SUMMIT FARMERS MARKET REUSABLE BAGS NOW AVAILABLE

Summit Downtown, Inc. and the Summit Green Team have designed a reusable shopping bag that is now for purchase at the Summit Farmers Market, which is held at 22 Deforest Avenue, Summit, New Jersey, on Sundays from 8 a.m. to 1 p.m.

The red reusable tote bags feature the tomato illustration from the Farmers Market poster. The bags are 13 inches wide by 10 inches deep by 15 inches tall with reinforced straps. They have plastic inserts in the bottom of the bag, making them perfect for loading up your Farmers Market purchases.

Bags can be purchased for \$3 each, or \$5 for two bags; cash only. Any profits from the project will benefit the Summit Green Team, a group of

volunteers who provide support to the city's Environmental Commission to achieve Sustainable Jersey goals, educate our community about sustainable living, and make our town a healthier, "greener" place to call home.

Says Green Team founder, Melissa Spurr, "Using a reusable bag can save almost 1000 plastic bags. This can prevent plastic bags from accidentally being landfilled or ending up in our waterways, where they break up but never break down. At the end of its life, you can also recycle this reusable bag, and give it a new life."

Summit Downtown, Inc. is a nonprofit organization dedicated to the on-going development and promotion of the business community in downtown Summit.

LEG PAIN

You Don't Have To Live With It!

That "searing, burning pain" in your thigh and calf... that "aching, numbing" feeling in your hip and buttocks... that "tingling" in your foot and toes and loss of balance... It interferes with your ability to walk, to ride a bicycle, play golf, garden... to have FUN IN LIFE!

Leg pain, thigh ache and numbness, and tingling in the foot may actually be caused by a pinched back nerve even though you have NO back pain - it could even be Sciatica. Dr. Murphy is an expert at finding the CAUSE of your leg pain and numbness and CORRECTING IT WITHOUT THE USE OF DRUGS OR SURGERY.

LOIS BHATT AND BETHANY TULLOCH RETIRES FROM BRIDGES OUTREACH

By Beth Tulloch

It is with mixed emotions and eternal gratitude for her service that we announce the retirement of Lois Bhatt, our Executive Director since January 2004. Lois has led Bridges' outreach program for the homeless for the last fourteen years. She has had ultimate responsibility for the oversight of the 2600 volunteers every year that help Bridges to deliver food, clothing and necessities to people living on the street in New York City, Newark, Irvington, and Summit, New Jersey. In one of the crowning achievements during her tenure, Lois organized the Coalition of Services in Newark, a mobile team of services providers, to provide ancillary services to our street friends, including medical testing, physical and mental health services, benefits enrollment, and housing information. The success of that coalition led Bridges in March 2014, again under Lois' direction, to open a home base in Newark known as Project Connect, whose dedicated staff provides case management services to people experiencing homelessness and links them to social and health services.

As Executive Director, Lois has worn many hats, including fundraiser, grant writer, event planner, program developer, and overall CEO and COO of everything Bridges, all with gentleness and grace. She retired on May 31, 2018.

We likewise regretfully announce the retirement of our Deputy Executive Director, Bethany Tulloch. Beth has been part of Bridges for a long time, serving as a Board member from 2009 to 2014, Board Secretary from 2010 to 2012, Board Chair from 2012 to 2013 and, for the

last four years, as our Deputy Executive Director. She has worked side by side with Lois, contributing to the growth of the services and connections that Bridges provides to our street friends. It has been a wonderful opportunity to work with such a professional and dedicated individual.

On behalf of the Board of Trustees, and all friends of Bridges, we wish Lois and Beth all the best. Please join us on June 5, 2018, for our Annual Board Meeting at the Summit First Aid Squad at 7 p.m., where directly following you

will have a chance to meet Richard and to chat with Lois and Beth about their future plans.

Founded in 1988, Bridges reaches out to the homeless in New York City, Newark, Irvington, and Summit, New Jersey every week. Over 2000 volunteers each year help deliver 65,000 meals, seasonal clothing, and necessities without question and with genuine respect. Our mission is to connect the housed and homeless to establish relationships that lead to greater acceptance and understanding, social and economic growth, and well-being.

SUMMIT HOMETOWN HERO ROBERT MAX HONORED IN MEMORIAL

Summit has started a Hometown Heroes program to honor our local veterans. From Memorial Day through July 4 2018, banners with an image and service dates for veterans will be displayed along Deforest Avenue, Summit, New Jersey.

