PETER BRAUN WESTFIELD'S MEMORIAL DAY PARADE GRAND MARSHAL

Mountainside resident Peter Braun was chosen to serve as this year's Grand Marshal for the annual Westfield Memorial Day Parade which was canceled due to inclement weather. The Parade is sponsored by the American Legion Martin Wallberg Post #3 and the Town of Westfield. Duty, honor and country are not just words to a West Point graduate. They are a way of life!

Born in Philadelphia, Peter moved to Westfield with his family in 1948. He attended school here and graduated Westfield High School in 1961. His sport of choice during high school was football. Peter attended prep school at the Manlius School in upstate New York. He was accepted into the U.S. Military Academy at West Point where he graduated in 1966. At West Point he lettered in football. As a key member of the West Point football team he is most proud of Army's win against Navy in the 1964 Army Navy game. The Navy Team was led by its Heisman Trophy winning quarterback Roger Staubach. This stunning victory by Army made headlines across the country. Five of the Army starters played both offense and defense. A book published in 2014 written by Nicolaus Mills, "Every Army Man is with You" tells the story of this memorable victory, the men who made it happen and their path from the gridiron to the Vietnam War then home again.

Peter served at Fort Carson in Colorado, and then went to Quang Tri Province in Vietnam where he was an advisor to the South Vietnam Military. His final year in the service he became an assistant football coach at West Point.

After serving his country, he left the service in 1970 at the rank of Captain to start his civilian

career.

Peter currently resides in Mountainside with his wife of twelve years, Lucille. Peter's brother, Michael, is an attorney in Chicago and his sister, Shelley, is a retired school teacher in Bridgewater, New Jersey. Peter has three children, Christina, Lindsey and Heather.

Peter began his career in institutional equities with Bear Stern where he focused on national money managers. He retired from there in 2010 as a managing director. Peter is currently associated with Financial Capital Management in business development.

To use Peter's words "I am deeply humbled to be selected as this year's Grand Marshal honoring the men and women veterans who made the supreme sacrifice for the freedoms we, Americans, hold so dearly."

KEAN TO HOST SEMINAR ON THE INTERNET OF THINGS

The rapid expansion of digital technology has led businesses and consumers alike to question their security. On Thursday, June 8, the Cybersecurity Center at Kean University and the Union County Small Business Development Center will co-host The Internet of Things (IoT), a free seminar exploring the vast array of networked devices that surround us and the associated risks, from 7:30 a.m. to 12:30 p.m. David Weinstein, New Jersey's first Chief Technology Officer, will deliver the keynote address at the event.

"Small businesses use technology to increase productivity and capabilities. Just imagine how losing control over these necessities can set them back?" said David Margulies, Director, Union County SBDC at Kean University. "We all need to be well versed on how to best mitigate this risk to ensure business continuity."

The Internet of Things refers to the diverse array of networked devices, ranging from cars and kitchen appliances to heart monitors, able to collect and exchange data through embedded sensors. The seminar will explore potential risks the IoT poses to small businesses and best practices for securing networked devices.

"While smart devices and systems are making life easier for users, the steady adoption of the Internet of Things and the integration of more smart systems into critical infrastructures are making industries and consumers more vulnerable to attacks—possibly with life-threatening repercussions," said Walter Rant, Managing Assistant Director, Cybersecurity Center at Kean University.

David Weinstein was appointed New Jersey's first ever Chief Technology Officer by Governor Chris Christie in June of 2016. Weinstein serves in Governor Christie's cabinet, oversees the New Jersey Office of Information Technology (OIT), and is responsible for developing and implementing strategic policies, information security standards, and requirements for all state departments and agencies.

Several expert speakers will provide valuable insights, industry best practices, and even a glimpse of the "DARK WEB" at The Internet of Things seminar. This is a free event. Breakfast will be served. To register visit: bit.ly/IoTSBDC

DISTINGUISHED ALUMNI SHINE AT ANNUAL KEAN UNIVERSITY AWARD CEREMONY

Five Kean University alumni, including George Gilcrest of Mountainside, were honored on Sunday, April 23, at the Alumni Association's annual Distinguished Alumni Award event held at the North Avenue Academic Building.

