A MESSAGE FOR COMMERCIAL REAL ESTATE BROKERS, LANDLORDS, FRANCHISORS AND PROFESSIONALS WHOSE CLIENTS NEED A CERTAINTY OF FUNDING.

White Rose Funding is a direct and indirect lender that can provide funding for:

- Tenants in need of capital for a build-out, equipment or machinery;
- Franchisee and other Start-Ups in need of acquisition funding or working capital; and
- An established business that has sudden and temporary cash needs.

We provide flexible financing on fair terms that rewards the forwarder by offering:

- Financial remuneration to the forwarder; and
- A tailored solution for your client.

For example, a Landlord or Commercial Real Estate Broker is showing property to a prospective tenant, the location is ideal, but the build-out cost is likely beyond the tenant's initial budget. The Landlord seeks personal guarantees sensing there could be financial issues down the road. White Rose Funding could provide a term loan for the build-out, fixtures and equipment, and a working capital loan that will ring-fence the rent guarantee.

There is no cost to your client unless we provide the financing.

If the client does not enjoy prime credit status, we have relationships with preferred SBA Lenders that can make the process fast and efficient.

When you need access to an alternate lending source for your business needs, please consider White Rose Funding.

SAGE ELDERCARE CELEBRATES VOLUNTEERS WHO BETTER LIVES OF OLDER NEIGHBORS

SAGE Eldercare celebrated the hundreds of volunteers who are the “foot soldiers” of the non-profit organization at its annual luncheon held in July. “Volunteers are instrumental in helping SAGE carry out its mission to maintain the safety and independence of older adults and to support their families and caregivers,” said SAGE Executive Director Angela Sullivan. The luncheon was sponsored by PNC Wealth Management, Home Care Assistance, and The Grand Summit Hotel, where the event took place, and included door prizes and entertainment by vocalist Rhonda Denet.

“All of our volunteers are bettering the lives of our older neighbors,” Marianne Kranz said. “Meals on Wheels is not just a food delivery service; it cures loneliness and gives people hope. It saves lives. The Furniture Restoration Workshop fixes family heirlooms. Spend-A-Day volunteers are there for program participants and their families during very vulnerable times. These small, or sometimes very large, acts of kindness are the most important thing we can share with potential donors to ensure they understand the importance of our mission, to make sure the older adults in our community remain as safe, happy, and healthy as possible.”

SAGE Eldercare is always in need of

volunteers to keep their client-centered health, social, and support services running smoothly.

To learn more about the volunteer opportunities at SAGE, please call Marianne Kranz at 908.598.5514, or email mkranz@sageeldercare.org.

THE DEBARY INN; FOUNDED ON RICH HISTORY WITH A PASSION FOR LUXURIOUS HOSPITALITY

The DeBary Inn was acquired in 2009 by Joseph Riela and a group of Summit-based business partners and is now managed by Joseph Riela, Louis Helfer and one of the city's most recognizable citizens, Jim Cramer. The group of investors began their journey to revive the interior infrastructure and furnishings, thereby establishing sixteen unique guest rooms and maintaining the 1880s architectural charm, all while offering luxurious modern conveniences. Primary focus was set on complimenting "Downtown Summit" by reviving and re-opening the Inn.

DeBary History: Baron Fredrick DeBary was born in Rheims, France in 1815. At the age of 25 he sailed to America at the behest of the Mumm 'Champagne' family to be their American agent. The timing was right and DeBary went on to become the largest wine importer in America. After years of continued success, Fredrick's son Adolphe took over the American business at the age of 27.

The mansion's history begins in 1871 when Adolphe DeBary, married Augusta Cecil, a young woman from Summit. The couple went on to have 3 children and constructed the vast estate in 1880. The mansion was described by a local paper as "one of the largest showplaces in Summit", known specifically for "its size, beauty, and elaborateness". The original estate was over

3.5 acres including several separate buildings, extensive gardens, and stables for six horses.

In 1906 the DeBary family moved out of Summit and the estate was later sold in 1916 to a development company. A road was established through the property, presently called 'Debary Place', and remaining grounds were subdivided into residential lots. The three-story Victorian was then moved over 200 feet to its present location with frontage along the present 'Springfield Avenue', now home to the majority of the City's finest restaurants, small-business, and specialty shops.

In 1923 the DeBary's former home began offering lodging and was called "The Hobart Hotel" but renamed in 1941 to "The DeBary", honoring the original family. Paul and Peggy Brown acquired the property in 1977 and opened "The DeBary Guest House", specializing in lodging for 14 senior citizens, and later evolving to provide for various Summit residents facing hardship. The Brown Family of Summit put the property up for sale in 2006, and was then purchased by Anita and Hill Rose, also Summit residents, until the present ownership change in 2009.

