GREEN BROOK MIDDLE SCHOOL TAKES FIRST IN ANNUAL SCHOLASTICA COMPETITION

Submitted by James Bigsby

The annual Immaculata Scholastica competition was held recently. The competition is a rigorous academic quiz bowl featuring content areas such as Science, Mathematics, Literature, World History, World Religion as well as Fine Arts, and Health Sciences.

The Green Brook Middle School academic team, once again lead by 8th grade student Anmol Bhatia, battled their way to victory for the second year in a row. Also on the team

and proudly representing Green Brook, was Ryan Wang, Bryan Zhang, Brenda Zhang, Atharva Kalyanpur, and Benjamin Liu.

Through six arduous rounds of fierce competition, two incredibly close rounds in score, our team found their confidence and were on a roll. GBMS was victorious in every single round they competed in

. Win or lose, it was an excellent academic experience for all who participated.

GBMS'S A CHRISTMAS CAROL WAS INCREDIBLE

Submitted by James Bigsby

On December 14, 2018 the cast, crew, and staff of Green Brook Middle School's A Christmas Carol ended their incredible production with a show-stopping final performance. This play included over 65 cast and crew members who worked diligently to convey the Dickens classic. This was one of the most ambitious set designs from director Mr. William Alzahr, who employed the help of some wonderful parents who volunteered their time, tools, and expertise to help see it come to fruition.

The show was narrated by Aria Anthony and Sarai Gonzalez and starred Ben Cupit as Scrooge, Vincent Miller as Bob Cratchet, Nadine Greybek as Fred, Leina Staudinger as Ghost of Christmas Past, Grace Wang as Ghost of Christmas Present

and Lucas Flint as Jacob Marley.

The final show concluded with a wonderful cast party enjoyed by all cast and crew members which was hosted by a group of parent volunteers. The show was directed by the school's chorus and orchestra teacher Mr. William Alzahr and the backstage crew was managed by Mrs. Erin Ferrara. We're so incredibly proud of all the students involved and would like to thank the parents who volunteered with supervision, the cast party, set building, photography, tshirts, painting, publicity and more. Another big thank you to the teachers, staff, administration, and Board of Education for coming out to enjoy the show and support the hard work the directors, cast, and crew have put in over the last 3 months. Bravo to the cast and crew!

WINTERIZE FOR WALKING TOO, WINTER WEATHER INCREASES YOUR RISK FOR FALLS. BE PREPARED, STAY ALERT, SLOW DOWN!

We all know that winter is the time of year to equip our vehicles with appropriate resources - a snow shovel, salt, windshield wiper blades in good condition and at least half a tank of gas.

It's important to "winterize for walking" as well. Before you get into your car and when you arrive at your destination, you're a pedestrian.

Winter weather tests our balance and mobility, challenging even the most agile pedestrian. We

need to get to appointments, do errands and function despite icy patches turning sidewalks into a sheet of ice or snowy areas that narrow paths and conceal uneven pavement.

During winter we're challenged to be alert and stay focused wherever we are walking, especially in parking lots and on stairs. Sliding on "black ice" or losing your balance could happen at any time. Falling is more likely if you're multitasking by carrying something that throws off your balance such as a bag of groceries.

Knowing how to navigate winter walking conditions confidently can help you be mobile and stay safe. Take a moment to prepare yourself for safe winter walking with these suggestions:

- Wear reflective or bright clothing to help you be visible to motorists.
- Footgear that grips gives you better traction.
- Walk on the sidewalk and cross in the crosswalks.
- If you must walk in the street, be certain to walk facing traffic.
- Be extra vigilant while walking in parking lots.
- Walk like a penguin to keep your balance.
- Walk slowly to avert slipping on icy spots.

Winter walking safety tips are provided by TransOptions.

Learn more about walking and driving safety at TransOptions.org or call (973) 267-7600.
