## 'GUYS AND DOLLS' ANNUAL SPRING MUSICAL SUCCESS!

*Submitted by Denis Kelley*

Annual spring musical, 'Guys and Dolls,' was a living-learning experience for a cast and crew of hundreds. Staging the annual spring musical at Watchung Hills Regional High Schools (WHRHS), which this year, 2018, was the iconic Broadway and Hollywood musical, "Guys and Dolls," was a living-learning experience for hundreds of students, teachers, parents, community volunteers, and supporters.

And, as if simply staging a high quality high school musical isn't enough of a challenge every year, this year had the added challenge of performance dates during March 2018, when there were multiple snow events during a roller coaster three weeks leading up to the scheduled musical performances. Lost school days due to inclement weather and icy and snowy driving conditions cut into the crucial last-minute days of mastering the acting, singing and dancing rehearsal and set production required for a massive 24-scene Broadway classic.

Plus, one of those snow events was during the very week of the scheduled and always-important dress rehearsal and the three days of evening performances and a Saturday matinee. Fortunately, only one performance had to be cancelled. Instead, that time was used for the dress rehearsal. The wait was well worth it, it turns out, as the school's Script and Cue student drama program thrilled audiences with memorable and stellar performances.

Mastering this living-learning experience was the collaboration, like the creation of a finely-tuned interdisciplinary independent study thesis project, of not just the actors, singers, and dancers on stage, but also the musicians on the Orchestra Pit. Plus, behind the scenes, there was another whole set of "crew" specialists, including set designers and artists for costume and make-up. Additional stage crew members hone the crafts of stage managing, prop coordination, lighting and sound technology, directing, and applied graphic arts support for media items such as programs, posters, and ancillary media press materials.

There are also related applied lessons for students to learn about the business of staging a musical, including budgeting, supplying and organizing refreshments, even coordinating an army of ushers to handle the orderly seating of hundreds of audience members.

The Warren Blue Ridge Sportsmen's Club supplies and cooks over 600 hotdogs and burgers, makes zeppoles, gives away Italian Ice and raffle prizes, and helps with fixing residents rods, lines and hooks. They also walk around and help kids with their casting and catching fish. The 25 to 30 club members set up and clean up for this event. The Recreation Commission supplies drinks, condiments, and worms, and stocks the pond with fish and food.

## CUB SCOUTS VISIT POLICE HEADQUARTERS

Submitted by Tricia Patricco

Nine Bear Cub Scouts and their parents from Pack 182's Den 9 recently visited Warren Township Police Headquarters. The Scouts were taken on a tour of the new station by officers Ross

Portner and Luke Masterson. Everyone enjoyed a demonstration of finger-printing and discussion of crime scene forensics lead by Detective Rob Dinsmore. This enabled the Scouts to complete their "Forensics" adventure and learn some cool stuff in the process.

A plaque thanking the Warren Township Police Department for serving our community was created by Bernie Ryder as part of his "Baloo the Builder" activity requirement and was presented to the Officers during the visit. We are proud and thankful for the commitment of the Police Department to making our community safe.

Cub Scout Pack 182 in Warren Township serves the local community and surrounding towns. ## LIONS CLUB AND VOLUNTEERS SEND CARE PACKAGES TO TROOPS

Warren: On April 21, 2018, over 150 volunteers from the community participated in an Operation Shoebox event to assemble care packages for troops overseas. Our troops serving abroad often lack access to many of their favorite snacks and toiletries. To help ensure that our military can enjoy a small reminder of home, the Warren Lions Club launched its first packing event. The event kicked off with a warm welcome from Lion Chairperson Bill Bartnick and Lion President, Adriane Stewart as well as the town's elected officials, Vic Sordillo and Carolann Garafola. Music featuring hits from today and yesterday was played by Lion DJ Chris Daunno and food and beverages were served up by Lion Donna Clancy throughout the event.

"What a great opportunity for volunteers to come together as part of a large community event and do something to pay it forward," noted Warren Lions Club President, Adriane Stewart. "Locally, we sponsor and run many local events, including the Warren Lions Expo, but we wanted to offer an opportunity for volunteers to participate directly in helping those on the front lines protecting our freedom."

"The Warren Lions Club did an excellent job in kicking off their first event with us. It was not only well-organized but they put together an amazing display of personal heartfelt thank you letters and photos that we've received from troops over the years," remarked Rod Hirsch, Operation Shoebox Director. "I have read all of them before but to see them put together as one

large group really got to me and has renewed my own energy in our cause, especially in light of how our shipping expenses have doubled in the last few months."

