LINDEN POLICE CELEBRATE NATIONAL POLICE WEEK

In 1962, President John F. Kennedy designated May 15 as Peace Officers Memorial Day and the week in which that date falls as Police Week. Each year tens of thousands of law enforcement officers from around the world converge on Washington, DC to participate in a number of planned events which honor those that have paid the ultimate sacrifice.

The residents of Linden understands the dangers faced by law enforcement better than most. It was just nine months ago when Ofc. Angel Padilla and Inv. Peter Hammer were shot during a gun battle with alleged terrorist Ahmad Rahami. With memories of that day still in their minds, City Officials planned a number of events to pay tribute to Linden's Finest.

On April 18th the Linden City Council formally recognized Police Officer John Byko Jr., the only Linden Police Officer to be killed in the line of duty. Officer Byko made the ultimate sacrifice on June 17th, 1935 when his patrol car collided head-on with another vehicle. Mayor Derek Armstead presented Police Chief Jonathan Parham with a resolution commemorating the 82nd anniversary of his death. "Officer Byko gave his life in service to the citizens of Linden, and we are grateful to Mayor Armstead and the City Council for ensuring that his sacrifice is not forgotten." Chief Parham said.

During a dedication ceremony on May 3rd Mayor Armstead temporarily renamed Wood Ave in honor of Officer Byko. A memorial sign was commissioned and hung over the intersection, where it will remain for the remainder of the month.

The largest event, however, was the beginning of the Police Unity Tour on May 9th. The purpose of the Tour is to raise awareness of Law Enforcement Officers who have died in the line of duty and raise funds for the National Law Enforcement Officer's Memorial and Museum. This year eleven Linden Police Officers participated in the tour. "Team Linden" rides with Chapter 37 of the Tour, who begin their Tour at the World Trade Center in tribute to the 72 Police Officers killed during the terrorist attacks on September 11th, 2001. Dozens of students and supporters, including the Linden Fire Department, Linden High School Marching Band, and nearly 250 JROTC cadets lined the street to welcome the nearly 300 riders as they ceremoniously rode down Wood Ave.

Then the crowd joined the riders and their supporters in the Robert Wood Bauer Promenade for a ceremony in which Chapter 37 presented Officer Angel Padilla, Investigator Peter Hammer, Investigator Mark Kahana, and Officer David Guzman with the Police Unity Tour Medal of Valor. The ceremony featured a number of speakers, including Congressman Donald Payne Jr., NJ State Senator Nicholas Scutari, and Freeholder Christopher Hudak. Mayor Armstead and Chief Parham also spoke to the riders jumped back on their bikes and continued on the more than 250 mile ride to the National Law Enforcement Officer's Memorial in Washington D.C.

Pomptonian Food Service and School No. 1 in Linden, recently held an exciting promotional event, "Name Your Café."

Name Your Café is a popular program which encourages students to get collectively involved in their school and teaches them about nutrition. Students were asked to nominate names for their cafeteria. The Principal Donna Preston and Vice Principal Wayne Happel and the student committee narrowed selections down to the top three and then the student body had the opportunity to vote on their favorite name. A

grand opening ceremony, complete with ribbon cutting and visiting dignitaries, unveiling the new cafeteria name on a colorful banner was held on May 19, 2017. The cafeteria dining room also displayed a colorful décor package including inspirational messages encouraging healthy lifestyle choices.

The promotion encourages students to think about the importance of nutrition and encourages positive dining choices in their school, when they are in restaurants and shopping in the food markets.

(above) Michael Pirizzoli.

Michael Pirizzoli, Linden firefighter and EMT, received the Valor Emergency Medical Services Award for recognizing the potential of dangerous carbon monoxide levels in a house during an EMS response. While caring for the resident, FF/EMT Pirizzoli alerted others to the possibility of carbon monoxide poisoning. Because of his expertise and action, three other residents in the house were evacuated and transported to be treated in addition to the resident.

LINDEN FIREFIGHTERS HONORED

Linden firefighters were among those honored during the 2017 NJ FMBA Valor Awards Banquet: "Honoring the Bravest of the Brave." The event took place on Saturday April 22nd at The Pines Manor in Edison, NJ. This is the largest Valor Awards Program in the Tri-State-State area for career firefighters.

Nine Linden firefighters received the Valor Group Effort Medical Award for their rapid

EMS response when two Linden police officers were shot on September 19, 2016. The officers had been in pursuit of terrorist bombing suspect Ahmad Khan Rahimi. The firefighters receiving the call recognized the need for a quick response under these adverse conditions and bravely decided to act, bringing immediate medical attention to the officers.

