Shortly after Hurricane Harvey devastated Houston, Mountainside Fire Department firefighter Alex Polce took the initiative to organize relief efforts. After speaking to Houston OEM coordinators, who were still overwhelmed by the search and rescue effort and desperate for first responders, Firefighter Polce worked his contacts online to find help getting the supplies to Houston. In a twist of fate, Firefighter Polce, who is also a Marine veteran and member of online discussion boards for the veterans community, noticed a post that Hermann's Transportation Services would be sending trucks to Houston in a relief effort organized by Jersey City Firefighter Brian Hermann, the son of a Marine veteran. The brotherhood of Firefighters and Marines was the common bond that would bring the Mountainside Fire Department relief run a reality. With the support of Mountainside Chief Pecorelli and the outstanding efforts of

ECRWSS

Community businesses in the area also played a huge part helping to get the word out to residents and act as satellite drop-off points. Twin Elephant Brewery and the Mountainside Deli helped to notify their loyal customers that help was on the way for Houston and their help was needed. The Central Jersey Leathernecks, members of the Marine Corps League were also essential in getting the word out and helping with donations.

It is in times of need and desperation where our residents, first responders and veterans show their brightest colors, Red, White and Blue.

Testament of Youth (2015) will be shown on **October 3.**

Testament of Youth is a powerful story of love, war and remembrance, based on the First World War memoir by Vera Brittain, which has become the classic testimony of that war from a woman's point of view. A searing journey from youthful hopes and dreams to the edge of despair and back again, it's a film about young love, the futility of war and how to make sense of the darkest times (PG-13).

Loving (2016) will be screened on

October 10.

The story of Richard and Mildred Loving, a couple whose arrest for interracial marriage in 1960s Virginia began a legal battle that would end with the Supreme Court's historic 1967 decision (PG-13).

Norman (2017) is our offering on

October 17.

Persistent wheeler-dealer Norman (Richard Gere) falls in with an Israeli politician (Lior Ashkenazi) on the rise. When the politician is elected prime minister, Norman rises in esteem with the New York Jewish community, even though his social connections might only be a sham (R). Showtime for each movie is 6:30 PM. (There will be no movie shown on

October 24 and October 31 due to the Friends Book Sale.)

BROWN BAG ACADEMY,

Opera on Film Series,

Sally will be with us the third Thursday of every month through December from 7:30-8:30pm. This series is for everyone - beginners and those with experience. The lessons are designed as "stand alone" so feel free to come to one session or all of them-we are sure you will find it to be a valuable experience.

This month Sally will focus on the Power of Intention.

Saturday Musical Getaways: Halloween Show Saturday, October 14, 2:00-3:00 PM.

Gerard and Diane Barros, of "One Fine Tapestry: A Carol King Tribute" fame, return to the Library for a special fall-themed show. Gerard and Diane are a unique husband and wife keyboard and guitar duo, specializing in 2-part harmonies. With an "old school duo" approach to playing instruments and singing live, this versatile pair of musicians provide great entertainment for children and adults.

Their Halloween show is a fun mix of Halloween classics and "non-conventional" golden oldies related to Halloween traditions. They will be covering songs by such artists as the Classics IV ("Spooky"), Ella Fitzgerald, Juice Newton, Warren Zevon ("Werewolves of London"), Annie Lennox, Bobby "Boris" Pickett ("Monster Mash") and, of course, the Zombies.

MOUNTAINSIDE SCHOOLS ACHIEVES SUSTAINABILITY CERTIFICATION

Both Beechwood and Deerfield Schools in the Mountainside School District have met the rigorous requirements to achieve Sustainable Jersey for Schools certification. These schools, the only ones in Union County, join a group of

91 schools that achieved the Sustainable Jersey for Schools certification in 2017. A total of 679 schools and 273 school districts are participating in the program overall.

