LINDEN HIGH SCHOOL ITALIAN NATIONAL HONOR SOCIETY

On the evening of Wednesday, October 26th 2016, slightly more than 2 months after the destructive earthquake of August 24th that devastated large parts of central Italy and stole nearly 300 lives, Italy was once again struck by two earthquakes of magnitude 5.5 and 6.1. Thankfully there were no additional fatalities, yet the physical destruction of these cities and towns was colossal, and it was expected to require years to recover. This is the year that the Linden High School community took part in the Italian Exchange program. Just a few short months prior to the devastation Linden High School hosted their Italian brothers and sisters and were set to visit

Italy in just a few short weeks. Therefore, they felt it necessary to act in some small way to help ease the pain of this destructive natural disaster. Through an apparel sale, the Italian National Honor Society raised \$300 which was then donated to the Italian American Relief Organization sponsored by the National Italian American Foundation. Students and those who made donations should be very proud that their efforts are part of the nearly 8 million dollars raised for those in the towns of Accumoli, Amatrice, Posta and Arquata del Tronto where there are still thousands of Italians homeless. Italy, we are with you! L'Italia, siamo con voi!

May 13th marked the official opening of the new Laundry Warehouse laundry superstore in Linden. Located in the Planet Fitness Shopping Center at 1143 West St. Georges Ave. Laundry Warehouse is a state-of-the-art laundromat offering self-service and expert drop off wash, dry, and fold service. The company choose the City of Linden for the tenth store in its growing chain.

The new Linden store is spacious, at 4,000 square feet, and contains over 110 washers and dryers of all different sizes to handle everything from the normal sized laundry loads to the biggest items like bedding, drapes, and rugs.

The brand new laundry features generous customer seating areas with five big flat-screen TVs and plenty of free on-site parking. The store is fully air-conditioned and always has a friendly attendant available to help.

Laundry Warehouse is committed to providing its customers with a clean, comfortable laundry facility with a friendly staff and superior customer service. Whether doing laundry yourself or using the expert wash and fold service, Laundry Warehouse will ensure a

superior laundromat experience.

About Laundry Warehouse – Laundry Warehouse began in 1998 with the opening of its first store in Passaic, New Jersey. Today, we have grown to ten full-service stores throughout northern New Jersey. Our business philosophy is simple. We are committed to providing our customers with clean, comfortable, state-of-the-art laundry facilities, which consistently exceed expectations. We understand that our customers' time is valuable and they have a choice of laundromats. We also understand that doing laundry is often time-consuming and boring. So, why not spend your valuable time at a clean, comfortable, well-equipped laundry with plenty of on-site parking? The principals of Laundry Warehouse are entrepreneurs with extensive business experience in urban areas. The laundromat business presented an intriguing opportunity to bring a much higher class of laundry stores to neighborhoods and local communities.

The company maintains offices at 447 Northfield Avenue, West Orange, NJ, and can be reached at (973) 731-6654 for further

MULTI CHAMBERS HOLD NETWORKING EVENT

Twelve local and regional chambers of commerce held a joint power networking event July 26 at the Clark Holiday Inn, drawing approximately 150 business professionals from Union, Middlesex, Somerset counties and beyond.

The event was a joint effort of the Gateway Regional Chamber of Commerce, which spearheaded the gathering; the Black Business Alliance Chamber of Commerce; the Clark Chamber of Commerce; the Cranford Chamber of Commerce; the Edison Chamber of Commerce; the Kenilworth Chamber of Commerce; the Linden Chamber of Commerce; the Greater Westfield Area Chamber of Commerce; the Woodbridge Metro Chamber of Commerce; the Suburban Chamber of Commerce; the Irish Business Association; and the Somerset Hills Business Network.

"Networking is the life blood of any small to

medium-sized business, as well as business development professionals within larger companies," said Jim Coyle, president of the gateway regional Chamber of Commerce. "As chambers of commerce, it is our job to facilitate networking for our members and to put them in positions to connect with potential customers and strategic partners. This was an opportunity to do so on a much larger scale than any of these chambers normally can do singularly."