DANIEL TARNAWSKI TO ATTEND UNITED STATES NAVAL ACADEMY

Linden Public Schools is pleased to announce that our Linden High School Navy JROTC cadet, Daniel Tarnawski, was accepted into the Naval Academy. This is an extremely prestigious appointment. They currently have an 8% acceptance rate, with approximately 17,000 applicants competing for 1,350 appointments. They are ranked in the top 10 in just about every category in the national college rankings, including #1 Public School.

Congressman Donald Payne Jr. nominated Daniel Tarnawski to United States Naval Academy. Each year, members of congress nominate candidates for appointment to four of the five U.S. service academies: the U.S. Military Academy at West Point, N.Y.; U.S. Naval Academy in Annapolis, Md.; U.S. Air Force Academy in Colorado Springs, Colo., and U.S. Merchant Marine Academy in Kings Point, N.Y.

Linden High School NJROTC held a ceremony at the Susan L. Hudak auditorium on May 9th, 2017 to recognize Cadet Tarnawski's accomplishments. Daniel received well wishes, resolutions, proclamations and recognition from

local leaders, Union County Board of Chosen Freeholders, New Jersey State Assembly, and the New Jersey State Senate who congratulated him on his accomplishments. Congressman Donald Payne Jr. was the guest speaker and he spoke of the lengthy process involved in receiving one of these appointments and expressed his gratitude to Daniel for his decision to serve his country as a United States Naval Officer. He also presented Cadet Tarnawski with an American flag that flew over the United States Capital.

Daniel Tarnawski was born and raised in Linden, NJ. He has been educated in the Linden Public Schools throughout his years. His parents, Paul and Agnes, immigrated from Poland and settled in Linden. He has two older sisters Angelica and Monica, who also attended Linden Public Schools. Daniel is a candidate for the

prestigious International Baccalaureate certificate program at Linden High School. He is a 4-year Varsity letterman for the school's swim team and served as the team Captain for his senior year. He is also a member of the Union County Rugby Team. Daniel has been part of the Linden High School Navy JROTC for the last 4 years. As a cadet, he is a member of the Air Rifle, Athletic, and Academic teams. He achieved the rank of Cadet/Lieutenant Commander during his Senior year and served as a Battalion Executive Officer. While at the Naval Academy Daniel will be studying Electrical Engineering.

Linden Public Schools proudly acknowledges Cadet Daniel Tarnawski's leadership, character, determination, and sacrifice. He is truly one of the best of the best of his generation at Linden High School.

LINDEN HIGH SCHOOL WILL HOST MY SCHOOL COLOR RUN SATURDAY, JUNE 10TH, 2017

The students of Linden High School will host the inaugural community wide My School Color Run on Saturday, June 10th, 2017 at 10:00 am to raise money for their school.

The My School Color Run is an untimed 3 miles fun run for all ages and fitness abilities.

Along the route, participants pass through vibrant color zones, making it a "colorful experience."

Additionally, each pre-registered participant is provided with a single powder color packet that will be thrown in the air at the final color celebration at the finish line.

2017 will receive a t-shirt, race bib, and individual color packet.

You can sign up for the run by visiting LHS2020.eventbrite.com or by completing a paper registration form.

Business sponsorship opportunities are also available. Please contact the event organizer for more information.

"Tailored Financing for Today's Small Business"

www.whiterosefunding.com

844.WRFUNDS / 844.973.8637

A MESSAGE FOR COMMERCIAL REAL ESTATE BROKERS, LANDLORDS, FRANCHISORS AND PROFESSIONALS WHOSE CLIENTS NEED A CERTAINTY OF FUNDING.

White Rose Funding is a direct and indirect lender that can provide funding for:

- Tenants in need of capital for a build-out, equipment or machinery;
- Franchisee and other Start-Ups in need of acquisition funding or working capital; and
- An established business that has sudden and temporary cash needs.

We provide flexible financing on fair terms that rewards the forwarder by offering:

- Financial remuneration to the forwarder; and
- A tailored solution for your client.

For example, a Landlord or Commercial Real Estate Broker is showing property to a prospective tenant, the location is ideal, but the build-out cost is likely beyond the tenant's initial budget. The Landlord seeks personal guarantees sensing there could be financial issues down the road. White Rose Funding could provide a term loan for the build-out, fixtures and equipment, and a working capital loan that will ring-fence the rent guarantee.

