SUPPORT THE GARWOOD VOLUNTEER FIRE DEPARTMENT

Submitted by Glenn Miller

Just as area residents and businesses depend on the Garwood Fire Department to be there when they call 9-1-1, the Garwood Volunteer Fire Department relies on the generosity of donations from its Garwood neighbors to help finance the vital, life-saving operations it provides for our community. Each year, your tax-deductible donations helps fund the department's continuing effort to service the community. This year we just finished up our school fire prevention program at Lincoln school for K thru 8th grade and our Monday night pump drills at Washington school where all the kids got to play in the water while we trained.

The Garwood Fire Dept. sponsors many organizations in the Boro and schools. We sponsor two scholarships for senior graduates who plan on continuing their education.

We are also involved with Garwood Rocks where we set up a fire prevention display.

We also are working with the Garwood Girl Scouts, and our aluminum can collection, the proceeds being donated to St Barnabas hospital burn center.

Our upcoming events will be bringing Santa around the boro once again, on Dec. 9th from 11 a.m. until finished. Rain date will Dec 16 th.

The Garwood Fire Department is also collecting Toys for Tots this year.

The department has 30 active members, and answers an average of more than 200 calls a year.

"An annual fundraising appeal letter was recently mailed by the Garwood Fire Department to all homes and businesses

in Garwood," explains Chief Allen Tweedle. "I encourage every citizen to consider making a donation to this vitally important community organization. Dedicated volunteers are on call every day here in Garwood. We need them, and the department needs your support." In addition to its 30 adult members, the Garwood Volunteer Fire Department includes 4 junior members, 8th grade thru high school students, ages 14 and older that assist in emergency calls. Juniors attend training sessions, participate in junior meetings, and department activities.

The Garwood Fire Department is also looking for volunteers; if interested please call 908 789 8877, leave a message or stop by any Sunday morning 9-11 a.m. or Monday evenings 7-9 p.m. for information on membership.

Donations by check may be mailed to:
Liberty Hose Co #1
415 South Avenue, Garwood, NJ 07027

SANTA CLAUSE TO VISIT GARWOOD ON DEC. 9TH

For the last 40 years the Garwood Fire Department has escorted Santa Clause around the Borough. Santa has his sled pulled behind a fire truck and at every stop residents can get on the sled with Santa and talk with him.

Santa will be in town on December 9, 2018 starting at 11 a.m. on the North side and will cover every street in town. Rain date will be December 16th.

Santa wants to remind everyone that he will be stopping at all Santa stops, so PLEASE go to these stops. You can find the stops by the signs depicting a photo of Santa which will be hung on all the fire hydrants that are designated stops, and in the middle of some blocks.

This year Santa will be collecting Toys for Tots. If you would like to donate an unwrapped gift please bring it out to Santa or it can be dropped off at the Fire Department.

PROGRESS CLOTHING RESALE NOW OPEN IN NEW WESTFIELD LOCATION

(above) Tiffani Serafin is the new owner of Progress Clothing Resale, now in new Westfield location. The store features a total 50's retro vibe! Buying and selling styles from the 1920's to today!

Tiffani Serafin is the new owner of Progress Clothing Resale, formally located in Garwood, New Jersey. The store is now located at 1100 South Avenue W., Westfield and features a total 50's retro vibe, buying and selling styles from the 1920's to today.

After visiting the store in Garwood Tiffani fell in love with it and applied for a job and was accepted. She purchased the business one and a half years later and decided to move it to Westfield. She recalls "The relocation came from the passion and drive to begin an exciting, new journey as the new owner. As we made the big move, our new home was completely gutted and under construction. It was most definitely a work in "progress," with the renovation taking 8 weeks. However, this gave me all the opportunity in the world to design my shop, top to bottom. With a blank canvas at my fingertips, I was simply in heaven. I've always been told that I was born in the wrong era. With that being said, my vision was to create a shop with a 50's, retro vibe. I have now been in business for 6 months and it has been nothing short of an amazing and beautiful experience."

CLARK UNICO HOLIDAY FLEA MARKET & GIFT FAIR SET FOR DEC. 8

On Saturday, December 8, 2018 Clark UNICO will hold their annual holiday fundraiser held indoors and outdoors at Arthur L. Johnson High School in Clark, NJ. Open to the public 9 a.m. – 5 p.m.