Coyle anticipates the joint event will become an annual gathering.

ABOUT THE GATEWAY REGIONAL CHAMBER

The Gateway Regional Chamber of Commerce is the largest business association in the New York/Northern New Jersey Region, comprising 12 regional and local chambers. With 1,200 members, the Gateway Regional Chamber of Commerce has a 95 percent retention rate, the highest in the country.

www.whiterosefunding.com

844.WRFUNDS / 844.973.8637

A MESSAGE FOR COMMERCIAL REAL ESTATE BROKERS, LANDLORDS, FRANCHISORS AND PROFESSIONALS WHOSE CLIENTS NEED A CERTAINTY OF FUNDING.

White Rose Funding is a direct and indirect lender that can provide funding for:

- Tenants in need of capital for a build-out, equipment or machinery;
- Franchisee and other Start-Ups in need of acquisition funding or working capital; and
- An established business that has sudden and temporary cash needs.

We provide flexible financing on fair terms that rewards the forwarder by offering:

- Financial remuneration to the forwarder; and
- A tailored solution for your client.

For example, a Landlord or Commercial Real Estate Broker is showing property to a prospective tenant, the location is ideal, but the build-out cost is likely beyond the tenant's initial budget. The Landlord seeks personal guarantees sensing there could be financial issues down the road. White Rose Funding could provide a term loan for the build-out, fixtures and equipment, and a working capital loan that will ring-fence the rent guarantee.

There is no cost to your client unless we provide the financing.

If the client does not enjoy prime credit status, we have relationships with preferred SBA Lenders that can make the process fast and efficient.

When you need access to an alternate lending source for your business needs, please consider White Rose Funding.

LINDEN TEACHERS AMONG THOSE HONORED AT KEAN UNIVERSITY

Kean University hosted Union County's Teachers of the Year on Wednesday, May 24 with a breakfast and award ceremony at the New Jersey Center for Science, Technology and Mathematics. Sponsored by the Union County Superintendents' Roundtable, the Union County Teacher Recognition Program honors one outstanding teacher from each school within the county. Nearly 60 of the honored teachers are Kean University alumni.

Linden teachers who were honored included Nancy Corradio, Paige Doyle, Anthony Fischetti, Josefina Gil, Mitchell Gorbunoff, Kimberly Ianazzi, Jordan Naso, Sabina Robinson, Sofia Rogowska, Jamie Schrafft, and Lara Spano.

"There is no doubt that your impact will be

realized beyond the scope of this state, this nation, and indeed this world," Anthony A. Pittman, Ph.D., acting dean of Kean's College of Education, told the teachers. "You educate and empower our next generation of leaders."

The featured speaker at the event, 2016-2017 New Jersey Teacher of the Year Argine Safari, recalled a high school teacher who pushed her and encouraged her to reach for more.

"Think for a moment how incredible that power is that we have in our classrooms. Think of the influence that we all have," Safari said. "Every child deserves to have a champion. I had my champion, and I'm sure that you can name teachers who influenced you. We have to continue to work and advocate for our students."

Also speaking at the event were Interim Executive County Superintendent for Union County Juan Torres, Superintendent of Springfield Public Schools Michael A. Davino, and Union County Freeholder Bruce H. Bergen. Each praised the honored teachers for their dedication to the students of the county.

"Thank you is the best that I can come up with, but I think you know how much I appreciate you," said Davino.

Pittman left the assembled educators with an original poem that he wrote in the teachers' honor, which read in part, "One day soon I hope you find / You did more than help them pass / I hope you'll soon discover / That your wind helps them soar first class."

YMCA PROVIDES SPECIALIZED ARTS PROGRAM

Thanks to funding from a Union County Heart Grant, The Gateway Family YMCA and The Jardine Academy had the opportunity to collaborate on a Specialized Arts program at the Rahway Branch YMCA, located at 1564 Irving Street in Rahway, NJ.

The YMCA offers a Specialized Arts Inclusive Learning (SAIL) program and views the arts as a creative outlet in which the uniqueness and individuality of each artist is celebrated, regardless of physical or cognitive abilities. The Jardine Academy, located in Cranford, NJ, is an approved private school of the New Jersey Department of Education. The academy provides elementary and secondary education for children and young adults, ages 3-12, with multiple disabilities.