There is no cost to your client unless we provide the financing.

If the client does not enjoy prime credit status, we have relationships with preferred SBA Lenders that can make the process fast and efficient.

When you need access to an alternate lending source for your business needs, please consider White Rose Funding.

EVENT CELEBRATES NATIONAL VOLUNTEER WEEK

Court Appointed Special Advocates (CASA) of Union County kicked off National Volunteer Week with a Mix and Mingle event at Rosie's Wine Bar in Garwood for its corps of volunteer child advocates as well as those in the community interested in learning more about the volunteer-based organization that works with Union County children in foster care.

Said Executive Director Marla Higginbotham, "The evening was about celebrating those who commit to the foster children in our own community and sharing with others the mission of CASA, but also, on a larger scale, we wanted to celebrate the tenor and intention of National Volunteer Week, and the significance of service to others."

Among those attending were numerous current CASA volunteers, eager to visit amongst each other and share experiences with those curious about their advocacy work. Board members and staff celebrated the volunteers and shared ways others can also give back to their community through CASA of Union County, as it works to reach the two-thirds of Union County foster youth awaiting a CASA volunteer.

National Volunteer Week began in 1974 as a way to recognize and celebrate the contribution of volunteers, and since has expanded to a nationwide effort urging Americans to give their time to community outreach organizations. The theme is "Celebrating People in Action" and nonprofits like CASA of Union County recognize their volunteers as well as celebrate and foster a culture of service.

Most CASA volunteers have no prior knowledge of the foster system and successful advocates have varied backgrounds that contribute toward success with the youth. For example, the most recent graduating class of CASA volunteers ranged from age 21 to 81 and had parents and non-parents, recent retirees, students, business professionals, a teacher, nurse, attorney, professor and homemakers. CASA volunteers train 30 hours to become an extra set of eyes and ears for Family Court judges. They have court-granted access to all parties in the child's life, including foster parents, doctors, caseworkers, therapists and teachers, and incorporate into court reports findings from these contacts as well as visits with the youth. Volunteers advocate in the community and court to ensure their youth's best interests remain a priority while working toward a safe, stable and permanent home for each child served.

Today, there are 600 Union County children in foster care; CASA of Union County's goal is to provide an advocate for every foster child that needs one.

For info on the next training or to learn other ways to help the nonprofit reach its goal, contact Courtney at cgreen@casaoofunioncounty.org or (908) 527-7045.

IMAGINE CELEBRATES THEIR VOLUNTEERS AND LOOKS TO THE FUTURE

Over 100 volunteers and their family and friends filled the new space at Imagine, A Center for Coping with Loss, on April 27th for the fifth annual Volunteer Appreciation Dinner. Dinner, music, coffee and awards were provided to show the volunteers how special and appreciated they are!

The evening was catered by Castle on a Cloud who donated all of the food, desserts and staff. Guests were also treated to live music by The Have Some Hotel band who donated their services, and delicious coffee from Rockin' Joes in Westfield, also donated. The event theme was candy, to exemplify how "sweet" the volunteers are, and they received awards such as the Starburst Award for painting all of the color on the walls of the new center and the Rock Candy Award for the pure energy they provide to the youngest of participants.

"Our volunteers are priceless," said Mandi Zucker, Imagine's Program Director. "As our programs continue to grow, we absolutely could not make it happen without the time and commitment from the volunteers. We use over 100 volunteers every two weeks to facilitate our support groups, work in the office, serve on committees, the Board of Trustees, and set up and clean up the space before and after the groups meet. We hope this event shows our volunteers, in some small way, how much we appreciate them and how grateful we are to be able to do this work along side them."

Imagine's next Volunteer Facilitator Training, which will prepare us to start up our fifth Night

or Support serving 60 new children and adults, is July 7-10th, from 9:00 a.m. through 5:00 p.m. daily. One recently trained facilitator, Stephanie Naphtali of Wyckoff said, "The training restored my belief in the compassion of all. It was a transformative experience. I learned so much and my life has been enriched by the knowledge I learned."

Please contact Mandi Zucker at 908-264-3100 or mandi@imagineenj.org if you would like to learn more about the training and the commitment involved to be a facilitator or visit our website at www.imagineenj.org.

