LIBRARY TO CELEBRATE 50 YEARS ON NOVEMBER 18TH

In 1961, Clark Public Library opened in a rented storefront. The little library grew and by 1966 the residents, trustees and administration of Clark Township committed to building a permanent home for the library. On Friday, November 18th from 5:30-7pm, join us as we celebrate 50 years of inspiration, information and enrichment at the Clark Public Library. We will be honoring the Mayor, Council, Library Board of Trustees, Friends of the Library, staff and patrons who built the library in 1966 and those who support the library as it continues to evolve and support the community.

Tickets are \$6 for this “after hours” 21 & over celebration featuring wine and cheese, music of the 60’s, raffles and displays of the events and daily life of this colorful era. If you remember using a rotary phone, paying \$.32 for a gallon of gas or \$.05 for a stamp, turn back the clock and join us to remember. The displays will also be open for viewing on Saturday, November 19th during the Friends of the Clark Public Library annual Holiday Shopping event from 11-3pm.

If anyone would like to contribute 1960’s artifacts to the display or knows anyone who was

PUMPKIN SALE

The Valley Road PTA held their Annual Pumpkin Sale on October 7. During this festive autumn celebration, students and family members were invited to enter the decorated gym filled with pumpkins, hay bales, mums, and so

much more. Students had a chance to select their own pumpkins and participate in a guessing game activity.

It was a fun-filled day of smiles, pumpkins, and fall festivities.

ARTHUR L. JOHNSON HOSTS COLLEGE FAIR

The Arthur L. Johnson High School Guidance Department held its annual College Fair on October 6th. More than 300 students, parents, teachers, and administrators were present for the opportunity to meet with admissions representatives from over 120 colleges, universities, and branches of the military. Students and families discussed a variety of topics with the representatives including admission requirements, program offerings, financial aid information, and much more. These conversations assisted students in getting a sense of what might fit best for them in their college planning.

Schools exhibited at the fair included The

College of New Jersey, Elon University, Villanova University, University of Connecticut, John Jay College of Criminal Justice, and many other public and private institutions of higher education. "I was elated to see the success of this event by the number of students and parents that attended. It is such a supportive and encouraging environment. I enjoyed walking around and seeing all the positive interaction among the college representatives and students," said Supervisor of Pupil Personnel Services/Guidance Mrs. Bonnie Mingin.

The ALJ Guidance Department would like to thank the college representatives and visitors for a worthwhile event!

THE VALLEY ROAD SCHOOL GUZMAN FAMILY FUNDRAISER CAMPAIGN

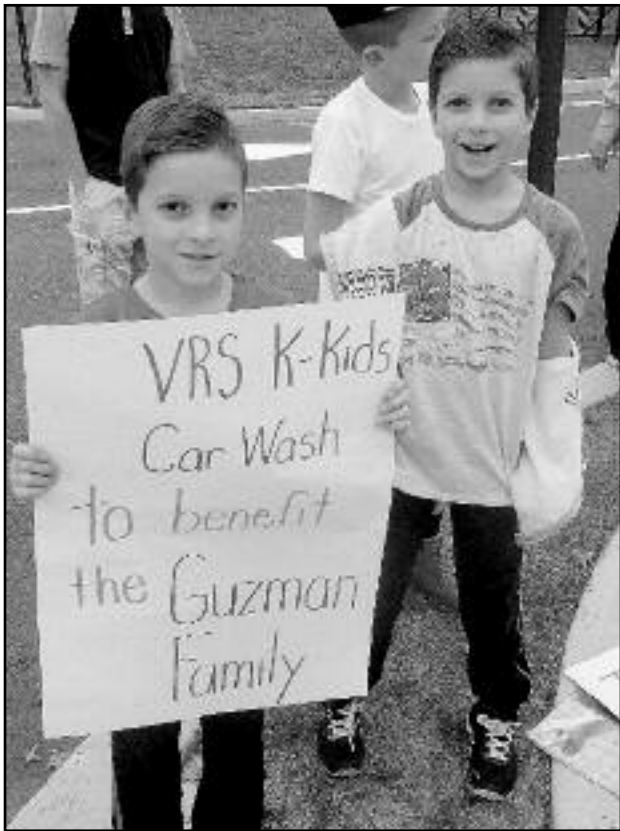

The K-Kids Car Wash held at Valley Road School on October 8th earned over \$1,600 for the Guzman family. Monika Guzman, mother of three, has been battling an aggressive form of cancer. This event was sponsored by K-Kids and their advisors Mrs. Spence, Mrs. Belverio, and Mrs. Dzurovcik. Teachers, students, and parents lent their assistance in washing cars making the day a success.