Over the course of several weeks, the YMCA and The Jardine Academy worked together to provide the students of 12 classrooms with an opportunity to create their class's painting masterpiece. "Our goal was to provide each student with an opportunity to create and explore their artistic talents in an atmosphere that is fun, inspiring and supportive while offering opportunities for increased activity and social engagement – thereby boosting their overall spiritual, mental and physical experience," stated Krystal R. Canady, CEO, The Gateway Family YMCA.

"The concept of the project was to create a

painting/collage that expresses each individual's method of moving forward," stated Rodger D. Koerber, Branch Executive Director, The Gateway Family YMCA – Rahway Branch. "Each student has a different means of mobility, whether it is walking, walking with the aid of crutches or a walker or using a wheelchair." The paintings were created by putting the paint color choice of the student on the bottom of their feet, the wheels of a walker or the wheels of their chair and have them "move forward" over the canvas. The end result was 12 unique paintings/collages that are proudly displayed on the walls of the Jardine Academy's cafeteria.

The Gateway Family YMCA is a 501(c)(3) non-profit, community service organization of caring staff and volunteers dedicated to strengthening the foundations of community and stands For Youth Development, For Healthy Living and For Social Responsibility. The Gateway Family YMCA impacts the community by providing quality services to people of all ages, races, faith or incomes. The Y doesn't just strengthen bodies – it strengthens people, families and communities.

For more information about community programs and services provided by The Gateway Family YMCA – Rahway Branch visit www.tgfymca.org or contact the Rahway Branch at Rahwayinfo@tgfymca.org or 732-388-0057.

POLICE PARTNER WITH 7-ELEVEN TO BRING OPERATION CHILL TO LINDEN

The Linden Police Department is proud to announce that we have once again partnered with 7-Eleven to bring its popular Operation Chill® community-service program to Linden. All summer long our Officers will be dispensing well-deserved Slurpee® justice to good kids. Det/Lt Abdul Williams, who leads the Linden Police Juvenile Bureau, praised the program as a valuable tool for Officers on patrol to connect with local youth. "Connecting with our community is a top priority, and these coupons are a great way for our Officers to start a conversation and begin building stronger relationships."

The idea for Operation Chill was based on 7-Eleven stores' own experience and the fact that nationwide, crime increases during the summer months. Since its inception in 1995, Operation Chill® has grown to include almost 1,000 law enforcement agencies in the United States and Canada each year, and more than 19 million

coupons have been distributed to officers on the beat in cities and towns where 7-Eleven does business. "Year after year, Operation Chill is our most popular community service program," said Mark Stinde, vice president of asset protection for 7-Eleven. "Kids love Slurpee drinks, and Police Officers love having a reason to approach kids and surprise them with a Slurpee coupon as a reward for doing something good. And we, at 7-Eleven, love helping them make those

important connections in the community."

Officers can award the Slurpee coupons to young people to encourage constructive activities and acts of kindness, such as helping another person, deterring crime or participating in community events. Each coupon can be redeemed for a free small Slurpee at participating 7-Eleven stores. The end result is the same for every youngster: a free Slurpee drink and a smile for being a good kid.

POLICE (RE)OPEN REAL-TIME CRIME CENTER

On Thursday, July 13th the Linden Police Department officially opened the doors to the newly renovated Real Time Crime Center (RTCC). Det. Robert Cheslock led Mayor Armstead, Chief Parham, and a number of elected officials on a tour of the center, which was followed by a ribbon cutting ceremony. "We wanted them to see first-hand what a significant improvement the RTCC is from the old Radio Room that it replaced" said Cheslock, who managed the project.

The renovation of the RTCC does more than provide a clean, professional work area. "The RTCC brings communications, technology, and all of our resources together in a single location" explained Cheslock. Supervisors will now have access to the most current information, allowing RTCC personnel to send that information to the Officers in the field within a moments notice. "Communication and information sharing become all the more critical during emergency situations" added Police Chief Jonathan Parham. "The more effectively we provide lifesaving information to our units in the field, the more likely we are to save lives and have a favorable outcome."

