SPFHS'S FBLA STATE LEADERSHIP CONFERENCE 2018

Submitted by Pat Kane

Scotch Plains-Fanwood High School's (SPFHS) Future Business Leaders of America (FBLA) chapter competed in Atlantic City, New Jersey, against over 50 schools. From March 7 to 9th, 2018.

The SPFHS FBLA chapter had 11 members compete in business topics varying from financial math, help desk, and more!

As a chapter, the SPFHS FBLA was recognized for the following chapter awards: Website Award of Merit, March of Dimes Volunteer, Membership Equalization and an award for Membership Expansion.

Three students nominated administrators for awards as well: Mrs. Fitzgibbon was awarded with Outstanding Local Chapter Volunteer and the adviser of the SPFHS FBLA, Mrs. Henry, received the Outstanding Local Chapter Adviser Award as well as her 5 Years of Service Award.

The conference held workshops in addition to competitions where students were able to pick a career track to listen to professionals and college majors of the given career.

The chapter was also proud to hold a campaign for sophomore Sandra Abdelmalak who ran for State Secretary. Although she did not win the position, it was a great way to involve all of the chapter and learn more about leadership positions available in FBLA.

The conference attendees included: Nicole Alvarez (Word Processing and American Enterprise Project), Lauren Eck (Help Desk and American Enterprise Project), Cheryl Schneider (Insurance and Risk Management), Alexa Anselmo

(Client Services), Ryan Eng. (Intro to Information Technology), Shannon Persaud (Business Ethics), Ava Buttigheri (Client Services), Noah Samms (Intro to Business Presentation), Sandra Abdelmalak (Intro to Business Presentation), Zachary Labush (Accounting 1), and John Castro (Introduction to Public Speaking).

The chapter had four people place in team and individual events, as well as three participants making it to the final round.

Lauren Eck and Nicole Alvarez placed third in American Enterprise Day, a project which included writing a 15-page paper and 10-minute presentation about the American enterprise system and the annual Entrepreneurship Breakfast held by DECA and FBLA on November 15, 2017.

Cheryl Schneider placed fourth in Insurance & Risk and also received the Gold Officer Award. For this event, she had to complete a 100-question test on insurance and risk management in an hour or less.

Alexa Anselmo placed fifth in Client Services, an interactive role-playing event. She was an employee on the phone with the judges who were asking questions about the given case study.

Nicole Alvarez placed second in Word Processing and received the Gold Member Award. For her individual event, she completed a production test using Word Documents with specific jobs to complete (i.e. memos, agendas, business report formatting) in under an hour. She was the only student from SPFHS FBLA to qualify for nationals!

Overall, the conference was a success!

FANWOOD HISTORIAN JOE NAGY TURNS 95

(above) Joe with his wife of 65 years, Claire.

Joe Nagy, Fanwood's historian, treasured volunteer, and ultimate involved citizen, walked into a surprise 95th birthday party on Sunday, March 4, 2018, at the Fanwood Carriage House, Fanwood, New Jersey. He was greeted by a roomful of friends, family members, government officials, and fellow volunteers; all of whom have been touched by Joe's work in and around Fanwood for decades.

Mayor Colleen Mahr presented Joe with Fanwood's first Lifetime Achievement Award and a Key to the City on behalf of the Fanwood Council, represented by Kathy Mitchell, Jack

Molenaar and Tom Kranz. Among the family members present were Joe's wife of 65 years, Claire; and one of their three sons, Larry. They also have three grandchildren and one great-granddaughter.

Joe has worn many hats in Fanwood, most notably as a member of the Historic Preservation Commission which hosted the party, and the Scotch Plains Fanwood Scholarship Foundation. Joe also co-wrote a book about Fanwood, was a founder of Fanwood Community Television, and acts as the town's historian.

CAP CADETS COMPETE IN SCIENCE FAIR AND CYBERPATRIOT EVENT

Submitted by Jose G. Vergara

High school and middle school students who are members of the Civil Air Patrol (CAP) Cadet Program participated in two important events, Local and National. The participating students were Niyati Shah, Kiana McQuade and Veronica Vergara all from Scotch Plains, New Jersey; Paul Koizumi from Fanwood, New Jersey; and Anushka Kumar from Watchung, New Jersey.

