CLARK BOARD OF EDUCATION'S SHOWCASE OF SUCCESS

Submitted by Christine Casale Broski

The Clark Board of Education celebrated the achievements of students and teachers at their Showcase of Success on Monday, April 8, 2019.

This year's Governor's Educators of the Year were recognized for educational excellence and their commitment to student learning. The program recognizes "educational innovation, student achievement, the rewards of teaching, and important services outside the classroom environment that lead to student success."

Several students were also recognized for earning perfect PARCC (Partnership for Assessment of Readiness for College and Careers) scores on the 2018 Spring Assessment. Three students also received the State Seal of Biliteracy which recognizes students who demonstrate they can speak, read, listen, and write two or more languages at high levels of proficiency. Superintendent Edward Grande commented, "This evening is always a wonderful way to recognize some of our outstanding students and staff members for their superior work. This is an event that I look forward to each year."

G.P.A. CHALLENGE WINNERS' BREAKFAST

The Arthur L. Johnson Athletic Department recently held a breakfast in honor of the 2018-2019 Winter Athletics G.P.A. Challenge winners, the Girls' Track & Field Team. The event, sponsored by the Athletic Department, was held in the ALJ cafeteria.

The Crusader G.P.A. Challenge is awarded each season to the team that finishes with the highest overall G.P.A. amongst athletic teams seasonally. They are presented with certificates, have their team memorialized on a plaque, and are invited for a "Breakfast with the A.D." to celebrate their actions both in the classrooms and on the courts.

The 2018-2019 Winter Seasonal G.P.A. Challenge winner was the Girls' Track and Field Team with a G.P.A. of 3.852. The following members of the Girls' Track and Field Team were named G.P.A. Challenge winners: Paige Kelly, Natalya Torres, Katherine Fitzharris, Julia Kalynchuk, Nicole Randazza, America Renteria,

Megan Tingfer, Gianna Caldiero, Carly Tarentino, Jasmine Ocasio and Sarah Scepkowski.

Athletic Director for the Clark School District Gus Kalikas had this to say about the G.P.A. Challenge winners from the Winter Season: "The Athletic Department is extremely proud of all the members of the Girls' Track and Field Team. The team was able to balance athletics and academics at the highest level, not only competing in the State Tournament but having numerous girls compete in the prestigious Meet of Champions. Evident by this award, they also excelling in the classroom, which is obvious by the cumulative G.P.A. of 3.852 that the team held throughout the season. The G.P.A. Challenge was a result of years of hard work, not only by the girls, but by the coaching staff as well. They are a model of what it means to be a student athlete and the Clark School District is proud of all of their accomplishments."

ARTHUR L. JOHNSON'S ASL CLASS VISITS GALLAUDET UNIVERSITY

Arthur L. Johnson American Sign Language students recently had the opportunity to visit Gallaudet University in Washington DC, the only university for the Deaf. They toured the campus and ate in the

dining hall all without using their voices, signing only. The students learned about deaf culture and deaf history while practicing their ASL skills.

"It is vitally important for all language students

to have real life experiences using their gained skills. This trip to Gallaudet gave my students an opportunity to fully immerse themselves in ASL and the Deaf Culture," stated Loren Hsu, ASL Teacher.

FRANK STEBBINS RECEIVES HUMAN RIGHTS EDUCATOR AWARD

Submitted by Christine Casale Broski

Arthur L. Johnson High School teacher Frank Stebbins received the 'Dr. Hank Kaplowitz Outstanding Human Rights Educator' award which was presented by The Human Rights Institute at Kean University. The award was given as part of the 12th Annual International Conference on Human Rights entitled, Hunger: The Politics of Food, held on Friday, March 22, 2019.

(above, l-r) Franklin Stebbins, teacher, Arthur L. Johnson High School in Clark, and winner of the 2019 Dr. Hank Kaplowitz Outstanding Human Rights Educator Award at the Kean University Human Rights Conference; and Hank Kaplowitz, Ph.D., former director, Human Rights Institute at Kean University.

