C.A.L.C. VISITS FIRST CHILDREN'S SCHOOL

On Wednesday, March 6, 2019, members of the Crusader Athletic Leadership Council (C.A.L.C.) participated in a visit to the First Children's School, located in Fanwood, New Jersey.

The First Children's School in Fanwood is a stepping off point for children who need highly specialized educational services for some period of time in their lives. First Children's services extend into the home districts of students with special needs where they are invited to work with faculty and administration to assure that children with special needs get cutting-edge services in their home schools. The dedicated staff, including teachers, aides, and therapists, are prepared to deliver their services in the schools and homes of the children they serve. First Children partners with districts and other providers like Children's Specialized Hospital and Eden Autism Services to make sure that the children receive the very best services possible.

C.A.L.C. members went into various classrooms and participated in a multitude of activities relating to the school's curriculum. C.A.L.C. members Matthew Alongi, Max Carmino, Lia D'Angelo, Nicalina DelRosario, Joshua Hill, Emma Hilton, Brandon Hund, Sebastian Iakouchevitch, Nicole Randazza, Ally Renda, Daniela Thompson, Natalya Torres, Taylor Turek, Jenna Wiese and Kylee Zawacki all participated in the visit to the First Children's School.

Athletic Director Gus Kalikas had this to say about the event: "The C.A.L.C. was thrilled to be able to assist with the daily routines of the First Children's School. It was fun watching the High School Student Athletes as they interacted with the children, and I think both groups not only enjoyed the experience, but learned a lot while doing it."

CRANE'S FORD DAR CELEBRATES 75TH YEAR

Submitted by Mary Leonard, Regent, Crane's Ford DAR

At a recent luncheon, held at the Holiday Inn in Clark, New Jersey, the Crane's Ford chapter of the Daughters of the American Revolution celebrated the 75th Anniversary of the founding of the chapter.

On March 7, 1944 the Crane's Ford chapter was organized in Cranford and chartered by the National Society. At that time the chapter had 36 members and its founding Regent was Julia I Hazzard of Cranford. Since that time the chapter has had 23 Regents with many serving more than one 3-year term. The chapter took its name from a ford in the Rahway River where light horseman stood guard while General Washington's army was encamped at Morristown.

Attending the celebration were chapter members along with NJDAR State Officers including State Regent, Karen Strover, State Vice Regent, Bonnie Matthews, State Historian, Pat Saftner and the State Central District Director, Susan Luczu. The State Regent administered the Oath of Membership to the chapter's new member, Patricia Huxford of Roselle Park.

Today the Crane's Ford chapter has 56 members from Cranford and surrounding town as

well as many from out of state. The chapter is led by Regent Mary Leonard of Roselle Park and she is completing her 5th year. The chapter supports the National Society by continuing to promote historic preservation, education and patriotism as the local level. Throughout each year the chapter presents various awards including Good Citizen to high school seniors, American History Essay Contest, and JROTC to cadets at Elizabeth High School, Linden High School and Abraham Clark High School in Roselle. National awards given by the chapter over the years includes Conservation, Women in the Arts, Women in American History, and Historic Preservation Recognition awards.

Within NJ there are 46 chapters of the DAR, with over 2,700 members. Nationally there are over 175,000 members in over 3,000 chapters. Membership is open to any woman 18 years or older who can prove a lineal, bloodline descent from an ancestor who aided in achieving American independence. For more information please contact DAR.org or the Crane's Ford Chapter Registrar at patushkat@aol.com.

CRUSADER ATHLETICS LEADERSHIP COUNCIL READ ACROSS AMERICA

On Friday, March 1, 2019, members of the Crusader Athletic Leadership Council (C.A.L.C.) participated in the Clark School District's "Read Across America Day" at the Clark Pre-School. C.A.L.C. members went into the two classrooms and read multiple children's books to each classroom. In addition, the teachers had a multitude of activities relating to Dr. Seuss and reading that incorporated C.A.L.C. members and pre-school students alike. C.A.L.C. members Jason Applin, Ali Bowen, Eric Bretz, Nicalina DelRosario, Ty Dobbins, Katherine Fitzharris, Grace Gull, Lily Gull, Emma Hilton, Brandon Hund, Jackie Minniti, Nicole Randazza, Allyson Renda, Natalya Torres, Taylor Turek, and Kylee Zawacki all took turns reading and discussing various children's books with the students.