The recipients of the 2017 Distinguished Alumni Award share a strong work ethic and an unwavering commitment to their communities.

George Gilcrest '70 of Mountainside received a Kean bachelor's degree in secondary social studies and had a long career as an educator and youth mentor which included a Teacher of the Year award, before shifting his focus toward life as a special agent.

"I am always amazed by the caliber of our distinguished alumni each year, and this year was no exception," said Kean University President Dawood Farahi, Ph.D. "They are leaders in

business and their communities, each serving as shining examples of the quality education that is offered at Kean."

The Distinguished Alumni Award recognizes Kean alumni who have made significant contributions to society, and whose accomplishments, affiliations and careers have honored the legacy of excellence at the University. Recipients are accomplished in three distinct areas: professional achievement and career distinction; service to society; and service and support to Kean University. These areas reflect Kean's core value: excellence, integrity, leadership, loyalty, respect, and selfless services.

To see more details about this year's recipients as well as past recipients, please visit www.keanumni.org/distinguished-alumni-listings.

7TH ANNUAL MOUNTAINSIDE PTA SCIENCE FAIR

On Saturday, April 1, 2017 more than 80 students in grades 3-8 presented over 60 projects at the 7th Annual Mountainside PTA Science Fair held at Deerfield School in Mountainside.

Students could choose to present a demonstration or an experiment and have been working on their projects independently over the past two months. They demonstrated everything from cranes to slime, from Newton's cradle to the strength of glue. Experiments tried to answer such questions as "Do bigger lures catch bigger fish?," "Bottle flipping: luck, skill or science?," and "Do different types of music affect heart rate?"

The mission of this annual event is to foster the

love of science by encouraging Deerfield students to ask their own scientific questions and to explore the world around them with a fun, independent science project.

The Science Fair Committee recruited professors, chemists, pharmacists, teachers, researchers, parents, and community members as judges.

They volunteered their time to talk with each participant and offer them advice about their projects. We could not have run this event without them. First place and honorable mention ribbons were awarded at the end of the fair.

It was definitely an entertaining and educational experience for all!

At what age must you apply for Medicare benefits—even if you're still working? Neil Berger returns to the library to answer these questions and others regarding this complex topic. This popular 2-hour seminar, explained in easy-to-understand terms, is vital if you are approaching Medicare eligibility within the next few years or are a caregiver for (or the adult child of) someone approaching Medicare eligibility. Learn what Medicare covers, when to apply, penalties for late enrollment and the various options available. (Note: Mr. Berger is not affiliated with a financial organization, nor is he selling a service or product.)

"The American Revolution:

The New Jersey Connection"

Thursday, June 8, 7:00 PM.

Walter Choroszewski returns to the library with another riveting lecture about the history of the great state of New Jersey. From the tea burning at Princeton to the Treaty of Paris, he will present NJ's preeminent contributions to the Revolution with stories of the retreat

across the Jerseys and the triumphant return across the Delaware, battles at Princeton, Monmouth and Springfield, winters at Middlebrook and Morristown and Rochambeau's march through the Crossroads of the Revolution.

"Opera on Film Series"

Thursday, June 9 at 1:00 PM.

Friday Operas on Film series, sponsored by the T. Robel Hill Foundation and presented by Mena Clemson. This month Roberto Devereux by Gaetano Donizetti will be shown. Recorded in 1975 at the Wolf Trap Performing Arts Center near Washington, DC, this film stars Beverly Sills (who gives one of the great performances of her career) as Elizabeth I and John Alexander in the title role. Julius Rudel conducts the Filene Center Orchestra and the Wolf Trap Company Chorus.

"More Great Broadway Composers"

Saturday, June 10 at 2:00 PM.