This year, the City of Summit honored Robert Max, one of their hometown heroes, at our Memorial Day ceremony for his outstanding service to our country.

Robert Max is a 94-year old World War II veteran and survivor of a Nazi slave labor camp. He enlisted in the U.S. Army when he was a 21-year-old college student. An accomplished musician, he ended up in the Fort Dix Band playing alongside top big band

musicians. Although he could have remained stateside, Max opted to fight in Europe. He was involved in three military campaigns, including the Battle of the Bulge where he was captured by the Nazis. Forced to repair bombed out railroad tracks, Max marched hundreds of miles and worked in the bitter cold, enduring nearly four months without a coat, sufficient food, or any shelter at night. He went from 155 pounds to 89 pounds before his escape to a nearby home where he was rescued by American liberators.

Robert Max has been awarded the Purple Heart with the oak leaf cluster, three bronze campaign battle stars and the New Jersey Distinguished Service Medal.

SUMMIT RESIDENT HOSTS SUPPORTERS OF GROUP HELPING URBAN TEENS

Submitted by Marianne Muench Busby

25 years ago, Tom Cash of Short Hills, formally incorporated Student/Partner Alliance (S/PA) as a 501 (c) (3) organization. His vision – to help motivated high school students from nearby urban areas successfully complete a college prep education at a private school through a combination of financial and mentoring assistance – proved to be a much needed and unique concept. It quickly caught on among his friends and colleagues who soon became friends and supporters of S/PA.

Recently, a group of long-time supporters, many of whom were “there at the beginning” with S/PA, met at the Summit home of S/PA

President Emmett Daly and his wife Regina, for a 25-Year Celebration. Both Dalys have been supporters and mentors to S/PA students for more than twenty years.

Mr. Daly welcomed over 50 supporters and Tom Cash started off the evening’s program, “Student/Partner Alliance: Past, Present and Future,” with an explanation of the origins and vision for an organization such as S/PA over 25 years ago. Next, Sr. June Favata, Principal at St. Vincent Academy (one of the original schools in the program) spoke about the past – and how the need strongly continues today. Sr. June stressed S/PA’s impact on the trajectory of these motivated students’ lives.

Westfield resident, Trustee and long-time Partner/Mentor Tim Heine spoke about where S/PA stands in the present. He highlighted S/PA’s growth into an impressively successful program comprised of over 50 Partners, 120 Mentors, 25 Corporate, Faith-Based and Foundation Funders that has awarded over 2000 scholarships since 1993. Maplewood resident, S/PA Trustee and Mentor Danna Jacobs, represented the future of S/PA. She and Mark Boffa of Morristown founded the Young Professionals Network (YPN), which recruits young professionals as mentors in 2013. Committed to meeting with

their students over the course of the four high school years, the Young Professional mentors provide valuable mentoring on issues such as academics, sports, relationships, goals and college aspirations. These young people represent the future Mentors and Partners of S/PA.

Some of the Summit residents attending, who support S/PA through funding and mentoring included Connie and Rob Fowler, Laura and William Gump, Mike MacMillan and Eric LeGoff.

S/PA Executive Director, Margaret Momber of Madison, closed the program with a recognition of the various members of the S/PA “team” of supporters– expressing the continued goal of another 25 years of assisting high school students to realize their dreams of improving their life opportunities through guidance and education.

This year, the 25th class of students who have received the S/PA scholarship and mentoring, will complete their academic programs touting a 100% graduation rate! 99% of the S/PA graduates have College plans for the fall, with one student entering the US Army.

WORLD'S LARGEST SWIM LESSON TO BE HELD ON THURSDAY, JUNE 21, 2018

As part of the ongoing national water safety campaign during the summer months, the SFAC will provide Summit residents with water safety tips, educational programs, and events, including hosting the World's Largest Swim Lesson on Thursday, June 21, 2018. The World's Largest Swim Lesson is a global event that will take place over the course of 24 hours at an estimated 600 locations in more than 20 countries.

Affordable swim lessons are available to members of the SFAC by certified swim instructors from Swim Quest. In addition to swimming skills, water-safety principles are taught. Private swim lessons are also available from certified water safety instructors throughout the SFAC season.

"Exposure to information on basic water safety is extremely important, especially during the summer months when people are more often in the water," explains Judith Leblein Josephs, Director of Community Programs.

"Learning to swim provides a lifelong foundation for drowning prevention. It is an important part of our mission at the SFAC to provide access for members of our community to water-safety skills."

