TRI-TOWN 55+ COALITION CELEBRATES FIRST ANNIVERSARY

Tri-Town 55+ Coalition marked its first anniversary of the Rides for Seniors with a special celebration at the Madison Area YMCA this spring. Local residents were treated to live entertainment, refreshments, door prizes and information on pedestrian safety, transportation options and more.

Since its launch in April 2017, the Rides for Seniors program has provided over 2,400 subsidized rides for residents 65 and older living in Madison, Chatham Borough and Chatham Township. More than 285 registered seniors have taken advantage of the on-demand car service to run errands, get to doctor's appointments, go shopping or visit loved ones. The Tri-Town 55+ Coalition started the program in partnership with GoGoGrandparent, a national company based in California which accesses Uber and Lyft using an 800 number without a cell phone.

While GoGoGrandparent is available nationwide, the Rides for Seniors program is the only one of its kind to offer a subsidy. Eligible riders receive \$5 off each ride up to four rides per month. The subsidy is made possible through grant funding and sponsorship support, including a grant from the Grotta Fund for Senior Care and a sponsorship commitment from AARP for 2018. A Gift-a-Ride program is also available to offset the costs for riders. For more information, to register for Rides for Seniors or to donate, visit the Tri-Town 55+ Coalition web site at www.tritown55plus.org.

The Tri-Town 55+ Coalition is a non-profit 501(c)(3) community organization that partners with representatives of business, civic and public agencies to address the quality of life and diverse needs and interests of older adults and their families in the communities of Madison, Chatham Borough and Chatham Township. The Coalition is dedicated to creating lifelong communities based on the World Health Organization's Age-Friendly themes.

CHATHAM HIGH SCHOOL KEY CLUB SUCCESSES THIS YEAR

Submitted by Paul Danenberg

The Chatham High School Key Club was very busy this year! The teen volunteers of Chatham have been working for all sorts of causes this year, and they have made a noticeable impact on the community.

Even if you didn't know about Key Club and what they do, you have probably seen them in action and not even realized it. Events such as the Chatham Farmers Market are fueled by the energy of Chatham Key Club members, who help set up and take down the market as well as answer customers' questions and help the vendors.

The Chatham Key Club does a lot with the Borough through its involvement with the Junior Volunteer League for the Chatham Borough. This fabulous organization is behind the Farmers Market (June - November), Fishawack Festival (June), and Spring Clean (May). This year, 37 CHS students, from Key Club and the general student body, helped at the Fishawack Festival by running carnival games, assisting with set up, and helping event participants at the information booth. Additionally, about fifteen Key Clubbers help out at the Spring Clean every year. Besides Chatham Borough events, the Key Club also assisted with school plays, concession sales, events at the Chatham Senior Center, and various other community events throughout the school year.

CHS Key Club's biggest impact on the community this year has been their Outreach meal-packing event, which was held in April 2018. This event was a collaboration involving CHS Key Club members and Chatham residents, as well as members of Chatham Kiwanis. In order to be able to hold this event, the Key Club had to raise \$14,000. To raise this money, Chatham Key Club held many fundraiser events from September 2017 to March 2018. These included the Moana Family Movie Night, Chatham Burlap Print Sales, Hot Chocolate and Bake Sales at the Chatham Farmers Market, and much more! At the event, over one hundred people of various ages worked together to create an end product of fifty-thousand meals through hard work in assembly lines throughout the course of a day.

Paul Danenberg, the Chairman for the Junior

Volunteer League for the Chatham Borough, as well as the president of CHS Key Club come September, was this year's Outreach organizer. He was one of the main forces behind all of the fundraisers, as well as the coordinator of the actual Outreach program process. He says, "Whether it be buying supplies for a hot chocolate sales or collecting tickets at our annual movie night, every CHS Key Clubber stepped up to do their part. They are always ready to step in when help is needed and most of them go way over the Key Club's minimum volunteer hour requirements."

Interested in doing your part to help the community? You can help by having your business donate to the Outreach Program, or by participating in Outreach or attending one of the fundraisers that are planned for the coming year! The goal for next year is to raise \$17,250 for the April 2019 Annual Outreach Event. Of the money that will be raised by Key Club, \$7,250 will be spent to make 25,000 packaged meals and \$10,000 will go to local food banks, where the money will be used to buy produce, meat, and products that have a shorter shelf life than the packaged meals that the Outreach Program creates. Be on the lookout for some exciting fundraisers from the CHS Key Club! On the agenda? A car wash, holiday cookie sale, Luminaria sales, gift-wrapping at local businesses, snow removal, Dunkin' Donuts Sale, a Family Movie Night, and much more! If you have questions about the Key Club's Outreach program or are looking for Key Club volunteers to help out with YOUR event, please contact Paul Danenberg at pbdanenberg@gmail.com.

You Don't Have To Live With It!

Leg pain, thigh ache and numbness, and tingling in the foot may actually be caused by a pinched back nerve even though you have NO back pain - it could even be Sciatica. Mirabelle plans to attend Emily Carr University of Art & Design in Vancouver, British Columbia. She is leaning toward majoring in fine art. The ALC sponsors an art scholarship each year. Funds for the scholarship come directly from the proceeds of the ALC gala events, most recently the celebration of the league's 25th anniversary in 2013.

ST. HUBERT'S EARNS 4-STAR RATING FOR FIFTH CONSECUTIVE YEAR

Submitted by Nora Parker

St. Hubert's Animal Welfare Center's strong financial health and commitment to accountability and transparency have earned it a 4-star rating from Charity Navigator, America's largest independent charity evaluator. This is the fifth consecutive year that the Center has earned this top distinction. Only 9% of the charities evaluated have received at least 5 consecutive 4-star evaluations, indicating that St. Hubert's Animal Welfare Center outperforms most other charities in America.

"The confidence that our donors have in St. Hubert's is so important," said President & CEO Heather Cammisa. "Consistently achieving the highest rating, 4 Stars, from Charity Navigator demonstrates to our supporters our good governance and financial accountability."

Charity Navigator is the nation's largest and most-utilized evaluator of charities. Since 2002, using objective analysis, it has awarded only the most fiscally responsible organizations a 4-star rating. It's well developed Accountability & Transparency metrics reveal which charities operate in accordance with industry best practices and whether they are open with their donors and stakeholders.

"St. Hubert's Animal Welfare Center's exceptional 4-star rating sets it apart from its peers and demonstrates its trustworthiness to the public," according to Michael Thatcher, President & CEO of Charity Navigator. "Only a quarter of charities rated by Charity Navigator receive the distinction of our 4-star rating. This adds St. Hubert's to a preeminent group of charities working to overcome our world's most pressing challenges. Based on its 4-star rating, people can trust that their donations are going to a financially responsible and ethical charity when they decide to support St. Hubert's."

St. Hubert's four shelters sites are open seven days a week. For information about dog, cat and

small animal adoption, as well as the myriad of community programs and services the Center offers locally, regionally and nationally, visit sthuberts.org

The organization helps guide intelligent giving by evaluating the Financial Health and Accountability & Transparency of more than 8,000 charities. Charity Navigator accepts no advertising or donations from the organizations it evaluates, ensuring unbiased evaluations, nor does it charge the public for this trusted data. As a result, Charity Navigator, a 501 (c) (3) public charity itself, depends on support from individuals, corporations and foundations that believe it provides a much-needed service to America's charitable givers.