This annual Holiday Flea Market and Gift Fair produced by JC Promotions, Inc. will consist of 75 tables displaying an array of quality merchandise such as candles, handbags, sports collectibles, jewelry for all ages, clothing, dollar items, unique gift items, gloves and scarves, toys, perfumes, antiques and collectibles, garage/tag sale items all at bargain prices.

This is a great opportunity to do some shopping locally or get lots of stocking stuffers while supporting Clark UNICO.

JC Promotions, Inc. is a fundraising company that produces street fairs, arts and crafts shows, vintage fairs, flea markets, kids fairs, food truck shows and more throughout New Jersey for over 50 organizations. If your group is in need of a fundraiser give JC a call.

JC is offering 4 free spaces to any Clark school organization that would like to participate by having an exhibitor space to sell their items and/or promote their club. Please contact JC for a reservation. Hurry while they last.

The high school is located at 365 Westfield Ave, Clark, NJ. For additional info on this event or how your group can host a fundraiser call JC's office 201-998-6311 or visit jcpromotions.info.

FABOEN RIOULT HONORED FOR ENVIRONMENTAL CONTRIBUTIONS

The Research and Development Council of New Jersey recognized BASF inventors Fabien A. Rioult of Garwood, New Jersey, and his colleagues Kenneth E. Voss, M. Shahjahan Kazi, and Stanley A. Roth with the prestigious 2018 Thomas Alva Edison Patent Award for outstanding environmental contributions.

The team of researchers developed a novel diesel oxidation catalyst design which utilizes less precious metal, while significantly improving performance. Diesel oxidation catalysts for heavy duty diesel engine emission reduction are required to remove hydrocarbons and carbon monoxide from the exhaust. At the same time, the catalysts provide additional functionality to facilitate removal of soot and nitrogen oxides by the downstream soot filter and selective catalytic reduction catalyst.

With this catalyst in the front of the emission control system, it is possible to meet the most stringent of current emission control regulations. As this catalyst is currently used on-road in all major markets, the positive impact on air quality could have global reach. Moreover, this catalyst significantly broadens the temperature region to implement removal of soot and prevent buildup of backpressure on the engine thereby reducing fuel consumption.

“It is a great honor for BASF and our inventors, as this award demonstrates that we continuously develop innovative technologies enabling our customers to cost-effectively meet emission regulations,” said Peter Walther, Senior Vice President, Heterogeneous Catalysis Research at BASF. “This novel diesel oxidation catalyst provides significant benefit for air quality and fuel economy supporting BASF’s commitment to clean air and sustainability.”

About BASF’s Catalysts Division

BASF’s Catalysts division is the world’s

leading supplier of environmental and process catalysts. The group offers exceptional expertise in the development of technologies that protect the air we breathe, produce the fuels that power our world and ensure efficient production of a wide variety of chemicals, plastics and other products, including advanced battery materials. By leveraging our industry-leading R&D platforms, passion for innovation and deep knowledge of precious and base metals, BASF’s Catalysts division develops unique, proprietary solutions that drive customer success. Further information on BASF’s Catalysts division is available on the Internet at catalysts.basf.com.

About BASF

BASF Corporation, headquartered in Florham Park, New Jersey, is the North American affiliate of BASF SE, Ludwigshafen, Germany. BASF

has more than 18,200 employees in North America, and had sales of \$17.9 billion in 2017. For more information about BASF’s North American operations, visit basf.com.

At BASF, we create chemistry for a sustainable future. We combine economic success with environmental protection and social responsibility. The more than 115,000 employees in the BASF Group work on contributing to the success of our customers in nearly all sectors and almost every country in the world. Our portfolio is organized into four segments: Chemicals, Performance Products, Functional Materials & Solutions and Agricultural Solutions. BASF generated sales of more than €60 billion in 2017. BASF shares are traded on the stock exchanges in Frankfurt (BAS), London (BFA) and Zurich (BAS). Further information at basf.com.

