all 4 houses. The LFD is implementing a workout program to put the equipment to use and keep the firefighters at peak shape.

POLICE CHIEF SCHULHAFER RETIRES

On Wednesday, August 17th, members of the Linden Police Department, friends, and City Hall employees gathered for cake and coffee to bid farewell to outgoing Police Chief James M. Schulhafer. Chief Schulhafer retired September 1st after 39 years of service to the City of Linden. We all wish him a happy and healthy retirement! The family's dedication to the city lives on as his son, James E., is a city police officer, and his son, Kevin, is a city firefighter.

WORDS WITH GOD

The Sunday School children of the Reformed Church of Linden held a "Words with God" fundraiser in May. Players were set up in teams and played for 4 rounds of intense games. The last round Gianna Muschiatti and Kaitlyn Labitan were in a nail biting play off where only 2 points separated the contestants. Gianna Muschiatti was crowned our grand prize winner! There were gift

card prizes and pizza afterwards. A fun time was had by all even the parents and spectators got involved as judges and helping contestants. Spectators and donators were treated to a sandwich lunch during the competition. A heartfelt thank you to everyone who shared their time and talent. So far over \$500 has been raised for this year's vacation bible school.

SCHOOL #4 "FRIENDSHIP" SALAD

(above) Students Jocelyn Nova, Linden Fire Chief Joseph Dooley, and Kyle Gutierrez make a salad together. Jocelyn said "We invited the firefighters to eat a healthy salad with us because they in the beginning of the year they were strangers and they are now our friends."

Kyle told the Chief that firefighters are important because they help, even if they are at recess and they have a disagreement they will still save your life. That is being a good citizen and good character.

(above) Ahja Jackson, Steven Cornejo enjoyed learning about making healthy choices and eating as friends. They were impressed that they are eating what they grew in the garden.

(above) Linden Mayor Derek Armstead, Linden Fire Chief Joseph Dooley, Nicholas Herrera, Aylin Acosta, and Aamira Williams eat their "Friendship Salad" together and discuss the importance of healthy eating habits.

The weather was perfect on June 21st, warm, light breeze and lots of bright sunshine perfect for harvesting a garden with the community. Imagine a student planting a seed in a garden, and just days later seeing a tiny leaf pushing up through the soil. This is what is happening at Linden School No. 4. Students are tending to new plants this Spring and this in return teaches children responsibility and teamwork. This garden is providing an opportunity to bring science, math, social studies, and language arts to life through hands-on gardening.

Linden School No. 4 was awarded a New Jersey Agricultural Society Learning Through Gardening grant. The agricultural society was very impressed with School No. 4 plans for a school garden and their enthusiasm for integrating agriculture into their curriculum. Integrating the garden and garden activities into the classroom lessons will not only enable the

teacher of School No. 4 and the students to use the garden more, but may also enhance students' learning.

The garden is the first place that students want to go when they get to school. Their participation in the garden instills a sense of ownership, pride, and responsibility. On June 21st the students of School No. 4 invited a few of the community members to come and enjoy a "Friendship" salad. The students saw that had an abundant amount of lettuce of all varieties growing and wanted to share their knowledge. The Mayor of Linden Derek Armstead and Linden Fire Chief Joseph Dooley came to help pick lettuce with the students and enjoy a "Friendship" salad. The students enjoyed learning from the community members and they enjoyed learning from the students of School No. 4.

Gardening brings learning alive.

(above) Fire Chief Dooley picks lettuce as Daryl Agyei holds the bowl. Daryl was watching with a cautious eye and reminds the Chief to be gentle and snap off each mature leaf, leaving behind those that aren't ready so they can grow bigger for another day. His classmate Gabriella DeCampos explains to Mayor Armstead that it is important to have a garden because we can keep growing up healthy, and learn where the food comes from. She described how they planted the garden from seedlings, and they watered it. It took a lot of work.

INFINEUM TEAM BUILDING ACTIVITY GIVES BACK TO COMMUNITY

On June 17th, a Bayway teambuilding activity involved giving back to the community at the YWCA of Union County. Activities included painting multiple offices and organizing a donation room. Infineum's U.S. operations and employees have steadily committed their spirit, resources and time to community efforts and charitable causes. This is why partnering up with the YWCA for this teambuilding outing was great choice. Not only does Infineum lend a hand to a

wonderful organization, but also participates in a great team building activity.

YWCA USA has been around for more than 150 years to empower women, stand up for social justice, strengthen communities, and help families all while serving more than two million women, girls, and their families.

15TH ANNUAL AMERICA'S 9-1-1 FOUNDATION MOTORCYCLE RIDE

Members of the Linden Police Department recently gathered at the 15th Annual America's 9-1-1 Foundation Motorcycle Ride when it arrived at Aviation Plaza in Linden on Saturday, August 20th. The ride originated in Shanksville, Pa. (site of American Airlines crash on 9/11), then traveled

through Washington, D.C. and up north to New York City and the Freedom Tower. Over 2,000 motorcyclists, including 200 law enforcement officers and the Linden Police Motorcycle Unit, stopped in Linden and were treated to refreshments by Applebees Restaurant.

