## GREEN BROOK STUDENTS EARN HIGH MATH HONORS

The hard work of nineteen current and former Green Brook students has paid off in the recent New Jersey MathCounts competition. MathCounts is a national competition that was started back in the early 1980s. Every year for over 30 years students across the country have practiced quick thinking skills through a setting that emphasizes fun, math-based competition. The Green Brook students competed against each other over several months of practice. Ultimately, nine students from Green Brook Middle School were selected for the regional competition at the New Jersey Institute of Technology on Saturday, February 16, 2019.

The MathCounts competition at GBMS was sponsored by the Green Brook Education and Athletic Foundation. GBMS students involved in the contest were coached by Vivian Zhang and Jagdeep Bhatia. Vivian and Jagdeep are former students at GBMS and are currently attending Watchung Hills Regional High School. Every week for the last five months Vivian and Jagdeep have spent time coaching the team. GBMS was represented by Mihika Naik, Sara Liu, Ben Liu, Anmol Bhatia, Bryan Zhang, Sravan Desu, Arya Reddy, Shanmuka Sadhu and Ryan Wang. All of their collective hard work paid off. The Green Brook students won the regional competition at NJIT in February!

After their win at the regional competition, the Green Brook students were represented by Anmol Bhatia, Ben Liu, Sara Liu and Bryan Zhang in the state finals at Rutgers University. Green Brook's four finalists ended up in sixth place overall. While their final team results were admirable, it wasn't high enough as a group for the team to move on.

However, Bryan Zhang's individual scores placed him second in the entire state of New Jersey. As a result, Bryan is next going to travel to Florida in an all expenses paid trip to participate in the national finals of the MathCounts competition. Bryan will be representing the state of New Jersey and the town of Green Brook in May as he tries to help New Jersey's math team win the national MathCounts final competition.

## READ ACROSS AMERICA

March 1 marked the anniversary of Theodore Geisel’s birth. Geisel, better known as Dr. Seuss, instilled in millions of children a love for reading. In memory of him, students across the country choose March 1 to celebrate the kinds of reading they enjoy.

At Irene E. Feldkirchner Elementary School in Green Brook, the celebration took place on several days. On March 1 and March 8, students dressed up as their favorite literary characters, including Harry Potter, the Cat in the Hat, and the Grinch. Also, parents and community members visited classrooms to read stories.

Ms. Wagner's fourth-grade class added an extra dimension to the celebration with the

participation of Starbucks on Route 22 in Green Brook. Temporarily re-christening itself Starbooks, they hosted the class after school on March 1 for reading and fun.

Additionally, on March 11, all students and staff carried out their inaugural schoolwide Drop Everything And Read (DEAR) session. Teachers, paraprofessionals, secretaries, and even the principal stopped what they were doing to pick up a book and enjoy the experience of reading. While classroom DEAR sessions have been a regular practice for some time, schoolwide DEAR will now be a monthly ritual to reinforce everyone’s enjoyment of the printed word.

## WHRHS STUDENTS ENTERTAIN ON THE 'SMALL STAGE' AT WINTER CABARET

*Submitted by Denis Kelly*

The Watchung Hills Regional High School (WHRHS) Drama Department's Script and Cue program sponsored its 2019 Winter Cabaret on Tuesday, February 5, in the intimate, coffee-house-inspired "Small Stage" configuration of the school's Performing Arts Center.

Several of the WHRHS cast members of "Fiddler on the Roof," the 2019 Spring Musical performed in March on the big stage in the WHRHS PAC, were among some 15 student performers at the Winter Cabaret where they exhibited their range of skill, singing a variety of songs as soloists and in duets, some accompanied by music, others A Cappella.

Students Kayla Martins and Francesca Infante-Meehan acted as hosts for the evening. They also thanked student Giovanna DiSanto, who is the promotional officer for Script and Cue, for being so instrumental in organizing the event.

The line-up of performers at the Cabaret were: Paul Riedler, singing "Sunflower," by recording artist Post Malone; Giovanna DiSanto and Nina DiNorscio, singing "For Good," from the

Broadway Musical, "Wicked"; Christian Takleszyn, singing "Perfect," by recording artist, Ed Sheeran; Massai Shuler, singing "I Met a Girl," by country music recording artist, William Michael Morgan; and Giovanna DiSanto, singing "Fly Into The Future," from the Broadway Musical, "Vanities."