SMILES ABOUND FOR 28 YOUTH AT UNION COUNTY ADOPTION DAY

Event include adoptions, entertainment & more

It was quite a day at the Union County Family Courthouse, as 28 youth gathered to celebrate their adoptions and an end to foster care. The morning of Friday, Nov. 16, 2018, Union County's observation of the national awareness day held each year the Saturday before Thanksgiving, 16 children entered courtrooms as foster youth but exited as part of a forever family. In addition, 12 others adopted in recent months returned to celebrate.

National Adoption Day raises awareness of children in foster care awaiting adoption. Since its inception 19 years ago, approximately 60,000 children have left foster care and entered forever families. In the United States, more than 100,000 such youth need a permanent home, and the average wait time for each is nearly four years. Unfortunately, more than 20,000 age out without a permanent home or family.

In addition to adoption hearings officiated by Superior Court Judges James C. Wischusen and James Hely, festivities included guest speakers, entertainment, gifts for the children and families, and well-wishes from all. All adoptions ended with teddy bears for all, plucked from their perch on the judges' bench.

After the adoption finalizations, families were greeted by CASA of Union County staff and Cranford Girl Scout Troop 40332 Cadettes who rallied their community to donate games and popcorn for "Family Fun Night Makes

Memories" baskets. In addition, each child received specially selected books donated by Kappa Alpha Theta's Westfield Chapter and each child will receive a bike and helmet, courtesy of the Albanese Family of Plainfield's Dairy Queen.

Prior to the formal program — which included comments from Union County's Assignment Judge Karen M. Cassidy and Family Presiding Judge Lisa F. Chrystal, as well as two teen adoptees — families enjoyed personalized cupcakes, books from Union Catholic high-schoolers, coats from Alpha Kappa Alpha Sorority, elaborate balloon hats sponsored by A Birthday Wish Foundation, and the appearance of Heroes4Heroes, a Union County corrections officers organization whose members don superhero costumes and brighten the faces of all. In addition, Elizabeth's Thomas Jefferson Arts Academy. A Cappella Choir performed "This is Me" from The Greatest Showman — the conclusion of which left no dry eye.

Eleven adoptees had CASA volunteers advocating for their needs: Clark's Bob Vogel, five youth; Westfield's Barbara Bagger, three youth; and Springfield's Isabella Blumberg, invited by the family to join the closed hearing as their three adoptions were finalized.

For details on CASA of Union County and ways to get involved, contact Courtney at cgreen@casaoofunioncounty.org or 908-293-8136, or log on to www.casaoofunioncounty.org.

(above, l-r) Garwood residents Greg and Karla Ruggiero and son Leonardo welcomed Mathew, Henry and Catalina into their family in August, 2018.

GARWOOD LAUNCHES RECYCLE COACH APP

For residents looking to become better recyclers, look no further than the Recycle Coach app - now available in Garwood. The Recycle Coach application provides recycling information in a clear and concise manner to improve recycling rates as well as successfully engage residents to learn about "Reduce, Re-use and Recycle" principles.

"The Borough of Garwood is excited to join the Recycle Coach network, which will transform how we communicate local collection, waste, and recycling information to our residents. Beyond that, the platform includes engagement and educational tools to help people manage and correctly dispose of their waste," said Borough Administrator Christina Ariemma.

Residents can access Recycle Coach from their desktop computers, mobile devices, or through digital assistants like Amazon Alexa and Google Home. By leveraging the power of voice technology, the platform makes it easy for people to get local disposal information for thousands of household items when they need it. And the best

part: it's absolutely free. Visit the Borough website at garwood.org just click on it and it brings you to the app to download.

- With Recycle Coach, residents can:
- Stay organized with custom curbside collection and county recycling events calendars
 - Receive collection reminders and real-time updates on service disruptions
 - Become recycling experts with a comprehensive "What Goes Where?" search tool, including local disposal information and collection requirements for common and uncommon items
 - Take the "What Type of Recycler Are You?" quiz for useful recycling tips and tricks

Recycle Coach is an excellent opportunity for Garwood residents to obtain accurate, up-to-date information on recycling with the touch of a button. The Borough of Garwood is committed to promoting recycling and environmental sustainability, and we look forward to partnering with our residents on this exciting new program.
