On Tuesday, September 11th, 2018 New Providence Dentistry hosted their first annual 'Smiles on Us' free day of dentistry event and gave away over \$5,500 in services to the community.

Smiles on Us is a day-long, community-based program that provides those in need with dental care so they can have the healthy smile they deserve. New Providence Dentistry and their staff donated their time, expertise, and resources to hold this event at their office.

Over the course of the day, community members in need received a free cleaning, filling, or extraction from New Providence Dentistry.

Dr. Beth Herko stated "Thirteen years ago I went to Jamaica and donated dental services to people in need. That was an amazing experience that I will never forget. Now that I have my own practice, I would like to continue to give back by donating to my local community."

## LEAGUE OF WOMEN VOTERS OF BERKELEY HEIGHTS, NEW PROVIDENCE AND SUMMIT LAUNCHES VOTER EDUCATION TOOL VOTE411.ORG

The League of Women Voters of Berkeley Heights, New Providence and Summit announces the launch of the nonpartisan election resource vote411.org. This "one-stop-shop" for election information provides simple, helpful tools to help New Jersey voters navigate the voting process this November. VOTE411.org provides candidate information, voter registration tools, polling place information and other helpful Election Day information.

"Voters need simple, helpful tools to help them navigate the voting process and Election Day," said Susan Ferris Rights, co-President of LWV-BHNPS "This is particularly true of down ballot races, such as town council and school board, where it can be particularly difficult for voters to find the needed information to compare candidates. VOTE411.org is the nation's premiere online election resource and the League of Women Voters is proud to be providing this

critical tool in New Jersey."

The State League of Women Voters invited all Candidates running for US Senator and US House of Representatives to participate. The League of Women Voters of Berkeley Heights, New Providence & Summit invited candidates for Berkeley Heights Mayor, Berkeley Heights Township Council, Berkeley Heights Board of Education, Mountainside Borough Council, New Providence Mayor, New Providence Borough Council, New Providence Board of Education Summit Common Council in Wards I and II, Union County Board of Chosen Freeholders for the unexpired term as well as the 3 year term to participate. Candidates were asked to submit a picture, a bio (qualifications and experience) and answer 2-3 questions. Voters can go to vote411.org, put in their address and get the information submitted for all the candidates for whom they can vote.

Nationally, approximately 25.4 million voters have found the information they needed thanks to VOTE411.org, many of them young people and first-time voters.

"It's convenient, easy and invaluable for voters who want reliable information about voting," concluded Susan Ferris Rights "The League of Women Voters urges everyone to prepare for Election Day by visiting VOTE411.org and, of course, remind everyone to get registered and vote on November 6th.

The League of Women Voters, a nonpartisan political organization, encourages informed and active participation in government, works to increase understanding of major public policy issues, and influences public policy through education and advocacy. Membership is open to men and women of all ages. With 800 affiliates across the county, the League is one of the nation's most trusted organizations.

## CANDIDATES FORUM SET FOR OCTOBER 11

The League of Women Voters of Berkeley Heights, New Providence and Summit is sponsoring a candidates forum on October 11th, 2018 at the De Corso Community Center in New Providence. The Candidates for New Providence Borough Council will meet at 7:30 p.m. to state their views on local issues. Ann Armstrong of Somerset will be the Moderator.

All Moderators are League trained. They may not moderate in the town in which they reside. Audience members at these forums will submit questions in writing to the Moderator to be asked of the Candidates. The forums last approximately one and one half hours and will be available for viewing on local access TV.

The candidates were invited to participate in vote411.org, a digital know your candidates guide and voting information site.

## VISIT THE SALT BOX MUSEUM DURING "FOUR CENTURIES IN A WEEKEND" PROGRAM

The New Providence Historical Society's Salt Box Museum will once again participate in Union County's annual program, "Four Centuries in a Weekend". The museum will be open Saturday, October 20, 2018 from 10:00 a.m. - 5:00 p.m. and Sunday, October 21 from 12:00 noon - 5:00 p.m.

