JENNIE SILECCHIA OF CHATHAM HONORED AT NORTH JERSEY PINK TIE PARTY

Submitted by Kathi Edelson Wolder

Jennie Silecchia of Chatham was honored at the Susan G. Komen North Jersey's 2018 Pink Tie Party fundraiser, held March 16, 2018 at The Grove in Cedar Grove, New Jersey. She was paid tribute for 15 years of exceptional commitment to the organization's mission.

Individual honorees are chosen for their exceptional volunteerism and enduring commitment to the mission of the Komen North Jersey organization. For 15 years, Jennie Silecchia has been a vital and devoted member of the "family," volunteering several days a week as an office assistant, working on almost every signature fundraising event, in addition to day-to-day activities.

She has the distinction of being one of the most recognized volunteers in the Affiliate's history. During her tenure, she has received the Ruth Siksnius Volunteer Angel of the Year Award, which was Komen New Jersey's most prestigious award; the Komen North Jersey Hope Award, and the Promise of One Award.

About Susan G. Komen North Jersey

Through the annual Race for the Cure®, Pink Tie Party, and other events and activities, Komen North Jersey raises funds to support local community non-profit organizations that provide screening and diagnostic services, breast health/breast cancer education, treatment support, and survivorship programs for underserved women and men in Bergen, Essex, Hudson, Morris, Passaic, Somerset, Sussex, Union, and Warren counties. Since its founding in 1997,

Komen North Jersey has awarded over \$18 million in local community grants and has directed more than \$7 million to national research programs in pursuit of new breast cancer screening techniques, better and more effective treatment options, and ultimately, the causes and cures to eradicate breast cancer forever.

HOPE ONE SERVICES MORRIS COUNTY LOCATIONS TWICE A WEEK

(above) The Hope One vehicle.

Hope One is a mobile recovery access vehicle which offers critical support for persons struggling with addiction, with the goals of preventing drug overdoses and deaths.

The Sheriff's Community Services Unit operates Hope One in partnership with the Morris County Department of Human Services, the Mental Health Association of Morris County, and Morris County Prevention is Key and their Center for Addiction Recovery Education and Success (CARES).

Hope One travels twice a week to locations throughout Morris County, bringing services to persons in need. A sheriff's officer, licensed clinician, and a certified peer recovery specialist, who understand the needs of those suffering with addiction, staff the vehicle.

They are able to provide clients immediate access to services and treatment facilities, putting them on the road to recovery and wellness.

In addition, Narcan rescue training and kits are provided to family members and friends of those suffering with opiate addiction.

"We're able to get them treatment right away because of our connections and partnerships we've created," said Corporal Erica Valvano.

"Removing the barriers that people come across in getting treatment," added Lieutenant Denise Thornton.

The exterior of the Hope One vehicle is decorated with a purple ribbon to signify recovery. "Hope One" is inscribed within the purple ribbon, along with the Morris County "Stigma Free" logo. A 24-hour contact number for Morris County CARES also is on the vehicle.

When the Hope One vehicle comes, it parks

and sets up refreshments, coffee, free Wi-Fi, a charging station, and donated toiletries in an effort to encourage those in need of services to approach the vehicle. Hope One sets up at locations that are natural places for the community to frequent, such as grocery stores, pharmacies, libraries, and parks. Providing a comfortable, stigma free setting has allowed this program to effectively make contact with and provide services to individuals who have had difficulty navigating the journey of accessing appropriate services in the past.

Morris County Sheriff James Gannon stated on the Morris Cares New Jersey website, "This is about getting those struggling with addiction off the street, and immediately connected with services, with the goal of returning them to be productive members of society and drug free. What makes this program unique is that the Hope One mobile recovery access center services are client driven. We travel to the client; they do not come to us. In addition, we are removing many of the barriers, which often times prevent our people, as well as family members, the ability to get the necessary help and into rehab. It is all about hope. Hope One is wrapped around your loved ones. It is in our hearts and this is where we believe we can make the difference!"

Since launching in April 2017, Hope One stopped at over 100 locations in Morris County.

To find out when the Hope One will visit, go to the calendar listings at: sheriff.morriscountynj.gov/community/hope-one/

You can also visit morris.caresnj.org or follow Hope One on Facebook.