Joe, Lou, and Jim look forward to hosting you at the Inn! Call today to make a reservation and enjoy a slice of Summit history with us:

CHIHULY NIGHTS BUS TRIP SEPT. 15

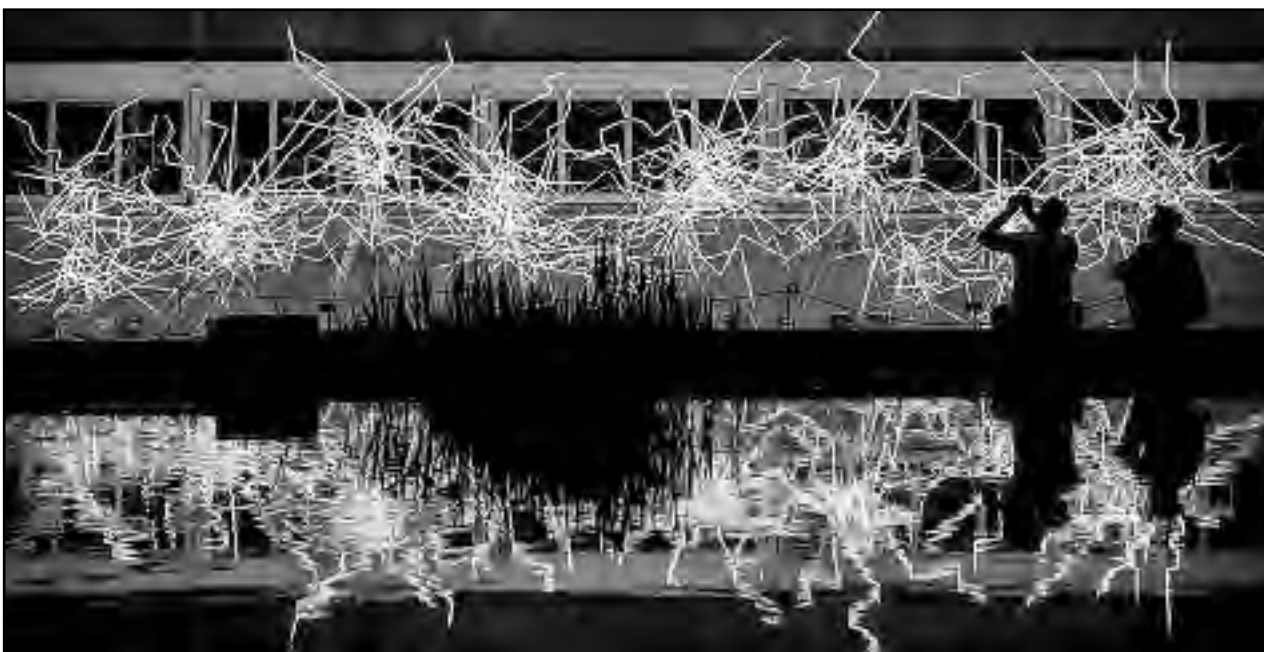

Join Reeves-Reed Arboretum on Friday evening, September 15, for a trip to the Bronx to view CHIHULY NIGHTS, artworks by world-renowned glass artist Dale Chihuly, on view at NY Botanical Gardens. This is Chihuly's first major garden installation in New York in more than ten years and reveals breathtaking works of art that dazzle with color, light and form – by day and night. Set as a “living canvas” within NYBG's landmark landscape and buildings, this dramatic, sensory-filled exhibition is a must see, especially at night when the artworks are spectacularly illuminated! Among the singular sights is a monumental reimagination of his storied 1975 Artpark Installation, reflecting the interplay and movement of color and light, set amidst the water features of the Native Plant

Garden and the Enid A. Haupt Conservatory Tropical Pool. And in the Visitor Center plaza, enjoy a rotating lineup of performing artists and musicians while you relax and enjoy shopping, food, and Avión Tequila cocktails available for purchase.

To register please visit our website, www.reeves-reedarboretum.org or call Doreen Schindler at 908-273-8787 x 1010.

The bus departs promptly from the Grand Summit Hotel at 4 pm and leaves NYBG at 9:30 pm. Registration is limited to a first come, first served basis.

The fee for this event is \$85 for RRA members, \$95 for non-members. Not yet an RRA member? Call now or log on to our website and sign up today.

MAKING A DIFFERENCE 5K SET FOR SEPT 9

The Summit Police Department is inviting members of the Summit and nearby communities to participate in the Making a Difference 5K run in honor of Detective Matthew Tarentino on Saturday, September 9 at 9 a.m. in downtown Summit.

