GENNARO NIGRO STARTS PRO SOCCER CAREER WITH ROMA

It's a long way from Clark, N.J., to Rome, Italy. About 4,295 miles, that is. It's an even longer journey from the soccer pitches of New Jersey to the hallowed grounds of Stadio Olimpico, the home of Roma, one of the top teams in the world, but Gennaro Nigro may be on his way.

In July, the recent Arthur L. Johnson graduate was signed to play professional soccer by Roma's U19 team, Primavera, which is similar to minor league team for Major League Baseball.

Nigro, a dual national, is eligible to play for Italy and the United States. He made his professional debut on Sept. 6, 2018.

"Nigro had a moment to remember over the international window," starsandstripesfc.com reported about his debut. "Nigro subbed on in the 81st minute for Javier Pastore in a club friendly against Benevento, an Italian second division club. The 18-year-old Italian-American moved to AS Roma this summer to join the U-19 team, but it looks like he is impressing to already be getting a crack with the first team. Let's hope he can continue to impress."

The Clark native is the son of Jerry and Leslie Nigro and has a sister, Gianna. He is now living outside of Rome at the

team's facilities.

Nigro is only the second American player at the club since Michael Bradley's debut in 2012, so Roma saw something in the New Jersey teenager to bring him to one of the hotbeds of Italian soccer. Cornell University saw it too.

"Gennaro is undoubtedly one of the most versatile soccer players we have ever come across," said Cornell head coach John Smith.

Nigro was prepared to play soccer for Cornell and attend its business school in the fall before the offer was made by Roma.

"He is equally gifted in both feet, and could slot in and excel in any of the back eight positions," Smith said of Nigro. "He has superb feet, and he combines this with a great engine which definitely puts him into the category of a box-to-box midfielder. Gennaro can score and create goals, and he combines this with a great drive and work ethic, which he puts to incredible use on defense."

A defensive midfielder by trade, Nigro paved his path to Rome with five years of play for Players Development Academy in Zarephath, Somerset County. He also played for the Red Bulls Academy.

ALEXIS DEVRE NAMED YOUTH OF THE YEAR

Each year, the Westfield Area YMCA bestows the special "Youth of the Year" recognition to two high achieving youth who participate at the Y. This year, the award was presented to Alexis Devre of Clark and Olivia London of Scotch Plains.

Alexis Devre first came to the YMCA to attend lifeguarding class thanks to a grant from Stew Leonard III Children's Charities. She obtained her lifeguard certification and then her swim instructor certification, and has been a warm and welcoming ambassador to the Y. Whether lifeguarding or instructing, Alexis is always smiling, punctual and focused. She has volunteered to help with events such as Swim with Santa and Pizza Palooza and spoke at the Y's Annual Campaign launch, attesting to what the Y has meant to her.

Alexis has been on the track and field and swim team for the last 3 years at Arthur L. Johnson High School, is a member of her Key Club and completed the year-long Union County Sheriff's Office Police Academy. In the fall, Alex will study Criminal Justice at Stockton University with a goal of working in law enforcement.

When looking for a youth role model at the Westfield Area Y, it is hard not to think of Olivia London. Olivia is a sports and rock wall coach, a Kid's Club staff member, a Flyer's track & field team coach, works when needed in birthday parties and volunteers at many of the Y's fundraisers and events. This is not surprising, though, since Olivia literally grew up at the Y, participating in a wide variety of programs and activities.

Olivia has been an active Girl Scout since Kindergarten, most recently spending time with her troop at Children's Specialized Hospital. She is a long-time member of St. Helen's Youth Ministry in Westfield and volunteers to work with the children weekly at the homeless shelter in Edison. Olivia also volunteers with Catholic Work Heart Camp and spent a week last summer in Hartford painting houses and assisting families in need. This fall Olivia will attend Stockton University to study Nutrition and Holistic Health.

The Y is for youth development, healthy living and social responsibility and is pleased to bestow this honor on two such well deserving community-oriented youth.

