NOBLE THE THERAPY HORSE VISITS GARWOOD LIBRARY

Noble, a miniature therapy horse, visited the Garwood Public Library to the delight of a room full of children and parents. Maureen Coultas from Hope's Promise, presented Noble to the capacity crowd of thirty visitors on Wednesday, January 9, 2019.

Hope's Promise, located in Chester, NJ, offers various horsemanship programs. They also arrange equine therapy visits where miniature horses are brought to assisted living facilities, nursing homes, group homes, hospitals, schools, and libraries. Horses are trained to go inside of buildings, ride in elevators, and will even go into bedrooms if individuals are bed-ridden.

Ms. Coultas shared stories about Noble, his home at Hope's Promise, and answered questions from an enthused audience. She also read from her recently published book "My Friend Chief." The book is about Michelangelo, a bored miniature horse who wants to hear the story of his friend Chief, a full-sized Appaloosa who lives at Hope's Promise Farm with him. The story tells of how Chief came to be a therapeutic riding horse who helps many different individuals with special needs learn how to ride. The book has beautiful photos for horse lovers to enjoy and serves as a wonderful teaching tool for those who want to learn about therapeutic horseback riding.

The book is available for purchase on the Hope's Promise website hopespromisefarm.com.

MUSTANGS ON THE MOVE

BE A PART OF THE SOLUTION, NOT THE POLLUTION

Fifth grade students at Lincoln School in Garwood recently had working lunches in order to get involved with starting a school newspaper, "Mustangs on the Move." Their school mascot is a mustang. Mrs. DelConte

and Ms. Tarantino are shown here with many of the fifth graders who are clearly eager to highlight all of the current events happening within Lincoln School's active school community.

Photo by Lincoln School

Garwood's Lincoln School elementary gifted and talented students, along with their advisor Mrs. Del Conte, have been brainstorming ways in which they can make a difference in eliminating the single use plastics that wind up in our waterways and threaten our wildlife.

As part of an ongoing project, they initiated a challenge to their school community during the week of January 14th to "Be a Part of the Solution, Not the Pollution." Every member of the school community was urged to reduce or eliminate their use of single use plastic straws, bags, and bottles in an effort to raise awareness of how our daily habits ultimately affect our local waterways. The daily challenges were well accepted by the Lincoln School students and will continue.

FALL GPA CHALLENGE WINNERS

The Arthur L. Johnson Athletic Department recently held a breakfast in honor of the 2018 Fall Athletics G.P.A. Challenge winners, the Crusader Field Hockey Team. The event, sponsored by the Athletic Department, was held in the ALJ cafeteria.

The Crusader G.P.A. Challenge is awarded each season to the team that finishes with the highest overall G.P.A. amongst athletic teams seasonally. They were presented with certificates, had their team memorialized on a plaque, and were invited for a "Breakfast with the A.D." to celebrate their actions both in the classrooms and on the courts.

The Field Hockey Team, with a G.P.A. of 4.0198, was the 2018 Fall G.P.A. Challenge winner. Members of the Field Hockey Team include: Alyssa Colicchio, Nina Couzzi, Sabrina Diwane, Victoria Marano, Kaylee Parkhill, Alley Renda, Amanda Zambrana, Heidi

Compton, Emma Hilton, Nicole Randazza, Tara Starita, Taylor Turek, Jordyn Walsh, Devyn Calas, Gianna Caldiero, Gia Colicchio, Michelle Kukan, Courtney Marano, Victoria Venezia, Peyton Collings and Tatum Dobbins.

Athletic Director Gus Kalikas said "The Athletic Department is extremely proud of all the members of the Field Hockey Team. The team was able to balance athletics and academics at the highest level, not only competing in the State Final in the Fall season but also excelling in the classroom, which is evident by the cumulative G.P.A. of 4.0198 that the team held throughout the season. The G.P.A. Challenge was a result of years of hard work, not only by the girls, but by our Head Coach, Katrina Poskay, as well. They are a model of what it means to be a student athlete and the Clark School District is proud of all of their accomplishments."

LINCOLN SCHOOL'S PEP CLUB SPRINGS INTO ACTION

The basketball season has begun at Lincoln School so that means it is time for the School Spirit Pep Club to spring into action! The club is open to students in grades 4 through 7 and is led by Mrs. Benc. Members of the club met several times to create banners and posters to display in the gym in support of the school's girls' and boys' basketball teams. They designed a club tee shirt, made water bottle shakers, and learned a few cheers that they perform from the bleachers during games.

NOMINATIONS SOUGHT FOR COMMUNITY SPIRIT AWARD

Submitted by Garwood Mayor Sara Todisco

Do you know of someone in our Garwood community that you believe should be recognized for their efforts to help others in the community at large? How about a volunteer, or a generous local business owner, or even your neighbor who goes above and beyond? I am sure you do! There are so many wonderful people in our community that make Garwood the "Small town with a big heart," we all know and love.

As Mayor, I am proud to announce a new "Community Spirit Award" program to honor these individuals or specific groups of people who make Garwood the great place it is to live, work, and enjoy. I will be presenting these awards on a quarterly basis with the first to be presented at a March meeting of the Mayor and Council. To nominate someone you know, please complete the short form located on garwood.org, which can be found on the homepage or under the "Useful Links" tab on the left side of the website. ALJ HOSTS ALUMNI PANEL FOR JRS AND SRS

The Arthur L. Johnson High School Guidance Department hosted an ALJ Alumni Panel in January where former Crusaders shared their college experience with current juniors and seniors.

The panel, led by Erica Stasio, ALJ School Counselor, included a series of topics including choosing a school, living away from home, and extra-curricular involvement. The panel also

discussed how ALJ prepared them for college.

"I look forward to the Alumni Panel every year, not only to catch up with former students, but for them to share their experiences with our current juniors and seniors. The discussion is invaluable and relevant to the concerns of high school students. It helps to provide a unique perspective different from that of a parent, teacher, counselor, or coach," stated Stasio.