Other efforts on behalf of Valley Road School include a teacher and her husband who were able

to secure airline tickets for the Guzmans to travel for a medical treatment in Mexico. The Valley Road School Social Committee is also collecting food for the family to help their grandfather as he watches the children while the parents travel for treatment.

If anyone would like to provide assistance of any kind for the Guzman family, feel free to

contact Sarah Badillo, the Valley Road School guidance counselor, or K-Kids advisors Paula Spence, Kim Belverio, or Sue Dzurovcik at 732-388-7900. To reach someone via email, please contact sbadillo@clarkschools.org or jbeltramba@clarkschool.org. The Go Fund Me page for the Guzman Family is <https://gofundme.com/2dterz8>.

(above) Mrs. Guzman stopped in to the car wash where she took a group photograph with the K-Kids and the advisors. She mentioned that the family is very appreciative of Valley Road School's help by students, staff, and parents.

HEHNLY STUDENT WINS COLUMBUS ESSAY CONTEST

When October rolls around most people's attention turns to pumpkin picking, apple cider, and one of America's most famous Italians, Christopher Columbus. Recently, the Clark UNICO Association sponsored a Columbus Day Essay contest, inviting students from throughout the town to write an essay about an Italian American that they felt made significant contributions to our world.

The winner from the Frank K. Hehnlly School

was fifth grade student, Reese Passuth. In her essay, Reese explained how Christopher Columbus founded the New World, but went a step further to share how his expedition changed life for many.

"I'm very proud of Reese and her essay," explained Mrs. Bergin, Principal of Hehnlly School. "She captured the important accomplishments of Christopher Columbus and shared them very eloquently."

CLARK'S ITALIAN PRIDE ON DISPLAY AT NYC'S ANNUAL COLUMBUS DAY PARADE

On October 10, 2016 members of Clark UNICO joined with 35,000 marchers, over 100 groups, including bands, floats and contingents

and nearly one millionspectators at the NYC Columbus Day Parade, the world's largest celebration of Italian-American culture.

ELECT TO READ

PJ's, teddy bears, and books recently brought big smiles to the faces of kindergarteners, first graders, and second graders at Valley Road Elementary School. The theme of the evening was "Elect to Read." This year's theme coincides with the presidential election encouraging students to choose to read. The children's excitement and interest escalated as the teachers read a variety of stories to the eager listeners. The evening was topped off with delicious snacks and lots of laughter. It was a night full of fun, friends, and literature.

Valley Road Principal Joseph Beltramba stated, "During this campaign season, we are encouraging our students to 'Elect to Read'. So many students, "elected" to come and listen to

stories at VRS Story Time. Mrs. Peitz led the committee of teachers and parents who set up this wonderful evening of reading to students in several smaller groupings. We would also like to thank the PTA for their generous donation of snacks."

Story Time at Valley Road Elementary School was a night that will remain in the minds and hearts of all the children who attended. Events like this and many others are part of the school's annual reading incentive program run by Trish Peitz, Valley Road teacher. The program also asks that students in all grades keep a reading log. At the end of the month, each student who has met the monthly goal receives an incentive as a reward.

CLARK UNICO 10TH ANNUAL FEAST

Clark UNICO held their 10th annual feast over Columbus Day weekend. All the favorite rides, games, food and entertainment returned for the event. Unfortunately, Mother Nature did not cooperate and rain fell over two of the three days. However, many Clarkites came out to support the Club.

The Feast is the Clark chapter of UNICO's biggest fund raiser and all of the money is distributed throughout the township, through scholarships and selected charities. We thank all those that came out and supported the feast.

UNICO is one of the last remaining service organizations in the area. That is what makes UNICO unique in that we are proud of our Italian heritage and live our motto of "Service above self." For more information about the club or membership call 908-337-7773.

TYLOR'S BURGER BATTLE

By: Edir Coronado

The White Diamond's 2nd Annual "Tylor's Burger Battle" will be held November 16, 2016 at Clark White Diamond at 1207 Raritan Rd., Clark. All proceeds will benefit The Tylor Collin's Scholarship Fund, a non-profit organization dedicated to helping local youth achieve their dreams. First round starts at 5 p.m. Entry fee is \$30.00. Advanced registration is required call 732-672-5771.

