THE PARISH COMMUNITY OF ST. HELEN'S HONORED BY COMMUNITY ACCESS UNLIMITED

Community Access Unlimited (CAU) honored seven community partners at its 2017 Awards Night Celebration, held at in April at its Elizabeth headquarters. The honorees represented the wide variety of professionals and organizations the agency partners with to fulfill its mission of enabling people with disabilities and at-risk youth to live independently within the community.

The Parish Community of St. Helen's in Westfield was honored with the Excellence in the Community Award. St. Helen's has been very active in the Union County Interfaith Coordinating Council (UCICC), an interfaith council that promotes inclusion of all people within the community, without regard to race, religion or disability, and promotes nonprofit and government community services to member congregations. St. Helen's is also the parish of several CAU members.

"As a community we value service very much," said Rev. Michael Saporito, pastor at St. Helen's. "When Sid Blanchard (CAU executive director) came to us and talked about what CAU does, it seemed like a perfect partnership. For us as Catholic Christians, we take the example of Christ himself, who reached out to those living on the margins to show they have value and belong like everyone else. When we say we welcome all people, we mean it."

Community Access Unlimited (CAU) is a statewide nonprofit providing support programs and services to adults with disabilities as well as youth served under the Department of Children

and Families (DCF) to enable them to live independently in the community, providing supports in areas including housing, vocational skills and life-skills training, education, advocacy and recreation.

"These award recipients help CAU fulfill our mission of enabling people with disabilities and at-risk youth to live independently within the community," said Sid Blanchard, CAU executive director. "Their partnerships with us are invaluable."

BRIGHTENING A DAY FOR WOMEN VETERANS

The Rake & Hoe Garden Club recently launched a new project where a small group of members hosted a luncheon and flower design demonstration for a select group of veterans at the Women's Trauma Unit, Lyons VA Hospital. The women were extremely appreciative of the delicious food, donated in part by Mazella's (Mountainside) and Trader Joe's (Westfield). The women were able to make a cheerful flower arrangement to brighten their rooms, guided by the talented hands of Kay Cross and Anna Daurio. The results exceeded their expectations. The ladies also received goodie bags containing useful and fun items.

Since 1952, the Rake and Hoe Club has joyfully fulfilled their mission to provide decorating services to the Lyons Veterans Medical Center, Lyons, NJ.

Four times a year the members provide floral arrangements for dining tables and individual bedside arrangements for the veterans. Also during Spring and December members write thank you cards to the veterans thanking them for their service.

The Department of Veterans Affairs New Jersey Health Care System is comprised of two

main campuses, which provide health care to veterans.

Services include long-term care, psychiatric care and a full range of medical and surgical care. Special programs include cancer screening, diabetes education, healthy aging, home based care, post-traumatic stress disorder, war related illnesses and women's health services. Lyons is affiliated with the University of Medicine and Dentistry and the Trenton State Psychiatric Hospital. On a regular basis Lyons Hospital serves approximately 390 veterans.

To read more about Lyons Veterans Medical Center and the services they provide for our military heroes, please visit www.va.gov/directory/guide/facility.asp?id=45.

Affiliated with the National Council of State Garden Clubs, and the Garden Club of New Jersey, Rake and Hoe Garden Club has between 50 and 80 members all of whom share in common: a love of flowers, gardening and community service.

To learn more about joining Rake and Hoe Garden Club, please contact Pat Wilson, 908-389-9342 or visit their website at www.rakeandhoe.org.

WESTFIELD MEMORIAL DAY PARADE MONDAY, MAY 29, 2017

Plans for the Annual Westfield Memorial Day Parade are underway. The parade, scheduled for Monday, May 29, 2017, will have opening ceremonies at the Veterans Memorial Monument beginning at 9:00 a.m. Participants in this parade are required to assemble in the Lord & Taylor (West) parking lot at 8:00 a.m.

All Westfield organizations are invited to march in this year's Tribute to Veterans who made the supreme sacrifice fighting for the freedom we often take for granted.

