## 'AN EVENING OF SHINING STARS' SPECIAL NEEDS TALENT SHOW

*Submitted by Michael P. Curci*

One of the area's most anticipated events, "An Evening of Shining Stars," featuring members of the special needs community from around Union County, will take place on Friday May 4, 2018 at 7 p.m.

Founded by Cranford resident Sally Curci, the 7th annual showcase will feature "Music from the Decades" with the cast set to sing and dance their way into your hearts as they show off their amazing talents.

And for the very first time, the "Shining Stars" cast will take the professional stage at the beautiful and historic Union County Performing Arts Center, where many of America's biggest names have performed.

"We are so excited to give our special cast the chance to perform at such a great venue," noted Sally Curci. "Our audience has grown each and every year, and our cast continues to grow as we spotlight talent from around Union County. It's going to be a night to remember."

When the lights will go up, the "stars" will shine, entertaining you with music from the '20s through today, with solo acts and full cast dance choreography, which is one of the highlights of the show.

Adam Fleissner, who has performed in every show, can't wait to take the stage again, as he prepares to sing "Help!" by the Beatles.

"We meet so many great people," said Fleissner. "We get new people in every year and everyone has a good time meeting each other and performing. All of it is just fantastic."

Caitlin Madden is also excited to team with volunteer buddy Mark Lynch on the Elton John song, "Don't Go Breaking My Heart," with rehearsals in full swing.

"I'm very excited for the show, I like my number," said Madden. "I like all the years I've been doing it. It's fun. Come see us!"

Tickets are on sale now at [UCPAC.org/events](http://UCPAC.org/events). Find the Shining Stars logo, select your seats and you'll be in for one of the best nights of the year!

"An Evening of Shining Stars" is presented by Shining Stars Network, Inc., a 501(c)3 nonprofit organization based in Union County that shines the light on the special needs community by creating inclusive events such as their annual talent show, dances at local high schools, and our Ambassadors basketball team, which travels to play local first responders to promote friendship and understanding.

SSN will also host their 2nd annual two week performing arts camp, "Camp Shine," from August 20 through August 31 in Scotch Plains. To reserve your spot, or for more information on any of these programs or events, email [shiningstarsnetwork@gmail.com](mailto:shiningstarsnetwork@gmail.com), or check out their website at [ShiningStarsNetwork.org](http://ShiningStarsNetwork.org).

## OLYMPIC FEVER AT HEHNLY AND VALLEY ROAD SCHOOLS

(above) Hehnly students from Mrs. Pflug's and Mrs. Mytrowitz's classes participate in their version of the Olympic Opening Ceremony.

Students at Hehnly and Valley Road Schools in Clark learned about the Olympics during recent activities at both schools. At Hehnly, Mrs. Pflug's fourth grade and Mrs. Mytrowitz's kindergarten buddy classes enjoyed an Olympic Day. Students learned about the history of the Olympics and the various events available to athletes in the Olympic games. Seven buddy teams worked together to create an event for the day. Students were given items such as hula hoops, lacrosse sticks, scooters, and Hot Wheel cars. They then decided what the game would consist of, what the rules were, and how points would be distributed. Each group then chose a country to represent them and created a flag for that country to display during the opening ceremony.

"This was a great opportunity for youngsters to learn about and emulate the hard work and

spirit of the athletes who participate in the Olympics every two years," explained Mrs. Bergin.

Mrs. Pflug and Mrs. Mytrowitz were proud of how their students demonstrated good sportsmanship throughout the events. A great time was had by all!

At Valley Road School, second graders participated in Winter Olympic-themed STEAM activities. The students learned about specific events such as bobsledding, snowboarding, curling, and speed skating. With the use of various household materials, the students were able to construct their own mini bobsleds to send their team of "counting bears" down the track to achieve the fastest time. The students also used these materials to send their bolt into the designated area for curling and create a snowboard to race down the mountain. Additionally, the second graders learned about speed skating and practiced the motion down the hallway to see who could slide through the course the fastest.