The local event was at the Park Middle School Science Fair, Scotch Plains/Fanwood, held on March 9, 2018, in which CAP cadets from the Captain "Bud" Jackson Composite Squadron (NJ-102) taught students the principles of flight with CAP flight simulators. The cadets also demonstrated facial recognition technology and flight with a Quadcopter. Further, the CAP cadets provided a Military Style Color Guard to initiate the Science Fair Awards Ceremony where the best students' projects were recognized, and prizes were awarded.

The cadets explained to the public that CAP is a non-profit corporation that serves as the official Auxiliary of the US Air Force civilian non-combatant. They talked about the benefits of participating in the afterschool CAP cadet program for middle schoolers and high schoolers, including aerospace and orientation flights (in powered planes and gliders), lessons in science, technology, engineering and math (STEM) with hands-on activities, military structure (customs and courtesies, discipline, drills, physical training, and leadership), national space mission competition, national cyber security competition, etc. In addition, CAP has over 30 summer camps across the nation that train cadets on different subject areas including engineering, flight instruction, international travel, engineering, pararescue, leadership, robotics, emergency services, and more. The CAP cadet program

provides a unique experience not found in other after school programs.

The second activity that the CAP cadets participated was the National CyberPatriot (Cyber Defense) Competition. CyberPatriot is organized by the Air Force Association (AFA) and presented by Northrop Grumman Foundation, among other industries and federal organizations. The high school CAP cadets earned Second Place in the State Competition for the All Service Division composed of 21 teams from JROTC Army, JROTC Marines, JROTC Navy, JROTC Air Force, Civil Air Patrol, and Naval Sea Cadets Corp. The Middle School CAP cadet's team earned the rights to pass to the National Semifinals. Nationwide, 5584 teams enrolled for the CyberPatriot Competition.

The competition consists of scenarios where teams are placed in the position of newly hired IT professionals and are tasked with managing a network and/ or computer operating system. Their task was to find cybersecurity vulnerabilities and harden the system while maintaining critical services. In addition, they learned teamwork, critical thinking skills, and technical knowledge which are key to a successful career in cybersecurity.

The National CyberPatriot Competition goal is

to attract K-12 students toward careers in cybersecurity or other science, technology, engineering, and mathematics (STEM) disciplines critical to our nation's future. According to the Bureau of Labor Statistics, the rate of growth for jobs in information security is projected at 37 percent from 2012 to 2022; much faster than the average for all other occupations.

Overall, students who become members of the CAP cadet program have a great advantage in their future college applications. The "College Confidential" webpage states: "...since Admission officials are up to their eyeballs in common extracurriculars ... Model UN, yearbook, orchestra, etc. CAP is something different and will help you stand out in a crowd. Secondly—and most important—it's something you want to do, and it meshes with your stated passions. It's likely that your enthusiasm will come across in your applications and, especially, in an interview situation. So even if you aren't applying to only military colleges, this sounds like a smart choice..."

For more information about the after school CAP Youth Cadet Program, please contact jose.vergara@njwg.cap.gov or visit CAP's webpage at gocivilairpatrol.com/cap_home/youth/

SCOTCH PLAINS-FANWOOD HIGH SCHOOL WINTER SPORTS

Submitted by By Matt Kipp

When the weather turned cold, sports heated up at Scotch Plains-Fanwood High School.

Collectively, it was one of the best winter sports seasons the school has ever had. Some programs enjoyed their most successful season ever, while others experienced resurgence, and some continued standards of excellence.

No matter the circumstances for how each team arrived at winning levels, it was an ongoing display of success. Every winter sports team finished with a winning record, with some squads -- or individuals -- going on to compete deep in state tournament competition.

ICE HOCKEY

Entering the season, last year's graduation of Jared Figueroa, the program's most decorated player, loomed a large loss for the Raiders to endure. But that didn't seem to affect the team much at all, and in turn, SPF put together the most successful season of its 13 year history.

Finishing with a program-best record of 15-4-6, the Raiders came in first place in their NJIHL Kelly Division, won the Essex County Holiday Tournament, went to the Union County Cup semifinal, and even qualified for the State Tournament, among other accomplishments.

For nearly a month-long stretch ranging from December 19 until January 15, the Raiders rattled off a seven-game winning streak. During that span, the team swept a three-game set against Mountain Lakes, Parsippany Hills, and Pequannock to outright win the Essex County Holiday Tournament. In its final victory of the streak, SPF drilled Arthur L. Johnson (Clark), 11-2, in the Union County Cup quarterfinal. That win earned SPF the right to play archrival Westfield in the semifinal, and the Raiders did hang tough against the future champions in a 4-2 loss.

