18 TEENS PARTAKE IN TRAINING FOR GRIEF SUPPORT

Imagine is so grateful for our dedicated youth and adult volunteers who provide the opportunity for grieving children and their parents to get the support they need.

(above) Giulia Gocci of Mountainside, Julia Zucosky of Scotch Plains, Kelly Greiner of Chatham, Dani Jayinski of Scotch Plains, Sara Miller of Westfield, Amanda Carrico of Mountainside, Jessica Friebely of Scotch Plains, Colette Franciscus of Scotch Plains, Brett Simons of Short Hills, Justin Zucker of Westfield, Abby Riordon of Westfield, Sara Joseph of Kenilworth, Kai Chiang of Mountainside, Will Sherry of Westfield, Tunji Ooadewole of North Plainfield, Jeremy Dranikoff of Short Hills, Ben Krauss of Scotch Plains and Kimberly Cruz of Union.

On Saturday, September 9th, Imagine held its sixth youth facilitator training. 18 amazing young people, ages 14 to 18, attended the full day training which sensitizes teen participants to the issue of childhood grief and prepares the youth to assist with the facilitation of peer-support groups for children who are coping with the death of a parent or a sibling. Through the development of listening and facilitating skills, these teens are now prepared to be loving listeners, group facilitators and advocates for grieving children in their community.

"We are so grateful for the participation of these youth. The teens bring wisdom, youthful energy and a wonderful presence and skill set to our volunteer program and grief support groups, facilitating groups right along with the adult volunteer facilitators," said Connie Palmer, Imagine Clinical

Training Director. "We've been working with teen facilitators since 2012 and they have added a profound and powerful aspect to our programs."

Imagine provides free year-round peer support groups for children age 3-18 who have had a parent or sibling die, with concurrent groups for parents and guardians. Free support groups are also available for young adults 18 and up who have had a friend, sibling or parent die. Imagine also provides in-home support and support groups for children and teens who have a family member living with a life-altering physical illness. For more information about Imagine, come for a tour offered three times a month.

Tour dates can be found by visiting their website at www.imagenenj.org or contact info@imagenenj.org or 908-264-3100.

FIRE PREVENTION WEEK OPEN HOUSE - 10/7

The Union Township Fire Department will be hosting their first-ever Fire Prevention Week Open House event on Saturday, October 7, 2017. The fun-filled, educational event will take place from 10:00a.m. to 3:00 p.m. at Union Fire Headquarters located on Bond Dr.

During National Fire Prevention Week, a week dedicated to informing the public on the importance of fire prevention, the Union Fire Department hopes to promote prevention and awareness through fun, innovation and community.

Some of the day's activities are set to include:

- A dunk tank
- An obstacle course for kids
- Hourly Firehouse tours
- Seminars on basic first aid and CPR
- Extrication demos
- Meet and greet with local firemen
- Games and more

Complimentary refreshments and hot dogs will also be provided.

President Calvin Coolidge proclaimed the first National Fire Prevention Week on October 4-10, 1925, beginning a tradition of the President of the United States signing a proclamation recognizing the occasion. It is observed on the Sunday through Saturday period in which October 9 falls, in commemoration of the Great Chicago Fire, which began October 8, 1871.

This year's Fire Prevention Week theme is "Every Second Counts: Plan 2 Ways Out," and encourages having a clear and practiced escape plan with two exit strategies in the event of a fire.

For more information on the Open House event, contact the Township of Union Office of Public Information at (908) 851-5096 or via email at publicinfo@uniontownship.com.

UNION HIGH SCHOOL WELCOMES CLASS OF 2021

Approximately 420 incoming freshmen attended Union High School's Freshman Orientation program hosted by the School Counseling Department. The day began with a brief informational session for parents led by the UHS administrative team. High School Principal Mr. Corey Lowery provided parents with goals for the school year and additional information regarding daily operations. The four vice-principals were also on hand to assist parents with questions and concerns.