The City of Summit Common Council approved a proclamation at its May 1, 2018 meeting establishing May as National Drowning Prevention and Water Safety month in Summit. The campaign was initiated by Summit Family Aquatic Center (SFAC) staff and is designed to increase awareness of safe water practices among residents of all ages to help prevent drowning and

water-related illnesses and injuries. The SFAC is now open for the 2018 season.

For more information on water safety tips and practices, National Drowning Prevention and Water Safety Month in Summit or the World's Largest Swim Lesson, visit the Summit Community Programs website or call 908-277-2932.

SEA SCOUTING OPEN HOUSE JUNE 9

Sea Scouting is a high-adventure branch of the Boy Scouts of America. We provide young adults with the opportunity to learn, develop new skills, and have fun while traveling aboard our 65' training vessel, the Sea Dart II. The Sea Dart II is also one of the largest Sea Scout vessels on the East Coast, which provides or program a valuable resource. The program is also an excellent path for career development, as we have had several of our members pursue successful careers in the maritime industry, US Navy, and US Coast Guard.

The Linden Sea Scouts will be hosting an open house for all prospective new members June 9, 2018, from 10 a.m. to 5 p.m. at Linden Sea Scout Base, 4400 Tremely Point Road, Linden, New Jersey. The Sea Scout program is open to male and female youth from 14- to 21-years-old. There will be free food and free boat rides for all.

Please contact Skipper James Zatwarnicki at jimmyzat@gmail.com or 551-580-0008 for more information.

The City of Summit is sharing information on NJ Transit schedule adjustments during the installation of federally-mandated, positive train control safety equipment on all NJ Transit passenger trains.

Beginning on Monday, June 4 and continuing through December 31, 2018, NJ Transit will adjust weekday service schedules on four Morris & Essex trains.

"I am very pleased that NJ Transit has spread service disruptions throughout its entire system and is not only impacting the Morris & Essex line, as was done during the Amtrak repairs last summer," explains Summit Mayor Nora Radest. "Not only is the installation of positive train control equipment federally mandated, it is a matter of safety. Avoiding another tragedy like the Hoboken train crash is a priority for us all."

Service on inbound train #608 departing at 5:45 a.m. from Dover will be eliminated from Dover to Chatham. The train will not originate in

Summit. Service on inbound train #626 departing at 8:28 a.m. from Dover will be eliminated from Dover to Morris Plains. The train will now originate in Morristown.

Service on outbound train #608 departing at 6:42 a.m. from Hoboken to Dover is temporarily discontinued. Service on outbound train #645 departing at 5:08 p.m. from Hoboken to Dover is temporarily discontinued as well.

Radest continues, "Along with other mayors on the Morris & Essex line, I have met with NJ Transit to express how critical it is for Summit and other towns near transit hubs to be able to rely on consistent, timely and safe train and bus transportation. I am encouraged by the improved flow of communication and NJ Transit's response to our concerns."

Commuters can subscribe to NJ Transit alerts, follow NJ Transit on Twitter (@NJ Transit) and visit njtransit.com for information and updates or call 973-275-5555.

Lecture/Slideshow:

Jewelry Collection at the Newark Museum.

Tuesday, June 19 at 7 p.m.

Newark was the center of America's Jewelry design and manufacture from post-Civil War into the 20th century. The role of jewelry in American life was transformed in the 19th century when a growing middle class could afford to buy the mass-produced and less expensive pieces. This slideshow presentation will highlight the growth of what was, at the time, Newark's third largest industry. Within that context, exquisite examples from the Newark Museum Jewelry Collection produced in Newark will be reviewed along with more modern, outside-of-Newark manufactured objects which round out the collection.

Concert: Ellen LaFurn,

"A Fun Trip through the American Songbook"

Sunday, June 24, 2018, 2 to 3 p.m.

Jazz vocalist Ellen LaFurn, accompanied by Vic Cenicola on guitar and Ron Naspo on bass, will perform selections from the Great American Songbook. The performance will include selections from their new album, "C'est La-Furn!"

CHATHAM BOROUGH ANNOUNCES FISHAWACK FESTIVAL 2018

Submitted by Janice R. Piccolo

Chatham Borough's Community Services Department announces the 47th Annual Fishawack Festival "A Cultural Heritage Event", Saturday, June 9, 2018, Downtown Chatham NJ; 10am-4pm.

Started by Chatham's Chamber of Commerce in 1971, Fishawack is a celebration of the Borough's culture and heritage through craft and artisan exhibits, live entertainment, amusements, local shops and food.