The parade committee urges organizations or individuals to either march in the parade, sponsor a wreath to be placed at the Monument or to make a financial contribution to the parade committee to help offset the costs of running the parade.

The committee is also asking for information about any Westfield residents who have family currently serving in/or recently returned from the military. A tribute is being planned.

We also would like any information about Veterans who have passed away since last Memorial Day so we can honor them during opening ceremonies.

This year's parade route, after the opening ceremonies, will be straight up East Broad Street ending at Fairview Cemetery.

The Westfield Memorial Day Parade is sponsored by the Town of Westfield and The American Legion Martin Wallberg Post #3.

If there are any questions, please call Stan Cuba at (908) 233-2767.

All proceeds assist in funding drug & alcohol-free programs offered by the Westfield Recreation Department throughout the year. Among them are the summer playground, camps, enrichment programs, events, and performances by The Westfield Community

Concert Band.

The 1-Mile Fun Run/Walk will begin at 9 a.m., with the 5K Race beginning at 9:30 a.m. The registration table will be available starting 8 a.m. Register online at: www.RaceNJ.com.

If golf isn't your game, you can sign up for the dinner portion of the event for only \$49.

HOMELESS VETERAN TURNS HIS LIFE AROUND WITH THE HELP OF CAU

Following the accident that left him unconscious for five days and unable to recognize his family, Donovan was unable to

return to work as an operating engineer at Newark Liberty International Airport. Soon the father and veteran found himself homeless.

"I had everything once, a house, family, backyard pool and a good job," he said. "But I lost everything and ended up homeless."

Yet Donovan never gave up. With the help of his sister and a family friend, he was referred to and became a member of CAU, which operates a Home First: Financial Stability Program through which the agency serves as the member's representative with the Social Security Administration (SSA).

Through the program, CAU first becomes the member's Representative Payee with the SSA. Upon receiving the participant's benefits each month, CAU pays their rent and utilities directly to their landlord and utility provider and makes the remaining funds available to them for personal use. CAU staff also work with the participant to create a budget plan that provides financial stability.

In addition, CAU staff provide guidance to the participant on how to obtain and maintain other county and state benefits, including Section 8, food stamps, low-income housing and more.

"The Home First Program is open to anyone in the community who needs this type of assistance but it is especially helpful for the homeless," said Samir Abdul, senior accountant at CAU and program administrator. "The program authorizes us to serve as their representative with the Social Security Administration, including providing bookkeeping reports that are necessary for them to maintain benefits."

"Equally important, this program allows us to help people who are homeless due to no cause of their own to achieve financial stability and turn around their lives. That's very rewarding for us."

"I do not know what would happen to me if CAU hadn't become part of my life," Donovan said. "I am very thankful to CAU and my entitlement specialist, Yanna Espinal."

Community Access Unlimited (CAU) is a statewide nonprofit providing support programs and services to adults with disabilities as well as youth served under the Department of Children and Families (DCF) to enable them to live independently in the community, providing supports in areas including housing, vocational skills and life-skills training, education, advocacy and recreation.

About Community Access Unlimited

Community Access Unlimited (CAU), celebrating its 38th year in 2017, supports people with special needs in achieving real lives in the community. CAU provides support and gives voice to adults and youth who traditionally have little support and no voice in society. CAU helps people with housing, life skills, employment, money management, socialization and civic activities. CAU also supports opportunities for advocacy through training in assertiveness, decision-making and civil right. CAU currently serves more than 6,000 individuals and families, with the number served growing each year. For more information about CAU and its services, contact us by phone at 908.354.3040, online at www.caunj.org or by mail at 80 West Grand Street, Elizabeth, NJ 07202.

WESTFIELD HISTORICAL SOCIETY HOSTS VIRTUAL TOUR OF NEWARK

On February 26th Elizabeth Del Tufo, President of the Newark Preservation and Landmarks Committee visited the Westfield Historical Society's Reeve House to present a virtual tour of Newark through its art and architecture. Her presentation, "Newark Through the Ages" brought attention to the beauty and history of the urban center. Interest in Del Tufo's presentation was so high that we asked her to return for a repeat performance on April 2nd. Total turnout reached a record 83, which exceeded expectations and included many first time visitors.