Over the course of the two-month long project, Public Property Supervisor Brian Samer and his crew completely remodeled the room. "They really went above-and-beyond" said Cheslock. "This was no easy task, and they did a lot of very good work and stayed on schedule."

"We want to thank Mayor Armstead and the members of City Council for their continued commitment to ensuring that we have the resources to provide professional service to the Citizens of Linden" said Chief Parham. "We also want to thank City Treasurer Alexis Zack, Director of Public Property & Community Services Al MacDonald, and Public Property Supervisors Tony Coplan and Brian Samer for recognizing the need to make these improvements a priority."

SCHOOL ONE PRESENTS "UNDER THE BIG TOP"

School One held its annual circus themed S.M.A.R.T. night. This was made possible by a F.A.S. T grant sponsored by the Linden Education Association. It was an enjoyable evening with the emphasis on family learning, fun, engagement, and collaboration. Over 200 Families participated in a variety of interactive activities such as Kahoot Math, Differentiated Math Centers, Beat the Principal Typing, Wacky Science, Arts and Crafts, Karaoke, Photo Booth Writing, Music and Movement to name a few.

Each station had a specific objective that correlated to the acronym of S.M.A.R.T. - Science, Math, Reading, Art, and Technology. For example, in the Photo Booth Writing Station students were encouraged to write about their personal experiences at the School One Carnival. This collaborative activity fostered conversations regarding how simple steps in journaling, writing

letters to family members, and simple narratives retelling fun experiences can engage students in writing. The Karaoke Station is an example where mastering fluency can come in the form of singing fun! In addition to the above examples, all other stations included the opportunity for parents and students to practice sequencing, gross and fine motor skills, understanding processes, problem solving, deductive reasoning, and team building.

The teachers cohesively worked as a team honing in on the myriad of talent to transfer School One into a circus themed atmosphere. The planning and implementation of this event took several committees working together to define objectives and fine-tune their assigned tasks. All of the details bridged the planning phase into fruition, and ultimately turned into a magical moment in time.

SCHOOL #9 CARNIVAL NIGHT

(above) Pre-K student Jessica Zuk enjoys the Face Painting station at Linden School No. 9 Carnival.

On June 7th, the School #9 Positive Behavior Support in Schools Committee (PBSIS) hosted its first Carnival Night for students and their families. The PBSIS Committee's purpose is to improve the climate in the schools by using system-wide positive behavioral interventions to discourage disruptive behaviors. To encourage good behavior School #9 has implemented a "Deerfield Dollar" program that allows students to save up their dollars to purchase items from the school store. Items can range from 1 dollar to up to 50 dollars.

The Carnival not only raised money for future events and items for the school store, but also

gave a chance for students to win Deerfield Dollars by competing at different games of chance. Frisbee Toss, Balloon Pop, Knock the Cans, as well as estimation games were played in an effort for students to win big. Students were also able to enjoy face painting, cupcake decorating as well finger nail painting.

To help with this amazing event, the Allen Texas Project members volunteered their time and energy to make this event a huge success by manning stations, and face painting. It was a whole team effort and best of all the kids and families had a great time.

FALCON ED PROGRAM AT LINDEN SCHOOL #4

Phillips 66 Bayway Refinery is sponsoring educational programming around the Union County Falcon Cam. The sponsorship brings no-cost wildlife education programs to administrators, teachers, and students throughout Union County. Students, scientists and other wildlife enthusiasts all over the world will have more opportunities to study a pair of rare peregrine falcons that have made their nest on the roof of the historic 17-story Union County Courthouse Tower, located in the center of midtown Elizabeth. The \$25,000 donation will allow Conserve Wildlife Foundation to provide structured lessons for teachers and activities for students that incorporate next generation science standards in local schools. Each school will receive a museum-quality replica set of a peregrine falcon skull, talon and egg to reuse in future years along with the program materials including observation booklets for each of the students in grades 3 – 5.

