## DRACULA MUSICAL GARNERS 8 TOP NOMINATIONS

Arthur L. Johnson's spectacular Dracula musical adaptation, directed by Mr. Peter Nevargic, was recently recognized by Montclair State University's Theatre Program garnering 8 top nominations. Montclair's Theatre Night Awards recognizes excellence in the production of high school and middle school straight plays throughout New Jersey. ## REESE PASSUTH TAKES FIRST PLACE IN POETRY CONTEST

Clark resident, Reese Passuth, won first place in a poetry contest for her poem "Seasons of Change." Over 50 students county-wide participated in the contest that was open to students in grades 4-8. Winners were selected by a group of volunteer judges.

In honor of Arbor Day, students were asked to write an original poem honoring trees. "I used a tree on the side of my house as my inspiration for the poem," explained Reese Passuth, fifth grader at the Frank K. Hehnly School. "During Hurricane Sandy, I thought that we might lose this tree and I wanted to use it as the subject of my poem as a way of saying that I am glad it's still here."

(above) Reese Passuth, fifth grade student at the Frank K. Hehnly School in Clark, won first place for her poem "Seasons of Change".

## Seasons of Change

By Reese Passuth

Each season as I look out my window, I see you standing tall, taking on different personalities.  
In the spring, you wake up. Full of the promise of new life. The birds begin to plan their families in your branches and the buds that pop out of your branches let me know that the warmer weather is approaching.  
In the summer, you are vibrant and full of life. Your green leaves sway in the summer breeze and you look tall and mighty in my front yard. I sit under your shade and look up at your leaves, as they reach into the sky.  
I don't think about the changes that you will soon make, but instead take you for granted.  
In the fall, you remind me that you are there by silently dropping leaves in my yard. At first a few, and then what seems like overnight, many leaves. I look at you and see your colors changing. First green, then scarlet red, and then a bright yellow that reminds me of the summer sun; the warm sun that is slowly fading away, like you. Then the winter arrives and your leaves are gone. You stand there with no trace of life. Your tall branches look like they are scraping the sky. It is amazing to think that in a few months, you will begin the process all over again and you will once again, be full of life. You remind me of life that I find all around me. The circle of life - from birth to death. You and the other trees are around us, breathing life into our world and making it a better place, one leaf at a time.

## CALL FOR A CURE CONCERT SET FOR JUNE 6TH

The Cranford High School performing arts community is once again coming together to raise money to fight a disease that has taken at least two young Cranford residents in the last few years.

Call for a Cure, a concert started in remembrance of Colin Maher, will be a 7:30pm Tuesday, June 6 at the Cranford High School. The concert, started by Cara Costa five years ago, will feature students and alumni from the talented Cranford community. Admission is \$10 at the door; \$5 for students. For advance ticket sales, e-mail [catherine@friendsofcolin.org](mailto:catherine@friendsofcolin.org).

The concert is unique in that the students are given the freedom to choose their own music and performance, a choice they may not have had during the school year. For many, it will be the

last time they are on the CHS stage.

"It is an honor to put together this show for the community and to fight Ewings Sarcoma," said this year's organizer, senior Catherine Hoffman. "Please come out and support us for Colin and for those who have to face this cancer."

All the money raised in ticket and bake sales goes to the Friends of Colin, a non-profit formed to raise money specifically to fight Ewings Sarcoma, a pediatric bone cancer that is often fatal. It is rare but not uncommon and little money is dedicated towards research. Friends of Colin has donated tens of thousands to Dr. Jeffrey Toretsky, a Georgetown University researcher who currently has developed a drug going to clinical trials.

Friends of Colin was formed after the death of

Colin Maher, a dry-witted 16-year-old Cranford resident who loved Pez, Halloween, turtles and his dog Casey. His close-knit neighbors came together and vowed to continue his fight until there is an effective treatment.

CHS graduate and dancer Alessandra LoConte was diagnosed with Ewings Sarcoma while studying at Muhlenberg college. She passed in 2015. Also that year, 16-year-old Arthur L. Johnson student, Tylor Collins, succumbed to the sarcoma.

Friends of Colin hopes that the Cranford and Ewings Sarcoma community can come together and put an end to the finality of this disease.

Donations also can be made to Friends of Colin at 365 Retford Ave., Cranford, New Jersey 07016.

# INTRODUCING MEGAN KOCIOLEK, DIRECTOR, CLARK PUBLIC LIBRARY

My career began at Nutley Public Library in 2007, and I was managing the Children and Teen's department by 2009. During my time there, I supervised a minor renovation of the children's and teen areas of the library. Over my nine years at Nutley, the Library's circulation of children's and teen's books and media went from 30 to 50 percent, our programming attendance increased drastically, and during my last year our Summer Reading Program had a record number 836 participants. I have served on various committees with the New Jersey Library Association, and I have presented multiple times at our annual library conference.

