FIRE DEPT WELCOMES FIRST TWO FEMALE FIREFIGHTERS

A new era has begun in the Linden Fire Department; in its 102-year history the department had never had a woman firefighter in its ranks. So on September 4, 2018 they welcomed not one but two women to the department. The two woman firefighter recruits Tyler Scoles and Brianna Bornstad along with their six male counterparts Nicholas Alarcon, Robert Hendricksen, Michael Viana, Edwin Marrero, Patrick Valenza and Jeffrey Webb started their recruit training on September 4 and hope to complete the training early next year.

On the arrival of the 2 female firefighters and 6 male

firefighters Linden Fire Chief Joseph Dooley had to say, "This is an exciting time for the Linden Fire Department as we welcome these two young women and 6 young men into the fire service. We hope to guide them through a successful recruit training and a long safe career."

On the same day as these eight new recruits started their training the Linden Fire Department also promoted three firefighters to the rank of Lieutenant. These three newly promoted Lieutenants are 7 year veteran Theodore Tyburczy, 14 year veteran Jeffrey Jackson and 7 year veteran Michael Fry.

LINDEN'S 66TH HALLOWEEN PARADE

This year, a wonderful autumn tradition will continue in Linden at the end of October.

On Sunday, October 28th, 2018 at 2:00 p.m., marchers will step-off for the 66th edition of Linden's Halloween Parade. The parade will begin on South Wood Avenue near Route 1, and will proceed north toward City Hall and continue to Curtis Street. The total length of the march is approximately 1 mile.

According to the Parade Planning Committee, this year's parade will feature many new participants including municipal dignitaries, marching bands, decorated floats and performing groups. As in past years, most

Linden schools are well represented with themed floats and children in costume. As is tradition, the end of the parade will feature a visit by Santa Claus to help officially kick-off the holiday season. "We're thrilled with the response we've gotten from our municipality, our schools, and generous sponsors. We were able to build the Line of March by approximately 40% over our last parade" stated

Carl Pereira, Linden Halloween Parade Committee President.

"We expect a large crowd of spectators this year, and they won't be disappointed" he said. Many marching groups will stop and perform in front of grandstands erected at City Hall near Wood Avenue and Knopf Street, and that's where crowds are usually the largest. Carl added, "This year we are very fortunate to have received donations from Linden's business and corporate community. Their gracious generosity exemplifies the dedication and desire to keep a great Linden tradition alive and well, year after year" The Halloween Parade Planning Committee will continue to meet every Wednesday at 7:00 p.m., at the JTG Recreation Center on Helen Street. Volunteers are always welcome.

If you would like to participate in any way or by marching as a group, individual or enter a decorated vehicle or float of any size, please call: 908-474-8600 or visit our website at linden-nj.org.

LINDEN POLICE HOST ANNUAL PICNIC FOR MENTAL HEALTH COMMUNITY

The Linden Police Department hosted its Annual Crisis Intervention Team Picnic in August. Linden has one of the largest Crisis Intervention Team (CIT) programs in the state; over 100 officers have received the training since Union County began its program in 2011. The 6th annual picnic, as well as the annual Easter Egg Hunt, afford law enforcement with an opportunity to build relationships with those receiving mental health services, along with their family members and care givers.

"We are very proud of the work done by our Crisis Intervention Team members," said Linden Police Chief David Hart. "These members of our community are often skeptical of police officers, and the relationships made through

events like this may help officers de-escalate a crisis situation without the need for physical force."

This community event would not be possible without the cooperation of our volunteers and partners from so many organizations in our community.

Thank you to the Linden Fire Department, Linden Public Property Department, Mayor

Armstead and the Linden Mayor's Youth Commission, the Linden Police Superior Officers Association, Linden PBA Local # 42, Linden FMBA Local # 34 & 234, Walmart, Sam's Club, N.A.M.I. of Union County, Bridgeway Rehabilitation Center, and Bridgeway Jail Diversion Community Wellness Center (CWC) for their continued cooperation and support.

(above) Robert and Connie Dwyer share their joy and approval in light of the brand new Connie Dwyer Breast Center in its final stages before opening to the public at Trinitas Regional Medical Center, Elizabeth.