MAYOR ARMSTEAD REWARDED THE SOEHL MIDDLE SCHOOL MAYOR'S CUP CHALLENGE WINNERS WITH A SPECIAL BREAKFAST

This past year marked Soehl Middle School's 6th annual Mayor's Cup Challenge. Each year, Soehl invites its students, who are looking to go above and beyond their already rigorous workload, to take part in one or all three of the annual Academic Team Competitions. To spice up the competitions even further, Soehl has partnered with the Mayor of Linden to give the winning teams of the first two competitions a rare opportunity – to have a champions match up in front of their mayor. Last November's tournament was won by 8th graders Katelynn Mejia, Gana Mukhtar, Gannat Mukhtar, and

Julissa Vyajkora. January's competition was won by 7th graders Iyana Jones, Ethan Martinez, Roberto Meadows, Cassie Orcutt, and Alexander Roque. In the twenty question, Mayor's Cup Challenge, it was the group of 8th graders who pulled off a victory and were handed the school's top trophy by Mayor Derek Armstead. Right after that competition was completed, the Mayor shared with the students that he enjoyed the experience so much that he wanted to invite them to an end-of-the-school year breakfast to hear all about how the rest of their school year went after their victories in the academic competitions.

THE GATEWAY FAMILY YMCA SUPPORTS 7TH GRADE STUDENTS WITH FREE MEMBERSHIPS

The Gateway Family YMCA provides free memberships for all 7th Grade students as part of the NJ YMCA 7th Grade Initiative, a state-wide program designed to support and encourage teens to maintain a healthy lifestyle. Providing services for Eastern Union County and Northern Middlesex County, The Gateway Family YMCA has branches in Elizabeth, Rahway and Union, NJ. 7th Grade students from the surrounding areas are invited to visit the YMCA and sign up for this complimentary membership.

The goal of the 7th Grade Initiative is to increase physical activity and support teens in the development of lifetime healthy habits while providing a safe and supportive environment at the YMCA. "We recognize that 7th grade is a pivotal time in youth development, where sports become more competitive and many teens begin to become less active," stated Krystal. R. Canady, CEO, The Gateway Family YMCA. "We believe in providing these students with a positive environment, where healthy habits can be learned and reinforced, where new friendships can be made, and where positive programs and role models are part of the daily routine," added Melynda A. Mileski, EVP/COO.

Students within Eastern Union County and Northern Middlesex County are invited to visit The Gateway Family YMCA with a parent/guardian and proof of grade to sign up for the free membership. Students are invited to participate in programs and services offered by the YMCA, and are provided with a complimentary Full Privilege membership including health and wellness options, swimming, group exercise, as well as teen programs. "Our goal is to provide support for 7th grade students, allowing them to strengthen healthy behaviors, increase activity, gain a better understanding of nutrition and the importance of continuing these habits into their adult lives," stated Thomas Galuppo, Director of Healthy Living, Five Points Branch.

BACK-TO-SCHOOL TIME FOR FOSTER YOUTH, TOO

Just as the kids head back to school, you may find yourself with more free time — and thrilled at the possibilities! How about changing the life of an area foster child? Train in Westfield later this month with like-minded locals and enjoy a light dinner, guest speakers and a team of trainers that equip you with all the tools needed to become a successful Court Appointed Special Advocate (CASA) volunteer. While many Linden students happily settle into school routines, buoyed by active parents readying for Back to School Night, there are foster youth without that support system who face educational challenges. Your commitment to their success helps ensure access to an education that meets their specialized needs:

Five-year-old Samantha is severely autistic and almost completely nonverbal. Due to excessive violence in the family home, a concerned neighbor called for help and, after investigation, Samantha was removed from her

Linden residents needed to serve as advocates parents' care and placed in foster care. Although primarily nonverbal, the two phrases Samantha does say graphically depict the violence she witnessed at home and confirm the trauma she endured. Since entering care, it has become clear Samantha also is a victim of educational neglect. At age three, Samantha was entitled to an Individualized Education Plan from the Department of Education to ensure continued in-home speech and behavioral services to move her toward enrollment in a half-day educational program. Unfortunately, Samantha's parents neglected to utilize these services and she is now two years behind others her age! A CASA volunteer can advocate for Samantha's educational rights and needed services, among other things, and make recommendations to the family court judge that will ensure her best interests remain prioritized.

CASA of Union County is seeking Linden residents to be the voice for one of the nearly

600 Union County youth, ages 0-21, in foster care through no fault of their own, as there are currently only enough volunteers to serve one-third of those youth. Trained CASA volunteers are sworn in by a judge and empowered to speak to foster parents, teachers, doctors, lawyers, tutors, therapists and more. They visit the youth regularly, incorporate findings into court reports and attend court hearings quarterly, working to ensure best interests are considered and a safe and permanent home is secured as quickly as possible. Although not required, there is a particular need for advocates who speak Spanish.

Fall training kicks off Tuesday, Sept. 27, 2016 and includes 10 sessions over several weeks. A swearing-in at the Union County Courthouse by a family court judge and luncheon follows. Training is 6 to 9 p.m. at the County Clerk Building, 300 North Avenue East in Westfield, across from the diner. A light dinner is provided.

Attend an information session to learn more: Evening sessions are Tuesday, Sept. 6 and Wednesday, Sept. 21 at the County Clerk Building in Westfield; morning sessions are 10 a.m. Sept. 9 and Sept. 23 at CASA's offices, 1143-45 East Jersey Street in Elizabeth. Linden residents are encouraged to contact Lisa at (908) 527-7048 or lporis@casaoofunioncounty.org for details or to RSVP for an information session. ▾
