BELOW ROME... THE STORY OF THE CATACOMBS

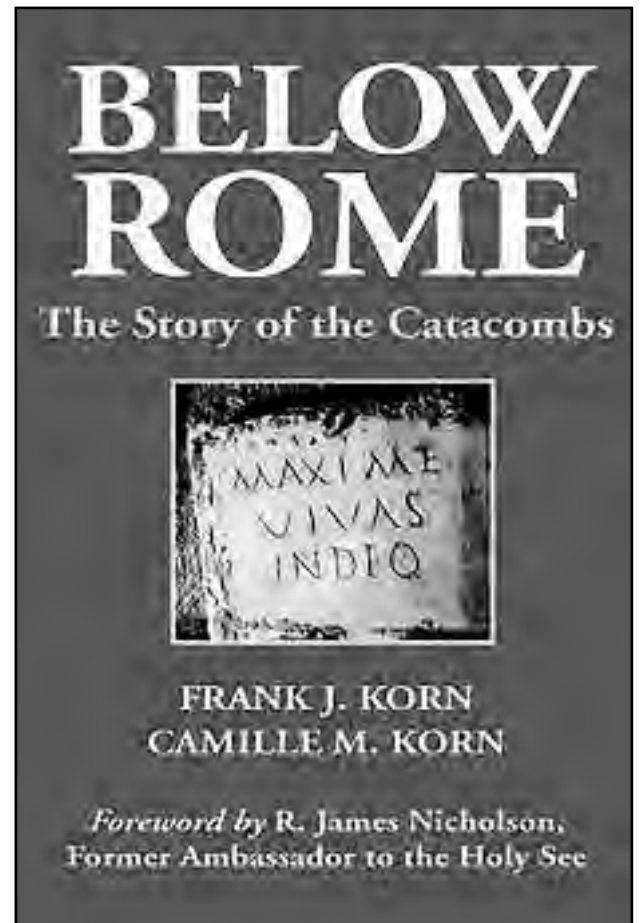

Scotch Plains residents Frank J. Korn and his wife Camille have co-authored a book on the subterranean cemeteries of the early Christians. *Below Rome... The Story of the Catacombs*, published by St. Johann Press, traces the history of Christianity in the capital city of the Roman Empire and the custom of tunneling the subsoil for burial purposes, not only by the local Christian community but also by the Jewish colony of the Eternal City.

In fact, it was the latter group that first conceived the idea of underground necropoli. Both communities disdained the practice of cremation widely used by the pagan populace, preferring instead to inter the bodies of their deceased. The entombment of urns of ashes required relatively little space, whereas the burial of bodies called for far more ground. Thus, for largely economical reasons, the Jews and Christians would purchase tracts of land outside the city walls, in conformity with an ancient law forbidding burial within Rome's fortifications, and gain the necessary ample space by tunneling their property, sometimes as much as five levels deep.

The authors, who travel often to Rome, are residents of Scotch Plains. Frank, a Fulbright Scholar, taught Classical Studies at Seton Hall University. Camille had a long and distinguished secretarial career at St. Theresa School in Kenilworth. *Below Rome* is his ninth book, her first.

The 189 page hardcover volume may be purchased on Amazon.com, your local book

store, or from the publishing house: St. Johann Press, P.O. Box 241, Haworth, N.J. 07641. (Include \$5.00 for shipping when ordering from the publisher.)

“Tailored Financing for Today’s Small Business”

A MESSAGE FOR COMMERCIAL REAL ESTATE BROKERS, LANDLORDS, FRANCHISORS AND PROFESSIONALS WHOSE CLIENTS NEED A CERTAINTY OF FUNDING.

White Rose Funding is a direct and indirect lender that can provide funding for:

- Tenants in need of capital for a build-out, equipment or machinery;
- Franchisee and other Start-Ups in need of acquisition funding or working capital; and
- An established business that has sudden and temporary cash needs.

We provide flexible financing on fair terms that rewards the forwarder by offering:

- Financial remuneration to the forwarder; and
- A tailored solution for your client.