VERY SPECIAL "ALADDIN JR." COMING TO UNION COUNTY JUNE 29-JULY 1

The CAU Community Players will be staging a very special production of "Aladdin Jr." at the Rahway High School Center for Performing Arts June 29, June 30 and July 1. Show times are 7:30 p.m. on June 29 and 30 and 2:00 p.m. on July 1. Saturday's performance will be Family Day. Members of the audience, including children, will be able to have their photos taken with members of cast prior to the show.

The CAU Community Players is a troupe of individuals with developmental disabilities and actors and actresses from the broader community. Formed in 2012 by nonprofit Community Access Unlimited, the troupe allows CAU members to engage in the pleasures of acting, singing and dancing with people from the wider community and to be judged for their talents rather than disabilities.

CAU is a statewide nonprofit providing support programs and services to adults with disabilities as well as youth served under the Department of Children and Families (DCF) to enable them to live independently in the community, providing supports in areas including housing, vocational skills and life-skills training, education, advocacy and recreation.

Each year the CAU Community Players select a play that is representative of the agency's message of inclusion, acceptance and believing in oneself, as well as everyone's worth regardless of disability. Based on the Disney movie, which

itself was based on the folk tale of the same name, "Aladdin Jr." is the story of a street urchin, a princess and a genie all overcoming their respective obstacles to escape the traps of their lives and achieve their fullest potential and happiness.

Tickets are available for \$10 by visiting www.caunj.org, clicking on Upcoming Events, then CAU Community Players Present Aladdin Jr., then the 2017 Ticket Ordering Form. Or contact Cara Pavia, director of marketing, at 908.354.3040, ext. 4376 or cpavia@caunj.org.

PHILLIPS 66 SUPPORTS RUTGERS FLOOD MITIGATION EFFORT IN LINDEN

Phillips 66 Bayway Refinery has donated \$60,000 for a project spearheaded by Rutgers University and the City of Linden, NJ, to install a rain garden that will mitigate flooding in Linden's Tremley Point neighborhood. A natural water filter, the rain garden will also restore wetlands and improve the local ecosystem and recreational space.

Faculty members and students from the Rutgers School of Engineering are now working with Linden's city engineer—Rutgers School of Engineering alumnus George Vircik—and a local consultant to design and construct the garden. The 50 feet long by 40 feet wide ground depression will intercept and slow down storm water runoff from paved and other hard areas while filtering out dog-produced pathogens from a nearby dog park. Native plants planted by local volunteers will assist the process and also provide food and habitat for birds, butterflies, and other pollinators. The City of Linden will maintain the garden with guidance from the Rutgers team.

"The project was conceived to help address

flooding in a vulnerable working class community of approximately 275 homes located in an industrial area," explains Dr. Qizhong (George) Guo, a professor of civil and environmental engineering at the Rutgers School of Engineering and a widely recognized flooding expert.

The Rutgers team traveled to the area a few years ago during a post-Hurricane Sandy flood study, sponsored by the New Jersey Department of Environmental Protection, to identify the causes of the problem, which were primarily rainfall induced flooding and tidal flooding from the Arthur Kill, via the Rahway River. Putting their education to practical use, the students brainstormed and designed a solution, which Guo describes as "wonderful hands-on education."

The project dovetails with a much larger \$2.7 million ongoing flood mitigation and ecosystem restoration project for Marshes Creek in the City of Linden recently funded by the National Fish and Wildlife Foundation (NFWF). It is a collaborative effort between Rutgers, the City of

Linden, Phillips 66 Bayway Refinery, and other area partners.

Headquartered in Houston, Texas, Phillips 66 is a diversified energy manufacturing and logistics company that processes, transports, stores, and markets fuels and products globally. The company's Bayway Refinery, located on the New York Harbor in Linden, NJ, was built in 1909. It employs approximately 800 people and processes mainly light, low-sulfur crude oil and distributes transportation fuels, petrochemical feedstocks, home heating oil and other refined products to East Coast customers by barge, truck, pipeline, and railcar. Phillips 66 has supported other Rutgers initiatives led by Dr. Guo, including a \$75,000 grant to the School of Engineering in 2015 to help enhance drainage capacity of the Marshes Creek, the other important component of the overall flood mitigation and community resiliency effort. www.Phillips66.com

Established in 1864, the School of Engineering at Rutgers University-New Brunswick is home to educational opportunity and innovation, pursuing work of enormous relevance to society and the economy through world-class research and important industry partnerships. With seven departments representing key engineering disciplines and world-renowned research centers, the School of Engineering currently enrolls approximately 4,800 undergraduate and graduate students, including doctoral students, and generates more than \$69 million in research expenditures annually. www.soe.rutgers.edu