CONNIE DWYER BREAST CENTER AT TRINITAS NOW OPEN

In alignment with Breast Cancer Awareness Month, Trinitas Regional Medical Center announces the early October opening of the \$3.4 million Connie Dwyer Breast Center. The Center is located at Trinitas' main campus, 225 Williamson St., Elizabeth.

Breast cancer is the second leading cause of

cancer deaths among women in the U.S., according to the American Cancer Society, and far too many women in the greater Elizabeth community go without prevention, education or proper care.

Trinitas has partnered with The Connie Dwyer Breast Cancer Foundation to bring a highly empathic approach to screening, diagnosis, treatment, and community outreach and education to all women, regardless of financial status, in a brand new facility that evokes comfort and a sense of well-being.

The Breast Center, staffed with board-certified bilingual specialists, offers the most up-to-date equipment and services available, such as 3D imaging, which allows radiologists to view the breast tissue in several layers. This breakthrough technology can detect 41 percent more invasive breast cancers and can reduce false positive results by up to 40 percent.

The American Cancer Society recommends that all women over the age of 40 have regular breast exams and mammograms. Most women who undergo screening will be healthy and not require further services until their next scheduled screening. However, patients who require continued care will meet with a Breast Navigator, a highly trained guide who answers questions and assists patients through the process of diagnosis and treatment.

Dr. Adriana Suarez-Ligon, Breast Surgeon, says, "With the generosity of Connie Dwyer, the new breast center at Trinitas will be a beautiful, calming and comprehensive center for women in

our community to have everything from their yearly screening mammograms to the latest diagnostic studies. In addition, it will be a one-stop shop where care will be coordinated for the patient among our dedicated, compassionate multidisciplinary care team."

Connie Dwyer's story is one of bravery and enormous good will. A known philanthropist, Connie was first diagnosed with breast cancer in 1999 and had a double mastectomy. Inspired by her own ongoing battle, she became mindful of the fact that many women who are uninsured or under-insured and low-income often have limited or no access to critical care. That's when she and a dedicated group of friends began a grassroots effort, where she worked tirelessly to create awareness and raise funds. By 2005, the doors of the first Connie Dwyer Breast Center had opened.

"My experience is a testament to the fact that early detection, quality care, and being monitored by knowledgeable professionals makes the difference between life and death," says Connie, who after 19 years, was re-diagnosed here at Trinitas with metastasized breast cancer in December 2017, and yet, remains steadfast in her determination to help others.

"In partnering with Trinitas, the Connie Dwyer Breast Cancer Foundation has joined a collaborative team of doctors, technicians, patient advocates, and professionals to design a breast center that will provide access to the best science has to offer – by way of breast cancer screening, diagnosis and treatment."

GIAN PAUL GONZALEZ SPEAKS TO CRUSADER FALL ATHLETICS

Submitted by Gus Kalika

On Wednesday, September 5, 2018, members of the Crusader Fall Athletics met in the Arthur L. Johnson High School Auditorium. The student athletes had the pleasure of meeting and interacting with guest speaker Gian Paul Gonzalez, who talked to the fall athletes on the topic of being "All In".

During the New York Giants' 2011 Super Bowl run, much of their inspiration is attributed to Gian Paul Gonzalez (pronounced John Paul). Prior to the Giant's Christmas Eve game with the NY Jets, Gonzalez delivered the now famous "ALL IN" rally cry message during the Giants' chapel service, and is now widely recognized as having inspired the New York Giants to their Super Bowl victory. He has been featured on ESPN on Super Bowl Sunday, and has had notable appearances

(above) Gian Paul Gonzalez talking to the Crusader Fall Student Athletes.

on Fox News and CNN. He has traveled across the nation as a motivational speaker for the NBA's Portland Trailblazers, to the Army Cadets at West Point, Sam's Club, Patch.com, as well as to many other corporate, athletic, government agencies, and educational institutions.

Gonzalez, a high school teacher in Union City, N.J., was asked to lead a chapel service for members of the New York Giants team the night before the team's Christmas Eve 2011 game against the New York Jets. There was little hope then that the team would make it to the playoffs.

To illustrate the concept of commitment Gonzalez handed each football player a poker chip and instructing them to write their number on one side of the chip and write what they wanted to be committed to on the other side. He then shared with the team the meaning behind the poker phrase "All In". He inspired them to be committed and put all their "chips" on the table.

