## SCOUTS REACH NEW HEIGHTS AT CAMPOREE

Members of Watchung Cub Scout Pack 32 enjoyed another fun-filled family camping experience at the Watchung Mountain District Spring Camporee last month. Despite a dire weather forecast of a massive thunderstorm, those that made the short drive up to Mount Allamuchy Scout Reservation in Stanhope found instead cool temperatures and pockets of sunshine throughout the weekend. For most, this was their first time at Allamuchy. Which meant they got to experience a kid's zip-line, a huge rock wall, a wide open fishing dam, a rolling brook, and row boats in the picturesque lake. Additionally, the Scouts kept busy playing carnival games on the parade field, shooting targets at the BB gun and Archery ranges, as well as exploring trails and climbing rocks around camp. After rehearsing throughout the day, the boys flawlessly performed their silly skit, called "Airplane Disaster," to laughter and applause from the packed house at the lakeside ampitheater. Before heading back to their site for some campfire time, they were priviledged to witness the ceremonial retirement of an American Flag by the Boy Scout and Venture patrols on duty.

The Watchung Mountain District in the Patriot's Path Council holds two Camporees each year, one in the Spring and one in the Fall. Whether a scout and his family come up for just the day full of activities or decide to camp overnight, they always have a wonderful time in the great

outdoors. The pack has spare equipment to loan out for any family that wants to try out the overnight Camporee experience. If you or any of your friends are interested in learning more about the outdoor activities that the Cub Scouts do all year long, send an email to [pack32chair@gmail.com](mailto:pack32chair@gmail.com).

### "Tailored Financing for Today's Small Business"

**844.WRFUNDS / 844.973.8637**

**A MESSAGE FOR COMMERCIAL  
REAL ESTATE BROKERS,  
LANDLORDS, FRANCHISORS AND  
PROFESSIONALS WHOSE CLIENTS  
NEED A CERTAINTY OF FUNDING.**

**White Rose Funding** is a direct and indirect lender that can provide funding for:

- Tenants in need of capital for a build-out, equipment or machinery;
- Franchisee and other Start-Ups in need of acquisition funding or working capital; and
- An established business that has sudden and temporary cash needs.

We provide flexible financing on fair terms that rewards the forwarder by offering:

- Financial remuneration to the forwarder; and
- A tailored solution for your client.

For example, a Landlord or Commercial Real Estate Broker is showing property to a prospective tenant, the location is ideal, but the build-out cost is likely beyond the tenant's initial budget. The Landlord seeks personal guarantees sensing there could be financial issues down the road. White Rose Funding could provide a term loan for the build-out, fixtures and equipment, and a working capital loan that will ring-fence the rent guarantee.

**There is no cost to your client unless we provide the financing.**

If the client does not enjoy prime credit status, we have relationships with preferred SBA Lenders that can make the process fast and efficient.

**When you need access to an alternate  
lending source for your business needs,  
please consider White Rose Funding.**

## 11TH ANNUAL PROJECT FABRICLAND WINNERS

Four young fashion designers won first prize in their age group at the 11th Annual Project Fabricland Fashion Show held on Sunday May 12 at the North Plainfield High School auditorium.

Modeled after the successful TV series Project Runway, each year Fabricland chooses a theme to inspire their students. This year the theme was 'Make it Iconic'. Students had to choose their favorite icon (Lady Gaga, Madonna, etc.) and create a diva inspired garment. A panel of local professional dressmakers chose the winners based on creativity, quality of sewing, fit, use of inspiration and a design board.

A crowd of over 200 people were entertained by the Mark Peterson Band. NJ's own Helen Castillo from Project Runway (season 12 and All-Stars season 4) presented the awards. Ticket proceeds of \$1,000 were donated to Dress for Success whose mission is to empower women to achieve economic independence by providing a network of support, professional attire and the development tools to help women thrive in work and in life, morriscounty.dressforsuccess.org.

For more information on Project Fabricland or summer sewing classes for kids and adults, visit fabricland.com or call 908-755-4700.

## GARDEN CLUB AT BAYBERRY SCHOOL ARBOR

### FEET FIRST

by Jyotsna Thapar, DPM

Most of us ignore them, but all of us depend on them. The sad fact is that most people only start to pay attention to their feet when something hurts. Four out of five adults eventually develop foot problems and most of them could have been prevented. Taking care of your feet includes making sure that shoes fit properly, that feet are kept clean and dry and small problems are taken care of before they become big ones. With 26 bones, 20 muscles, and 3 joints in each foot, there is a lot that can go wrong. In the weeks to come, we'll be bringing you information on your feet, how to care for them and possible corrective measures.