Stebbins received the award as a result of his work as an outstanding human rights activist and his work with Holocaust education in the state. The award is named after Kean University educator and career human rights activist Dr. Hank Kaplowitz who was influential in expanding the scope of Holocaust education on campus and beyond. "To be the recipient of an award named after an educator who has had such a tremendous impact on the local and global communities is a terrific honor," commented Stebbins.

Stebbins has been an educator in the Clark Public School District for the past 17 years. In addition to teaching Holocaust and Genocide Studies, he serves as a special education teacher and leads the Tomorrow's Teachers' Program.

"Frank is an outstanding educator who is so very deserving of this award. He is constantly looking for new programs focused around human rights to enrich the educational experience of our students and ultimately facilitate the process of them becoming more informed citizens," stated Superintendent of Schools Edward Grande.

UNICO FEEDING THE HUNGRY ITALIAN STYLE

Submitted by Ralph Bernardo

About 30 Clark UNICANS came out on January 19, 2019 to help make over 100 bologna and cheese sandwiches for St. Joseph's Food Pantry which is located in Elizabeth, NJ. The club also collected over 100 jars of tomato sauce and boxes and boxes of pasta to donate. The staff at St. Joseph's were very appreciative of our donations. CLARK UNICO CELEBRATES ST. JOSEPHS TABLE

Clark UNICO celebrated the feast of St. Joseph by hosting a dinner at Café Gallo, located on Inman Ave. in Edison, NJ, complete with all the Italian traditions of the La Tavola di San Giuseppe – St. Joseph's Table. Tradition has it, centuries ago, villagers prayed to Saint Joseph during a famine in Sicily. After the dreadful famine ended they held a feast of Thanksgiving to commemorate the saint thus starting the celebration of this tradition. At the Clark celebration, a five course meal was prepared by the chef's at Café Gallo complete with Fava beans, antipasto, symbolic breads, pastas and of course the famous St. Josephs zeppole.

THE HEHNLY RECYCLING CRUSADERS

Submitted by Christine Broski

In preparation for Earth Day, the Frank K. Hehnly Recycling Crusaders began their Spring upcycle project. Students worked very hard every Tuesday and Thursday mornings to create plastic bottle planters which will grow lettuce, eggplant, cucumbers, and butterfly flowers. Each FKH classroom will receive 3-4 planters and nurture

them as they sprout. The Crusaders also plan to help the kindergarten classes clean up their garden as the weather warms! Mrs. Estevez and Mrs. Conner, the club's advisors, are excited to see the students' enthusiasm translate into action. They are eager to help the Crusaders reach their goal of creating 30 planters.

LETTER CARRIERS' STAMP OUT HUNGER FOOD DRIVE – MAY 11

The 27th annual Letter Carriers' Stamp Out Hunger® Food Drive is on Saturday, May 11, 2019.

The Letter Carriers' Stamp Out Hunger® Food Drive is happening on Saturday, May 11, 2019. On this day, you can set out your non-perishable food before your letter carrier's regular pick up time. The top requested non-perishable food items are: cereal, pasta, pasta sauce, rice, canned fruits and vegetables, canned meals (such as soups, chili, and/or pasta), 100 percent juice, peanut butter, macaroni & cheese, canned protein (tuna, chicken, and/or turkey), beans (canned or dry). You can also donate healthy, low-sodium, low-sugar items such as beans, oatmeal, and other whole grains, and canola or olive oil.

Please do not donate frozen food, homemade food, or home-canned items. Please do not donate items that have expired or are in glass containers. In keeping with good food-handling and food-safety procedures, food that is opened, damaged, out of code or does not have the official ingredients will be discarded by the food bank in the sorting process.

The Food Drive is primarily a people food drive, but if you also want to give pet food in addition to your regular donation, food banks may be able to distribute or direct it to pet shelters and organizations in the area that have a need.

Please do not donate any form of individual baby food products, including formula, jarred

vegetables and fruits, meals, snacks, infant cereal. Baby food may be donated by the case or pallet, but single item donations present potential contamination risks and special handling requirements.

The Food Drive is primarily a food drive, but if you also want to give personal care items (such as diapers, laundry detergent, soap, toilet paper, and household cleaning items) in addition to your regular donation, food banks may be able to distribute or put them to good use with organizations that also provide help to those in need. Please note that not all food banks will be able to accept these items.