"I am very proud of our Lions club and our local volunteers," said Bill Bartnick, the chairperson of the event. When over 150 local volunteers both young and old gather for an event to simply extend gratitude to people they don't know, it demonstrates what a great our community we have. It was great to see so many people willing to take time out of their days to pack items, write personal thank you letters to our troops and in general, pay it forward."

Operation Shoebox New Jersey, based in Hillsborough, was founded in February 2005. It is an all-volunteer grass roots organization dedicated to collecting donated supplies and to ship care packages to U.S. troops based in Iraq, Afghanistan and other countries around the world where our troops are deployed. Operation Shoebox NJ seeks donations of food and personal care items that are placed in personal care packages shipped to members of the US military deployed overseas.

## HUSTLIN' WARRIORS PARTICIPATE IN SHOEBOX PROGRAM

The Watchung Hills Hustlin' Warriors baseball team joined the Warren Lions Club and Operation Shoebox on Friday, April 20, writing letters and assembling boxes for care packages that will be sent to appreciative U.S. servicemen and women overseas.

Founded in February 2005, Operation Shoebox NJ is an all-volunteer grassroots organization dedicated to collecting donated supplies for care packages they ship to U.S. troops deployed in Iraq, Afghanistan and other countries around the world.

The Hustlin' Warriors wrote letters to the troops and tirelessly assembled several hundred boxes. The players had fun competing with each other as to who could make the most number of flawless boxes.

"It was great seeing these young men

collaborating for a common goal. It's clear that they work well together as a team both on and off the field," says Mark Ramos, a Lions Club committee member.

The boys learned about how these care packages go to American troops who have been away and without the comforts of home. Simple items like cookies and gum go a long way to provide this comfort, but the letters of appreciation they get from perfect strangers mean the most to these men and women.

"You could tell that the boys appreciated giving back and supporting those serving our country overseas," says Brad Sussner, another Lions Club committee member.

Angelo L. Tomaso School, Warren New Jersey, kicked off a month-long initiative focusing on science which wrapped up with a science fair on April 24, 2018.

"The science fair will allow the ALT students from kindergarten through fifth grade to showcase their own science experiments," said Carina Bellman, ALT PTO vice president and science fair executive board contact. "We are excited to announce that about a hundred students have already signed up to participate and show off their scientific achievements," added Bellman.

A month prior to the event, the ALT gymnasium was transformed into a state-of-the-art hands-on children's science museum for the ALT Science Assembly conducted by Mobile Ed Productions, Inc. and presented by the ALT PTO. "As parents who value STEAM education, the PTO was honored to be able to bring this hands on, interactive program to all ALT students K-5," said Arelis Buzzerio, ALT PTO co-chair of the school's science initiative.

"We believe igniting the spark to question, explore and have fun are paramount to fostering a love of science learning," added Sonia Gomes, ALT PTO co-chair of the school's science

initiative.

To kick off the science assembly, each class was welcomed with a brief, age appropriate presentation involving a humanoid robot that responded to custom computer and voice commands and a 3D printer creating a tyrannosaurus rex. Next, they participated in nine different interactive workstations incorporating the principals of STEAM (science, technology, engineering, art and math) education. The children used team work to construct a parabolic "Roman" arch that towered over their heads. They were thrilled to program robots that followed their commands. They constructed gear-driven mechanisms into unique creations. They competed among themselves as they tried to complete the "Buzzwire" puzzle without sparking the alarm. They also collaborated on musical creations using technology.

There is no doubt that children had a blast learning about STEAM in an enjoyable environment while incorporating team work and respect for each other. Their teachers were also excited because they witnessed their students actively implementing some of the principles they learned in the classroom. The event brought science and fun together and resulted in an overall success.

# SCLSNJ TO OFFER SECOND POUR OF COFFEE TIME TALKS

Submitted by Tracy Carney

Indulge in coffee, conversations, and more at your Library. The Somerset County Library System of New Jersey (SCLSNJ) has been offering a series of programs for adults exploring science, technology, history, and culture. Additionally, the System will be digging deeper into local and national history through life-action, living history presentations.

"We are looking forward to a new edition of our popular series, Coffee Time Talks," said Marcela Dunham, system programming coordinator. "There is something for everybody: genealogy, World War II history, Shakespeare's gardens, and more. These programs offer a wonderful opportunity for patrons to learn more about a variety of interesting topics in a friendly

and relaxing atmosphere while meeting new people and mingling over a cup of coffee or tea."

All programs run from 11 a.m. to noon. Attendees are encouraged to stay through 1 p.m. to converse with fellow patrons and enjoy some light refreshments.

Connect at SCLSNJ's Coffee Time Talks program series for May 2018:

May 16: Meet Queen Victoria