Ms. Del Tufo traced the city's history from its

earliest days in the late 1600s through the Revolutionary War, the Industrial Era, the Post-World War II Era, the riots of 1967, and the growth and revitalization taking place today. Along the way, she discussed many of Newark's most well-known and architecturally significant landmarks — Trinity Cathedral, the Ballantine House, Newark Public Library, the Essex County Courthouse, Branch Brook Park, Mount Pleasant Cemetery, and Broad Street Station.

She also called attention to many of Newark's notable statues, including the "Wars of the America" statue in Military Park and the "Seated Lincoln" statue in downtown Newark, which was

dedicated by President Theodore Roosevelt and was influential in the design of the Lincoln Memorial.

For information about the Historic Walk Through Mount Pleasant Cemetery on June 24th, Sponsored by Newark Preservation and Landmarks Committee, call (973) 483-0288.

For information on the committee and "Newark Landmark Treasures" please check its web site: <http://www.newarklandmarks.org>.

For more information on the Reeve House, which is located at 314 Mountain Ave in Westfield, NJ or the Westfield Historical Society events, visit <http://westfieldhistoricalsociety.org>.

RECENT CHANGES TO A PARENT'S CHILD SUPPORT OBLIGATION

By: James McGlew II, Esq.

Parents who are either currently going through a divorce or were divorced many years ago often ask "at what point do I no longer have to pay child support for my children?" It surprises some parents to learn that there has been no specific age at which time parents are no longer obligated to pay child support.

Parents who are already divorced should review their settlement agreement which usually spells out the conditions which must be met for the child to be deemed "emancipated." It is at the time of emancipation when parents no longer are financially responsible to support their children.

A recent change in New Jersey law provides more certainty. As of February 1, 2017, unless otherwise specified in a Court order or judgment, the obligation for a parent to pay child support stops without a Court Order on the date of a child's marriage, death or their entry into military service.

The provision that applies to many families is that the obligation to pay support for a child shall also stop automatically when a child reaches 19 years of age, unless:

- another age for the end of this obligation is provided for in a court order, which age shall not go beyond the child's reaching 23 years of age;
- a formal written request is submitted/filed with the Family Court to continue support for the child, by the parent with whom the child primarily resides, before the child reaches 19 years of age; or
- the child for whom support is being paid does not reside with such a parent as a result of placement through the Division of Child Protection and Permanency (formerly the Division of Youth and Family Services, DYFS).

If a parent receives such a formal written request as noted above, he or she can object to the termination of child support. To do so, the parent shall submit a request, in writing, with documents to show proof of all of the following circumstances which may apply:

- their child is still attending high school; or
- their child is enrolled a post-secondary education institution or program and is attending the school on a full-time basis; or
- their child suffers from a physical or mental disability, as determined by a governmental agency, and that the disability existed before the child turned 19 which renders the child in need of, and entitled to, continuing child support.

In providing these written requests to the Court, a parent must also propose a future "good faith" date when they believe such child support should end.

Even with these recent modifications to the law, a custodial parent also retains the right to file an application with the Court to extend the time to have child support paid beyond the child's 19th birthday in the event there are exceptional circumstances. It will then be the Court's prerogative to determine if and to what extent such circumstances will be controlling.

Child support orders are generally modified when a child goes to college. The obligation to support a child does not cease at that time but child support is factored in as a component of the child's overall needs.

Each child's individual circumstances will affect the timing of their emancipation. Even with the revisions to the law, careful consideration must be given to all factors affecting the child and his or her needs. Our firm prides itself on treating each matter individually and advocating on behalf of our clients and their children to achieve the most equitable result.

Lindabury's Family Law Group has decades of experience negotiating, enforcing and amending child support obligations. We provide the full range of divorce and family law services and are easily accessible from our Westfield New Jersey office. Call today to schedule a consultation with James McGlew at (908) 233-6800.