After, staff welcomed the Class of 2021. Students were then placed into smaller groups to attend five different workshop sessions. One session included a presentation by the counseling staff, "Navigating your Path", which outlined the role of the School Counselor, graduation requirements and updates, as well as where to find support if needed during the school year. Mrs. Kim Osty, 9th grade vice-principal, led a session, "Getting to know UHS" on transitioning to UHS and reviewed policies, procedures, as well as code of conduct. The Peer Ambassador Organization led an interactive piece, "Get Involved," designed to allow freshmen to ask questions and receive advice from the upperclassmen on a variety of topics. In separate computer labs the School Counselors presented their session "Get Connected" which led the students through registration onto Naviance, the college and career web based computer program that they will be utilizing throughout their high school career. Students were provided with their "Activities Sheet" which they can fill in to record

their many accomplishments leading up to senior year. Finally, the Peer Ambassadors gave a group tour entitled "Know your Way" and maps were provided to make navigating the halls on the first day just a little bit easier.

The day ended with the UHS PTA distributing some back to school snack bags for all in attendance. Chromebook distribution through the IT department was also scheduled for later that day.

Supervisor of School Counseling Nicole Ahern shared, "The event was a success and this was the highest attendance for a Freshman Orientation since the program's inception. Our goal is to have the 9th graders feel a sense of comfort versus anxiety as the school year starts. By allowing them to explore the high school and interact with peers and other students, it sets the stage for a positive transition to high school."

BURNET MIDDLE SCHOOL STUDENTS CREATE SPECIAL MURAL

This summer the Burnet Middle School Title I Summer Enrichment Program continued their efforts to beautify their school environment by creating a mural that included book titles that were read during the school year. The students

with their Art Teacher, Mrs. Diane Esquivel, utilized the skills that were learned in the summer art program to complete this project. The Title I program will continue during the 2017-18 School year. Mrs. Patricia Frazier, Title

I Coordinator at Burnet, believes that "in creating a positive school climate, students produce and help maintain this culture to breed success. The school and school community interaction harbors great success in our students' futures."

The organization also provides personal household assistance as well as home health services for those in need.

John Olivio, a Certified Special Education teacher for the Center for Educational Opportunities, received a check for \$2,000. The Center for Educational Opportunities is a 501c (3) nonprofit organization that assists individuals from ages 14 – 21 years with educational and physical disabilities, such as Autism and Down syndrome.

Every year members of Union Knights of Columbus, wearing their yellow vests, stand on the streets and sidewalks of the township collecting monetary donations ("shake a can" as they call it) for citizens with intellectual disabilities. Past Grand Knight Michael Peter has spearheaded this activity, known as the Intellectual Disabilities drive, for over 10 years.

The Union Knights of Columbus is proud to support these two incredible organizations and look forward to doing so in the future.

The Salem Roadhouse Cafe proudly presents InterXchange Ensemble, who will be performing on Saturday, October 14, 2017 at 8:00 p.m.

"This is truly an international exchange blending Brazilian and American Jazz, with performers who are visiting from Brazil on stage with Jazz musicians who are local to New Jersey," explained Melanie Mitrano-Duffy, vocalist for InterXchange.

The InterXchange Ensemble includes Melanie Mitrano-Duffy (vocals), Gerson Galante (saxophone / flute / clarinet), Glauco P Lima (keyboard), Bill Moring (bass), Scott Neumann (drums).

the Roadhouse on Union TV Channel 34's "Union After Dark" nightly music series.

About Salem Roadhouse Café:

Dedication best defines the Salem Roadhouse Café: dedication to good music and dedication to the community. As its tenth year begins, Salem Roadhouse Café reaffirms its commitment to both.

Started in 2008 by members of Townley Presbyterian Church with a grant from the Presbytery of Elizabeth, the Roadhouse Café continues to operate as a non-profit that raises funds for several carefully chosen local charities. Thousands of dollars have been raised for deserving charities. The current season has been benefitting the Union County YWCA Domestic Violence Program. That may be its social mission, but the Roadhouse Café is and has been a performance venue beloved by the musicians who play there because of its special intimacy with the audience.

The Roadhouse Café has always offered its stage to local and independent mainstream musicians. It's a clean, safe place for people who enjoy listening to live music, in a world of clubs and bars. Jazz, rock, folk and other groups have performed. During the past ten years well over 100 different entertainers have appeared. Local fine artists also display their works.

For more information about this event and the Salem Roadhouse Cafe, you may visit them online at www.roadhousecafe.org or on their Facebook page www.facebook.com/roadhousecafe