The event is being organized by the Summit Police Athletic League (PAL) with Overlook Medical Center, part of the Atlantic Health System as the primary sponsor. It will consist of two separate races: a 5K run and a one-mile walk/fun run to accommodate participants of varying levels of interest and ability. Each race will feature a scenic course through downtown Summit, award prizes for top finishers, and provide post-race food and entertainment.

Registration fees for the 5K run are \$35 per person. Fees for the one-mile run/walk are \$25. Registration can be completed online at raceroster.com/events/2017/13582/making-a-difference-5k. The rain date is Sunday, September 10.

“Detective Matthew Tarentino was a competitive runner who thoroughly enjoyed the sport,” explains Summit Police Officer and run coordinator Kathleen Maggiulli. “Initiating this run in Matt’s name to benefit his family is a fitting tribute that would mean the world to him. The Summit Police Department is proud to participate alongside the PAL and sincerely thanks the community for joining us.”

Visit the Making a Difference 5K run website noted above for more information or contact the Summit Police Department at 908-273-0051.

Donations to the Tarentino family can also be made online at youcaring.com/victoriatarentino-835682.

Checks can be mailed made payable to: Summit PAL, 512 Springfield Ave., Summit, NJ 07901 Include a note stating that it’s for the Tarentino family and 100% will be given to the family.

SUMMIT POLICE DETECTIVE MATTHEW TARENTINO

Summit Police Detective Matthew Tarentino, 29, had served five years in the police department before being killed in a motor vehicle collision on his way to work on May 30, 2017. Tarentino left behind his wife Victoria, two sons, Robert and Raymond, ages two and four, and a daughter, Anastasia Catherine, who was born in August. Tarentino was part of the police department Community Policing Unit and considered instrumental in establishing and managing a notable number of programs and partnerships with Summit public and private schools, community organizations and within city departments. Summit Police Chief Robert Weck stated in part, “Matt was highly respected within our department and throughout the Summit community. His legacy is one of strong community connections and balanced, enthusiastic outreach. While he may be gone, he will never be forgotten, and his family will always be part of ours.”

For more information on the Summit Police Department and the many significant accomplishments of Detective Matthew Tarentino, go to cityofsummit.org/police.

2017 SUMMIT POLICE YOUTH ACADEMY GRADUATES 58 CADETS

The Summit Police Department is announcing the conclusion of the thirteenth season of its Youth Academy, an increasingly popular program designed to provide area youth with the opportunity to gain an understanding of the role of the police officer. A total of 58 cadets graduated during two separate ceremonies which were attended by family members, Mayor Nora Radest, Police Chief Robert Weck, and various council members.

Ranging in age from 11 to 14, the cadets experience the same types of drills and physical training that men and women receive in today's police academies. In addition to receiving overviews of criminal investigations, evidence recovery and patrol tactics, the cadets are provided with hands-on scenario training in which they process crime scenes, conduct high-risk motor vehicle stops and even have an opportunity to experience some of the difficulties of emergency vehicle operation by driving golf carts alongside their instructor.

During their visit to the John H. Stamler Police Academy in Scotch Plains, the cadets utilized the

same obstacle course used by police recruits, received unarmed self-defense instruction, and underwent firearms simulator training which demonstrates the split-second decisions that police officers must frequently make. The cadets also attended demonstrations from various specialized units that are available to law enforcement such as the Union County K-9 Unit, SWAT Team, Bomb Squad, and the Summit Fire Department.

"The mission of the Summit Police Youth Academy is to familiarize our area youth with the role of the police officer and provide them the opportunity to learn respect for the law, personal responsibility and the importance of teamwork, all through positive interaction with local police officers and exposure to the challenges of responsibility of police work," explains Summit Police Chief Robert Weck. "We are extremely proud of our graduates as well as the officers involved with the program. This year, 18 of our graduates participated in Summit's National Night Out Against Crime on August 1,

where they proudly wore their uniforms and demonstrated the drills they had learned."

Chief Weck would like to thank the Academy's Program Director Detective Sergeant Ryan Peters, Lead Instructor Police Officer Gerald McDermott, Head Drill Instructor Sergeant Charles Daly, Assistant Drill Instructor Lieutenant Richard Proctor, Assistant Instructors Police Officers Keith Kwiatek and Jeffrey Deets, Academy Secretary Pamela Ferreira, and former Youth Academy graduates Angeles Rivas and Anna Makedonska, who assisted the academy instructors.

The Summit Police Youth Academy is grateful to the John H. Stamler Police Academy, the Summit Fire Department, and the specialized Union County Units for their assistance. A special thank you goes to the Grand Summit Hotel for providing transportation to the Police Academy each and every year since the Youth Academy's inception, as well as the Canoe Brook Country Club for the use of their golf carts during the Evasive Driving test.