"We are so proud of the efforts of our students, faculty, community members, administrators, and board members who all collaborated to achieve this recognition," notes Dr. Nancy Lubarsky, Chief School Administrator. "This was definitely a team effort!" Mountainside School District is a small, 750 student, high performing K-8 district in suburban New Jersey, committed to contributing to a sustainable environment from actions taken at the board level right through to daily activities at each school and the cafeterias. Teachers incorporate sustainability lessons into their everyday instruction across the curriculum.

"As students and teachers head back to school this year, they will learn the good news that their hard work has paid off," said Randall Solomon, executive director of Sustainable Jersey. "Becoming certified with Sustainable Jersey for Schools is a significant achievement for schools and their school district. The number of schools participating in the program is truly remarkable."

Sustainable Jersey for Schools, a program for kindergarten through twelfth-grade public schools in New Jersey, is voluntary, but achieving certification is not easy. Each school that is certified at the bronze level must submit documentation to show it has completed a balanced portfolio of the program's sustainability actions, attaining a minimum of 150 points. Silver-level certification requires a minimum of 350 points of sustainability actions. Over 2,700 sustainability actions were completed by schools and districts participating in the Sustainable Jersey for Schools program - from performing energy audits and boosting recycling efforts to integrating sustainability into student learning and promoting student and staff wellness.

"We are proud of the leadership provided by the boards of education and their superintendents, as well as the contributions of principals, teachers, education support professionals and parents, that made this important milestone a

reality," said Dr. Lawrence S. Feinsod, New Jersey School Boards Association executive director. "We congratulate the schools on achieving Sustainable Jersey for Schools certification." On October 24, 2017, the certified schools and their districts will be celebrated at a reception held during NJSBA Workshop 2017 in Atlantic City. Workshop 2017 will feature Sustainable Jersey for Schools sessions along with NJSBA sustainability support programs for schools.

About Sustainable Jersey for Schools

Sustainable Jersey for Schools is a certification program for public schools in New Jersey. It was launched by Sustainable Jersey, a nonprofit, nonpartisan organization that provides tools, training and financial incentives to support and reward municipalities and schools as they pursue sustainability programs. The skits that will be presented are "Family Dynamics before the Holidays" and "Fostering Positive Relationships". Come and learn important coping mechanisms and strategies through these skits.

All are welcome to this free event. The meeting begins at 7:30 p.m. and is held at the RWJ Rahway Fitness and Wellness Center, located at 2120 Lamberts Mill Rd., Scotch Plains, NJ 07076.