For example, a Landlord or Commercial Real Estate Broker is showing property to a prospective tenant, the location is ideal, but the build-out cost is likely beyond the tenant's initial budget. The Landlord seeks personal guarantees sensing there could be financial issues down the road. White Rose Funding could provide a term loan for the build-out, fixtures and equipment, and a working capital loan that will ring-fence the rent guarantee.

There is no cost to your client unless we provide the financing.

If the client does not enjoy prime credit status, we have relationships with preferred SBA Lenders that can make the process fast and efficient.

When you need access to an alternate lending source for your business needs, please consider White Rose Funding.

CONGREGATION BETH ISRAEL WELCOMES RABBI HOWARD TILMAN

Congregation Beth Israel in Scotch Plains has welcomed Rabbi Howard Tilman as its new spiritual leader. His predecessor, Rabbi George Nudell, retired in July after serving as spiritual leader of the Conservative Jewish synagogue for 35 years. Congregation Beth Israel will hold an installation ceremony for Rabbi Tilman during Shabbat services on Friday evening, September 15.

Congregation Beth Israel's Board of Directors voted to hire Rabbi Tilman after a year-long rabbinic search was undertaken by its synagogue professionals and a large group of lay leaders who volunteered their time to find a new rabbi. Throughout the search and selection process, thoughtful consideration was given to feedback provided by congregants, who participated in surveys and focus groups.

Rabbi Howard Tilman was ordained by the Ziegler School of Rabbinic Studies in May 2014, where he received the Eliezer Slomovic Award in Talmud. He previously was a member of the clergy team at the Jacksonville Jewish Center where he served in a variety of roles, including supervising Shabbat and holiday programming, teen educational programming and Israel advocacy. While in Jacksonville, Florida, Rabbi Tilman became a leader among the clergy of the Jacksonville Coalition for Equality and its push for an expanded Human Rights Ordinance in the city. He spoke at City Council meetings and at events around the area in support of this cause.

Prior to the rabbinate, Rabbi Tilman graduated from Northwestern University with a Bachelor of Arts in Communication, and spent three years working as a producer for Sporting News Radio alongside the likes of Troy Aikman, Tony Bruno and Tim Brando. A passionate sports fan his whole life, he appeared on and won an episode of Sports Jeopardy! in August 2016.

Rabbi Tilman has extensive experience working with youth of all ages in multiple synagogues, schools, and at Camp Ramah in the

Poconos. He has also worked with college students and serves as a member of Alpha Epsilon Pi's Council of Rabbis. He enjoys teaching students of all ages, focusing on literary and critical perspectives of rabbinic texts and their modern applications. For his Capstone Project in rabbinical school, he analyzed the similarities between the Talmud and modern social media as well as their educational potentials. At Congregation Beth Israel, Rabbi Tilman will continue to work with youth in the synagogue's Religious School and in its Hebrew High School, Darcone, as well as through B'nei Mitzvah lessons.

Rabbi Tilman is married to Naomi, who works on the Talent Team for Hillel International. Their first child, Micah, was born in July. They reside in Scotch Plains.

"We are thrilled to welcome Howard, Naomi and their newborn son Micah into our synagogue family," said Steve Wiener, President of Congregation Beth Israel. "The Tilmans are a great fit for our community and we look forward to many years of growing together."

Congregation Beth Israel is an egalitarian Conservative synagogue, serving the religious, cultural, educational and social needs of congregants from Scotch Plains, Fanwood, Westfield and surrounding towns. Its Religious School educates students from preschool through tenth grade through experiential grade-specific programs that encompass the family in its curriculum. Synagogue membership is not required for Religious School classes through second grade. Congregation Beth Israel has been recognized as an ABLE Awarded Congregation by the Jewish Federation of Greater MetroWest for its commitment to inclusion and accommodation for all its members. It is located at 18 Shalom Way, Scotch Plains, New Jersey (corner of Martine Avenue). For more information, call Congregation Beth Israel at (908) 889-1830.

SCOTCH PLAINS RESCUE SQUAD TIP OF THE MONTH – THE DANGERS OF TOO MUCH CAFFEINE

In today's society, it seems like our to-do lists are always getting longer while our opportunities for sleep are getting shorter. How often do you hear, "Don't talk to me until I've had my cup of coffee?" Caffeine has become a necessity to many, and possibly an addiction for others.

