COLES STUDENTS DONATE OVER 3,000 LUNCHES

J. Ackerman Coles School in Scotch Plains-Fanwood has been busy collecting lunches to share with neighbors in need. In 2014, the PTA Kid's Care Committee started a program called "Sharing Lunches". Each month on a designated day the children at Coles School pack an extra brown bag lunch and bring it in to "share." The lunches collected are brought to the Salvation Army in Plainfield, where they are given to patrons of their daily soup kitchen. Bagged lunches are packed with love by students at Coles and make their way to children only a few miles away who are hungry, to families that are struggling, and to older people who have a need. The collections have grown over the last four years, driven by contests where the classes and grades compete for which can bring in the most bags. So far this year Coles has donated 3,125 lunches. Together they are sharing, caring and helping to make the world a better place.

Lieutenant Dante Cox from the Plainfield Chapter of the Salvation Army came to Coles School in June to thank the students for their generosity. He presented them with a Certificate of Appreciation and expressed his gratitude for the all of the donations over the last year. The Salvation Army is located at 615 Watchung Ave,

Plainfield, where they run a daily soup kitchen open to the public.

For more information or if you are interested in starting a Sharing Lunches program in your school, please contact Kathy Manara: kathymanara@hotmail.com / 908-322-0248.

COLES STUDENTS DONATE OVER \$1,500 IN GAMES AND TOYS

As school was wrapping up for students at the JA Coles Elementary School in Scotch Plains, NJ at the end of June, they were continuing to give back to those in need.

Students contributed over \$1,500 in donations to several Child Life Service Departments at local area hospitals and organizations through the Coles Kids Care program. Donations included new crafts, puzzles, cards, activity sets, coloring books and makers and games.

Kelly Blanchette, CCLS, of the Valerie Fund Children's Center, Goryeb Children's Hospital, said, "The donations will go into our prize bin so that children in the hospital who receive a needle or have a test performed can pick a special prize for being so brave."

The Coles Kids Care program, sponsored by the JA Coles PTA, was created to give back to those in need in our community throughout the school year. Other programs include Sharing Lunches, a holiday food drive, a clothing and shoe drive, a pet food drive and a canned food drive.

JENNIFER LAMBERT OF FANWOOD EARNS LIONS CLUB SCHOLARSHIPS

Submitted by Jerry Kirshenbaum

Jennifer Lambert of Fanwood and Bradley Chernoff of Scotch Plains were recently awarded Grausso/Bendel Memorial Scholarships from the Scotch Plains Lions Club. This scholarship is in memory of two former leaders of the Scotch Plains Lions Club - Norm Bendel and Tony Grausso.

This scholarship is awarded annually to a Scotch Plains Fanwood High School senior who plans to go to college. Preference is given to students who have demonstrated involvement in community service especially those causes dedicated to the blind and visually impaired. The Lions Clubs are the World's largest and most active service organizations. They have more than 1.4 million members active in more than

43,000 Lions clubs around the world. They are dedicated to meeting a variety of their community's needs with the association's major service initiative being serving the blind and visually impaired.

Both Jennifer and Bradley were honor students at Scotch Plains-Fanwood High School,

and both were involved in many community service activities.

Some of Jennifer's community service activities included collecting dog food and toys for The Seeing Eye Foundation, which matches trained dogs with blind people, as well as

collecting used eyeglasses for the Lions Club's recycling program. Jennifer will be attending Villanova University in the Fall studying Peace & Justice.

Bradley has been active as a "big brother" in The Friendship Circle, which provides services for children with disabilities. He spent a lot of time working with a young man with autism. Brad will attend Kean University in the fall majoring in Communications: Media/Film.

For more information on the Scotch Plains Lions Club or to attend a meeting call the club's president Barbara Anilo at 908-322-4472.