EXHIBIT ON THE WESTFIELD FIRE DEPARTMENT

An exhibit on the Westfield Fire Department will be on view thru May 30th at the Westfield Historical Society located at 314 Mountain Avenue in Westfield.

The Society is celebrating Westfield's 300th Anniversary early before 2020 by previewing a very important segment of the history of Westfield. Westfield's Hook and Ladder Co., the Bucket and Engine Co. and the Empire Engine Co. came together in 1883. In 1903, it became Westfield Fire Department.

Find out how fires were extinguished before there was a fire company. Learn more about the building on North Avenue and its architecture. Where were the hoses dried? Where was the first Fire Alarm System in town? See photos of early firefighters and their gear. Have you ever seen the Bicentennial Fire Hydrant? Get a firsthand view of what it is like being a fireman.

For more information on the Westfield Historical Society visit westfieldhistoricalsociety.org.

A MESSAGE FOR COMMERCIAL REAL ESTATE BROKERS, LANDLORDS, FRANCHISORS AND PROFESSIONALS WHOSE CLIENTS NEED A CERTAINTY OF FUNDING.

White Rose Funding is a direct and indirect lender that can provide funding for:

- Tenants in need of capital for a build-out, equipment or machinery;
- Franchisee and other Start-Ups in need of acquisition funding or working capital; and
- An established business that has sudden and temporary cash needs.

We provide flexible financing on fair terms that rewards the forwarder by offering:

- Financial remuneration to the forwarder; and
- A tailored solution for your client.

For example, a Landlord or Commercial Real Estate Broker is showing property to a prospective tenant, the location is ideal, but the build-out cost is likely beyond the tenant's initial budget. The Landlord seeks personal guarantees sensing there could be financial issues down the road. White Rose Funding could provide a term loan for the build-out, fixtures and equipment, and a working capital loan that will ring-fence the rent guarantee.

There is no cost to your client unless we provide the financing.

If the client does not enjoy prime credit status, we have relationships with preferred SBA Lenders that can make the process fast and efficient.

When you need access to an alternate lending source for your business needs, please consider White Rose Funding.

9 TO 5, THE MUSICAL, AT CDC THEATRE

AUDITIONS FOR TWO PRODUCTIONS AT CHC

Standing on Ceremony and The Shape of Things

CDC Theater, New Jersey's oldest continuously producing community theatre, will hold auditions for two exciting special productions that will take place in the early part of the theatre's 99th season.

The 2017 Short Play Festival featuring *Standing on Ceremony: The Gay Marriage Plays*, and other short pieces, will hold auditions on May 7 at 7:30pm and May 8 at 7:00pm with performances planned for September 7, 8 and 9. This special event is a non-equity, non-paying production and 50% of the ticket profits will be donated to the Gay, Lesbian, Straight Education Network, or GLSEN. Auditions and performances will take place at CDC Theatre, 78 Winans Ave in Cranford, NJ. Additional information can be found by visiting www.cdctheatre.org or the Cranford Dramatic Club Facebook page.

In a second special event, director Cynthia Ross and cast will ask the questions. How far would you go for love? For art? What would you be willing to change? What price might you pay? Such are the painful questions explored by Neil LaBute in *The Shape of Things*. A young student drifts into an ever-changing relationship with an art major while his best friends' engagement crumbles, so unleashing a drama that peels back the skin of two modern-day relationships.

Auditions will be held on May 15, 16 at 7:45pm at the theatre's 78 Winans Ave location, with performances on August 10, 11 and 12 at 8:00pm.

Additional information can be found by visiting www.cdctheatre.org or the Cranford Dramatic Club's Face Book page.

In May, at CDC Theatre in Cranford, three unlikely friends will take control of their office and learn there is nothing they can't do, even in a man's world. *9 to 5 The Musical*, with music and lyrics by Dolly Parton and book by Patricia Resnick, is based on the seminal 1980 hit movie. Set in the late 1970s, this hilarious story of friendship and revenge in the Rolodex era is outrageous, thought-provoking and even a little romantic.