In small doses, caffeine shouldn't cause too much trouble, although it seems like every other week there's a different opinion on that. However, all studies agree that too much caffeine can lead to problems. Sometimes symptoms can be minor, such as restlessness, upset stomach, tremors, irritability and insomnia. Other times, more serious problems can occur. Younger people especially need to be made aware of these dangers.

As reported by NBC in May 2017, a teenager in South Carolina died from a caffeine overdose. Apparently, within the two hours prior to his death, he had consumed a large diet Mountain Dew, a cafe latte from McDonalds and also some type of energy drink, which together caused a heart arrhythmia. Earlier this year, according to the article, "researchers reported that energy drinks can cause dangerous changes in heart function and blood pressure above and beyond caffeine alone. Another team found similar dangers in 2015."

As recommended by the Mayo Clinic, consume no more than 400 mg of caffeine a day. (One energy drink can have as much as 242 mg.) Of course, people with underlying health issues and/or taking certain medications or herbal

supplements, pregnant women, and young children have to follow their doctor's guidelines about what amount is safe. When cutting back on caffeine, do it slowly, if possible, to avoid the unpleasant withdrawal symptoms such as headaches and fatigue. And remember, caffeine can be found in a large number of things, such as chocolate, tea, soda, pain relievers, and certain alcoholic drinks.

So check the labels on what you're ingesting, and keep your caffeine levels reasonable. You can still have that cup of coffee with dinner, just switch to decaf.

The Scotch Plains Rescue Squad is a volunteer organization of Neighbors Helping Neighbors. With over 90 volunteers, we answer calls not only in Scotch Plains but in surrounding towns as well when needed. Besides answering calls, you will see our ambulances at many special events held in town, such as Scotch Plains Day, the Memorial Day Parade, high school football games, and the summer concerts on the Village Green. We are also available to provide demonstrations for Boys and Girls Scout troops, clubs, and any other group that may be interested in what we do. In addition, we lend out wheelchairs, crutches, canes and other assorted medical equipment free of charge. Please reach out to us if there is something we can do for you. WORLD WAR I TO BE TOPIC OF LIBRARY SERIES

Scotch Plains Public Library is one of only four New Jersey institutions to have received a World War I and America grant. This grant, along with a generous gift from the Fanwood-Scotch Plains Service League, enables us to offer original programming to commemorate the centennial of American involvement in World War One, and to explore the ongoing experience of veterans who have served in our lifetimes.

Presented by Library of America with support from the NEH, World War I and America is a two-year initiative that aims to bring veterans and their families together with the general public to explore the continuing relevance of the war by reading, discussing, and sharing insights into the writings of Americans who experienced it firsthand.

September programs at Scotch Plains Public Library include:

- Monday, September 18, 7 pm:

Opening Event: Prelude to War: The Events That Drew the U.S. into WWI, lecture by Tim White, Assistant Professor of History, New Jersey City University

- Monday, September 25, 7 pm:

War Illustration: A Straight Unbroken Line, presentations by two illustrators who are active members of the Society of Illustrators' Air Force Art Program and other projects involving the military.

Propaganda Posters of WW1 -- Dennis Dittrich, illustrator, and Associate Professor of Art, New Jersey City University

Observations from an illustrator embedding with warriors in training and on the front lines -- Victor Juhasz, illustrator

- Thursday, September 28, 7 pm:

Combat paper and Frontline Arts

Veterans who have created written word and visual art pieces through this project (www.frontlinearts.org/the-story/) will share their work and their stories with attendees.

Registration for these events is recommended. Please visit our website, www.scotlib.org, or call 908-322-5007 x204 for more information and to register. Scotch Plains Public Library is located at 1927 Bartle Avenue, one block from Park Avenue in the center of town.

THE COLLEGE APPLICATION PROCESS

Topics will also include:

- A college timeline by grade
- How your activities reflect your strengths
- SATs, ACTs, APs, IBs, and SAT Subject tests:

what's the difference and when should you take them?

