On Monday, September 21st, nearly 1,000 Linden school kids received back packs and school supplies and 400 parents participated in the “Back Pack to School For You” event held at the Raymond Wood Bauer Promenade on Wood Avenue. “Back pack and school supplies don’t seem like much, but every little bit counts in helping the children and families of our community,” said Mayor Armstead.

The success of the event was a community-wide effort and partnership by Mayor Armstead, the City of Linden, its internal departments, the Mayor’s Youth Commission, individuals, volunteers, community and faith based groups along with corporate sponsors.

“I thank everyone on behalf of this office and staff for putting Linden youth, families as well as education first and exemplifying the finest traditions of community service,” said Mayor Armstead.

Along with the back packs and supplies, all participants were served refreshments and listened to the various genres of music during this festive and memorable community event.

CEO of Communities In Cooperation, Inc., Pastor Pam (Pamela Jones), who spearheaded the community effort, said “Mayor Derek Armstead is known for breaking barriers of business as usual in his embrace of millennials - the future of Linden. He along with many progressive minded individuals helped to increase the event services by more than 35% and employed methods for smoother servicing of attendees compared to last year.” Mayor Armstead continued, “This partnership effort builds and strengthens communities and at the same time assist youth and families from a collaborative network of shared resources. Just as important, it helps children realize that having the necessary school supplies are important to the learning process.”

During a ceremony at Rutgers University on Friday, August 14th, Linden Police Chief Jonathan Parham became the first Linden Police Officer to complete the New Jersey Public Manager (CPM) program. The program is designed around the core leadership requirements established by the National Consortium of Certified Public Managers. The curriculum was developed jointly by Rutgers University's School of Public Affairs and Administration (SPAA) and the State of New Jersey's Civil Service Commission to meet the complex demands and challenges of the 21st-century public management environment.

"It's certainly a demanding curriculum," Parham said. "It pushes you outside your comfort zone and forces you to look at things from a different perspective, but the opportunity to work with leaders from all over the state, each with a different area of expertise, is a valuable experience."

The CPM program covers 21 courses over a 10-month period, and participants are required to demonstrate their newly-learned skills in the form of a 50-hour capstone project that benefits their organization. In his project, Chief Parham discussed risk mitigation and evaluating performance using body worn cameras. Chief Parham was selected as one of seven nominees for the Askew Award. The award is named after George C. Askew, the first graduate (alphabetically) of the initial Certified Public Manager Program and recognizes those who have

demonstrated exemplary work in the completion of their Project.

"The fact that Chief Parham completed the CPM Program doesn't surprise me," Mayor Derek Armstead commented. "He consistently and continually attempts to improve the Linden Police Department and he is always seeking ways to implement more effective policing strategies."

## ARIANA EASTWOOD SELECTED TO ATTEND PRESTIGIOUS STEM PROGRAM

Linden High School junior Ariana Eastwood has been selected to participate in the 2017-18 class of the Governor's STEM Scholars program.

The prestigious program's goal is to educate the state's best and brightest students about science, technology, engineering and math opportunities within New Jersey. "It means a lot to me," Eastwood said. "When they called me I was really excited."

The program will allow Eastwood to join with students from around New Jersey in completing a STEM research project, and will offer internship opportunities, field trips and conferences.

"Our advisory council went through over 600 applications and only chose 85 students using very rigorous criteria, including character, leadership ability, and STEM aptitude," program director David Hodges wrote in Eastwood's acceptance letter. "You are joining a highly motivated class of students from all over New Jersey who share your enthusiasm for STEM."

Eastwood intends to make the most of her opportunity. "I'm interested in STEM, but I don't know what I really want to do," she said. "So being in this program is going to help me. And I get to be surrounded by a lot of smart, intelligent students and I can learn a lot from them. ... And I can ask questions because it's not just high school students, it's college students, too."

The program begins with an opening conference on Sept. 23 at Rutgers University in Piscataway.