Dr. Suess's birthday kicks off a month of reading across the nation to raise awareness about the importance of children's literacy. Special guest readers will be visiting the preschool

classrooms throughout March. Research shows that early literacy plays a key role in the enabling of learning experiences that are linked with academic achievement, reduced grade retention, higher graduation rates, and enhances productivity in adult life.

"The C.A.L.C. was thrilled to be able to assist with the Clark School District's Read Across America events at the Clark Pre-School," said Gus Kalikas, Athletic Director at Arthur L.

Johnson High School. "It was fun watching the High School Student Athletes as they interacted with the young children, and I think both groups not only enjoyed the experience, but learned a lot while doing it."

The C.A.L.C. would like to thank Mrs. Consiglio, Ms. DeVizio, and Mrs. Kowalski, and everyone associated with the Clark Pre-School for welcoming us and allowing us to be a part of a fabulous day.

Fifth grade students at Valley Road School participated in a Colonial Job Fair organized by fifth grade teachers Bryan Lowe, Nicole Reagan, Diane Spagnoli, and Kelly Williamson. Parents, teachers, and administrators were invited into the gym for the job fair where students shared what they learned from the perspective of someone in their profession. Professions included Blacksmith, Apothecary, and Print Shop owner, among many others.

Prior to the event, in class, students were assigned a profession to research including the job's importance, qualifications, responsibilities,

and location. Students then created their final projects reflecting this information, dressed in clothing from the time period, brought in items reflective of the period, and even learned a Colonial dance with the help of Ms. Sauer, the school's music teacher.

Principal Joe Beltramba stated, "Colonial Day provided students an opportunity to immerse themselves in history, truly bringing it to life. The work the teachers and students put into this day was beyond impressive creating a memorable learning experience."

GIRL'S STATE: AN AMERICAN LEGION AUXILIARY TRADITION

Submitted by Judy Doran

Are you a candidate for New Jersey Girls State? Are you interested in how government works, how people are elected to office, how a campaign works, how laws are passed? If you want an inspiring and interesting week of citizenship, friendship and adventure talk to your guidance counselor about Girls State!

The time has come for the Clark American Legion Auxiliary Unit 328 to select candidates for participation in the New Jersey Girls State Program. The Auxiliary sends 2 high school juniors to Georgian Court College every June. The candidates have historically been chosen from Arthur L. Johnson High School and Mother Seton Regional High School. The selection process includes a personal interview with the selection committee members and academic information submitted by each student.

Every June enthusiastic young women meet to learn the workings of city, county, and state government. Proposed in 1937, ALA Girls State is the most respected and coveted learning program in the United States. It is a cornerstone of the American Legion Auxiliary's mission to develop young women to become future leaders grounded in patriotism. The young women learn how our republic system of government works on the state and national level. Every American Legion Girls State program operates on the same nonpartisan curriculum where students assume

the roles of government leaders, campaigning in mock parties (usually "Federalist" and "Nationalists") to become mayors, county and state officials of ALA Girls State. After primary elections are held, a General Election is held to choose a governor. All elections follow the existing laws for election in the state of New Jersey. Two Senators are chosen to attend National Girls State in Washington, D.C. to represent New Jersey. This week long learning experience is held at Georgian Court University in Lakewood, New Jersey. The lessons, memories and friendships last a lifetime.

Every spring the American Legion Auxiliary begins the process of selecting delegates from their local high schools. Female delegates of ALA Girls State must be a legal inhabitant of the United States, either a U. S. citizen or have a valid U. S. government-issued identification, have completed their junior year in high school and have at least one semester remaining. Candidates should have a keen interest in government, high moral character, show strong leadership qualities, and demonstrate above-average scholastic achievement. ALA Girls State delegates' registration fees are paid for by the local American Legion Auxiliary unit. Each candidate is interviewed by the local committee of the American Legion Auxiliary, who will have the final authority of selecting who will attend Girls State. Choosing delegates takes a great deal

of time as the candidates are tops in their class. Clark American Legion Auxiliary Unit 328 Chairwoman Karen Fink and her committee take this responsibility seriously and ALA Unit 328 has been very proud of all its delegates.

More than 6,500 politically astute young women have attended Girls State Nation. If you are interested, contact your school guidance counselor or your local American Legion Auxiliary. This year's New Jersey Girls State will be held the week of June 23 to 28, 2019 at Georgian Court University. Are you up to the challenge?