"Having loved the movie, I was excited to see show when it was on Broadway, and was not disappointed. "Already in rehearsal at the theatre's home at 78 Winans Ave. in Cranford, Clifford Parrish, who is both the director and musical director of the show, shared some of his reasons for coming back to work on a show at CDC Theatre. "The audience was really with these women as their story unfolded. Even though we've come a long way on women's issues since 1979, the story still needs to be told. Even though it's a comedy, this show is about women's empowerment. The Dolly Parton score is also a lot of fun, with some truly beautiful ballads. I am excited about working with a tremendously talented cast!"

The large cast features frequent performers

at CDC and some new faces. Kara Wilson, Melissa Timpson and Hannah Schroeder take the leading roles of Judy, Violet and Doralee. Richard Colonna will be their lecherous boss Mr. Hart and Arlene Britt his adoring employee Roz. Jason Cilento is Joe, a handsome accountant smitten with Violet while Mark Piltz plays Doralee's supportive and attractive husband Dwayne, with Will Roper as Violet's teenage son Josh. Joel Redmount will play Hart's boss and Chairman of the Board, Mr. Tinsworthy and Danielle Gruskiewicz is Hart's unsuspecting wife. The ensemble and featured roles will be brought to live by Michele Greenspan, Katherine Brown, Joanna Riley, Carolyn Milhiser, Beth Kasper, Zach Mazouat, Edgar Hidlago and Tommy Lackamy.

The production will open on May 5 and run weekends through May 20. Additional information and tickets can be found by visiting www.cdctheatre.org.

Funding has been made possible in part by the NJ State Council on the Arts, Dept. of State, a Partner Agency of the National Endowment for the Arts, through a grant administered by the Union County Office of Cultural & Heritage Affairs

WHAT HAPPENS WHEN WE DIE?

WESTFIELD AUTHOR JOSIE VARGA TO HOST BOOK SIGNING MAY 7th

Local Westfield author Josie Varga will be holding a booking signing event at Barnes and Noble on Sunday, May 7 at 2 p.m., located at 1180 Raritan Road in Clark, New Jersey. She will be signing her latest book *A Call from Heaven: Personal Accounts of Deathbed Visits, Angelic Visions, and Crossings to the Other Side*.

Varga is the best-selling author of *Visits from Heaven*. The author of several books, she has been called an angel who has taken human form. A former magazine editor and communications consultant, her life changed course when she received a validated dream message from a man who died in the September 11th attacks on the World Trade Center. Forever transformed by her experience, she embarked on a spiritual journey as she vowed to help others understand that life truly never ends and love never dies. Life, she says, is eternal and so are we.

As the dying prepare to leave this world, they often begin to get a glimpse of what lies beyond through deathbed visits from deceased loved ones, strangers, and angelic or divine figures. Religious beliefs appear to have no bearing on these experiences - even atheists and nonbelievers have reported such phenomena. At times these visits are experienced by others in the room, offering incredible validity to the idea that life truly does continue.

A *Call from Heaven* highlights a wide variety

of deathbed visits from around the world. It also highlights accredited research by renowned experts, doctors and scientists. This groundbreaking book provides one of the most compelling proofs of life after death methodically demonstrating that we are never really alone. Not in birth. Not in life. And certainly not in death.

Dr. Jeffrey Long, M.D., Author of the New York Times bestselling *Evidence of the Afterlife: The Science of Near-Death Experiences*, writes, "What happens when we die? This is one of humankind's most important and enduring questions. *A Call from Heaven* brings a fresh and exciting perspective to this ancient question.

"Josie Varga presents a superb look at deathbed visions, which are the glimpses of the afterlife reported by those dying. A basic scientific principle is that what is real is consistently observed, and the remarkable consistency of the many deathbed vision accounts presented throughout this book bespeaks their reality. With each turn of the page you will find a treasure trove of insights and inspiration. This outstanding book is expertly written, remarkably easy to read, and enthusiastically recommended."

For more information, please call Barnes and Noble in Clark at 732-574-1818. Or visit the author's website at www.josievarga.com.

