# SCHOLARSHIP FOR FUTURE EDUCATORS

Congratulations to future educator Susan Wong of Gillette who was selected as one of two recipients of the 2017 Watchung Hills Regional Education Association (WHREA) Scholarship for Future Educators. Lauren Wasserman of Green Brook Township is the other recipient.

"The WHREA is proud to honor Wasserman and Wong for their academic achievement and commitment to community," said WHREA President Kenneth Karnas. "Both girls are energetic and enthusiastic as students and they both have a wonderful record of teaching and helping others. Wasserman and Wong have many fine qualities that will aid in their pursuit of becoming teachers someday."

Susan Wong will attend Case Western Reserve University in Ohio next year as an education and psychology major. At WHRHS, Wong has been an outstanding student completing some of the most rigorous courses available in the curriculum. Throughout her academic career, only three times has she earned a grade lower than an "A" in her classes.

Besides shining inside the classroom, Wong has made meaningful contributions with several school organizations. According to Wong, "being involved with Track and Field, the INTERACT club, Peer Leaders and the GLC has been enjoyable, enriching and purposeful," Wong said. "These interactions have helped me foster incredible bonds with my peers, teammates and those I've served in the community."

An important part of community service for Wong has been her experience as a volunteer at the Murray Hill Chinese School. Helping as a teacher assistant at the school has further validated Wong's goal of someday working in the field of education.

"Every Saturday, I soothe and comfort students who are struggling to learn the new language and help them catch up when they are falling behind. I develop their trust by actively engaging in conversations and asking questions," Wong added.

With those younger students, Wong is a role

model. Additionally, Wong's connection to an older generation has also provided her with the motivation to someday become a teacher and the biggest influence has been her own family. Both her grandparents and parents are immigrants. They have often struggled with the English language and grasping the unique components of Western culture. Early on, Wong has always helped by being the translator in the family, the one who explained many of the unfamiliar American customs to elder family members.

Just like her work with the younger students at the Chinese school, those family interactions have been most influential in steering Wong along the path to become a future educator.

"Every interaction has the powerful effect of making a difference for both the teacher and the student. They help us to learn and understand each other," Wong said. "Working in education is the first step to giving back to my family and thriving community."

*(above) Seniors Susan Wong, left, of Gillette, and Lauren Wasserman, right, of Green Brook Township, are congratulated by WHREA (Watchung Hills Regional Education Association) President and Social Studies Teacher Kenneth Karnas on being named the recipients of the 2017 WHREA Scholarship for Future Educators.*

**A MESSAGE FOR COMMERCIAL  
REAL ESTATE BROKERS,  
LANDLORDS, FRANCHISORS AND  
PROFESSIONALS WHOSE CLIENTS  
NEED A CERTAINTY OF FUNDING.**

White Rose Funding is a direct and indirect lender that can provide funding for:

- Tenants in need of capital for a build-out, equipment or machinery;
- Franchisee and other Start-Ups in need of acquisition funding or working capital; and
- An established business that has sudden and temporary cash needs.

We provide flexible financing on fair terms that rewards the forwarder by offering:

- Financial remuneration to the forwarder; and
- A tailored solution for your client.

For example, a Landlord or Commercial Real Estate Broker is showing property to a prospective tenant, the location is ideal, but the build-out cost is likely beyond the tenant's initial budget. The Landlord seeks personal guarantees sensing there could be financial issues down the road. White Rose Funding could provide a term loan for the build-out, fixtures and equipment, and a working capital loan that will ring-fence the rent guarantee.

**There is no cost to your client unless we provide the financing.**

If the client does not enjoy prime credit status, we have relationships with preferred SBA Lenders that can make the process fast and efficient.

**When you need access to an alternate  
lending source for your business needs,  
please consider White Rose Funding.**

## GIRL SCOUT TROOP SILVER AWARD PROJECT

Long Hill Township Girl Scout Troop 4231 recently completed their Silver Award Project. Christine Robles, Ally Vatalare, Elizabeth Lee and Carolyn Russen spent the last year working on a Blanket Baby Project for the Long Hill Township Police Dept.

Each Scout helped to create 15 Blanket Babies

to be donated to the Police Department, to be given to small children who they come into contact with during emergency calls.

The Blanket Babies are meant to comfort small children who may become scared during police encounters.

Scouts used yarn to knit the small doll size

blanket babies, decorated and packaged them so that the dolls can be carried in each police vehicle, and also stored inside police headquarters.

Congratulations the scouts of troop 4231 for completion of their Silver Award Project.

## FREE A CAPPELLA SINGING LESSONS OFFERED BY WOMEN'S CHORUS

The Hickory Tree Chorus chapter of Sweet Adelines International invites women singers to register for its free "Sing A Cappella Series" of vocal workshops. Women will learn to sing chord-ringing, fun-filled, four-part a cappella music, Wednesdays, 7:15pm, July 5th and 12th at The Shrine of St Joseph, 1050 Long Hill Road, Stirling, NJ.

Each week guests will participate in vocal and physical warm-ups and work on a new song with the chorus.

Pam Hegarty, whose first introduction to the chorus was through the "Sing A Cappella Series" writes, "If you enjoy singing and the idea of creating music with a group, try Hickory Tree Chorus. I was greeted with such friendly support

and encouragement that I knew I'd made the right choice. I learned a lot about music during the series and continue to learn more now that I'm an official member. As much as music, this chorus is about camaraderie and joy. Come join us!"

The Hickory Tree Chorus performs regularly throughout the community, produces an annual show, and awards an annual \$1,000 scholarship to an area high school girl continuing her vocal music education in college.

For more information, or to register for the free "Sing A Cappella Series", visit [hickorytreechorus.org](http://hickorytreechorus.org), email [info@hickorytreechorus.org](mailto:info@hickorytreechorus.org) or call 908-377-1399.