The Raiders also went unbeaten in their first seven games to open up the season.

Thriving on a balanced front line with excellent puck movement, the Raiders featured an arsenal of scoring threats. Senior captain Jonny Scheer led the team with a staggering 35 points (15 goals, 10 assists), and classmate Jack White put up 24 points (8 goals, 16 assists). Joining in double-digit points were Will White (18), Adam Glod (17), Tom Bruckman (16), and Kyle Remo (13).

Between the pipes, goalies Ryan Lamberta and Dalton Tango made it very hard for opponents to find the net. Lamberta saved 97 percent of the 364 shots he saw, while Tango, in his first year with the team, blocked 94 percent of his 129 shots against.

Though the Raiders' season ended a bit earlier than hoped for in the state tournament, Scotch Plains-Fanwood hockey is now on the statewide map and has a bright future ahead.

GIRLS BASKETBALL

After a mediocre start to the season the Lady Raiders found their stride towards the middle of the season. Seniors Nya Downing and Brianna O'Brien seemed to finally figured out how to

lead their team to wins.

Freshman Corinne Lyght played a crucial role for the Raiders all season starting some games and providing a spark off the bench whenever needed. Abbe-Gayle Burton also was a dark horse for the Lady Raiders leading the team in scoring and finishing second in rebounding. Both Lyght and Burton played in the most games for the Raiders

Earning a 10th seed and a first round bye game in the Union County tournament, the Lady Raiders were set to play crosstown rival and seven-seeded Union Catholic. The Raiders played tough and determined and left victorious with a final score of 38-34. A win lead by Senior forward Abbe-Gayle Burton and Junior guard Stefanie Devizio. In the next round the girls faced Roselle Catholic that had been dominant all year. The lady Raiders lost 28-61 against Roselle Catholic

The Lady Raiders had an impressive showing in the first round of the state tournament defeating Elizabeth 56-26. Then going on to face long time rival Westfield in a game regarded as one of the Lady Raiders more difficult matchups of the season.

Already suffering a defeat to the Blue Devils the Raiders entered their game with their backs on the wall. Considered to be a blowout the game was a polar opposite as the Raiders held their own for 3 ½ quarters of play against a talented Blue Devils squad. But a fourth quarter collapse lead to a 34-45 loss for the Raiders ending their season.

BOYS BASKETBALL

At the beginning of the season, the boys basketball team had its highest expectations since its 2008 state championship squad. SPF returned nine seniors: Brendan Beriont, Jack Brady, Lamont Cruise, Tommy Drubulis, Richard Jackson, Dwight Laylor, Ryan Muench, John Petris and Brogan Quigley.

Each of the Raiders top five scoring leaders were all seniors. Tommy Drubulis led in scoring with 318 points, Lamont Cruise in second with 279 points, Jack Brady in third with 240 points, Dwight Laylor with 201 points and Ryan Muench with 196 points on season. The Raiders were a senior lead team and it was apparent on the stat sheets.

Senior big man Dwight Laylor controlled the glass all year for the Raiders and lead them in rebounding with 122 rebounds for the season. Senior guard Lamont Cruise also chipped in with 36 rebounds on the year. Rebounding was crucial for much of the Raiders success on the year.

The Raiders got off to an assertive start of 9-0 with commanding wins over Woodbridge, Summit, Cranford, South Plainfield and Colonia. Tommy Drubulis lead the Raiders in three pointers made with 56 and Ryan Muench in second with 43 made attempts.

The Raiders finished the year at 20-7 accomplishing their second consecutive 20 win

season. The Raiders entered the Union County tournament as the 9th seed and defeated the 16th seeded Roselle Rams 56-59 and then defeated the New Providence Pioneers 56-41. Advancing to the quarter finals and losing to the Roselle Catholic Lions 77-36.

Entering the state tournament the Raiders were confident and humbled after suffering a loss on their home court on senior night against the Roselle Rams. The Raiders looked to translate their frustration from the loss into a first round victory against Perth Amboy. The team did just that defeating Perth Amboy in the first round of the state tournament, then going on to face Phillipsburg.

Going in the game was widely anticipated around the state as a marquee matchup.

WRESTLING

With individual wrestlers, Scotch Plains-Fanwood has always been a major player on the statewide scene. Those individuals all came together this year and not only made deep runs for themselves, but turned the Raiders into a force on the local level as well.