AMERICAN LEGION AUXILIARY ANNUAL SPAGHETTI DINNER – APRIL 28

The American Legion Auxiliary will host its annual Spaghetti Dinner on Sunday, April 28, 2019 from 2 - 6 p.m. at the American Legion Hall, 78 Westfield Avenue, Clark, NJ. The dinner includes: salad, bread, meatballs or sausage, spaghetti, dessert, wine or beer for \$15.00.

The ladies of the auxiliary have been hosting this event for many years to raise funds to help veterans in the area. Recently the ladies went to Lyons Veteran Hospital in Basking Ridge for a craft and supper party with the ladies residing

there. The craft for the day was designing picture frames. Each veteran was given all supplies to create a personal picture frame for themselves or a family member. Sandwiches, salads, snacks, cookies and soda were provided for a fun-filled evening.

The spaghetti dinner proceeds will help to provide assistance to other veterans in the area that are currently deployed. Help these service men and women by supporting the spaghetti dinner. See you there. Ciao!

ELEMENTARY SCHOOL SCIENCE FAIR

Valley Road and Hehnlly Schools participated in the Elementary Science Fair held on February 28, 2019 at Arthur L. Johnson High School. At this event, students displayed their science fair projects which ranged from the Bubble Snake to Potato Power. For each project, students had to create a question to guide their experiment as well as generate a hypothesis and draw conclusions based on their results. The event was

attended by parents, teachers, board members, and elementary administrators.

According to Assistant Principal of the Elementary Schools Mallory Applebaum, “The Elementary Science Fair was a great success! We had 112 projects, which is the highest turnout we’ve ever had. The students showed creativity, and had a wonderful time presenting their findings.”

VALLEY ROAD 2ND GRADERS CREATE OWN MUSIC

Second grade students in Mrs. Petela’s class from Valley Road School in Clark read stories in their Reading Wonders guided reading books about creating musical instruments out of recycled materials. Mrs. Petela then provided an optional opportunity for the children to create

their own instruments. Students presented their instruments to the class and played their instruments along with a couple of current songs on the radio. Mrs. Petela stated, “The students had a great time applying what they had learned about and making music together!”

KUMPF SIXTH GRADERS CREATE BOOK CELEBRATE BLACK HISTORY MONTH

CLARK MONTHLY • Page 15 • April 2019

Since the beginning of February, students in Mrs. Sasso's sixth grade language arts classes at Carl H. Kumpf Middle School have been working on a biography project in celebration of Black History Month. They began by researching and taking notes about an influential African American. Then, they took that information and created the draft of an article. After revising and editing their drafts, each student copied their

work onto Google's Book Creator and added in some graphics. Some students even created bitmojis, avatars, and timelines about their person. Sasso stated, "The work ethic and creativity they showed during this project was beyond impressive, and the final product, a digital book of all the students' work, is evidence of that."

GUEST SPEAKER MIKE MURPHY ADDRESSES C.A.L.C.

On Tuesday, February 19, 2019, members of the Crusader Athletic Leadership Council met in the Arthur L. Johnson High School IMC. This is the eighth year for the Crusader Athletic Leadership Council (C.A.L.C.), an organization that has been founded to help educate our student athletes on some of the expectations that we have for them as they compete interscholastically in a variety of athletics. We hope that by informing this council of some of our expectations, we will be able to foster an open and healthy relationship amongst our student athletes, the school culture, and the community of Clark.

Not only will this be of great help to all ALJ student athletes and coaches, but it will offer up a vast array of opportunities for the members of

the Crusader Athletic Leadership Council, including the ability to place this activity on future college applications.

The C.A.L.C. was lucky enough to have motivational guest speaker Mike Murphy speak to the group. Michael J. Murphy is a retired police officer with 28 years of service. Michael holds a Master's Degree and was a former D.A.R.E. Officer and National School Resource Officer. Currently Michael serves as the Head of the Security Team for the New York Giants. "Murphy's Life Lessons" Presentation focuses on athletes and student awareness in regards to the pitfalls of alcohol, drugs, and making poor choices. Michael's life experience has allowed for him to share his knowledge to athletes and

students all across the country in preparation for the opportunities and situations that truly test their character and strength.

"The C.A.L.C. was thrilled to have Mike Murphy come and speak to us on multiple topics relevant to leadership, said Gus Kalikas, Athletic Director at ALJ. "Mr. Murphy reached all of our students and left them with great strategies that will not only help on the fields, courts, and mats, but also in the game of life. He was a true professional and inspires while delivering a wonderful message."