Mountainside favorite Skip Ungar presents a lecture with music on some of those other wonderful Broadway musical composers including Frank Loesser ("Guys and Dolls"), Leonard Bernstein ("West Side Story"), Meridith Wilson ("The Music Man"), Julie Styne ("Funny Girl"), Burton Lane ("Finian's Rainbow"), and Charles Strouse ("Bye, Bye Birdie") just to name a few!

"Guided Meditation for Inner Peace"

Thursday, June 15 at 7:30 PM.

Join Sally Younghans each month as we explore the most talked about evidence based meditation techniques for inner peace, overall well-being and stress reduction. This month's topic is a guided meditation technique for anchoring thoughts.

"Author Visit: Michael Stephen Daigle"

Saturday, June 17, 1:00 PM.

Michael Daigle hails from New England, but has lived most of his life in New Jersey. He is the author of the Frank Nagler Mysteries, three books in a series where a pattern becomes evident. The stories have evil, a city in social and at times deliberate economic chaos, terrorism, death, a sense of hopelessness among the citizenry, streets filled with protestors, and empty broken buildings, piles of debris left by a terrible storm and ignored by an uncaring city government. And the stories all have a troubled hero — Detective Frank Nagler. Michael will read selected passages from all three mysteries.

A MESSAGE FOR COMMERCIAL REAL ESTATE BROKERS, LANDLORDS, FRANCHISORS AND PROFESSIONALS WHOSE CLIENTS NEED A CERTAINTY OF FUNDING.

White Rose Funding is a direct and indirect lender that can provide funding for:

- Tenants in need of capital for a build-out, equipment or machinery;
- Franchisee and other Start-Ups in need of acquisition funding or working capital; and
- An established business that has sudden and temporary cash needs.

We provide flexible financing on fair terms that rewards the forwarder by offering:

- Financial remuneration to the forwarder; and
- A tailored solution for your client.

For example, a Landlord or Commercial Real Estate Broker is showing property to a prospective tenant, the location is ideal, but the build-out cost is likely beyond the tenant's initial budget. The Landlord seeks personal guarantees sensing there could be financial issues down the road. White Rose Funding could provide a term loan for the build-out, fixtures and equipment, and a working capital loan that will ring-fence the rent guarantee.

There is no cost to your client unless we provide the financing.

If the client does not enjoy prime credit status, we have relationships with preferred SBA Lenders that can make the process fast and efficient.

When you need access to an alternate lending source for your business needs, please consider White Rose Funding.

RELAY FOR LIFE

(above) Candy Bar was donated by Sugar Rush of Mountainside.

At the time of this writing the American Cancer Society posted on their website that 544 participants raised \$150,311.59 for the Relay for Life of Berkeley Heights, Mountainside, New Providence and Summit which was held on May 13, 2017 from 4 p.m. to midnight.

The event was moved indoors to Governor Livingston High School in Berkeley Heights due to poor weather conditions but that didn't dampen the spirits of the 75 teams, the survivors and their families, and the many volunteers and supporters who joined in the effort.

The Relay For Life movement unites communities across the globe to celebrate people

who have battled cancer, remember loved ones lost, and take action to finish the fight once and for all. Relay For Life events are community gatherings where teams and individuals camp out at a school, park, or fairground and take turns walking or running around a track or path. Teams raise funds in the months leading up to the event. Relay For Life is the world's largest fundraising event to fight every cancer in every community, with four million participants in 6,000 events worldwide in 2015.

Donations can still be made by visiting relayforlife.org/BerkeleyHeightsNJ.

DEERFIELD SCHOOL 5TH GRADERS CELEBRATE EARTH DAY IN MOUNTAINSIDE

In celebration of Earth Day, the fifth grade students at Deerfield School in Mountainside took part two wonderful activities. To start off the afternoon, a Flowering Dogwood Tree was planted on school grounds.

The tree was given to the school courtesy of the County of Union. Following the tree planting,

students participated in a community clean-up activity. On a nature walk of the school property, and while wearing gloves, they collected any garbage that they came across. The afternoon was a huge success and students saw first-hand the benefits of cleaning and protecting our earth's natural resources.