The Raiders surged to a 22-10 record against some of the areas top talent and sent a pair of wrestlers to the state finals in Atlantic City during a very successful season on the mats.

As far as team matches go, the Raiders enjoyed one of their best seasons of the decade. Highlights included a championship in the Holmdel Holiday Tournament, and North 2, Group 4 sectional tournament first round win over Sayreville. The Raiders also placed fifth in the Union County Tournament.

Before a loss to Middletown North in the sectional semifinal, the Raiders rattled off 10 consecutive match victories in January into February. That stretch began with a 33-30 triumph over Kearny on Jan. 26, and included massive blowouts over Union (62-6) on Jan. 31 and Glen Ridge (72-5) on Feb. 3.

Both Sam Wustefeld, who finished 37-2, and Jack Cannon, ending at 23-5, continued their seasons deep in the state individual tournament. The two both advanced past the district and regional tournaments to secure a spot in the finals at Atlantic City's famed Boardwalk Hall. Wustefeld went all the way to the 195-pound final for the second consecutive year, but was ultimately downed by Jacob Cardenas of Bergen Catholic.

GIRLS SWIMMING

An expectation of excellence has been set forth by Scotch Plains-Fanwood's lady swimmers over the past decade, and the Raiders exceeded those conjectures this winter.

Bringing home some hardware and ascending to the state's top ranks, the Lady Raiders churned out another stellar season. Finishing with 12-3 record, the team won championships in the Union County and Section 2, Public B tournaments, appeared in the state finals, and had numerous swimmers set personal bests throughout the winter.

The annual Yom HaShoah Holocaust Commemoration at Kean University will take place on Wednesday, April 11, 2018 at 6:45 p.m. at the Wilkins Theatre for the Performing Arts, 1000 Morris Avenue, Union, New Jersey.

This year's featured speaker will be Robert

Bielsky, the youngest son of the legendary partisan commander Tuvia Bielski, portrayed by Daniel Craig in the 2009 film "Defiance." He lectures throughout the world about the heroics of his father and uncles, and about their successful mission that saved over 1200 Jewish lives during the Holocaust, whose descendants today number in the tens of thousands.

Robert Bielsky is active in many Jewish organizations. He is a member of the Associates Board of the Museum of Jewish Heritage: A Living Memorial to the Holocaust in New York City, and is past president of the Holocaust Memorial Committee of Brooklyn.

This event is free and open to the public; and is sponsored by the Jewish Federation of Greater MetroWest NJ and Kean University's Holocaust Resource Center. THE NEXT BIG THING!!! JOE RENNA'S HYPER LOCAL NETWORK ON YOUTUBE

Fanwood Post • Page 15 • April 2018

Renna Media has launched a new YouTube channel called Joe Renna's Hyper Local Network! The channel will consist of a variety of shows, each with its own focus. The first episode of each show is up and ready to view.

Mind Your Own Local Business

Mind Your Local Business uses real life examples to illustrate successful techniques for managing and marketing your business. Local businesses will be featured. The first episode is about crafting a 30 second elevator speech. The February 2018 meeting of the Irish Business Association held at Molly Maguire's in Clark, NJ is featured in the first episode. Businesses that would like to be featured in an episode can email Joe at joerenna@rennamedia.com.

The Peterstown Show

The Peterstown show is a video continuation of the Peterstown Newspaper. The show focuses on the 100-year history of an Italian American Neighborhood in Elizabeth, NJ. Like the newspaper, it preserves the culture and traditions while recording the oral history that may be lost. The first episode is an interview with Carmela Lepore who turned 108-years-old on January 30, 2018.

Renna's Arena hosted by Nick Renna

Nick Renna has been the voice of high school sports as a public address announcer and brings that experience to a variety show; an eclectic mix of old and new video about general interests. His first episode is a video he shot of a 5th and 6th grade St. Anthony's Grammar School game from 1989.

The Video Shoebox

As a camera bug from a very young age Joe Renna amassed a collection of VHS tapes and 8 mm film. The first video is of the Linden Debutant Ball that he shot in 1992. There are hundreds of hours of videos to come.

Anyone with 8mm film or VHS tape to transfer should email joerenna@rennamedia.com.

Renna Media will convert film for free if we use it on the show.

PLEASE VIEW / LIKE / COMMENT / SUBSCRIBE.