Listed below are the members of the 2018-2019 Crusader Athletic Leadership Council:

Matt Alongi, Jason Applin, Andrew beach, Thomas Bizzoco, Alexandra Bowen, Joseph Bencivenga, Eric Bretz, Daniel Burns, Hannah Brogan, Max Carmino, Marcos Castro, Alyssa Colicchio, Julianne Conforti, Lia D'Angelo, Nicalina DelRosario, Anthony Diaz, Ty Dobbins, Katherine Fitzharris, Brook Gallo, Luke Giltner, Maeve Gregorio, Lily Gull, Grace Gull, Steve Harrington, Erin Heaning, Joshua Hill, Emma Hilton, Brandon Hund, Sebastian Iakouchevitch, Andrew jobson, Andrew Kehrle, Steven Kehrle, William Kelly, Kayla Kowalenko, Tyler Mekovetz, Jacqueline Minniti, Kaylee Parkhill, Nicole Randazza, Ally Renda, Bailey Rosenmeier, Christina Sheaffer, Ana Stolarczyk, Colleen Sullivan, Daniella Thompson, Natalya Torres, Taylor Turek, Federico Veltre, Tyler Washington, Amanda Zambrana, Victoria Zatko, and Kylee Zawacki.

ALJ RECOGNIZED AS STATE SCHOOL OF CHARACTER

Submitted by Christine Broski

Arthur L. Johnson High School in Clark was recently recognized as a State School of Character by Character.org. The school completed a comprehensive application that demonstrated "A Framework for School Success: Eleven Principles of Effective Character Education." Activities mentioned included the creation of the 9th Grade Character Academy, PEER leadership, the creation of the "Blue Cru", the school's Unified Sports Program, Heroes & Cool Kids program, and the school's Shave Off Cancer Fundraiser.

ALJ Assistant Principal Ed Bucior stated, "We are extremely proud to announce that Arthur L. Johnson High School has been selected and awarded the title of State School of Character! We would like to thank our students and staff for all of their hard work and dedication to our school and community! And thank you to the community for all of your

continued support."

"At Arthur L. Johnson, we want every child to "Reach Their F.O.C.U.S." (Future, Opportunity, Character, Unity, Success). Collectively, we work towards producing well-rounded young adults as they graduate from ALJ. This is why we decided to pursue not only character education, but also character building opportunities," continued Bucior.

According to Character.org, a national advocate for character in communities, "Each year, Character.org certifies schools and districts at the state level that demonstrate a dedicated focus on character development, which has a positive effect on academic achievement, student behavior and school climate." DISNEY'S NEWSIES COMING TO CDC THEATRE IN MAY

CDC Theatre in Cranford will finish out its 100th Season in spectacular fashion! Disney's Newsies will come dancing into the theatre, at 78 Winans Ave., in Cranford on May 3rd and run until May 18th. Based on the 1992 motion picture and inspired by a true story, Newsies features a Tony Award-winning score by Alan Menken (Little Shop of Horrors, The Little Mermaid, Aladdin) and Jack Feldman and a book by Tony Award winner Harvey Fierstein (Kinky Boots).

Set in turn-of-the century New York City, Newsies is the rousing tale of Jack Kelly, a charismatic newsboy and leader of a band of teenaged "newsies." When titans of publishing raise distribution prices at the newsboys' expense, Jack rallies newsies from across the city to strike against the unfair conditions and fight for what's right! Director John Menter recently talked about the show. "Newsies is a family friendly musical about the "little guys" taking a

stand for what's right. It's based on a true story and perfect for CDC's 100th Anniversary Season. CDC is a great theater to work at. It's a beautiful space to create in and the creative process is supported by a dedicated production team and crew. The cast includes some of the most talented performers that I have had the pleasure of working with. Singers, actors and dancers that give you 110% all the time. The audiences will be amazed by this talented cast. Beautiful singing voices combined with powerhouse choreography and dancing that will blow you away!"

The large, intergenerational cast will take the stage on May 3-18, 2019, Fridays and Saturdays at 8 p.m. with a 2 p.m. matinee on Sunday, May 12. Additional information about the show and how to get tickets can be found by visiting cdctheatre.org. For best prices and selection, tickets can be purchased on line at Brown Paper Tickets.