"We are faced with decisions every day at which time we can decide to be fully committed, or all in," says Gonzalez, a former All-American forward, who passed up a professional basketball contract to continue his work with at-risk youth. "I said to the players, 'I want you to fully commit to being all in on something.'" Gonzalez went on to urge players to fully commit to anything they take on, whether as a father, husband, son or even, a football player.

The day after Gian Paul's chapel message the Giants beat the Jets 29-14. In a post game

interview, Giant's Defensive End Justin Tuck credited the chapel speaker's message of being "All In" as the reason for the Giants win that day. The team went on to win every game, up to and including Super Bowl XLVI, where they beat the New England Patriots 21-17.

Gian Paul Gonzalez is himself an inspiration. He was a former NCAA First Team All-American forward from Montclair State University scoring nearly 1,400 points in his 3-year career. He played with the LA Clippers in their NBA Summer League in 2008 and was offered a few professional basketball contracts, yet he turned them down in order to continue his work with at-risk youth.

He is a gifted motivational speaker and continues to strive for excellence in inner-city public schools and juvenile jails, for which he has received the 2012 New Jersey Hero Award from New Jersey First Lady Mary Pat Christi.

Gus Kalikas, Athletic Director at Arthur L. Johnson High School, had this to say about the event. "Arthur L. Johnson High School was thrilled to have Gian Paul Gonzalez come and speak to us on the topic of "All In," said Gus Kalikas, Athletic Director at Arthur L. Johnson High School. "Gian Paul reached all of our student athletes and left them with great strategies that will not only help on the fields, courts, and mats, but also in the game of life. He was a true professional and inspires while delivering a wonderful message."

70 YEARS OF SERVICE! AMERICAN LEGION AUXILIARY UNIT 328, CLARK, CELEBRATES ITS 70TH ANNIVERSARY WITH OPEN HOUSE ON OCT. 13TH

Submitted by Judy Doran

How do you celebrate the 70th anniversary of the world's largest women's service organization? You have a party! The American Legion Auxiliary Unit 328 is doing just that. Are you curious about the Auxiliary and what they do? Would you like to know if you are eligible to be a member? Do you want to meet the members of Unit 328; learn about the many events and services we have performed over 70 years? Come to the American Legion Auxiliary Open House to celebrate 70 Years of Service to the Clark Veteran community. The Open House will be on Saturday, October 13 from 2-4 p.m. We have great photos from our 70 years. One shows the old firehouse on Central Avenue before it was moved to Westfield Avenue and its present location. Visit the American Legion Post at 78 Westfield Avenue and meet the women and veterans who are the Clark American Legion family. Of course, we will have birthday cake for our 70th celebration.

In addition to celebrating 70 years, the Auxiliary would like to say "Thank You". Thank you to the Clark community for your loyal support for 70 years. Thank you for donating to our Poppy Day collection every May. Thank you for supporting Pasta Night every April. Thank you for your generosity when we have a raffle to help fund our yearly trip to Lyons Veteran Hospital to visit and hold a craft party with the female veterans who reside there. Thank you to Vaccaro's Bakery, Shop-rite, Acme, Johnson's Funeral Home, Tarantella's Restaurant and so many more Clark establishments who never fail to support us. Thank you to those 13 women who formed the Clark ALA in 1948. But most of all, Thank you to all veterans who serve our country and keep us safe. Thank you all.

The American Legion Auxiliary is a service organization dedicated to support The American Legion and to honor the sacrifice of those who serve by enhancing the lives of our veterans, military and their families both home and abroad. The American Legion Auxiliary Clark Post Unit 328 actively works to advocate for our veterans, educate our citizens, mentor youth, and promote patriotism, good citizenship, peace and security. As the world's largest women's patriotic service organization the (local) unit is where the grassroots work of the Auxiliary takes place. Clark Unit 328 is located at 78 Westfield Avenue, Clark. The unit works out of American Legion Post 328. There are more than 8,000 units worldwide. Their work continues as long as our servicemen and women are deployed around the world.