CONNIE DWYER BREAST CENTER OPENS AT TRINITAS

In alignment with Breast Cancer Awareness Month, Trinitas Regional Medical Center announces the early October opening of the \$3.4 million Connie Dwyer Breast Center. The Center is located at Trinitas' main campus, 225 Williamson St., Elizabeth.

Breast cancer is the second leading cause of cancer deaths among women in the U.S., according to the American Cancer Society, and far too many women in the greater Elizabeth community go without prevention, education or proper care.

Trinitas has partnered with The Connie Dwyer Breast Cancer Foundation to bring a highly empathic approach to screening, diagnosis, treatment, and community outreach and education to all women, regardless of financial status, in a brand new facility that evokes comfort and a sense of well-being.

The Breast Center, staffed with board-certified bilingual specialists, offers the most up-to-date equipment and services available, such as 3D imaging, which allows radiologists to view the breast tissue in several layers. This breakthrough technology can detect 41 percent more invasive breast cancers and can reduce false positive results by up to 40 percent.

The American Cancer Society recommends that all women over the age of 40 have regular breast exams and mammograms. Most women who undergo screening will be healthy and not require further services until their next scheduled screening. However, patients who require continued care will meet with a Breast Navigator, a highly trained guide who answers questions and assists patients through the process of diagnosis and treatment.

Dr. Adriana Suarez-Ligon, Breast Surgeon, says, "With the generosity of Connie Dwyer, the new breast center at Trinitas will be a beautiful, calming and comprehensive center for women in our community to have everything from their yearly screening mammograms to the latest diagnostic studies. In addition, it will be a one-stop shop where care will be coordinated for the patient among our dedicated, compassionate multidisciplinary care team."

Connie Dwyer's story is one of bravery and enormous good will. A known philanthropist, Connie was first diagnosed with breast cancer in 1999 and had a double mastectomy. Inspired by her own ongoing battle, she became mindful of the fact that many women who are uninsured or under-insured and low-income often have limited or no access to critical care. That's when she and a dedicated group of friends began a grassroots effort, where she worked tirelessly to create awareness and raise funds. By 2005, the doors of the first Connie Dwyer Breast Center had opened.

"My experience is a testament to the fact that early detection, quality care, and being monitored by knowledgeable professionals makes the difference between life and death," says Connie, who after 19 years, was re-diagnosed here at Trinitas with metastasized breast cancer in December 2017, and yet, remains steadfast in her determination to help others.

"In partnering with Trinitas, the Connie Dwyer Breast Cancer Foundation has joined a collaborative team of doctors, technicians, patient advocates, and professionals to design a breast center that will provide access to the best science has to offer – by way of breast cancer screening, diagnosis and treatment."

LAW EXPLORER POST 629'S BUSY SUMMER

Submitted by Lucia E. Perpina, Esq.

This summer, Law Explorer Post 629 accomplished a lot. We had our usual weekly Friday evening meetings, but we also embarked on several field trips, both educational and team building.

Our first summer trip was a recreational excursion to the Delaware River, where we went water tubing down the river. Unfortunately, the fast moving waters caused us to separate into two groups for much of the ride, but in the end, we still had great fun. After that we all went out for lunch and finalized other summer activities.

Next, we bonded at Altitude Trampoline Park where we celebrated one of our member's Birthday.

Finally, in August, the group took a trip to New York City, where we toured the New York State Supreme Court, and the United States District Court for the Southern District of New York. At the New York State Supreme Court, we were given a tour of a courtroom by a court clerk, Mr. John Montero. Mr. Montero informed us about how court proceedings work in New York, and gave us several anecdotes about cases that had occurred in his courtroom. We learned about the differences between the structure of the New York and New Jersey court systems. We then went downstairs and sat in on arraignments, where we watched a judge give out bail verdicts to those awaiting trial.

After lunch, we headed a few blocks over to the United States District Court for the Southern District of New York. On our way, we passed by a filming of Law and Order! When we got to the Federal Court, we were greeted by a clerk, Ms.

Chelsey Fries, who had arranged our afternoon at the court. We were privileged to watch a federal Judge hear a motion to suppress evidence by a defendant. It was essentially like viewing a whole court case, as the evidence was key to the charges, and both sides had to cross examine witnesses and give their full stories. We got a firsthand view of how court proceedings work, and learned a lot. We also saw a pro-se motion, where a defendant chose to represent himself. Afterwards, we sat down and talked with Hon. Federal Judge Valerie E. Caproni. We asked her questions about the legal system, the Federal Court system, and what it is like to be a judge, among other things. It was all very informative.