After an intermission, the House Band performed two songs, "Moondance," by Irish recording artist Van Morrison and "I Saw Her Standing There," by the legendary British recording artists The Beatles. The House band this night included, Ben Kosokowski, William Broder, Thomas Dardis, Altay Kabukcu, Sam Bouffard.

Kayla Martins sang "So Big So Small," from the Broadway Musical, "Dear Evan Hansen." Dana Wasserman sang "Happy To Keep His Dinner Warm," from the Broadway Musical, "How To Succeed in Business Without Really Trying." Summer Stuart sang "My Daddy's Son," from the Broadway Musical, "Ragtime." And Olivia Kider and Jack Melillo sang "Falling Slowly," from the Broadway Musical, "Once."

## TRANSPORTATION IS KEY TO CANCER CARE AMERICAN CANCER SOCIETY

Would you drive a mile to save a life? An estimated 53,260 New Jerseyans will learn they have cancer this year and getting to their scheduled treatment will be their greatest concern. Every day thousands of cancer patients need a ride to treatment here in the Garden State, but some may not have a way to get there.

For the last six years Meg Wilkens has been helping so many of her neighbors during the toughest times of their lives. She has been driving New Jersey residents to their cancer treatments through the American Cancer Society's volunteer Road To Recovery program, which provides free transportation to and from treatment for people with cancer who do not have a ride or are unable to drive themselves.

"Transportation shouldn't be a roadblock to cancer treatment," said Wilkens. "Even with help from family and friends, sometimes patients have trouble getting every ride they need. I am a second-generation Road To Recovery driver, my

father did it when I was growing up. I knew when I retired I wanted to give back and help people."

For those who cannot drive themselves or have no other means of getting to their treatment, Road To Recovery volunteers donate their spare time and the use of their cars to give cancer patients a much-needed lift. Patients can then receive the life-saving treatments they need.

"When you drive, you learn about people's hopes and fears," she said. "None of them are quitters; they all want to beat cancer. I have made some lifelong friends and have enjoyed every ride."

The American Cancer Society is always looking for volunteers, if you have a current, valid driver's license, own or have regular access to a safe, reliable vehicle, then you're already on the road to volunteering.

For more information call the American Cancer Society at 800.227.2345 or visit cancer.org.

- Increasing survivors' awareness of

community resources and legal options available to them.

Safe+Sound Somerset is currently accepting applications from individuals interested in becoming DVRT volunteers. All applicants must pass a comprehensive criminal and motor vehicle background check and the Domestic Violence 40-hour training, including specific training components to be a DVRT volunteer.

If you are interested in becoming a DVRT Volunteer, submit a Volunteer Inquiry Form online at [safe-sound.org/support/volunteer](http://safe-sound.org/support/volunteer) or call Deanna Keller, Volunteer Associate, at 908-359-0003, ext. 202.

## SOMERSET COUNTY LIBRARY SYSTEM PARTNERS WITH ROLLING THUNDER TO HELP PRESERVE VETERAN MEMORIES

The Somerset County Library System of New Jersey partnered with Rolling Thunder®, Inc., an organization that focuses on advocacy for prisoners of war and persons missing in action, to help preserve the collective memories of veterans and their families through a digitization event made possible through a grant from National Endowment for the Humanities (NEH).

"We have been honored to work with Artie and Elaine Muller to preserve the history of Rolling Thunder®, Inc., the organization, and of the members of their community," said Rebecca Sandoval Sloat, grant coordinator and SCLSNJ technical services manager. "In preserving the history of our veterans we are bringing honor to their memories and paving a way for their stories to live on for future generations."

Thirty-two items were digitized or photographed during the meeting including: an award from the French president, an oversized group shot of Rolling Thunder®, Inc. members in front of the Lincoln Memorial, and the

Taekwondo gi (uniform) of a veteran who was awarded for his skill in the martial art. The digitized items will be integrated into SCLSNJ's common heritage initiative which will make the contributed items available for research and use by future generations by adding these items to Rutgers University's New Jersey Digital Highway, by making them available in our Library's online catalog, and by submitting them to the Digital Public Library of America (DPLA).

In addition to partnering with Rolling Thunder®, Inc. for this special event, the Library will continue to host monthly digitization days. During the digitization days Somerset County residents are encouraged to add their family's most prized possessions to the Library System's catalog including: historic photographs, letters, or documents; sketches, paintings, or other artwork; family heirlooms including recipes; jewelry or decorative arts; textiles such as quilts, samplers, flags, or uniforms; antique toys; or something uniquely your own.