If you would like to volunteer with food distribution and sorting, or in any other capacity, call your local post office and ask to speak to the local food drive person there. Many food banks have a great need for volunteers on Food Drive Day, as well as all throughout the year.

All donations to the Letter Carriers' Stamp Out Hunger Food Drive are tax-deductible because all the food collected on Food Drive Day is given directly to non-profit charity food agencies in the community the food was collected. Though the National Association of Letter Carriers plans the Food Drive's logistics and letter carriers provide the transportation for each donor's generous donation, the National Association of Letter Carriers is not the agency that gets listed on tax forms for claiming deductions. There are more

than 10,000 food agencies throughout the country that receive these donations, so if you itemize your taxes and want to provide proper credit for your Food Drive donations, you will need to determine the name of the agency (food pantry or other charity) that received your food, as well as the agency's address and tax I.D. number for proper reporting on your tax-filing forms. The Food Drive Coordinator at your local post office should be able to give you the name of the receiving agency, and that agency will likely have tax information handy.

For more information, visit: nalc.org.

(above) The 27th annual Letter Carriers' Stamp Out Hunger® Food Drive is on Saturday, May 11, 2019. Leave non-perishable food next to your mailbox.

CLARK'S FALLEN HEROES

Submitted by William J. "Duff" Duffy, A long-time Clark resident who has researched the Clark Fallen Heroes for over 40 years

From the Civil War to Afghanistan, 23 Clark boys, residents, or ALJ alumni, went off to war and did not come home. Heroes - every one of them.

I feel deeply that their sacrifices must be told so that they are not forgotten, especially by our youth. They have given of their lives while our country was at war, so that we may live in freedom. You may not know them, but in gratitude pay tribute to them every Memorial Day. Let's take a brief look at each of them, but before we do, here's a "Clark's Fallen Heroes" portion of the Gettysburg Address: "that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion - that we here highly resolve that these dead shall not have died in vain - that this nation, under God, shall have a new birth of freedom - and that government of the people, for the people, shall not perish from the earth," President Abraham Lincoln November 19, 1863.

CIVIL WAR

BULLMAN, JAMES, Cpl., CO.C 14th New Jersey Volunteer Regiment

James resided with his family on the "Bullman Farm" on Raritan Rd., where the Bank of America/Acme Supermarket is presently located. He was Killed in Action on June 1, 1864 at the Battle of Cold Harbor with 7,000 other Union forces during that battle. On that fateful date at 1700 hours, James was in the front line with the 14th, as they attacked the strongly entrenched Confederate forces. A dreadful battle was fought, lasting long after dark as the 14th suffered critically, losing 240 in killed and wounded, including Cpl. James Bullman. After Cold Harbor, Commanding General Hiram Ulysses Grant said to his staff: "I regret this assault, more than anyone I ever ordered." This Fallen Hero is buried in the Bullman family plot in South Plainfield.

WORLD WAR I

MILLER, JOHN B., U.S. Army former address 2 Valley Road, Clark

His father Adam received a telegram on December 9, 1918, that his son, previously reported as "Missing in Action," since October 16, 1918, during the Allies final winning offensive action, was now reported to have died November 12, 1918, following "Wounds Received in Action." This Fallen Hero was a member of the 155th Infantry Brigade, 309th Infantry, 78th Division. On October 16, 1918, Miller was with his unit attacking German forces during the Meuse- Argonne Offensive, which was part of the final Allied offensive of World War I that stretched along the entire Western Front. During this attack, John was severely wounded and would eventually die from those wounds on November 12, 1918, one day after the Armistice was signed ending the war.

WORLD WAR II

BIENKO, BENNIE, S1C Serial No. 02245585, U.S. Navy

"Killed in Action" November 13, 1942 at the "Naval Battle of Guadalcanal" while aboard the U.S.S. Monssen. MEMORIAL DAY PARADE - MAY 27

Submitted by Councilman Alvin Barr

The Township of Clark will again host a patriotic Memorial Day parade to coincide with its annual Memorial Day services that honor "Clark's Fallen Heroes" on Monday, May 27, 2019. The parade will start on the corner of Nassau Street and Westfield Avenue at 9:30 a.m.