If weather permits we will have on display several early American tools. We have a few American Red Cross uniforms from WWII. These uniforms were worn by local residents who volunteered their time during the war. A favorite of our members is our Ballot box with the ballots. This was used for 2 elections in 1912 and 1916 while New Providence was a Township, which at that time included parts of Berkeley Heights and Summit.

Our Salt Box Museum consists of two houses constructed at different locations during the 1800's. They were joined in the mid-19th century. The building, now known as the Salt Box Museum, was created. The house's shape, with its steep, sloping rear roof, resembles the box in

which salt used to be stored.

In 1967, the entire house was moved across Springfield Avenue to its present site. Today the first floor is furnished to represent a typical New Jersey farmhouse of the mid-19th century, featuring 1840's furnishings, dresses of the 1800s and 1900s, hand-woven coverlet, Brewster clock, and a hay wagon on the lawn.

The Mason Room at the New Providence Memorial Library, 377 Elkwood Avenue, houses the Society's collection of rare documents, maps, photographs and oral history tapes.

The Salt Box Museum is available as our own History museum through the hard work of volunteers and members of the New Providence Historical Society.

The Salt Box Museum, located at 1350 Springfield Avenue in New Providence, is open the first Sunday of each month April thru November from 1 to 3 p.m. or by appointment. Admission is Free.

## COMMUNITY HELPS STUFF-THE-TRUCK WITH DIAPERS FOR LOW-INCOME FAMILIES

On Saturday, September 15, 2018, Moms Helping Moms Foundation held a fun, kid-friendly Stuff-the-Truck diaper drive at the New Providence Community Pool in honor of Diaper Need Awareness Week. The event, sponsored by North Plainfield Nissan, was a huge success with community members donating 8,200 diapers for low-income families.

The Mayor of New Providence, Al Morgan, attended the event and honored Moms Helping Moms Foundation with a proclamation recognizing Diaper Need Awareness Week. He said, "Moms Helping Moms is a terrific organization working hard to ensure that our low-income families have access to essentials like diapers. Presenting this proclamation is an honor and signifies the importance of diaper need and the necessity to make diapers affordable."

Bridget Cutler, Executive Director of Moms Helping Moms, commented, "Chances are we all know someone, or have been the person, who has or will experience the struggle to afford diapers. Raising children is hard enough without having to worry about whether you have enough clean

diapers. Moms Helping Moms is here to help parents and raise awareness about the critical role that diapers play in the health and well-being of families."

Diaper Need Awareness Week (DNAW) is September 24-30. Started in 2012, DNAW is an initiative created by the National Diaper Bank Network to bring national attention and mobilize efforts to end diaper need. Diaper need is the challenge to provide babies with an adequate supply of clean, dry diapers. One-in-three families in the United States experience diaper need. A baby uses close to 2,800 diapers during its first-year, the cost of which is about \$1000 – an insurmountable expense for many.

Moms Helping Moms Foundation is a baby supply and diaper bank founded in 2011 that provides essentials for low-income children like diapers, wipes, clothes, shoes, strollers and more. Each year, Moms Helping Moms distributes more than 300,000 items to local families. To learn more, or to donate, please visit [momshelpingmomsfoundation.org](http://momshelpingmomsfoundation.org).

## ABOUT SALEM ROADHOUSE CAFÉ

Dedication best defines the Salem Roadhouse Café: dedication to excellent music and dedication to the community. In its tenth year, The Salem Roadhouse Café reaffirms its commitment to both.

Started in 2008 by members of Townley Presbyterian Church with a grant from the Presbytery of Elizabeth, the Roadhouse Café continues to operate as a non-profit that raises funds for several carefully chosen local charities. That may be its social mission . . . but the Roadhouse Café is and has been a solid performance venue beloved by the musicians who play there because of its special intimacy with the audience.