ROOSEVELT SCHOOL TEACHER RECEIVES EDUCATION AWARD

Roosevelt Intermediate School teacher Brian Vieth was awarded the 2017 Dedication to Education Award during a ceremony at Monmouth University on April 2. The Westfield teacher, who also is an adjunct professor at Monmouth University, was the only teacher to receive the prestigious award. In a letter informing Vieth of the honor, the Executive

Board of Kappa Delta Pi, the International Honor Society in Education, wrote, "They have chosen you for your extraordinary dedication and commitment to the field of education."

Vieth has been a teacher of Social Studies at Roosevelt Intermediate School for 20 years. He received his Master of Arts in Teaching and Bachelor of Arts in History from Monmouth

University. In addition, this year he served as Adjunct Professor in the University's School of Education, Department of Curriculum and Instruction, where he taught undergraduate men and women who will be entering the teaching profession.

Upon receiving the award, Vieth addressed those undergrads: "An essential attribute of a successful educator is to encourage students to participate, be risk takers, and work collaboratively as a learning community. My advice is that all the instructional practices and effective methods of teaching you are learning here at Monmouth University and utilizing in your student teaching fieldwork will follow with success, once an inviting, safe, and caring classroom culture is established."

Vieth added, "Surrounding myself with caring and motivating colleagues has helped me reach a stage where I can proudly hold this award as a mark of my service to the field of teaching."

One of his proud supporters, Westfield Social Studies Supervisor K-12, Andrea Brennan, was on hand to congratulate Vieth on April 2. Back in Westfield, Roosevelt Principal Stewart Carey, added his words of praise: "On behalf of the staff and administration, I am thoroughly pleased that Brian has received this award. Brian has all the tangible qualities that are needed for a great instructor. He has made great connections with his students and has shown the same collaboration with staff members. He is a wonderful asset to the school. I am quite sure that the qualities that he demonstrates here, he brings to Monmouth."

(above) Roosevelt Intermediate School teacher, Brian Vieth (at center), was awarded the 2017 Dedication to Education Award during a ceremony at Monmouth University on April 2. He is surrounded by undergraduates in the University's education program – several whom he has taught – who are new members of the Monmouth University Undergraduate International Honor Society in Education known as Kappa Delta Pi. Also pictured are Monmouth Professor Mary Brennan (at left) and Professor Richard Veit, Chair of the History & Anthropology Department, who received an award as a full-time educator in the school. PROJECT FABRICLAND FASHION SHOW TO BE HELD MAY 7TH

Fabricland, NJ's Largest Fabric Store and Sewing School, is holding their 11th Annual Project Fabricland Fashion Show, this Sunday May 7th. The fashion show is at 2pm, located across the street from Fabricland at the North Plainfield High School Auditorium at 34 Wilson Avenue.

Project Fabricland is a competition and sewing class for students ages 10-18, inspired by Project Runway. Classes run from January to May. There are 21 students from local towns that created their garments and who will model them at the show on Sunday. Judging of garments will be held this Thursday. A panel of local professional dressmakers will be judging the young designers on creativity, quality of sewing, fit, use of inspiration and a design board.

Every year students design and sew garments inspired by a different theme. This year is the Diva Challenge - students selected a style icon (such as Cher, Marilyn Monroe, David Bowie) for their design inspiration. Students use commercial patterns and modify them to fit their icon inspired design.

For the past ten years, a cast member from Project Runway has attended each show as a guest celebrity. Past attendees included Kenley Collins, Layana Aguilar, Suede and Casanova. This year, NJ's own Helen Castillo from Project Runway (season 12 and All-Stars season 4) will be the special guest.

Each year Fabricland donates ticket proceeds to a related charity. This year a \$1000 donation is being made to Dress for Success of Morris County. The mission of Dress for Success is to promote the economic independence of disadvantaged women by providing professional attire, a network of support, and career development tools to help women thrive in work and in life. - morriscounty.dressforsuccess.org

Tickets for the Fashion Show are available for \$8 in advance at Fabricland, 855 Route 22, North Plainfield 908-755-4700. 'At the Door' tickets on Sunday are available for \$12 at the fashion show.