THE WOMAN'S CLUB OF WESTFIELD

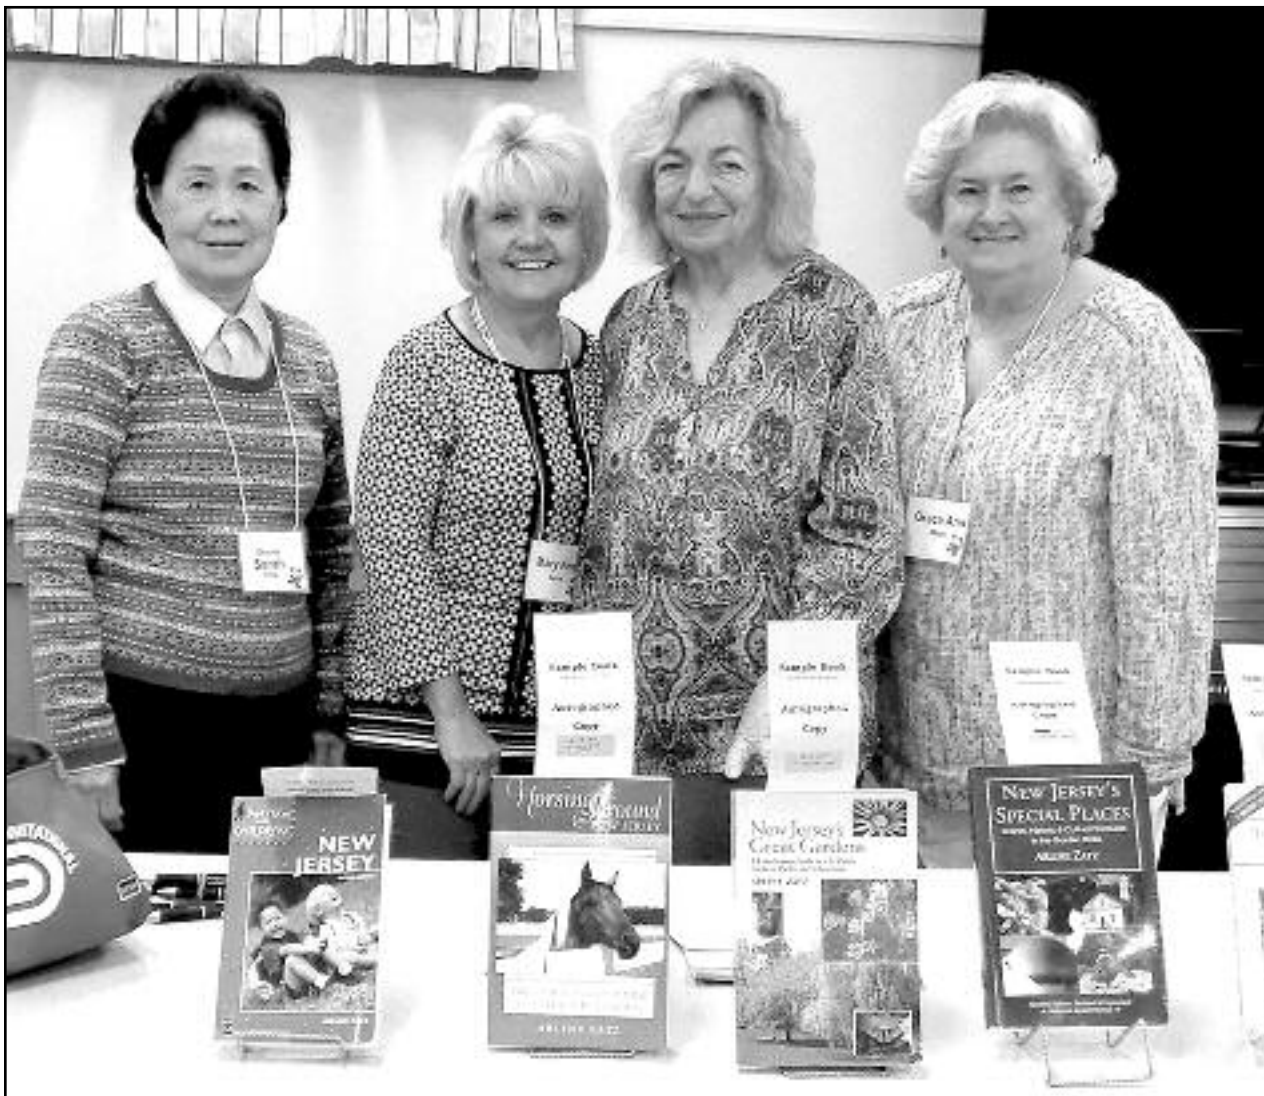

The Woman's Club of Westfield (WCW) spent an enjoyable afternoon recently during a general meeting of the club. The club's upcoming year's schedule was discussed and first on the list will be the annual decorating and filling of Christmas stockings for our troops who will find themselves far away for Christmas. This is a project very much enjoyed and supported by our members.

A guest speaker, Arline Zatz, gave a very interesting slide program which she narrated on The Gardens of New Jersey, including Public Gardens, Aboretums, and Parks. She was able to give a personal touch to each slide which added to the effect of the beautiful flowers and trees

shown. Arline has written many books including: "New Jersey Bicycle Tours, Great Gardens" and Best Hikes With Children."

Ladies from Westfield and the surrounding area who are interested in helping those in need, working on group projects and making new friends at the same time are encouraged to join us. Meetings are held from September through June at the Atlas Pythagoras Masonic Lodge, 1011 Central Avenue, Westfield.