Since 1948, many women served as President of the Clark ALA. We had a multi-generational threesome of Presidents in Anne Krov, her daughter Patricia Krov Savage, and daughter Karen Krov Fink. Under the leadership of our current president, Tammi Angelo, the ALA continues their mission and their membership has

grown to 65 women who today serve the men and women of the Armed Forces and all Veterans. They distribute Poppies in May, National Poppy Month, to heighten awareness of veterans and their needs. The Poppy, a small red flower that grew in the battlefields of France and Belgium during World War I, is a symbol of the sacrifice service men and women make for their country. The Clark ALA sponsors two high school girls at NJ Girls State, a program that teaches girls how local, state and federal governments work. At Girls State participants nominate, campaign, and elect government officials based on their party platforms. It's a great way to learn how our government works while meeting girls from all over the state of New Jersey, and having fun.

The ALA women travel to Lyons Veterans Hospital every year to sponsor a pizza and craft night with the women veterans there. They

organize spaghetti dinners, yard sales, and raffles. Two hand-sewn large quilts were made to raffle and raise money for Veterans. The Auxiliary also assists the American Legion with their children's Christmas parties, Past Commander's picnics, St. Patrick's Day Dinners and Steak Nights.

Since that first meeting in 1948, the Clark American Legion Auxiliary has been an active member of the Clark community supporting veterans and their families. Come celebrate with us, learn about our organization, meet new friends, reunite with old friends, talk to veterans and have fun and best of all, have some birthday cake!! Join the Clark ALA for its celebratory meet and greet for 70 years of service.

Join us on Saturday, October 13th.

A MESSAGE FROM EDWARD GRANDE SUPERINTENDENT OF SCHOOLS

September 12, 2018

Dear Members of the Clark Community,

The most remarkable aspect of being an educator is that each September we get to start anew, building on the strengths of the past but making the necessary adjustments to become even stronger as we move ahead. For that reason, the opening of our new school year has been accompanied by the traditional excitement for me. I would be remiss if I did not thank our twelve-month and ten-month/two-week administrators and support staff for all of their diligent work this summer. Their efforts are a central reason why we were ready for an outstanding beginning. Our maintenance team led by Mr. John Pingor is deserving of a special acknowledgement for their preparation of our buildings and grounds. They engage in projects throughout the year so that our students and staff are provided with enhanced facilities. The importance of this physical upkeep of our schools should never be devalued.

Schools reopened for students on Thursday, September 6. This first day of school is always a most special one and one that we, as a school district, are excited for. This year was no exception. Getting to see a large number of our parents and guardians at our various Back-to-School Nights will be equally rewarding. VRS's is scheduled for Monday, September 24; ALJ's for Tuesday, September 25; FKH's for Wednesday, September 26; CHK's for Thursday, September 27; and CPA's for Monday, October 1. Please know that we, as an administrative team, have an open-door policy and are here to address any concerns that you may have. It is our sincere hope to continue to "inspire greatness" through the work that we do.

Respectfully yours,

Edward Grande,
Superintendent of Schools

CENTURY 21 ARE 2018 SUMMER LADIES SOFTBALL SEASON CHAMPS

Clark Recreation's summer ladies softball season came to a close in August as team Century 21 became the season champs. After playing almost 4 hours in the heat, they walked away with the trophy. Team member Heather Dilberto was so excited and expressed that they all had such a fun season!

The league consisted of 5 teams – Jersey Girls, Century 21, Sheriff-Riverside, Northern Lights, and Helping Hands. Despite a rainy, hot and humid summer, the ladies came out twice a week to participate and have fun.

"Many of us are looking forward to the Fall ball season to start soon," expressed teammates of Century 21.

CHAIR YOGA FREE TO CLARK RESIDENTS

Clark Recreation introduced a new class 'Chair Yoga', for seniors or anyone available during the day to try it out. The concept of chair yoga is to enjoy the benefits of yoga but not having to get

on the floor to do the exercises. The class is available free to Clark residents on Fridays – 9:15 a.m. - 10:00 a.m. at the Recreation Center's Aerobics room.

