## CATHARINE KELLY MEADE EARNS GIRL SCOUT GOLD AWARD

On Sunday, May 21st, Catharine Kelly Meade of Clark received her Girl Scout Gold Award which is the highest and most prestigious achievement within the Girl Scouts of the USA. To attain this recognition, a Girl Scout must identify an issue, take action to achieve the goal, as well as educate and inspire. This endeavor requires at least 100 hours of commitment.

Kelly learned that Union County was in need of a 5K route located within the Watchung Reservation. She anticipated a route that the public could enjoy and possibly utilize for approved fundraisers. For several months, Kelly explored various trails using a measuring wheel to calculate the exact distance covered in addition to securing a route that would be both pleasurable and be composed of terrain that would be appropriate for all users. Once the route was determined and approved by the Union County Superintendent, Kelly developed and incorporated the 5K route into a map of the reservation that is available to the public.

Because Kelly wished to share her passion for riding horses, Rachael Bechtold, Stable Manager, approved a visit to Watchung Stable for Saint John the Apostle Girl Scout Junior Troop 40979. Kelly welcomed the troop pointing out the basics of horseback riding, safety, and horse anatomy. The girls satisfied all the requirements and earned their Horseback Riding badge.

Kelly was the first to organize a 5K benefit using the trail she had established. On Saturday, June 17, 2016 almost 50 walkers completed the 5K and enjoyed refreshments that were provided. All donations were used to purchase blankets and saddles for the school horses of Watchung.

Kelly is a student at Mount Saint Mary Academy in Watchung and the daughter of Tom and Pam Meade.

## CDC THEATRE INVITES DIRECTOR'S SUBMISSIONS FOR ITS 100TH SEASON

CDC Theatre in Cranford NJ is New Jersey's longest continuously producing community theatre and we are looking for Director's submissions for our 2018-2019, which will be the theatre's 100th! We will consider directors within a broad range of experience and are looking for people who will bring their enthusiasm to our theatre and the community.

Our season runs from September through June during which we typically program two musicals, a play and a children's production. Directors interested in working with us are asked to submit no more than three shows for our Program

Committee to consider, along with a synopsis of each show. We also ask that you include your resume, a brief statement of your interest in the shows and why you chose to submit to CDC Theatre.

The deadline for submissions is September 1. Directors who have submitted a project that is of interest to CDC Theatre will be contacted via e-mail on or about October 1 so that we might schedule an interview.

Forms and additional information may be found by visiting our website at [www.cdctheatre.org](http://www.cdctheatre.org).

**A MESSAGE FOR COMMERCIAL REAL ESTATE BROKERS, LANDLORDS, FRANCHISORS AND PROFESSIONALS WHOSE CLIENTS NEED A CERTAINTY OF FUNDING.**

White Rose Funding is a direct and indirect lender that can provide funding for:

- Tenants in need of capital for a build-out, equipment or machinery;
- Franchisee and other Start-Ups in need of acquisition funding or working capital; and
- An established business that has sudden and temporary cash needs.

We provide flexible financing on fair terms that rewards the forwarder by offering:

- Financial remuneration to the forwarder; and
- A tailored solution for your client.

For example, a Landlord or Commercial Real Estate Broker is showing property to a prospective tenant, the location is ideal, but the build-out cost is likely beyond the tenant’s initial budget. The Landlord seeks personal guarantees sensing there could be financial issues down the road. White Rose Funding could provide a term loan for the build-out, fixtures and equipment, and a working capital loan that will ring-fence the rent guarantee.

**There is no cost to your client unless we provide the financing.**

If the client does not enjoy prime credit status, we have relationships with preferred SBA Lenders that can make the process fast and efficient.

**When you need access to an alternate lending source for your business needs, please consider White Rose Funding.**

## RAHWAY YMCA PROVIDES SPECIALIZED ARTS PROGRAMMING

Thanks to funding from a Union County Heart Grant, The Gateway Family YMCA and The Jardine Academy had the opportunity to collaborate on a Specialized Arts program at the Rahway Branch YMCA, located at 1564 Irving Street in Rahway, NJ.

The YMCA offers a Specialized Arts Inclusive Learning (SAIL) program and views the arts as a creative outlet in which the uniqueness and individuality of each artist is celebrated, regardless of physical or cognitive abilities. The Jardine Academy, located in Cranford, NJ, is an approved private school of the New Jersey Department of Education. The academy provides elementary and secondary education for children and young adults, ages 3-12, with multiple disabilities.

Over the course of several weeks, the YMCA and The Jardine Academy worked together to provide the students of 12 classrooms with an opportunity to create their class's painting masterpiece. "Our goal was to provide each student with an opportunity to create and explore their artistic talents in an atmosphere that is fun, inspiring and supportive while offering opportunities for increased activity and social engagement – thereby boosting their overall spiritual, mental and physical experience," stated Krystal R. Canady, CEO, The Gateway Family YMCA.

"The concept of the project was to create a painting/collage that expresses each individual's method of moving forward," stated Rodger D. Koerber, Branch Executive Director of The Gateway Family YMCA Rahway Branch. "Each student has a different means of mobility, whether it is walking, walking with the aid of crutches or a walker or using a wheelchair." The paintings were created by putting the paint color choice of the student on the bottom of their feet, the wheels of a walker or the wheels of their chair and have them "move forward" over the canvas. The end result was 12 unique paintings/collages that are proudly displayed on the walls of the Jardine Academy's cafeteria.