According to Ms. Pinto, "These activities were a fun and creative way to learn about a great winter tradition."

But when the ordinary person had two drinks, Augusten had 12; when the ordinary person went home at midnight, Augusten never went home at all. When Augusten lands in rehab, he is forced to examine himself and realizes when his 30 days are up, he will have to return to his Manhattan life and live it

sober. What follows is a memoir that's as moving as it is funny, as heartbreaking as it is real. Please speak with a librarian for info on obtaining a copy of the book.

## VOLUNTEERS SOUGHT FOR EARTH DAY RIVER CLEAN UP

Submitted by Joe Seebode

All volunteers are invited to celebrate Earth Day with Boy Scout Troop 330, Cub Scout Pack 30, and members of the Rahway River Watershed Association, Rahway Environmental Commission, and Clark Environmental Commission in a clean-up of the Rahway River on Saturday, April 21, 2018, (with a rain date of Sunday, April 22nd). The clean-up will focus on areas upstream and downstream of the dam at Winfield Park, New Jersey. It is our hope to have enough folks participate that we can have teams work as far upstream as the Garden State Parkway and downstream through Rahway River Park in Clark, Linden and Rahway all the way to Elizabeth Avenue.

Plans are to meet at the parking area adjacent to the waterfall of the Rahway River by the dam at Winfield Park at 8:45 a.m. This is a great way to celebrate Earth Day and if you haven't participated in an event like this before, you will find it invigorating, and you will feel good about what you have accomplished...it is also a lot of fun...especially for scouts and young adults as they always find something interesting. This adds both education and adventure to the event.

The clean-up will generally be between 9 a.m. and noon, but any amount of time or effort that folks can volunteer is appreciated. There is always a large volume of floatable debris to pick up. This includes tires and of course floatables (cans, bottles, plastics, etc.). The County of Union generously supplies gloves and garbage bags, and we solicit material donations (donuts, bagels, coffee, bottled water, paper towels, hand-wipes, etc.) for all volunteers.

Last year, nearly 150 folks participated, including Girl Scouts, Cub Scouts, Boy Scouts, fishermen, local activists and citizens, and we pulled some amazing things from the river. Sponsors came through with coffee, bagels, Danish, donuts, cookies, bottled water, and juice boxes, and we had grilled hot dogs for lunch. We also had other giveaways for the participants.

All participants should wear jeans, long-sleeved shirts, gloves and boots, and waders are welcome for folks who like to get a little wet. Each participant should bring a standard five-gallon carry bucket with a handle (put your name on the bottom). This makes for easy carrying of "stuff" for transfer to the large garbage bags. When we complete the event, we do a basic inventory of the "big stuff" that we removed and within approximately 24 hours Union County Parks removes and disposes of all the trash.

There is no RSVP required but if you need more information or think you will attend please let us know by e-mail at [rivercleanup@comcast.net](mailto:rivercleanup@comcast.net). Please do not hesitate to forward or let us know if there are any questions.

Hope to see you on April 21!

# CLARK PUBLIC SCHOOL DISTRICT'S PARENT UNIVERSITY HOSTS PARENT & CHILD NUTRITION

CLARK MONTHLY • Page 15 • April 2018

The Clark Public School District recently hosted Parent & Child Nutrition Night with Clark ShopRite's Registered Dietitian Lauren Faiella. The night began with a discussion about healthy eating habits. Faiella showed attendees what a healthy meal should consist of including dairy, grains, protein, and fruits/vegetables. Participants then made a healthy snack, Lunchbox Turkey Sushi. Parents and children asked questions throughout the presentation as well.

Supervisor of Educational Initiatives Christine Casale Broski stated, "We hope that everyone who attended Nutrition Night found the event informative and enjoyable. Faiella had a wealth of knowledge to share with participants, and

everyone had a great time making their healthy snack!"