Now that we are all back in school, among our weekly meetings, we are planning a camping trip for October, where we will all be learning skills on fishing, among other activities. It will be a final Bon Voyage to the warm weather, and sure to be a memorable weekend of fun!

Law Explorer Post 629 is an after school enrichment program focusing on Law and Government, open to youth ages 14-21. It is not a political group and does not have any political affiliations. Post 629 meets every Friday evening, from 6:00 – 7:30 p.m. at the Law Offices of Lucia E. Perpina, Esq., LLC, 629 North Wood Avenue, Linden, New Jersey. If you are interested in the program, you may call (908)718-5877, email us at lawpost629@gmail.com or simply stop by on a Friday evening. Weekly meetings have already begun for the school year and the program accepts members on a rolling basis.

SUMMER TRAINING SESSIONS INSPIRE LINDEN TEACHERS FOR NEW YEAR

Nearly 200 of Linden's teachers took time out of their summer break to attend workshops in August to help prepare for the upcoming school year, including a peer-to-peer workshop for teaching science, sessions on data and classroom strategies, and a hot dog lunch.

"It's a tribute to the dedication of our teachers that they get together on their own time to make sure our students are getting the best education possible," said Superintendent Danny A. Robertozzi. "These workshops strengthen the concept of teamwork and camaraderie among our staff and pay great dividends in the classroom."

Members of the district's Instructional Leadership Teams (ILT) gathered August 21 and 22 for a day of dissecting data, followed up by a hot dog barbecue for what was dubbed "Hot Diggity Data." They spent the morning at the district's Professional Development Resource Center poring over numbers from student assessments in order to craft their goals and action plans for the coming school year.

At lunchtime, Assistant Superintendent Denise Cleary, Supervisor of Data and

Assessment Dariusz Kondratowicz and Instructional Coach Reina Irizarry-Clark treated them to a lunch of hot dogs with all the fixin's, with an assist from Director of Technology Michael Walters on the grill.

The ILTs are made up of eight to ten teachers from each of the schools who study data and innovative classroom methods, then pass on what they've learned to colleagues at their schools. The ILTs from Linden's two middle schools and Linden High School gathered on August 22, and the teams from Linden's eight elementary schools gathered on August 21.

The week before, nearly 50 teachers and administrators from around the district came together August 15 at the PDRC for an informative training session focused on helping students to become "visible learners." That term refers to students who can set goals, know what they need to do to attain those goals, and can track their own progress.

The session was led by professional learning consultant Karen Flories of Corwin publishing. Each of the educators who attended were given the book "Developing Assessment-Capable

Visible Learners" to help them develop classroom strategies that empower students to shape their own educational success.

From August 13 to 16, 50 Linden teachers gathered at Elizabeth's School No. 28 with about 100 colleagues from Rahway, Hillside, Elizabeth, Newark and Kenilworth to participate in peer workshops for teaching science. They learned through peer-to-peer exercises how to plan, implement, and assess curricula in three-dimensional science learning.

The workshops for kindergarten through Grade 5 focused on the new Full Option Science System (FOSS) Earth and Space Science modules. The teachers were able to check out the teacher's manual, student kit contents, and technology resources, and together develop ideas about implementing the lessons in their classrooms.

The workshops for Grades 6-12 focused on developing students' skills in engineering. Teachers worked together on showing students how to use core ideas to define problems and design solutions, and developing assessment strategies.

BURT REYNOLDS REMEMBERED

A SPECIAL DOUBLE FEATURE ON OCTOBER 15TH

The Linden Public Library is proud to remember the life and legacy of Burt Reynolds, who died on September 6th. He was the world's top movie star for five years running (from 1978 through 1982) and his roles in motion pictures and television included some of the greatest in Hollywood history.

Library will present two of his biggest films.

On Monday, October 15th

His 1974 hit, *The Longest Yard*, will be shown 2:00 p.m. At 6:00 p.m., the most commercially successful movie of his career, *Smokey and the Bandit*, will be shown. Both films will be shown in the Columbia Bank Room and are presented free of charge.

"FILMS FOR THE FALL" SERIES

That Thing You Do! - October 9, 6 p.m.