Eastwood credits the Linden Public Schools for her success. "Linden helped me," Eastwood said. "Everybody's been helping me as I grew up

in Linden. That means a lot to me. I'm representing Linden. I'm grateful for accomplishing it, but it wasn't just me. I've gotten a lot of help."

## SCIENCE TEACHER PEER WORKSHOP

More than 200 science teachers from Linden, Elizabeth, Hillside, Rahway and Newark took part in a four-day peer workshop Aug. 14-17 at Juan Pablo Duarte – Jose Julian Marti School 28 in Elizabeth to learn new curriculum.

Teachers were broken into small groups based on grade levels to learn new material, techniques and technology from peers in their districts. Those teachers had been trained in the hands-on Full Option Science Systems (FOSS) curriculum, developed at the Lawrence Hall of Science in Berkeley, Calif., to meet the New Jersey Student Learning Standards for Science.

Some of the subject areas covered included heredity and adaptation for eighth grade, electromagnetism for seventh grade, weather

and water for sixth grade, insects for fourth and fifth grades, the life cycle of the butterfly for second and third grades, and “Animals 2x2” for kindergarten.

High school teachers learned about using phenomenon-based instruction, which uses everyday happenings to spark students’ interest. One example centered around a seed becoming a tree, then built a conversation around all the scientific forces that go into making that happen.

The peer-to-peer sessions were meant to build a collegial atmosphere and networking among the teachers to foster learning.

“If they’re having a good time and they’re learning, they will carry that over to the classroom,” said Rose Goldstein, supervisor of science for Linden Public Schools.

**A MESSAGE FOR COMMERCIAL REAL ESTATE BROKERS, LANDLORDS, FRANCHISORS AND PROFESSIONALS WHOSE CLIENTS NEED A CERTAINTY OF FUNDING.**

White Rose Funding is a direct and indirect lender that can provide funding for:

- Tenants in need of capital for a build-out, equipment or machinery;
- Franchisee and other Start-Ups in need of acquisition funding or working capital; and
- An established business that has sudden and temporary cash needs.

We provide flexible financing on fair terms that rewards the forwarder by offering:

- Financial remuneration to the forwarder; and
- A tailored solution for your client.

For example, a Landlord or Commercial Real Estate Broker is showing property to a prospective tenant, the location is ideal, but the build-out cost is likely beyond the tenant’s initial budget. The Landlord seeks personal guarantees sensing there could be financial issues down the road. White Rose Funding could provide a term loan for the build-out, fixtures and equipment, and a working capital loan that will ring-fence the rent guarantee.

**There is no cost to your client unless we provide the financing.**

If the client does not enjoy prime credit status, we have relationships with preferred SBA Lenders that can make the process fast and efficient.

**When you need access to an alternate lending source for your business needs, please consider White Rose Funding.**

## POLICE AND WAL-MART DONATE BICYCLE TO BOY INJURED IN CRASH

May 15th was a Monday not unlike any other. The school year was starting to wind down and the weather was nice. Like most 10-year-old boys, Jeremiah Arellano didn't want to spend it cooped up inside. Jeremiah had a lot of homework that night, but he came home from school and went right to work. "Normally his curfew is 7 O'clock," said his mother, Daisy. "It took him a little longer, but I was so proud of how hard he worked I let him stay out a little while longer."

Jeremiah wasn't at the park long, only about half an hour, before he got back on his bike and

started riding home. He was only a few blocks from home when he was struck by a car. Jeremiah was thrown from his bike into a nearby parked car. Jeremiah suffered a broken pelvic bone and severe road rash during the crash, but thankfully there were no head injuries. After months of doctor's appointments and rehab, Jeremiah would be better than ever. Jeremiah's bike, however, did not fare as well.

Lt. Joe Cacioppo met with Jeremiah and his mother several times after the crash. He was impressed with how positive Jeremiah remained during his recovery. "It was a pretty serious injury for a kid to deal with, but Jeremiah kept smiling and had such a positive attitude throughout his recovery." Said Cacioppo. "Knowing that he wanted to ride a bicycle again soon, I thought we may be able to do something to help."