WEEKLY SESSIONS WITH HEARING SOCIETY

The Hearing Society, a local not-for-profit organization serving people with impaired hearing, offers weekly sessions in speech (lip) reading. The class meets at the First Baptist Church of Westfield, 170 Elm Street, Westfield, NJ, each Thursday, September through May, from 10:30 – 11:45 a.m., unless otherwise announced. Light refreshments are served before each session.

These informal classes are under the direction of Morgan Orlowski, speech pathologist, and provide strategies for coping with hearing loss as well as techniques for improving communication abilities.

The sessions also serve as a support group for Hearing Society members experiencing the problems associated with hearing loss, and include discussions concerning new developments in the ever expanding technology of hearing enhancements now available.

Anyone in the greater Union County area who is interested in membership in the society and participation in its classes may contact Alice Knecht at 908 688 8241 or alirobkn@aol.com for more information.

UNITY AWARD PRESENTED TO UC EMERGENCY RESPONSE TEAM

Fifteen individuals and seven organizations recently received the Union County Human Relations Commission's prestigious Unity Award for Achievement, an honor given to role models who dedicate their time and efforts to activities and programs that raise and honor the human spirit.

The 2018 awards marked the 17th year in which the Commission has named honorees.

The Union County Emergency Response Team (UCERT)/ USAI NJ PRIDE was honored for aid deployment to Puerto Rico.

Below is preprinted from the event's program.

The team included UCERT/SWAT/USAI Commander Martin Mogensen; Patrolman Alexander Ruiz, Clark Police Department; Officer Elliot Bernard, Fanwood Police Department; Patrolman Sean Kaverik, Kenilworth Police Department; Detective Edward Nortrup, Roselle Park Police Department; Officer Dragan Ristovski, Township of Union Police Department; Detective Daniel Fay, Union County Prosecutor's Office; Officer Sean Holcomb, Union County Prosecutor's Office; Lieutenant James Guerrant, Union County Sheriff's Office; Sergeant Manuel Cruz, Union County Sheriff's Office.

This Unity Award was given in recognition for emergency response to help residents of Puerto Rico by assisting local law enforcement in the wake of hurricane devastation.

On Wednesday, September 6, 2017, Hurricane Irma - a Category 5 storm with 175 mph winds - carved a merciless path of destruction through the Caribbean, killing at least 44 people, leaving thousands of others homeless, and plunging more than 1 million residents of Puerto Rico into darkness.

Two weeks later, on Wednesday, September 20, 2017, Hurricane Maria - which, despite weakening to a Category 4 hurricane by the time it struck Puerto Rico - devastated the island, decimated buildings, crippled communication,

drenched it with intense flooding, and left hundreds of recipients dead or missing. Its previously damaged electrical grid was also compromised.

The Catastrophic damage, coupled with the devastation of other islands in the area, compounded relief efforts. Maria was the tenth-most intense Atlantic hurricane, and the worst natural disaster on record in Puerto Rico. For weeks, in Maria's wake, most of the island's population suffered from flooding and lack of resources, compounded by the slow relief process.

Union County stepped up to help. Nine Union County law enforcement officers who are members of the Union County Emergency Response Team (UCERT) traveled to Puerto Rico in the wake of the hurricane to help keep law and order there.

The officers, under the command of Union County Police Department Captain Martin Mogensen, who commands UCERT, Union County's SWAT team, and the Federal Urban Area Security Initiative (UASI), went in two deployments in October and November 2017 to provide relief. Coordinating with the New Jersey State Police, Puerto Rican State Police,

and San Juan Police, they provided community outreach assistance, infrastructure protection, and traffic control points.

The Union County officers relieved local officers who had been working long shifts daily and wearing regular clothes because they couldn't wash their uniforms. Their radios didn't work either. They communicated by waving each other down, or by cell phones when they were able.

Two months after the storm, the officers had to struggle on a daily basis for the necessities: food, water, fuel for their generators.

The officers agreed that the images seen on TV and online do not capture the enormity of the damage: Roads with giant fissures, downed utility poles, epic food and water shortages, no traffic lights, gridlock, cars disabled or struck sitting on the side of seven-lane highways, and lack of power. Crime and violence were also a dangerous byproduct of the hurricane aftermath. Day-to-day life was exhausting.