MUSICAL INSTRUMENTS AND SUPPLIES SOUGHT

My name is Joe Ensslin, and I am a life scout in Troop 77 in Westfield. I have been a scout since elementary school, and now, as a high school junior, I am starting my Eagle Scout Service Project. I am working with Bernice's Place in Elizabeth to create a music program for children. Bernice's Place is part of the Elizabeth Coalition to House the Homeless, and they provide an after school and summer program for underprivileged kids where they can play games and do homework. My project would give them the opportunity to learn how to play an instrument and make music, a chance that they might otherwise have never gotten. For me, playing an instrument has been such an important part of my life, and I want to offer these children a similar opportunity.

If you or one of your kids played an instrument and stopped, or you just have an instrument lying around, please consider donating it to my project. I am seeking clarinets, trumpets, flutes, and saxophones. If you only rented an instrument, but still have supplies such as reeds, valve oil, music stands, or Essential Elements lesson books, I am collecting those as well. I will provide a written letter detailing the value of anything donated, and you will be able to deduct your donations from your taxes. Anything donated will be going towards a great cause.

If you have any questions, or would like to make a donation, please email me at jensslin@verizon.net.

Thank you for your support,
Joe Ensslin

ABOUT SALEM ROADHOUSE CAFÉ - THE BEST-KEPT SECRET

Shh! The Roadhouse may be the best-kept secret in Northern New Jersey — the area's best jazz, rock, and even the occasional folkie in an intimate coffeehouse venue. The Roadhouse only opens to the public on the second Saturday evening of the month. It's where the area's musicians go to hear other musicians, and you might find yourself sitting next to a famous jazz drummer or a vocalist from Australia.

Musicians love the audience that takes the time to find the Roadhouse, and when musicians love their audience, they play their hearts out. Why does it take time to find the Roadhouse? We've

cleverly hidden it in a church basement, where audience and musicians are within touching distance of each other. The acoustics are great.

The Roadhouse serves real coffee and tea — it's a coffeehouse, not a bar, after all. Hot and cold snacks and desserts are included in the admission.

There's art, too, because art and music go together. You can sip your coffee while perusing original works available for purchase at the Roadhouse Fine Arts Gallery. Works change with each opening.

As a fun, creative, community outreach

mission of the church, show proceeds always benefit local NJ charities. Admission includes the show, snacks, beverages and desserts, plus the art gallery.

Union 34TV records the shows for broadcast — so check out past shows on cable TV34. See the Roadhouse on Union TV Channel 34's "Union After Dark" nightly music series.

WINE TASTING EVENT TO BENEFIT BOY SCOUTS

The Boy Scouts of America, Patriots' Path Council will be holding a Riedel Wine Tasting event on Wednesday, May 24th at Alfies Ristorante in Warren at 6:30pm. Guests will sample great wine using Riedel Wine glasses, learn more about the wines, how to pour them, the effect wine glasses have and how to improve the overall enjoyment of wine. The ticket price of \$150 includes hors d'oeuvres, four glasses of red and white wine rated at 90 points or better on the Wine Spectator List, four course meal, auction and a set of Riedel Wine glasses to take home. All guests must be 21 years or older to attend. The event is being co-hosted by community members and Scouting volunteers, Karen and Michael Cantone of Warren.

The proceeds of this event provide the necessary funds send underprivileged youth to four of our camps in New Jersey and New York State. Over 4,000 youth are served in this program, and a total of 16,000 youth served in traditional Scouting in our area. Most recently the BSA has enhanced STEM (Science, Technology, Engineering, and Math) content in every facet of Scouting, from summer camp to the Pinewood Derby, by developing programs that explore the STEM principles behind familiar Scouting activities. The STEM Program is another beneficiary of this event.

The RSVP deadline is Wednesday, May 17, 2017. Registration required at www.ppcbsa.org/give/special-events.