Cacioppo reached out to Officers Jim Schulhafer and John Vasquez. The Officers are

all avid cyclists, and ride for Team Linden in the annual Police Unity Tour. Wal-Mart of Linden is a long-time supporter of Team Linden, and the Officers couldn't think of a better partner to help do something special for Jeremiah. "We are fortunate to have generous partners like Wal-Mart that truly care for our community." Said Cacioppo.

Jeremiah was recently cleared by his doctor to begin riding a bicycle again. He and his family came out to the Linden Police Department's Community Night Out, where Jeremiah was presented with a new bicycle and helmet. "Community is about coming together to do good for our neighbors. This event is about the great things we can accomplish working together as a community, and we couldn't think of any better setting to do this for Jeremiah." Said Cacioppo.

We wish Jeremiah the best of luck in the future and hope he enjoys his new bicycle!

## NORTHFIELD BANK FOUNDATION PROVIDES SUPPORT TO YMCA

The Northfield Bank Foundation presented a generous donation to The Gateway Family YMCA in support of the Power Scholars Academy. The \$15,000 donation was presented by Diane Senerchia, Executive Director, Northfield Bank Foundation to Krystal R. Canady, CEO, The Gateway Family YMCA. The donation provided supports the Power Scholars Academy summer learning program.

“As a charity, we are dedicated to nurturing the potential of every child and teen, improving the nation’s health and well-being, and giving back and providing support to our neighbors,” stated Krystal R. Canady, CEO. “The Northfield Bank Foundation has been a great supporter of our YMCA and the children we serve in the local community.”

The Gateway Family YMCA is the only YMCA in New Jersey chosen to host the Power Scholars Academy. Power Scholars Academy is a partnership between the Y and the national nonprofit BELL (Building Educated Leaders for Life), a five-week summer program designed to not only tackle summer learning loss in math and reading, but to also foster physical and social-emotional growth.

The Power Scholars Academy offers summer learning for youth in grades K-8 with the goal of increasing students’ academic success and boost self-confidence, while also engaging families in the education process.

The program is designed to address summer learning loss for children in low-income households living in under-resourced areas and

thereby enhance overall youth development, academic performance and graduation rates in the community.

The Gateway Family YMCA is a 501(c)(3) non-profit, health and community service organization of caring staff and volunteers dedicated to strengthening the foundations of community and stands For Youth Development, For Healthy Living and For Social Responsibility. The Gateway Family YMCA impacts the community by providing quality services to people of all ages, races, faith or incomes.

To learn more about the Y’s cause or Annual Support Campaign, visit [www.tgfyymca.org](http://www.tgfyymca.org) or contact The Gateway Family YMCA-Association Office at 908-249-4800.

## UNION COUNTY INTERFAITH COORDINATING COUNCIL

### LAW EXPLORER POST ACCEPTING MEMBERS

It is that time again when students will be returning to school and choosing their after school activities. Law Explorer Post 629, now on its seventh year, is gearing up for another year of exploring the field of law and government through trips, guest speakers, discussions and hands-on activities. Students who are interested in this career path or simply want to learn more about law and government are welcomed to sit in on one of the meetings and discover what the program is all about.

Law Explorer Post 629 is an after school enrichment program where youth have the advantage of seeing and experiencing law and government in a captivating, age appropriate way. The program is open to Union County youth, ages 14 - 20. The youth Explorers meet in the Law Offices of Lucia E. Perpina, Esq., 629 North Wood Avenue, Suite 5, Linden, NJ on Friday nights, from 6:00pm – 7:30pm. In addition to its educational goals, Post 629 also offers fun outings during the year which may involve hiking, bowling, camping or other non-law related activities to foster teamwork and cohesion within the group. The youth are also encouraged to select and organize a year-long community project (relating to law and/or government) in which all the members will take an active role. Post 629 is not a political group, does not have any political affiliations, and all members must be open minded and accepting of all people.