We salute the members of the UCERT team who put their comfortable lives here at home on hold while they reached out to help fellow officers and the residents of Puerto Rico in the aftermath of the tragedy.

CDC THEATRE IN CRANFORD CELEBRATES 100 YEARS WITH THE NJACT'S THEATRE OF THE YEAR AWARD AND A FEW GOOD MEN.

CDC Theatre in Cranford is celebrating its 100th Season this year and has been honored by the NJ Association of Community Theatres, NJACT, with the New Jersey Community Theatre of the Year Award. Representing membership, current President Joe Leo accepted the honor on behalf of "Members who are here, those who cannot be here and the thousands of people over the years who have shared their energy and talent to make sure CDC Theatre

continues as a performing arts institution; Nurturing Imagination Since 1919!"

The first show of the theatre's centenary season will be A Few Good Men. Aaron Sorkin's groundbreaking debut tells the story of a group of military lawyers assigned to defend two Marines in Guantanamo Bay. During the course of the trial, they uncover a high-level conspiracy designed to eliminate weaker soldiers in the name of patriotism. The production will run from October 19 – 27. Active military and veterans will be eligible for a special \$15 ticket at the door with id.

Current President Joe Leo and recent past president Liz Howard.

IMAGINE RECEIVES GRANT TO EXPAND CHILD BEREAVEMENT SUPPORT PROGRAMS

"We are so grateful to The Merck Foundation for their generous grant of \$25,000 for the expansion of our bereavement support programs at our new center in Mountainside," said Stuart Arnold, Imagine Board Chair. "With Merck's commitment to healthcare and the community it's a perfect match. The Merck Foundation has been a generous supporter of Imagine for many years and we are so grateful."

Childhood bereavement is a serious public health issue. The death of a parent or other important person in a child's life has been noted to be one of the most commonly reported and disruptive Adverse Childhood Experiences (ACEs.) There are currently over 109,000 NJ youth age 0-18 who are bereaved due to the death of a parent. Imagine is currently serving 285 of those children, from 55 NJ towns every two weeks at our center.

"Imagine helps make a difference in the lives

of grieving children and families in the communities around our sites," said Paula Alston, Executive Director of Merck's NA Research Facilities. "We are proud to partner with Imagine through our Merck Foundation Neighbor of Choice grant program this year, and we are pleased to be able to help Imagine grow and succeed in their mission."

Imagine offers free year-round grief support groups for children age 3-18 who have had a parent or brother or sister die, and for families coping with a family member with a terminal or chronic illness. Concurrent groups are available for parents and guardians, and young adults 18-30. Support groups meet on weekday nights for an hour and a half. Dinner is provided prior to the group meeting. To schedule an orientation for yourself or your family or for more information please contact Imagine at 908-264-3100 or info@imagine-nj.org.

SPECIAL NEEDS STUDENTS PARTICIPATE IN SCOUT REGATTA

Students at the Crossroads School in Westfield participated in their annual "Raingutter Regatta," the school's summer version of their annual Cub Scout Pinewood Derby. In a raingutter regatta two students race handmade sailboats down a narrow channel, whoever reaches the end of the channel first is the winner. The students can decorate and name their boats before the race.

Patriots' Path Council of the Boy Scouts of America has partnered with the Union County Educational Services Commission for over 5 years to provide Scouting programs to special needs youth in Union County at The Crossroads School (Pack 45) and The Westlake School (Troop 1571), both in Westfield. The Westfield United Fund sponsors the program and pays for

the students' registration and material costs.

Pack 45 at Crossroads school is led by school social worker Ms. Elaine Liggeri, who enjoys using Scouting to give her students enrichment activities that they may not be able to participate in outside of a school setting. The pack will have its annual Pinewood Derby next winter.