For more information please write to Woman's Club of Westfield, Post Office Box 1157, Mountainside, NJ, 07092.

FOUR CENTURIES WEEKEND AT HETFIELD HOUSE COMING THIS OCTOBER

The weekend of October 21-22 marks Union County's "Four Centuries in a Weekend" event. Each year, Union County celebrates its important places in history by featuring many historic sites throughout the County. The historic Hetfield House will be open for visitors on Saturday, October 21 from 10 a.m. - 5 p.m. and Sunday, October 22 from 12 p.m. - 5 p.m.

During Saturday and Sunday, back by popular demand, there will be a miniature simulation of a Revolutionary War Battle. This year, The Battle of Monmouth will be reenacted. Mountainside's own John Sileo, a member of the Tri-State Historical Education Simulations, Inc., will be present to engage in a lively discussion on the battle, fought nearby on June 28, 1778 in Monmouth County, New Jersey. The discussions will be augmented by a diorama of the military actions with hundreds of hand-painted soldiers.

In addition, the Mountainside Restoration Committee will have on display during the weekend a collection of Mountainside Pottery. The collection was acquired from former Mountainside residents Brent and Roberta Barnes. The Mountainside Pottery Company was in business at 1140 Hwy. 22 in Mountainside from 1929-1940. The company was owned by John Kovacs, from Hungary, who was affiliated with Rutgers University. Earlier Mountainside Pottery works were simple white utilitarian pieces while later works are more colorful and decorative.

The Mountainside Historic Committee will also be displaying its new acquisition of a very special copper coin – a 1797 NJ-Maris 6-D Copper Coin. The coin is thought to have been struck by a Hetfield relative who worked at a mint once located in Rahway.

Tours of the Hetfield House will be available throughout the weekend. The open house and activities are free to visitors and fans of Union County history. The exterior of the Hetfield House will be adorned by over a dozen

scarecrows representing figures in history. These scarecrows are created by Mountainside Fifth Grade students from Deerfield School who will be visiting the Hetfield House on a field trip the week prior to Four Centuries Weekend.

This year, the Hetfield House will be participating in Union County's History Trading Card program. Be sure to pick up a card from the Hetfield House and add it to your collection of cards from other Union County sites. Each card depicts a person, place or event in Union County

history.

The Deacon Andrew Hetfield House is located at Constitution Plaza (Watchung Ave., off Birch Hill Rd.) adjacent to the Mountainside Library. The Mountainside Restoration Committee is a committee of volunteers whose purpose is to restore and maintain the Deacon Andrew Hetfield House and Levi Cory House and collect and save historic information and items from destruction. For further details, please call (908)789-9420 or go to www.mountainsidehistory.org

(above) Many examples of Mountainside Pottery, created by a Mountainside company from 1929-1940, will be on display at the Hetfield House during the Four Centuries Open House.

POLICE DEPARTMENT ANNOUNCES "AN EYE ON CRIME" VIDEO SURVEILLANCE CAMERA REGISTRATION PROGRAM

Do you own a surveillance camera at your home or business that records video footage and want to help the police solve crime?

Chief Allan Attanasio of the Mountainside Police Department has announced a new crime prevention program named "An Eye On Crime" which the department is participating in. The goal of the camera registry program is to deter crime and promote public safety through a collaboration between the Mountainside Police Department and the community we serve.

The program allows residents and business owners to register their exterior video cameras with the police. This provides detectives with contact information of the camera owner. Should a crime occur in their neighborhood, detectives

will request that the video owner view their footage and share any suspicious activity, persons or vehicles with them.

Registration is entirely voluntary and the police department will not have access to your camera feed or recorded footage. Personal information gathered is for official use only and will not be released to any member of the general public.

If you are interested in participation in this program, print and complete the registration forms and mail them to the Mountainside Police Department. The registration forms can be found on the Mountainside Police Department Facebook page or on their website at <http://www.mountainside-nj.com/dept/police>