- How to use your summers to your advantage
- How best to position yourself for the right college in terms of classes, activities, testing, summer, etc.
- Parent vs. student expectations and how to get on the same page

This program is free and open to interested members of the public; advanced registration is recommended.

The Westfield Young Entrepreneurs Academy (YEA!) welcomes Melinda Sánchez Donio as the new program manager for the 2017-18 academic year.

YEA! is a year-long program in which students in grades 6-12 generate business ideas, conduct market research, write business plans, pitch to a panel of investors, and launch their very own companies. The Greater Westfield Area Chamber of Commerce has been sponsoring the Westfield YEA! program since 2013. Student applications are currently being accepted for the 2017-18 year.

Mario Cesario, former co-program manager said, "I am excited to have Melinda on board as our Program Manager for the 2017-18 YEA! school year. Her experience and expertise will be a great asset to the Young Entrepreneurs Academy and our community. With Melinda leading the pack, this will be our best year yet!"

Ms. Donio is an alumna of the University of Pennsylvania, earning a BA in Urban & Environmental Studies in 2002 and a Masters in City Planning in 2003. She has been actively involved in community development and ministry in the Greater Philadelphia Region for more than 20 years.

In 2015, Donio was appointed by the White House to serve as Special Assistant to the

Regional Administrator (RA) for the U.S. General Services Administration's (GSA) Mid-Atlantic Region. Prior to joining GSA, she served as a National Programs Director and Training Coordinator for Esperanza, Inc., one of the largest Hispanic Faith-Based Evangelical networks in the United States.

As a strong proponent for her hometown of Camden, New Jersey, Ms. Donio has served on several boards. In recent years, she served a 5-year term as Commissioner for the Camden Redevelopment Agency and a 2-year term as member of the Board of Trustees for LEAP Academy Charter School. Currently, she serves on the Board of Directors for the Cramer Hill Community Development Corporation and serves on the Salvation Army Kroc Center – South Jersey Advisory Board.

"I am thrilled to be appointed as the YEA! Program Manager. My experience in working with youth and my passion for entrepreneurship makes this position the perfect fit for me. I am excited to work with our staff and volunteers to see this year's cohort turn into CEOs of their own businesses," said Ms. Donio.

For more information about Westfield YEA!, go to gwaccnj.com/yea-young-entrepreneurs-academy or email programmgr@yeawestfield.org.

DAVID LAZARUS COACHES CHESS TEAM IN ISRAELI FOR COMPETITION

David Lazarus of Fanwood coached the 2017 United States Maccabiah Chess Team in an international competition held in Israel from July 6 to 17, 2017

Locally, Lazarus helps John Moldovan and Patrick Mazillo direct the Westfield Chess Quads on Sundays at the Westfield YMCA. He was recruited to coach by Michael Weinstein of Pine Brook during a tournament in Westfield on April 2, 2017

Lazarus accepted the challenge with the support and insistence of his wife. He underwent extensive background and reference checks and then received a congratulatory welcome letter from Maccabiah National Leader Shane Carr. Many other coaches had been hired in early 2016, so Lazarus quickly made up for lost time in preparing for the competition, undergoing medical tests and information webinars.

On June 27, he and hundreds of others boarded planes to Israel to take part in the Maccabiah competition. This competition is held every 4 years and attracts athletes from around the world.

The first three weeks included many activities. The first week entailed Israel Connect, six days of excursions to many of Israel's most important and historic sights. On July 4, Lazarus and his junior team of four boys and two girls headed to Haifa, where the junior chess tournament was held. On July 6th, 1,135 US athletes and athletes from 80 other nations converged in Jerusalem for the opening ceremonies. "We had been told this would be the highlight of the games and we weren't disappointed," said Lazarus. "To have 50,000 people cheering you as you walk around the track is something I never thought I would experience in my lifetime. It was surreal and no matter how many times I watch the videos, I still have to pinch myself."

U.S. players, Joseph Zeltsan of New York and Simona Nayberg of California earned the individual boys' and girls' gold medals.

"I was happy with our performance although I had little to do with it. My job was to make sure the kids had the best possible overall experience of appreciating their heritage and on that point I believe we succeeded," said Lazarus.