Nutrition Night is part of the district's Parent University program, which includes community education nights, parent teas, and other assembly-type programs. The program also includes virtual sessions that can be found on the district's website ([clarkschools.org](http://clarkschools.org)) under Parent University as well as on the district's Facebook and Twitter pages.

The next Parent University event is "Choices," a presentation by Marc Mero, former WWE champion taking place in the ALJ Auditorium on April 25, 2018, at 7 p.m. For more details, visit the district's website and social media pages.

# FORMER CHARLES H. BREWER SCHOOL PLANS STAFF REUNION - MAY 22ND

Faculty and staff of the former Charles H. Brewer School on Westfield Avenue in Clark, New Jersey, are holding a reunion on Tuesday, May 22, 2018, at the Ill Gabbiano Restaurant in Cranford, New Jersey. Members of the committee include Walter E. Boright, language arts and history teacher; Elaine Rusnak Zemeckis, math teacher; Lillian Husth Liskovec, home economics teacher; and Pamela Myers O'Reilly, math teacher.

Opened as a school in 1949, it was named for local farmer Charles H. Brewer of Madison Hill Road, Clark. He was a long-time school board member and district clerk. It closed its doors as a

school nearly 35 years ago in June 1983. Thereafter it was sold by the Board of Education to the township for one dollar. The structure now serves as the Clark Municipal Building Complex. After its closing, staff and students merged with that of the Carl H. Kumpf School on Mildred Ter., forming one middle school.

The committee is looking for the assistance of local residents and former students to help locate past members of the Brewer School faculty and staff. Persons with information regarding the whereabouts of former Brewer employees may send an email to Walter Boright at drbori@aol.com.

## JOE RENNA'S HYPER LOCAL NETWORK ON YOUTUBE

CLARK MONTHLY • Page 21 • April 2018

Renna Media has launched a new YouTube channel called Joe Renna's Hyper Local Network! The channel will consist of a variety of shows, each with its own focus. The first episode of each show is up and ready to view.

### Mind Your Own Local Business

Mind Your Local Business uses real life examples to illustrate successful techniques for managing and marketing your business. Local businesses will be featured. The first episode is about crafting a 30 second elevator speech. The February 2018 meeting of the Irish Business Association held at Molly Maguire's in Clark, NJ is featured in the first episode. Businesses that would like to be featured in an episode can email Joe at [joerenna@rennamedia.com](mailto:joerenna@rennamedia.com).

### The Peterstown Show

The Peterstown show is a video continuation of the Peterstown Newspaper. The show focuses on the 100-year history of an Italian American Neighborhood in Elizabeth, NJ. Like the newspaper, it preserves the culture and traditions while recording the oral history that may be lost. The first episode is an interview with Carmela Lepore who turned 108-years-old on January 30, 2018.

### Renna's Arena hosted by Nick Renna

Nick Renna has been the voice of high school sports as a public address announcer and brings that experience to a variety show; an eclectic mix of old and new video about general interests. His first episode is a video he shot of a 5th and 6th grade St. Anthony's Grammar School game from 1989.

### The Video Shoebox

As a camera bug from a very young age Joe Renna amassed a collection of VHS tapes and 8 mm film. The first video is of the Linden Debutant Ball that he shot in 1992. There are hundreds of hours of videos to come.

Anyone with 8mm film or VHS tape to transfer should email [joerenna@rennamedia.com](mailto:joerenna@rennamedia.com).

Renna Media will convert film for free if we use it on the show.

**PLEASE VIEW / LIKE / COMMENT / SUBSCRIBE.**

More shows will be coming in the future! And if you have ideas for what you'd like to see, please comment or email me at [JoeRenna@rennamedia.com](mailto:JoeRenna@rennamedia.com). ▼ Please SUBSCRIBE to my channel to get regular business insights and networking guidance: [youtube.com/channel/UCqJS](https://youtube.com/channel/UCqJS). ▼ I welcome your likes, shares and comments!