The entire staff at ANKLE & FOOT SPECIALIST OF NJ, LLC, is pleased to welcome you to our column. Of considerable significance in caring for feet of any age, or any gender, is choosing the right podiatrist. Bearing in mind how much our feet do for us, the least we can do is to provide them with a comfortable environment, preventive care before problems occur, and professional care when they do. Comprehensive, compassionate foot care is available at:

### EMERALD ASH BORER WARNIN

The Emerald Ash Borer is an invasive insect that infests and kills only ash trees. The insect has now been found in New Jersey including Somerset and Middlesex counties and may now be in Union County.

Homeowners should determine if they have an ash tree on their property and decide whether to treat or remove their ash trees. If left untreated, an ash will likely be infected and killed by the Emerald Ash Borer. The dead ash tree will become brittle and dangerous. Please visit our website here to see how you can identify an ash tree. For more information please visit: [emeraldashborer.nj.gov](http://emeraldashborer.nj.gov), [emeraldashborer.info](http://emeraldashborer.info), or [forestry.nj.gov](http://forestry.nj.gov).

# PATRONS GET CAUGHT READING AT LIBRARY

May was "Get Caught Reading" Month, and the Friends of the Watchung Library made it fun!

The Friends set up a series of "Catch 'Em Reading" Scavenger Hunts - stuffed toys were placed around the library, each with a favorite book, waiting to be found. Participants had to find all of the reading animals in order to complete a quiz sheet with questions like "Who did you catch reading Hop on Pop?" (Answer: A bunny.) And "Who is boning up on his reading?" (Answer: The puppy.) Prizes were offered for completed quiz sheets. The Friends expected children to enjoy the hunts, but it turned that young and old alike joined in. Librarian Sharon Orlando reported "I had the best time searching for animals and books!!! It was a delightful experience - and I wasn't alone in doing it. Another grown-up was on the prowl, looking to catch animals reading."

Another activity the Friends set up just for fun was the Reading Rogues Gallery. Patrons of all ages posed for mug shots with the books they had been caught reading. One young man was so determined to wear a serious expression for his photo that he practiced in front of the mirror in the lavatory, only to have his sister tease him and make him laugh! Photos of Watchung readers can be found on the Friends' web site under the tab "Reading Rogues Gallery" (<http://www.friendsofwatchunglibrary.org/reading-rogues-galler.html>).

Noting that May 6th was the 16th annual Free Comic Book Day, the Friends decided to participate with a give-away of their own - Free Book Day. A couple dozen library patrons chose their favorites from 79 selected graphic novels, Star Trek books, and fantasy novels. Friends' board member Gayle Bernhaut was enthusiastic about the results, "Not only did we attract people into the library who might not have visited otherwise and might not have even known about our book store, Second Story Books, but, by giving away these books, we are also encouraging literacy."

(above) Library patron Peggy Ellis got caught reading a novel by Janet Evanovich - one of her favorite authors.

(above) Library patron Marcia Walsh got caught with a whole stack of books!

# HAPPINESS WORKSHOP

"Happy Brain Science for Everybody," a fun and helpful workshop based on positive psychology and the science of happiness, is coming to the Watchung Library this month. Thanks to the generosity of the Friends of the Watchung Library, the workshop, to be held Thursday evening, June 29th, from 7 to 9 p.m. in the Bicentennial Room of the Watchung Library, is offered free of charge.

Gross National Happiness USA President, and creator of the Happiness Paradigm, Ginny Sassaman says that every one of us can train our brains to be happier and, therefore, more creative, resilient, optimistic, compassionate, and better equipped for appreciating joy. Sassaman promises a treasure trove of tools and strategies proven to help us feel better and thrive as well as to equip us to be kinder and more effective in our families, communities, and the world at large.

It may be brain science, but in this interactive workshop, everyone can learn many different methods to increase their H.Q. (happiness quotient).

(above) Ginny Sassaman, President of Gross National Happiness USA, will present in Watchung Library on June 29th.

The community is invited to attend the three-day festival, to witness exhibitions of 2 and 3-dimensional visual art as well as film screenings, theatrical, musical and choral performances involving students of all grades and levels. Admission is free.

### Monday, June 5

The festival kicks off at 5:30 p.m., with the visual arts opening.

Works in all mediums including drawings, paintings, photographs, ceramic works, sculptures, crafts, graphic design pieces and creations made from wood will be on display in the Atrium at the main entrance of the school and around the arts wing. These works will remain up for the duration of the festival.

Shakespeare in the Park begins at 6:30 p.m. Students will perform in an outdoor space, excerpts and monologues from a collection Shakespeare's greatest works, including "The Taming of the Shrew" and "A Midsummer Night's Dream."

### Tuesday, June 6

The Spring Choral Concert will be held in the Performing Arts Center from 7 to 9 p.m. This is on a different night of the week than it has been held in the past. Students in the Chorus, Advanced Chorus, and Ensembles will be performing works by Green Day, Bruno Mars, Ray Charles, and Billy Joel, as well as songs from Broadway's "Hairspray," the film, "Pitch Perfect," and more.

