## ALJHS PRESENTS SWEENEY TODD

Swing your razor high, Sweeney...on March 22, 23 and 24, 2018, Arthur L. Johnson High School (ALJHS) will proudly present Sweeney Todd, a musical thriller by Stephen Sondheim.

Since its Broadway premiere in 1979, Sweeney Todd has been thrilling and chilling audiences and now the Demon Barber of Fleet Street is coming to ALJ! Sweeney Todd tells the story of a barber who returns to London after a 15-year incarceration to seek revenge on those who wrongfully put him away.

Director Peter Nevargic could not be prouder of these extremely talented young performers as they tackle Stephen Sondheim's haunting and challenging score, as they play on a gorgeous multi-level set, all while being accompanied by a 25-piece orchestra predominately comprised of ALJ musicians. The cast includes performers of all grade levels and especially ALJ seniors, Anthony Whitman, Emma Knutson, Katlyn Ashley, Gabby Smith, John Gregorio, and Ryan

Rutano in their farewell performances.

Nevargic says, "This production of Sweeney Todd is a truly collaborative effort, bringing together ALJ's Drama, Art and Music departments, including many alumni, who have come back to be a part of this once in a lifetime theatrical event!"

Don't miss Sweeney Todd, which promises to be, "one of the most exciting musicals ever presented on the ALJ stage."

Saturday, March 24 at 7 p.m.

## SCOTT MCCABE RECEIVES VOLUNTEER OF THE YEAR AWARD

Clark Recreation Director Ralph Bernardo presented the third annual "Volunteer of the Year" award to Scott McCabe during a Town Council meeting held on February 20, 2018.

"So many residents offer their services and volunteer their time to help the Recreation Department throughout the year," said Bernardo. "There's not much we can do to show how much we appreciate the help except to publicly recognize these individual volunteers."

Bernardo explained that when McCabe (Supervisor of Clark's Department of Public Works) is not working for the town, he jumps at the opportunity to help in other ways. According to Bernardo, McCabe plays a huge part in the township's annual tree lighting event. Not only does he set up the front of the recreation building, but he also helps the Boy Scouts set up for Toys for Tots. He has filled truckloads of toys for the needy, placing Toys for Tots bins throughout the municipal building during the month of December," said Bernardo.

McCabe also serves as director of the Dr. Wm.

Robinson Plantation & Museum. "Scott took over the entire Robinson Plantation Project from the beginning when it was in dire straits," said Bernardo. "He worked countless hours to completely renovate the house, the grounds, and the interior."

Bernardo went on to list McCabe's many other contributions to the town, including:

- Volunteer with for the Clark Volunteer Fire Department for many years.
- Assisting with the Recreation Department's summer camp water days every Thursday.
- Running the Cub Scout pancake breakfast and pinewood derby.
- Assisting with the Memorial Day Parade and Veterans' Day Ceremony.

# CLARK PUBLIC SCHOOL DISTRICT WELCOMES NEW STEAM SUPERVISOR

(above) Mark Harley

The Clark Public School District welcomes its new Content Area STEAM Supervisor, Mark Harley. Harley will also serve as the District’s Anti-Bullying Coordinator.

“We are excited to have Mark here in Clark with us. He comes with strong experience in creating programs and this experience will be of immense value as we look to enhance our STEAM offerings at the middle and high schools,” stated Superintendent Edward Grande.

Prior to joining the district, Harley worked as a physics and engineering teacher in the South Orange-Maplewood and Ramapo-Indian Hills Regional High School districts since 2009. Over that time, Harley has continually enriched the curricula to include more technology, such as computer programming, 3D printers, and robotics. Some of Harley’s most notable accomplishments include serving as eleventh

grade lead teacher, participating in the school’s 1:1 laptop initiative and honors engineering program, updating science and engineering curricula to match the Next Generation Science Standards, and organizing a Professional Learning Community for his colleagues to utilize 3D printers in the classroom.

Harley graduated with a BS in physics/secondary education from the University of Maryland in 2007 and completed his MA in Educational Leadership from Montclair State University in 2015.

Harley stated, “I’m thankful to the Board of Education, Mr. Grande, Mrs. Feeley, and Mr. Delmonaco for providing me with this great opportunity. I’m looking forward to working with the great teachers at Clark Schools while improving and integrating the STEAM programs for grades six through twelve.”

## HEHNLY FIFTH GRADERS PARTICIPATE IN WORM STUDY

Fifth graders in Ms. Ullrich's class at Frank K. Hehnly School recently engaged in a unit on Life Science from the new Knowing Science program

studying the food webs and food chains in our environment. Students learned decomposers are the organisms that get their energy by recycling dead organisms to produce new nutrients in the soil for plants, and no organism does it better than the earthworm.

In this lesson, students learned about the worm's structural and behavioral adaptations, the role of worms as decomposers, and their basic

anatomy. As a truly "hands-on" experiment, students worked in groups to measure, touch the skin, observe the movement, and identify the worm's segments and body parts. This was just the beginning of the worm study which will include observing how worms react to different scents, light, and vibrations. Who knew there was so much to learn about these creatures? Just ask a student from Hehnly School – they can tell you!

## HEHNLY SCHOOL OVERFLOWS WITH “RANDOM ACTS OF KINDNESS”

The Frank K. Hehnly Student Council challenged each class to a “Random Acts of Kindness” competition. The students were excited to participate in the challenge, and kindness spread quickly throughout the school. Some acts of kindness included saying “Hi” to

someone new, picking up litter and putting it in a trash can, and telling someone why they are a good friend.

While all the classes had an overwhelming response, Mrs. Camillo’s fourth grade class came in first place with 152 beautiful acts of

kindness. Mrs. Hayes, one of the Student Council advisors, was very pleased with the competition. She stated, “Mrs. DeVita and I were so proud of everyone who participated in the Student Council challenge. Keep up the acts of kindness!”

Free Course on Mental Illness. The NAMI Family-to-Family Education Program begins on Thursday evening, March 22. Presented by the

Union County Chapter of NAMI, the course meets 7 to 9:30 p.m. on Thursday evenings, over a consecutive 12-week period. Course ends on May 31. It is free-of-charge, with all necessary materials furnished at no cost.

The course is offered specifically to the parents, siblings, spouses, teen-age and adult children, and significant others of individuals with severe and persistent mental illness. In a confidential setting, loved ones will learn how to understand and support their ill relative while maintaining their own well-being. The program is not appropriate for individuals who, themselves, suffer from one of the major mental disorders. The course is taught by NAMI members who have completed intensive training.

Curriculum topics include schizophrenia, bipolar disorder (manic depression), clinical depression, panic disorder, obsessive-compulsive disorder, and others, the clinical treatment of these illnesses, and how caregivers can learn to cope more effectively. Attendees will learn about the biology of the brain, new research, medications, skills needed to successfully

communicate with a relative, and how to deal with critical periods. Other topics include advocacy, fighting stigma and problem solving.

Classes will meet at St. Agnes Church, 332 Madison Hill Road, Clark, New Jersey. Registration is required prior to the beginning of the course. Call Pat at 732-382-0762 or email [patroman2@aol.com](mailto:patroman2@aol.com). Please include in the subject line: F2F class. A F2F teacher will contact you with the details.
