AUTISM NJ CHECKS PRESENTED IN FANWOOD

A Fanwood family's hard work and dedication in supporting people with autism came to a crescendo on June 6, 2017 when they presented a check for \$13,500 to Autism New Jersey at an event held at Sheelen's Crossing on South Avenue.

The proceeds from April's Rockin For Autism fair in Fanwood, along with additional online donations, totaled \$13,500 and were presented by the Banks family, led by 15-year old Mallory Banks who's been raising money for autism causes in the name of her brother, Ethan, who has autism, for a number of years. With the support of their parents, Gina and Jeff Banks, they staged the outdoor fair at LaGrande Park for a second year in a row, drawing crowds second only to the Fanny Wood Day street fair.

The Fanwood Police Benevolent Association Local 123 also donated \$200 to Autism NJ and a check was presented by PBA Treasurer, Officer Dan Kranz, and Lt. Frank Marrero, Fanwood PD.

FUNDING

"Tailored Financing for Today's Small Business"

www.whiterosefunding.com

844.WRFUNDS / 844.973.8637

A MESSAGE FOR COMMERCIAL REAL ESTATE BROKERS, LANDLORDS, FRANCHISORS AND PROFESSIONALS WHOSE CLIENTS NEED A CERTAINTY OF FUNDING.

White Rose Funding is a direct and indirect lender that can provide funding for:

- Tenants in need of capital for a build-out, equipment or machinery;
- Franchisee and other Start-Ups in need of acquisition funding or working capital; and
- An established business that has sudden and temporary cash needs.

We provide flexible financing on fair terms that rewards the forwarder by offering:

- Financial remuneration to the forwarder; and
- A tailored solution for your client.

For example, a Landlord or Commercial Real Estate Broker is showing property to a prospective tenant, the location is ideal, but the build-out cost is likely beyond the tenant's initial budget. The Landlord seeks personal guarantees sensing there could be financial issues down the road. White Rose Funding could provide a term loan for the build-out, fixtures and equipment, and a working capital loan that will ring-fence the rent guarantee.

There is no cost to your client unless we provide the financing.

If the client does not enjoy prime credit status, we have relationships with preferred SBA Lenders that can make the process fast and efficient.

When you need access to an alternate lending source for your business needs, please consider White Rose Funding.

JUNIOR TREE MULCHERS

The members of the Park Middle School Environmental Club learned how to mulch trees during a workshop at Carriage House Park in Fanwood. The club members, Erin Ryan, Zuzanna Szewc, Tia Culjak and Olivia Vella,

learned to never pile mulch up against the tree trunk but instead to spread the mulch in a donut shape around the tree. The workshop was sponsored by the Fanwood Shade Tree Commission.

CODE CLUB GRADUATES 13 PARK SCHOL GIRLS

The Park Middle School Girls Who Code Club graduated 13 coders from their 2016-2017 class. Throughout the academic year, girls from grades 5 through 8 met once a week after school and were introduced to computer science concepts. The club year concludes with a "CS (Computer Science) Impact Project," where they design, build, and test code they developed applying computer science concepts to solve a problem relevant to the classroom and community. This year's club community-focused problem was bullying.

At their club graduation held on June 6th, coders from Park Middle School, initially having minimal to no exposure to computer science, showcased 8 CS Impact Projects that were created using Scratch and Python. Each project

adopted a unique approach bringing attention to anti-bullying in their community, raising situational awareness through interactive animations, quizzes, and games coded by club members.

To complete the project, Club members learned the Core4 computer science concepts throughout the academic year that form the basis for all computer programming languages, loops, variables, conditionals, and functions.

About Girls Who Code:

Girls Who Code is a national non-profit organization working to close the gender gap in technology. Girls Who Code is leading the movement to inspire, educate, and equip young women with the computing skills to pursue 21st century careers.

PARENTS WHO HOST LOSE THE MOST

Parents Who Host Lose the Most is a program which the Scotch Plains - Fanwood Municipal Alliance Committee (MAC) is utilizing to bring awareness to teens and parents about the consequences of hosting teen drinking parties. The campaign is designed to educate parents regarding the risks—legal and otherwise—of serving alcohol at teen parties.

A few facts about underage use of alcohol and the law:

It is a criminal offense in New Jersey to serve

alcohol to anyone who is under the legal age of 21 and to make your home or property available for the purpose of allowing minors a place to consume alcohol.

New Jersey's Social Host Liability Law imposes civil penalties on social hosts who serve alcohol to anyone who is under the legal age of 21. The same law imposes civil penalties on social hosts who serve alcohol to minors who subsequently are involved in incidents causing death or injury.

SUMMER FAN JAM TO ROCK LAGRANDE PARK

Live rock music, food trucks and classic cars will transform Fanwood's LaGrande Park on Sunday July 9th into the 1st Annual Fanwood Summer Fan Jam. The free festival is run by the Greater Westfield Area Chamber of Commerce (GWACC) with contributions from local sponsors.

Fan Jam goers can rock out to a diverse lineup of live bands in the park, feast on food truck cuisine, kick back in the beer and wine garden and peruse a fleet of vintage and classic cars. "This is exactly the event Fanwood has needed," said event organizer Aimee Nuzzo. "This is going to generate a lot of new interest in our town." There will be a KidsZone with obstacle course and other attractions. Food Trucks will serve up edibles from Sicilian Rice Balls to Empanadas. The music fest, which runs from 11am – 6pm, is supported by several sponsors including School of Rock Clark, Fanwood Animal Hospital, Goddard School, Two River Bank and Lightbridge Academy.

Starting at 11 am, the Clark School of Rock House Band will perform on a large stage equipped with a pro sound system and engineer. They will be followed at 12 noon by the Bored of Ed, a hard rock group. At 1 pm, The Broadcasters will play an assortment of Classic Rock. 2:45 pm will bring the Alternative Rock band, Uber Jesus. Headlining the day will be Black Dog, the popular Led Zeppelin Tribute band. A vintage and classic car show hosted by Hot Rod Mike will begin at 10 am along Marian Ave, which will be closed to other traffic from 2nd Street to Helen Street.

There is plenty of free parking in the South Side lot of the Fanwood train station. Bring your folding chairs and blankets and spend the day!

Please note that pets, skateboarding and roller blading are prohibited in the festival area. For further information, please contact the GWACC, 908-233-3021, or visit the website www.gwaccnj.com and look for Street Fairs.