The Gateway Family YMCA is a 501(c)(3) non-profit, community service organization of caring staff and volunteers dedicated to strengthening the foundations of community and stands For Youth Development, For Healthy Living and For Social Responsibility. The Gateway Family YMCA impacts the community by providing quality services to people of all

ages, races, faith or incomes. The Y doesn't just strengthen bodies – it strengthens people, families and communities.

Saying goodbye to the place where you've lived and created memories can be very stressful. My own relocation to New Jersey has helped me to personally relate to my clients, and become the agent I am today. I can assist in relieving a lot of the anxiety that most homeowners and buyers experience.

VALLEY ROAD SCHOOL MYSTERY NIGHT

Valley Road School held one of its Reading Evenings. This one was Mystery Night where students in grades 4 and 5 try to figure out a mystery by watching teachers put on a skit and then going into two rooms set up with clues. Students had to seek evidence from the skit and the physical clues in the rooms. This was much the same as seeking text evidence when they read.

It was a night of campfires, mystery and teamwork as the third, fourth and fifth graders of Valley Road Elementary School put their minds together to solve what had happened that night at the campsite. Each group of students was given a map and story that was read by Mrs. Peitz. After the story was finished they were guided to two separate rooms. Each room had clues to what had happened that night at the campsite. The students worked together to collect clues and used their minds as they walked around a mock campfire and campsite. The smiles and excitement lit up the room as the students all realized who the aliens were! It was a fun night full of mystery and laughter.

## EMERGENCY BLOOD DRIVE IN CLARK AUGUST 14

New Jersey Blood Services (NJBS), a division of New York Blood Center (NYBC), has declared a blood emergency with an appeal to local residents to donate blood at Whole Foods Market, 1255 Raritan Road, on Monday, August 14 from 1:00 pm to 7:00 pm outside the store on the NJBS bloodmobile.

As a thank you, the first 30 donors will receive a voucher for a \$10 Whole Foods Market gift card and refreshments. All donors will also receive a coupon for \$10 off a \$50 Whole Foods Market purchase.

Save Lives by Giving Blood:

Blood is needed now since donations have fallen off and tends to be lowest during the summer months as many travel on vacation. Recent national tragedies are reminders that it is imperative to always have an adequately stocked blood supply to respond when communities are faced with patient traumas or other events that require life-saving blood products.

To make an appointment, go to <http://tinyurl.com/wholefoodsblooddrives>. Walk-ins are also welcomed. Qualified donors should be at least 16 years of age (with parental consent) and weigh at least 110 pounds, however other height and weight restrictions apply. Blood donors must be in generally good health, present NYBC Donor Card or photo or signed ID, and eat and drink at regular meal times. Persons over 75 years of age can donate with a note from their physician.

To donate blood or for information on how to organize a blood drive Please call Toll Free: 1-800-933-2566 Visit: [www.nybloodcenter.org](http://www.nybloodcenter.org).

More About Blood Donations:

The entire donation process takes less than an hour and a single donation can be used to save multiple lives. Donors with O-negative blood type, or "universal donors," are especially encouraged to donate, as their blood can be used in emergencies. Nearly 2,000 donations are needed each day in New York and New Jersey alone. About one in seven hospital admissions

requires a blood transfusion, and with a limited shelf life, supplies must be continually replenished.

If you cannot donate but still wish to participate in bringing crucial blood products to patients in need, please ask someone to donate for you, or consider volunteering at a local blood drive.

Any company, community organization, place of worship, or individual may host a blood drive. Blood donors receive free mini-medical exams on site including information about their temperature, blood pressure and hematocrit level. About New York Blood Center:

Now more than 50 years old, New York Blood Center (NYBC) is a nonprofit organization that is one of the largest independent, community-based blood centers in the country. NYBC's mission is to serve the 20 million people in the New York metropolitan area — and more broadly, our nation and our world — by alleviating human suffering and preserving human life using our medical expertise.

Each year, NYBC provides approximately one million blood products to nearly 200 hospitals in the Northeast. NYBC also provides a wide array of transfusion-related medical services. NYBC is also home to the world's largest public cord blood bank, which provides stem cells for transplant in many countries, and a renowned research institute, which — among other milestones — developed the hepatitis B vaccine and innovative blood purification technology.

## TWELVE LOCAL CHAMBERS HOLD POWER NETWORKING EVENT IN CLARK

Twelve local and regional chambers of commerce held a joint power networking event July 26 at the Clark Holiday Inn, drawing approximately 150 business professionals from Union, Middlesex, Somerset counties and beyond.

The event was a joint effort of the Gateway Regional Chamber of Commerce, which spearheaded the gathering; the Black Business Alliance Chamber of Commerce; the Clark Chamber of Commerce; the Cranford Chamber of Commerce; the Edison Chamber of Commerce; the Kenilworth Chamber of Commerce; the Linden Chamber of Commerce; the Greater Westfield Area Chamber of Commerce; the Woodbridge Metro Chamber of Commerce; the Suburban Chamber of Commerce; the Irish Business Association; and the Somerset Hills Business Network.

"Networking is the life blood of any small to medium-sized business, as well as business

development professionals within larger companies," said Jim Coyle, president of the gateway regional Chamber of Commerce. "As chambers of commerce, it is our job to facilitate networking for our members and to put them in positions to connect with potential customers and strategic partners. This was an opportunity to do so on a much larger scale than any of these chambers normally can do singularly."

Coyle anticipates the joint event will become an annual gathering.

### ABOUT THE GATEWAY REGIONAL CHAMBER OF COMMERCE

The Gateway Regional Chamber of Commerce is the largest business association in the New York/Northern New Jersey Region, comprising 12 regional and local chambers. With 1,200 members, the Gateway Regional Chamber of Commerce has a 95 percent retention rate, the highest in the country.