### Wednesday, June 7

## KEAN TO HOST SEMINAR ON THE INTERNET OF THINGS

The rapid expansion of digital technology has led businesses and consumers alike to question their security. On Thursday, June 8, the Cybersecurity Center at Kean University and the Union County Small Business Development Center will co-host The Internet of Things (IoT), a free seminar exploring the vast array of networked devices that surround us and the associated risks, from 7:30 a.m. to 12:30 p.m. David Weinstein, New Jersey's first Chief Technology Officer, will deliver the keynote address at the event.

"Small businesses use technology to increase productivity and capabilities. Just imagine how losing control over these necessities can set them back?" said David Margulies, Director, Union County SBDC at Kean University. "We all need to be well versed on how to best mitigate this risk to ensure business continuity."

The Internet of Things refers to the diverse array of networked devices, ranging from cars and kitchen appliances to heart monitors, able to collect and exchange data through embedded sensors. The seminar will explore potential risks the IoT poses to small businesses and best

practices for securing networked devices.

"While smart devices and systems are making life easier for users, the steady adoption of the Internet of Things and the integration of more smart systems into critical infrastructures are making industries and consumers more vulnerable to attacks—possibly with life-threatening repercussions," said Walter Rant, Managing Assistant Director, Cybersecurity Center at Kean University.

David Weinstein was appointed New Jersey's first ever Chief Technology Officer by Governor Chris Christie in June of 2016. Weinstein serves in Governor Christie's cabinet, oversees the New Jersey Office of Information Technology (OIT), and is responsible for developing and implementing strategic policies, information security standards, and requirements for all state departments and agencies.

Several expert speakers will provide valuable insights, industry best practices, and even a glimpse of the "DARK WEB" at The Internet of Things seminar.

This is a free event. Breakfast will be served. To register visit: [bit.ly/IoTSBDC](http://bit.ly/IoTSBDC)

## SCLSNJ WANTS YOU TO CHALLENGE YOURSELF

The possibilities are endless this summer at your library. Somerset County Library System of New Jersey is challenging you to shoot for the stars, build a better world, make a difference, and explore culture, music, and art with SCLSNJ's Summer Reading Challenge. SCLSNJ's Summer Reading Challenge, spanning June 19 through August 19, supports lifelong learning for all ages.

"What challenges you is different from what challenges someone else," said Carolann DeMatos, SCLSNJ's director of marketing and public relations. "We want you to embrace that and explore the limitless possibilities at our libraries. If you find that you typically read nonfiction, challenge yourself to read fiction; if you typically only visit the library to check out CDs, challenge yourself to stay for a drumming demo; if you find you spend three hours a day playing video games, challenge yourself to go outside and get active; if you find that you love looking at the night sky, challenge yourself to learn more about our universe."

SCLSNJ's Summer Reading Challenge for 0-18 year olds will track the number of days read between June 19 and August 19. Prizes celebrating participation milestones will be offered along the way. SCLSNJ will offer the opportunity for kids and teens to make a difference by choosing to have SCLSNJ make a donation to Somerset Regional Animal Shelter instead of collecting a prize. SCLSNJ will donate \$0.25 to SRAS (up to \$750) for every reader that chooses to give back.

SCLSNJ's Summer Reading Challenge for adults 18+ years old will track number of books read. The more books read, the better a

participant's chance of winning prizes. You can also earn "Golden Tickets" that can be entered to be selected for a grand prize at the end of the summer.

SCLSNJ's 10 library branches will offer a wide array of special programs for all ages to encourage you to challenge yourself to learn something new and different.

"From Creature Conservation with Adventure Aquarium to making a difference with Cards and Drawings for a Cause; from a presentation by one of the thirteen original United States' NASA Solar System ambassadors to Bollywood Dance, there are literally hundreds of options for you to explore at the library this summer," said Marcela Dunham, SCLSNJ system programming coordinator.

To accept the challenge, visit [SCLSNJ.org/SummerReading](http://SCLSNJ.org/SummerReading) or your local SCLSNJ library branch.

About Somerset County Library System of New Jersey

Somerset County Library System of New Jersey (SCLSNJ) partners with you to connect, to explore, to share and to discover. Together we enrich lives, expand knowledge and strengthen communities. SCLSNJ branches can be found in Bridgewater, Bound Brook, Hillsborough, Manville, North Plainfield, Peapack & Gladstone, Rocky Hill at Mary Jacobs Memorial Library, Somerville, Warren Township, and Watchung. Additionally, there are two SCLSNJ reading stations in Branchburg and Washington Valley. Visit [SCLSNJ.org](http://SCLSNJ.org) for further information about library services offered at SCLSNJ.