Jointly organized through the town's Community Services Department and MyChathamNJ*, Fishawack Festival 2018 will feature: live entertainment, including musical performances from School of Rock, New Jersey Youth Chorus, Jwebbmusic, Richie Olivera's Adean Flutes performance and more; Shop Local Chatham; Municipal Alliance's Movie Under the Stars (at dusk); Kid's Fun Zone; Food Pavilion; Car Show; Chatham Jaycees Fishawack 1-mile Fun Run at 9am; 4-mile run at 9:30am; and more.

New this year: "School Days @ "Boro Hall": "The Chatham Historical Society will recognize and pay tribute to 54 Fairmount Ave, the first

brick and mortar building built as a school for the growing population of Chatham. (Today we know it as Borough Hall). The schools in Chatham have always been and continue to be a tremendous asset to our community." states Chatham Borough Council Member Victoria Fife.

Chatham Borough's Director of Community Services, Janice R. Piccolo, notes, "Experience all Chatham has to offer and more on June 9th as local businesses, civic organizations, talented crafters and a dedicated municipal work force come together to socialize, celebrate community and join in outdoor activities and entertainment - Chatham at its best!"

ABOUT FISHAWACK

The term "Fishawack" originated with the Lenni Lenape Native Americans. For centuries, Chatham served as a "welcome spot" for travelers along the Passaic River, or "the Fishawack" as described by the Lenni Lenape Native Americans. The Fishawack was once well known for its ease of crossing and plentiful food supply.

BH SUMMER FESTIVAL & STREET FAIR

The annual Berkeley Heights Summer Festival and Street Fair will take on a down-home, local flair when the sixth edition kicks off on Sunday, June 24th.

This year's festival - sponsored by The Connell Co./Embassy Suites Hotel and Summit Medical Group, is expected to draw nearly 20,000 people, according to Paul Neuwirth, owner of Taylor Rental and coordinator of this year's event. "From free carnival rides to a new, improved beer garden hosted by Delicious Heights and a "Heights has Talent," musical showcase, this year's Summer Festival is a way for local business to say 'thank you' to the people of Berkeley Heights," according to Mr. Neuwirth. "With the addition of a local "Touch A Truck Expo," more local businesses and more local restaurants- this year's event will put the best of Berkeley Heights on display."

More than 100 artists and commercial businesses will have displays and activities along Springfield Avenue between Snyder Avenue and Plainfield Avenue from 10 a.m. to 5 p.m.

The inaugural "Heights Has Talent" show will be showcased on the main stage donated by Union County and set up in front of the old Berkeley Cinema. Local bands, musical groups, dance groups and martial artists will on display. Seating will be available on Springfield Avenue.

The Touch A Truck Expo, set up at the intersection of Springfield and Plainfield Avenues, will have trucks, tractors, excavators and maybe even a moving truck for kids to climb on and explore. Vehicles will be brought in by township officials, local contractors and businesses.

"Berkeley Heights is a great town for families, so we are going to highlight the family friendly activities and vendors," according to Mr.

Neuwirth. Children's rides, many of them free of charge thanks to donations by local businesses including Smith Chiropractic, Berkeley Development, Taylor Rental, the Liberty Group, GRA Architects, and JCP&L will be located in a central Festival area.

The street fair, produced by This Is It Productions and also sponsored by TAPInto Berkeley Heights and Connect One Bank, will include a health and wellness area, showcasing local fitness facilities and medical providers. Home Improvement vendors are always plentiful. And according to Mr. Neuwirth, Chamber members, local businesses and local non-profit organizations can take advantage of reduced vendors fees - the lowest fees in 6 years.

Craftspeople, food vendors and restaurants looking to display at the Festival can contact the Suburban Chambers of Commerce office at info@suburbanchambers.com or call 908 522-1700. Those looking to give back to the people of Berkeley Heights and sponsor local activities are asked to contact Mr. Neuwirth at Taylor Rental, 908 464-9111. Sponsor forms and vendors forms are available at PNeuwirth@Taylorrental.net.

"The Business community in Berkeley Heights has always been very supportive and the Summer Festival gives local business a chance to stand up, thank the people of Berkeley Heights and be part of a wonderful, family event," said Mr. Neuwirth.

The event is sponsored by the Suburban Chambers of Commerce, which includes the towns of Berkeley Heights, New Providence and Summit. Funds raised support the local community with programs such as the Vest A Cop program and college scholarships.