Mike Bukowski, Bayway Refinery Manager stated, "The Phillips 66 company vision is providing energy, improving lives. Our Phillips 66 sustainability efforts are built on four pillars: operational excellence, environmental commitment, social responsibility, and economic performance. Bayway Refinery is proud to

demonstrate our social responsibility with the sponsorship of the Peregrine Falcon Educational Programs in Union County. We are excited to be part of a program that will help make learning fun and inspire children within our community."

The free Falcon Cam live stream is available at www.conservewildlifenj.org/education/uc-falconcam/.

LINDEN PUBLIC SCHOOLS FARM STAND

Linden Public Schools focuses on the importance of teaching our students in making informed food choices, developing healthy eating and how to achieve proper physical activity habits. Linden food services provider Pomptonian took the initiative to further educate Linden students on nutrition education and how a food plate should look when complete by incorporating a Farm Stand in the schools.

A highlight in the Linden Public School district has been the "Move More" program which is sponsored by the New Jersey Department of Agriculture, in partnership with the New York Jets sponsored "Jets Play 60 Eat Right". The program recognizes schools that support and promote healthier food options, increased opportunities for physical activity, and efforts to promote overall student wellness. Linden High School's Food Service and the Athletic department partnered in participating in this program and were selected as one of the three Division Champion schools for the 2016-2017 school year.

A part of the program is the Farm Stand which is at every school and is available with each meal offered. The Pomptonian Farm Stand includes vegetables from five specific sub groups each week (Dark Green, Red/Orange, Beans/Peas, Starchy, and Others). Linden students are encouraged to take all the items that make up a balanced meal. The students learned that to be considered a meal it must contain a minimum 1/2 cup serving of fruit or vegetable. The students look forward to the fruit of the month and sometimes there are surprises because the fruit that is highlighted is not something that they are familiar with at home. Pomptonian makes an effort to bring in different fruits and vegetables for children to touch, smell, and/or taste. At Linden Public Schools we believe this is a good way to introduce our students from Pre-k to the faculty and staff to foods from around the world right here in Linden. These items are offered on our Farm Stand. Linden Public Schools along with Pomptonian, understand what our students eat in the lunchroom today will have an impact on how they make food choices in the future.

LINDEN SCHOOL NO. 6 SAFETY PATROL AWARDS

The Linden Police Department and Linden Detective Afstratio Zevlikaris congratulated the Safety Patrol of School No 6 on June 20th. The students were awarded certificates for their service as Safety Patrols during an assembly.

The Safety Patrol of Linden School No. 6 is a select group of about 40 fifth and fourth

graders that are committed to assisting in providing a safe school environment for all students. The Safety Patrol members are individuals who are responsible, respectful, cooperative, and helpful.

The future leaders of School No. 6 set a good example and encourage other students to also

observe safety rules at all times. Safety Patrol is about leadership at school No. 6, being a good role model and this is a tradition that gets the students out in the community. The students of School No. 6 appreciated the assembly and had fun learning safety tips from Linden Detective Zevlikaris.

SCHOOL NO. 1 MUFFINS FOR MOM BREAKFAST

Linden School No.1 hosted their annual "Muffins for Mom" because Principal Dona Preston, teachers and staff realize how important the relationship is between home and school. The line of moms went down the hall, through the door and outside onto the sidewalk. This is an event that is famous at Linden School No. 1. The moms were celebrated and treated to a light breakfast with coffee and juice provided by Pomptonian Food Services. Over 400 moms and

their families came out for the fun family event. The happy faces, smiles, giggles and laughter are just a few of the joyful sounds that filled the gymnasium.

The moms had an opportunity to speak with teachers in a relaxed setting while enjoying some quality time with their children. Many moms said this program is like a small slice of heaven because they did not have to feed anyone at home. Someone else took care of breakfast and

the dishes.

At Linden School No. 1 and all of Linden Public Schools we strongly believe that there is an important connection between family and school, especially during the early years. A parent's role in their child's early education is critical to their success, and Linden School No. 1 embraces every opportunity to further their success! This was an occasion to get together and celebrate all of the moms of the Linden community.