I started at Clark Public Library as the Director on April 17, 2017. The Library is a wonderful place in the Clark community. The staff is phenomenal, offering outstanding programming and providing excellent customer service. I am looking forward to working with them to build upon the services we already offer, expand our digital collections, and cultivate a deeper relationship with the community. The Library will be offering a Summer Reading Program for all ages starting June 19; patrons can stop in and sign up to win prizes for reading. The Children's

department will be offering programming all summer long that includes live animal visits, Lego workshops, and science events. Our Kick-Off Party for kids includes Building a Better World Magic Show with Brian Richards on Thursday, 6/29 at 7pm. Check our website for registration at [clarklibrary.org](http://clarklibrary.org).

## SENIORS TRIP TO ATLANTIC CITY

Clark seniors enjoyed a day in Atlantic City in May. 100 senior residents boarded two Villani buses. Each senior received a bonus back \$25 voucher for Resorts Casino.

Recreation and Senior Director Ralph Bernardo was happy with the turn out and welcomed each senior as they boarded the buses with snacks and water. "This is a highlight for our seniors" as they have been doing this trip every May for years," Bernardo said.

### HISTORY:

This house was built in 1690 by Dr. William Robinson, a physician and surgeon that emigrated here from Scotland. In June of 1684 he first visited New East Jersey and then returned to Scotland to bring his family and others back with him. In early 1686 he returned with his wife and three children along with the other families he had signed up. The trip took six to eight weeks of sailing. In 1686 Dr. Robinson bought about 50

acres of land along the Rahway River and later that year he bought another 700 acres adjacent to this property. In 1693, at the time of his death an inventory was conducted of his possessions and can be read at the house today. The property is now only 100' x 400' and is one of the few examples of 17th century architecture remaining in the United States.

The house is registered as a historic site by the State and Federal Governments.

# KAVERICK TEACHES ABC'S OF FIRE SAFETY

Clark resident, a Linden firefighter, Barry Kaverick, visited the Preschool for community helper month for a fire safety presentation held in April. Mr. Kaverick described his role as a firefighter and as a dad of Clark preschoolers, Cashlyn and Brett. The fire safety presentation included an overview on fire prevention, what to do in case of a fire, activating 911, identifying smoke alarms, fire drills, firefighters as community helpers, equipment, and gear. He reinforced the fire safety ABC's:

- A** - is for Alarm that lets you know there's a fire in your home.
- B** - is for Beep, Beep, Beep, the sound the alarm makes.
- C** - is for Calm, as in calmly get outside when the smoke alarm sounds.

At the end of the presentation Firefighter Barry welcomed the children to try on his gear!

## DETECTIVE GRADY HONORED FOR HEROISM

Clark Police Detective Captain Patrick Grady was one of eight police officers and two firefighters state-wide that were recognized for performing heroic acts in 2016. The award was presented by the New Jersey State Law Enforcement Officers Association during an awards luncheon held on May 12, 2017.

On September 20, 2016 Capt. Grady came to the assistance of a fellow officer when it was reported that a man was wielding a knife and threatening people. The man then tried to stab another police officer. After the suspect refused orders to drop the knife, Captain Grady fired one shot ending the confrontation.

**A MESSAGE FOR COMMERCIAL REAL ESTATE BROKERS, LANDLORDS, FRANCHISORS AND PROFESSIONALS WHOSE CLIENTS NEED A CERTAINTY OF FUNDING.**

White Rose Funding is a direct and indirect lender that can provide funding for:

- Tenants in need of capital for a build-out, equipment or machinery;
- Franchisee and other Start-Ups in need of acquisition funding or working capital; and
- An established business that has sudden and temporary cash needs.

We provide flexible financing on fair terms that rewards the forwarder by offering:

- Financial remuneration to the forwarder; and
- A tailored solution for your client.

For example, a Landlord or Commercial Real Estate Broker is showing property to a prospective tenant, the location is ideal, but the build-out cost is likely beyond the tenant's initial budget. The Landlord seeks personal guarantees sensing there could be financial issues down the road. White Rose Funding could provide a term loan for the build-out, fixtures and equipment, and a working capital loan that will ring-fence the rent guarantee.

**There is no cost to your client unless we provide the financing.**

If the client does not enjoy prime credit status, we have relationships with preferred SBA Lenders that can make the process fast and efficient.

**When you need access to an alternate lending source for your business needs, please consider White Rose Funding.**

## SPECIAL PEOPLE DAY

Each year we acknowledge those special people in our lives on Mother's Day and Father's Day. Celebrating and honoring our families serves as an important learning experience and opportunity to acknowledge and appreciate the many caring adults who are in our lives. To honor the special people in our lives, the Clark Preschool children invited "one special person" for tea. Mothers, fathers, grandparents, aunts and uncles joined their preschooler for morning refreshments.