BLOOD RESERVES CHALLENGED BY PATIENT DEMAND

New Jersey Blood Services, a division of New York Blood Center (NYBC) is asking for help to maintain an adequate supply of all blood types, but especially O-negative – the “universal” blood which can be transfused into anyone in an emergency. In addition, hundreds of additional blood drives need to be scheduled to meet projected hospital demand. Current inventory of several blood types is running below the desired target level.

“It’s simple: hospital patient demand for blood often outpaces our best efforts to recruit donors and schedule blood drives,” said NYBC Executive Director of Donor Recruitment Andrea Cefarelli. “There are always reasons but we have to overcome that for the sake of hospital patients who need us.”

“This is one of the toughest times of the year,” Cefarelli added. “We’re asking for our dedicated supporters to roll up their sleeves to make sure we’re able to provide our hospital partners with whatever they need to take care of their patients.”

Blood products have a short shelf life – from five to 42 days, so constant replenishment is necessary. Each and every day there are patients who depend on the transfusion of red blood cells,

platelets and plasma to stay alive. But blood and blood products can’t be manufactured. They can only come from volunteer blood donors who take an hour to attend a blood drive or visit a donor center.

To donate blood or for information on how to organize a blood drive Please call Toll Free: 1-800-933-2566 or Visit: www.nybloodcenter.org.

If you cannot donate but still wish to participate in bringing crucial blood products to patients in need, please ask someone to donate for you, or consider volunteering at a local blood drive. The blood mobile volunteer is an integral member of the blood collection team whose task it is assist donors with registration, perform canteen duties and make appointments for their next donation.

Volunteers should have the ability to relate to the public, be able to perform different jobs as needed and have the willingness to follow the rules. For additional information contact Manager of Community Relations & Volunteer Services Jan Zepka at 732-616-8741.

Any company, community organization, place of worship, or individual may host a blood drive. NYBC also offers special community service

scholarships for students who organize community blood drives during summer months. Blood donors receive free mini-medical exams on site including information about their temperature, blood pressure and hematocrit level. Eligible donors include those people at least age 16 (with parental permission or consent), who weigh a minimum of 110 pounds, are in good health and meet all Food & Drug Administration and NY or NJ State Department of Health donor criteria. People over 75 may donate with a doctor's note.

Established in 1964, New York Blood Center (NYBC) is one of the largest independent, community-based blood centers in the country. Each year, NYBC provides approximately one million blood products to nearly 200 hospitals in the Northeast. NYBC also provides a wide array of transfusion-related medical services.

NYBC is also home to the world’s largest public cord blood bank, which provides stem cells for transplant in many countries, and a renowned research institute, which – among other milestones -- developed the Hepatitis B vaccine and innovative blood purification technology. LAW EXPLORER POST 629 ACCEPTING NEW MEMBERS

It is that time again when students will be returning to school and choosing their after school activities. Law Explorer Post 629, now on its seventh year, is gearing up for another year of exploring the field of law and government through trips, guest speakers, discussions and hands-on activities. Students who are interested in this career path or simply want to learn more about law and government are welcomed to sit in on one of the meetings and discover what the program is all about.

Law Explorer Post 629 is an after school enrichment program where youth have the advantage of seeing and experiencing law and government in a captivating, age appropriate way. The program is open to Union County youth, ages 14 - 20. The youth Explorers meet in the Law Offices of Lucia E. Perpina, Esq., 629 North Wood Avenue, Suite 5, Linden, NJ on Friday nights, from 6:00pm – 7:30pm. In addition

to its educational goals, Post 629 also offers fun outings during the year which may involve hiking, bowling, camping or other non-law related activities to foster teamwork and cohesion within the group. The youth are also encouraged to select and organize a year-long community project (relating to law and/or government) in which all the members will take an active role. Post 629 is not a political group, does not have any political affiliations, and all members must be open minded and accepting of all people.

Post 629's adult volunteers welcome the opportunity to speak with parents and youth about the program prior to making any commitments regarding membership in the program. If you are interested in the program, you may call (908)718-5877 or simply stop by on a Friday evening. Weekly meetings have already begun and the program accepts members on rolling basis.