Post 629's adult volunteers welcome the opportunity to speak with parents and youth about the program prior to making any commitments regarding membership in the program. If you are interested in the program, you may call (908)718-5877 or simply stop by on a Friday evening. Weekly meetings have already begun and the program accepts members on rolling basis.

The Union County interfaith Coordinating Council, an organization of clergy and lay persons representing all faith traditions, held an Interfaith Prayer Unity Service at the First United Methodist Church, Westfield, NJ on July 20. This event followed a solidarity gathering held on June 28 at Temple Sha'arey Shalom in Springfield, NJ.

Additional programs are being planned including supporting Union County

Thanksgiving Services in November, a Homeless Sabbath in December and the Third Annual Day of Prayer Service at The Parish Community of St. Helen in Westfield on October 24.

For more information on the Union County Interfaith Coordinating Council please contact Rod Spearman at [rspearman@caunj.org](mailto:rspearman@caunj.org) or [UCInterfaith@caunj.org](mailto:UCInterfaith@caunj.org) or by phone @ (908) 354-3040 x 4324.

(above) The following clergy, spokespersons and musicians participated in this truly ecumenical service: The Rev. Dr. David Mertz, host pastor of The First United Methodist Church of Westfield, Rev. Anthony Randazzo of Holy Trinity Roman Catholic Church of Westfield, Rev. Carmine Pernini of Zion Lutheran Church, Rahway, Rev. Ann Marie Alderman of the First Unitarian Society of Plainfield, Zaghnam Chaundry of the Muslim Community Center of Union County, Eric Kussman, Jr. of Holy Trinity Lutheran Church, Springfield, Rev. Mayra Castaneda of the First Baptist Church of Westfield, Rev. Richard Hogans, Chaplain of the Union County Correctional Center & Shiloh Baptist Church in Elizabeth, Rabbi Ethan Prosnit of Temple Emanuel, Westfield and Dr. Mohammed Ali Chaudry of the Islamic Society of Basking Ridge. Music selections were provided by Jonathan Evers of the First United Methodist Church of Westfield and Cynthia Manno of the Townley Presbyterian Church in Union.

A place where adults can find life balance; children can reach their full potential; seniors can be active and find camaraderie; and families can connect and strengthen relationships. To help more people benefit from the Y, The Gateway Family YMCA is holding a membership drive September 1 – 17th providing a special joiner fee rate of \$25 for all memberships.

The Gateway Family YMCA offers a variety of programs to help achieve greater health and well-being, nurture youth and inspire individuals to give back to better their community. ## FREE DIABETES SELF-MANAGEMENT WORKSHOPS OFFERED IN LINDEN

Quality Insights Quality Innovation Network, supported locally by Healthcare Quality Strategies, Inc. (HQS), is partnering with Linden Free Public Library to provide free diabetes workshops as part of the Everyone with Diabetes Counts (EDC) program. The EDC program is a national initiative of the Centers for Medicare & Medicaid Services (CMS). The program offers free self-management workshops that are open to people with Medicare who have diabetes, their family members and caregivers.

The free workshops follow the Diabetes Self-Management Program originally developed at the Stanford University School of Medicine. Workshops are designed to educate individuals about diabetes and help them learn how to manage it and take control of their health through various tools, behavior modification and coping techniques. Participants will learn about preventing complications, healthy eating, exercise, how to deal with stress and difficult emotions, managing medications, effective communication with healthcare providers, and much more.

This free six-week workshop will be offered at the Linden Free Public Library on 31 East Henry

Street in Linden, NJ. Workshops are on Fridays from September 8 to October 13, 2017 from 10:00 a.m. to 12:30 p.m.

All attendees must register by the second workshop session. Each participant (one per household) will receive a complimentary textbook, Living a Healthy Life with Chronic Conditions, 4th edition (\$20 value).