JOE RENNA'S HYPER LOCAL NETWORK ON YOUTUBE

THE CHATHAMS • Page 11 • April 2018

Renna Media has launched a new YouTube channel called Joe Renna's Hyper Local Network! The channel will consist of a variety of shows, each with its own focus. The first episode of each show is up and ready to view.

Mind Your Own Local Business

Mind Your Local Business uses real life examples to illustrate successful techniques for managing and marketing your business. Local businesses will be featured. The first episode is about crafting a 30 second elevator speech. The February 2018 meeting of the Irish Business Association held at Molly Maguire's in Clark, NJ is featured in the first episode. Businesses that would like to be featured in an episode can email Joe at joerenna@rennamedia.com.

The Peterstown Show

The Peterstown show is a video continuation of the Peterstown Newspaper. The show focuses on the 100-year history of an Italian American Neighborhood in Elizabeth, NJ. Like the newspaper, it preserves the culture and traditions while recording the oral history that may be lost. The first episode is an interview with Carmela Lepore who turned 108-years-old on January 30, 2018.

Renna's Arena hosted by Nick Renna

Nick Renna has been the voice of high school sports as a public address announcer and brings that experience to a variety show; an eclectic mix of old and new video about general interests. His first episode is a video he shot of a 5th and 6th grade St. Anthony's Grammar School game from 1989.

The Video Shoebox

As a camera bug from a very young age Joe Renna amassed a collection of VHS tapes and 8 mm film. The first video is of the Linden Debutant Ball that he shot in 1992. There are hundreds of hours of videos to come.

Anyone with 8mm film or VHS tape to transfer should email joerenna@rennamedia.com.

Renna Media will convert film for free if we use it on the show.

TRI-TOWN 55+ COALITION PROVIDES OVER 2500 RIDES IN FIRST YEAR

Since its launch in April 2017, the Rides for Seniors program has provided over 2500 subsidized rides for residents 65 and older living in Madison, Chatham Borough and Chatham Township. More than 285 registered seniors have taken advantage of the on-demand car service to run errands, get to doctor's appointments, go shopping or visit loved ones. The Tri-Town 55+ Coalition started the program in partnership with GoGoGrandparent, a national company based in California which accesses Uber and Lyft using an 800 number without a cell phone.

While GoGoGrandparent is available nationwide, the Rides for Seniors program is the only one of its kind to offer a subsidy. Eligible riders receive \$5 off each ride up to four rides per month. The subsidy is made possible through grant funding and sponsorship support, including a grant from the Grotta Fund for Senior Care and a sponsorship commitment from AARP for 2018. A Gift-a-Ride program is also available to offset the costs for riders. For

more information, to register for Rides for Seniors or donate, visit the Tri-Town 55+ Coalition web site at www.tritown55plus.org.

The Tri-Town 55+ Coalition will mark the first anniversary of Rides for Seniors with a special celebration at the Madison Area YMCA on Wednesday, May 23 from 1:30 to 2:30 pm. The event is free and open to all residents although pre-registration is requested. Refreshments, entertainment, prize drawings and information on community services will be provided. To register, please call the Tri-Town 55+ Coalition at (862) 246-6065 and provide you name and telephone number. Please note that all guests entering the YMCA must present a valid state/government-issued ID.

The Rides for Seniors program was only the first initiative of the non-profit Tri-Town 55+ Coalition to create lifelong communities for town residents based on the World Health Organization's age-friendly themes. Since the fall of 2017 the Madison Chamber of Commerce and the Coalition have been

working with local businesses to ensure that they are accessible, offer a comfortable atmosphere and provide great service to attract the growing population of older adults in the community through the Age-Friendly Business Initiative.

This spring, the Coalition is partnering with the Mayors' Wellness Committee of the Chathams (MWCC) on an exciting new project, Chatham's Urban Track. Recognizing the importance of walkable communities to improve public health and quality of life, the Mayors' Wellness Committee plans to create a self-guided walking tour along the 3.3 mile loop of the sidewalks on the Borough's Main Street. Plans to highlight places of historic, economic and social interest along the way, including rest stops, will make the track inviting for walkers of all ages. TransOptions, a Coalition partner, is conducting a Walkability Study on Monday, April 16th from 10 am to 1 pm and is seeking community volunteers. If you are interested, please (973) 267-7600.