MOTHERS' CENTER OF CENTRAL NEW JERSEY LAUNCHES LITERACY CAMPAIGN "BOOKS FOR BABIES" AT LOCAL LIBRARIES

CLARK MONTHLY • Page 25 • October 2018

The Mothers' Center of Central New Jersey (MCCNJ) is very excited to announce its newest program in literacy, Books for Babies. In partnership with select local libraries, MCCNJ is offering families a warm welcome to the world of reading with their babies. Union County families that have welcomed a newborn within the last year can receive a reusable tote bag filled with a new board book, list of recommended books for baby, and description of library parent/child programs. Participating libraries include Cranford, Clark, and Garwood. The program started on September 12. Families can stop by one of the libraries and ask the children's librarian for a new "book bag".

An avid reader with a passion for family reading, MCCNJ member Nicole Eng was inspired to start Books for Babies after seeing a similar program and realizing the impact it could have in her own community.

"Early childhood literacy, family bonding, and a love of reading drive the concept of this program and we couldn't be happier to bring this to local families," said Ms. Eng. With the generous help of MCCNJ, including members Trina Junod and Melissa Bernstein, the organization prepared and delivered 100 "book bags" to the participating libraries.

"We invite you to share the joy of reading with your family and nurture a love of books starting at an early age. By collaborating with our beloved libraries we help to promote childhood literacy and strengthen the parent/child bond."

If you'd like to learn more about Books for Babies or how to contribute, please email motherscentercnj@gmail.com. To learn more about the Mothers' Center of Central New Jersey, visit motherscentercnj.org.

CALL FOR ENTRIES: JURIED PHOTOGRAPHY EXHIBIT

Photographers are invited to submit photographs to be considered for exhibition at the 24th Juried Photography Exhibit of the New Jersey Photography Forum. In the almost twenty-five years since its founding, this exhibition has developed to be one of the most important juried photography shows annually and attracts entries from all over New Jersey.

The exhibit is open to any photographer able to hand deliver their work to the Watchung Arts Center on the Watchung Circle in Watchung, NJ on Saturday, October 27, 2018 from 1 - 4 p.m. The cost is \$20 for every two photographs entered. There is no limit to the number of entries; however, all entries must be professionally presented and securely wired for hanging. There will be cash awards for Excellence and Merit. A show prospectus is available on the NJPF website.

The public is invited to attend the opening reception on Sunday, November 4, 2018 from 1 - 4 p.m. at which time awards will be presented and everyone will have an opportunity to meet the artists. The exhibit is free and open to the public during business hours of the Watchung Arts Center: Tuesday, Wednesday, Thursday, and Friday: noon - 5 p.m., Saturday: 10 - 3 p.m. The exhibit will be curated by Nancy Ori of Berkeley Heights. All of the images will be for sale with a portion of the proceeds going to support the Watchung Arts Center.

The jurors for the show are: Matthew Gosser, Professor and Gallery Director of the College of Architecture and Design, NJIT and Gallery Dir of Art and Artifacts of Architecture and Design, NJIT and Gallery Dir of Art and Artifacts of Newark and a photographer, sculptor and furniture designer; Bill Brokaw, owner of Brokaw Photography in Frenchtown, NJ, and a teacher and curator; Nancy Ori, exhibitor, curator, author, freelance photographer and educator and the director of NJ Photography Forum and Digital Arts Group and the owner of NJ Media Center in Berkeley Heights.

The New Jersey Photography Forum is dedicated to furthering the interests of

professional and serious photographers living or working in the New Jersey area. Over the past 24 years under the direction of Nancy Ori, the NJPF has become the largest and most recognized group of fine art exhibiting photographers in the state.

The monthly meetings are held at the Visual Arts Center of New Jersey in Summit and attendees are encouraged to share expertise and advance their skills. The meetings provide access to a wide variety of current creative and technical information through informal presentations and demonstrations by manufacturers and photographic artists. Regularly, photographers have an opportunity to

display their work for critique by others. Exhibition possibilities within the fine art community are constantly explored, and the NJPF is has become a valuable resource for photographers interested in becoming fine art exhibitors.

The Watchung Arts Center offers new art exhibitions each month, performances of music, comedy, improv and classes for children and adults in art, photography, dance, yoga, and more. Visit their website at watchungarts.org.

You can learn more about the New Jersey Photography Forum by visiting their web site at njphotoforum.com or calling Nancy Ori at 908-790-8820.