Tylor Collins, Tammy and Kevin's son, passed away on April 25, 2015 from Ewing Sarcoma, one-day shy of his 17th birthday. "The day my son passed away I vowed to never let him be forgotten," expressed Tammy. She explains that for two years she dedicated her life to taking care of Tylor through his difficult moments and now that he passed, she will spend her life making sure his name is never forgotten.

According to St. Jude Children's Research Hospital; although rare, Ewing Sarcoma, is the second most common bone cancer found in children and young adults. About 200 hundred children and young adults are diagnosed with this cancer a year in the United States. About half of those that are diagnosed with Ewing Sarcoma are between the ages of 10-20.

Symptoms can easily be overlooked if one is not familiar with this rare cancer. Some Ewing Sarcoma indicators include; swelling or soreness around the area of the tumor, which according to St. Jude's, can be mistaken for a sports injury; low fever; bone pain; and limping.

The rarity of Ewing Sarcoma and commonality of symptoms among other conditions makes it difficult to bring awareness to the public, but this

has not deterred Tammy and Kevin Collins of Clark, New Jersey from spreading the word about it.

In order to accomplish this, Tammy and Kevin, along with three of their cherished friends, created a foundation in Tylor's memory in order to keep his name alive. Participants in "Tylor's Burger Battle" are allotted ten minutes to eat as many burgers as they possibly can. All proceeds raised from the event are allocated directly to the scholarship fund.

Last year's burger battle was a huge success, the winner, Mike Boulanger, a dear friend of Tylor's, consumed 11 ½ burgers in ten minutes, more importantly, monies raised through the event were awarded to 10 students from Tylor's graduating class, each in the amount of \$1,500.

Tammy is saddened by the fact that she could not watch her son Tylor walk across the stage to receive his diploma and while Tylor's brother, Brandon, was present to receive the honors, she feels her son and family were cheated of experiencing and witnessing such memorable moments.

While Tylor's family is understandably melancholy, they are excited about helping other students achieve their goals, "It is certainly a difficult yet bittersweet time, but I know we are making Tylor proud and keeping his memory alive," explains Tammy.

Tammy and Kevin aspire to build on last year's success. "We hope to grow this event, with your help in getting the word out to the people that we may not be able to reach," explained Tammy; efforts are not solely reliant on the burger battle.

Colds, gastroenteritis otitis media, conjunctivitis, and sore throat are among the most common childhood diseases. Children in groups are breeding grounds for illness. Their little hands rub their runny noses and then transfer infectious agents onto shared toys. Resistance to infection and improvement of their immunity system comes with time. The single most important task

a preschooler (and adults) can do to prevent illness is to wash their hands frequently and thoroughly.

Recently Clark Preschool 's school nurse Lori Kowalski taught the children how to protect themselves against bad germs. The unit began with the video, Germ Stoppers. The video taught the preschoolers how to protect themselves and others from the spread of germs. Germy Wormy, a puppet, visited the classroom for storytelling by reading the book Germs are Not for Sharing. The experiment, "Germ Glitter," was utilized as a simulation and the glitter on the students' hands

CLARK PRESCHOOL KICKS OFF FIRE PREVENTION WEEK

October was fire prevention month and the Clark Fire Department's visit to the schools is always a big hit! Their focus is on fire safety, prevention, and overall personal safety. The students learned there are many precautions that people can take to create a safer environment at home, school, and work.

During the Clark Fire Department's visit to the Clark Preschool on October 13th, firemen came dressed in full gear demonstrating the fire alarm and providing hands-on experience with the fire hoses. Students were also shown the video Sparky's ABC's of Fire Safety. The activities that followed provided multiple ways to learn about fire safety maximizing the learning outcome. According to Supervisor of the Preschool and Nurse Lori Kowalski, "It was a perfect way to introduce the children to fire safety concepts." The fire department also distributed junior safety fire hats, coloring activity books, crayons, tot finder labels, and fire safety information for the parents.

A week-long unit of fire prevention activities also started in the preschool classrooms. Ms. Ashley Tenpenny, physical education teacher, helped spread the word about fire safety by conducting fire drills and evacuation drills. During the drills, students practiced "stop, drop, and roll." All students learned to be prepared and plan ahead!

Fire prevention was established to commemorate the Great Chicago Fire of 1871. The 2016 fire prevention theme is: "Don't Wait - Check the Date! Replace Smoke Alarms Every 10 Years."