In 1964, an Erie, PA band called The Wonders strikes it big with a hit single and rides its success straight to the top. Starring Tom Everett Scot, Liv Tyler and Tom Hanks.

Saving Mr. Banks - October 16, 2 p.m.

This tells the behind-the-scenes story of Walt Disney (Tom Hanks) as he negotiates for the film rights to *Mary Poppins*, the children's book by P.L. Travers (Emma Thompson). This film is presented in advance of the release of *Mary Poppins Returns* in December.

Won't You Be My Neighbor? - October 18, 7 p.m.

This documentary film explores the life, lessons and legacy of iconic television pioneer, Fred Rogers, and his long running children's show, *Mister Rogers' Neighborhood*.

Saturday Night Fever - October 22, 2 p.m.

John Travolta earned his first Oscar nomination for this role and made him into an international box office star. He plays Tony Manero who wants to escape the bleak reality of his Italian American family in Brooklyn as he dances his way out of the old neighborhood and dominates the dance floor at the local disco.

Wishful Drinking - October 23, 2 p.m.

We celebrate Carrie Fisher on what would have been her 62nd birthday in a one-woman show based on her best-selling memoir of the same name.

Filmed live in South Orange.

Grease - October 29, 2 p.m.

On the movie's 40th anniversary, we return to 1959 and Rydell High as Danny (John Travolta) and Sandy (Olivia Newton-John) turn *Summer Lovin'* to become *Hopelessly Devoted to You*.

The Fortune Cookie - October 30, 2 p.m.

This was the first of eleven movies that Jack Lemmon and Walter Matthau made together. Directed and written by Billy Wilder, this film tells the story of a regular guy cameraman (Lemmon), his shy lawyer brother-in-law (Matthau) and a million dollar phony accident claim. This earned Matthau an Oscar for Best Supporting Actor.

PAST CHAMPION JOINS LINDEN FOOTBALL TEAM FOR HOME OPENER

Submitted by Gary Miller

The Linden High School football team hosted a very special guest at its home opener against Westfield on Friday, September 7, 2018 at Tiger Stadium at Cooper Field.

Albert Maz, a member of the Tigers' 1954 state championship team and a 1955 graduate of LHS, joined the captains of both teams at midfield for the opening coin toss. Athletic Director Steven Viana outfitted Maz with a No. 65 jersey, the same number he wore in his senior season.

The Tigers went on to defeat the Blue Devils, 14-7, snapping Westfield's state-leading 37-game winning streak.

EDWIN CHARLOTIN NAMED ADVOCATE FOR FOSTER YOUTH

LIFE in LINDEN • Page 17 • October 2018

Linden is among 11 Union County towns represented recently by volunteers sworn in as court appointed special advocates (CASAs), thanks to resident Edwin Charlotin, who says, "CASA of Union County provides me an opportunity to make an impact in my community, and to associate with great individuals who are striving to provide better futures."

Superior Court Judge James Hely administered oaths to Charlotin and others from Cranford, Elizabeth, Fanwood, Hillside, Plainfield, Rahway, Roselle, Scotch Plains, Summit and Westfield, before they were matched to a foster youth or sibling set ranging from birth to age 21. After court observation of experienced CASA volunteers in action, the new advocates will meet their assigned youth.

Volunteers with Court Appointed Special Advocates of Union County are extra eyes and ears for family law judges hearing cases involving abused, neglected or abandoned children removed from home and placed in foster care. With court-ordered access to such parties as foster parents, doctors, caseworkers, therapists

and teachers, the advocates incorporate findings into court reports for the judge and work to ensure the youth's needs are met and best interests are protected. CASA volunteers serve another important role for their youth: being a constant amid a flurry of unknowns and changes, including multiple caseworkers, foster homes and schools.

This class ranges from age 23 to 70 and includes parents, non-parents, business and medical professionals, county employees, retirees and homemakers. One was adopted from foster care and another has guardianship of nieces from the system. Most had no prior knowledge of the foster system.

It's crucial that each of the more than 500 Union County foster youth have an advocate. As the only organization filling this role, community volunteers are still needed, and are encouraged to join one of the fall training sessions that begin September 17 (evenings) and October 12 (daytime). For details, contact Courtney at 908-293-8136 or cgreen@casaoofunioncounty.org, or log on to casaoofunioncounty.org.