There is much prior precedent in Clark's history to honor its war dead with a parade. During World War II the residents celebrated "I Am American Day" originating in 1942 and continuing through the 1950s. At the conclusion of those parades, all the participants and observers circled the large wooden board listing the names of those Clark residents who went off to war, called the "Honor Roll." In 1947 the "Honor Roll" was replaced with our present war

memorial monument located in front of Clark's, Arthur L. Johnson High School.

With our troops presently protecting liberty on foreign soil, we look forward to this continuation of Clark's patriotic Memorial Day Parade and hope that you will join us. If there are any groups that would like to participate in this year's parade, send a request to Councilman Alvin Barr, 430 Westfield Avenue Clark, NJ 07066. Please include your name, address, telephone number, the name of the group, how many will be attending, and if you will have a float. Please be aware that prior to the parade, all participants will be notified by mail of their place in line, with instructions on when and where to report.

THE STORY OF THE POPPY

Submitted by Judy Doran

In May, we observe Memorial Day. It is a day to remember all who died serving their country. The American Legion Auxiliary and other military organizations raise funds for veterans through the distribution of poppies. Why poppies you might ask?

The story of the poppy starts in Belgium in World War I. A Canadian Army Doctor, Lieutenant Colonel John McCrae was stationed at a field hospital in Ypres, Belgium. He had spent the night dressing battle wounds and saving lives. But one life he could not save; that of a former student and friend, Alexis Helmer. Dr. McCrae was asked to conduct the burial service for young Helmer as the chaplain was not available. It was after this service that McCrae wrote his poem, "In Flanders Fields." In 1918 John McCrae died of pneumonia and cerebral meningitis. He was buried with full military honors in Wimereux, France.

Poppies are small flowers that grow in places other flowers do not thrive. On hillsides, crags, and fields destroyed by war. As Lt. Col. McCrae

sat, war weary and saddened by his friend's death, he looked out on Flanders Fields and saw destruction and poppies; a "beauty and the beast" panorama that inspired the most famous poem about World War I.

The Flanders Fields American Memorial Cemetery in Belgium is a 6.2-acre site where 368 of our military dead lie. The poppy was adopted by the American Legion Auxiliary as a symbol of the sacrifice of service made by our veterans in the 1920's. Each May and November poppies by the thousands, handmade by veterans as part of their therapeutic rehabilitation, are distributed in exchange for donations used to assist disabled and hospitalized veterans.

Next month you will see Auxiliary members and veterans distributing poppies around town. They will be at grocery stores, banks, bakeries, etc. asking the community to assist veterans. Say "Hi," make a donation, and wear the poppy proudly to honor all veterans.

TRANSPORTATION IS KEY TO CANCER CARE AMERICAN CANCER SOCIETY

Would you drive a mile to save a life? An estimated 53,260 New Jerseyans will learn they have cancer this year and getting to their scheduled treatment will be their greatest concern. Every day thousands of cancer patients need a ride to treatment here in the Garden State, but some may not have a way to get there.

For the last six years Meg Wilkens has been helping so many of her neighbors during the toughest times of their lives. She has been driving New Jersey residents to their cancer treatments through the American Cancer Society's volunteer Road To Recovery program, which provides free transportation to and from treatment for people with cancer who do not have a ride or are unable to drive themselves.

"Transportation shouldn't be a roadblock to cancer treatment," said Wilkens. "Even with help from family and friends, sometimes patients have trouble getting every ride they need. I am a second-generation Road To Recovery driver, my

father did it when I was growing up. I knew when I retired I wanted to give back and help people."

For those who cannot drive themselves or have no other means of getting to their treatment, Road To Recovery volunteers donate their spare time and the use of their cars to give cancer patients a much-needed lift. Patients can then receive the life-saving treatments they need.

"When you drive, you learn about people's hopes and fears," she said. "None of them are quitters; they all want to beat cancer. I have made some lifelong friends and have enjoyed every ride."

The American Cancer Society is always looking for volunteers, if you have a current, valid driver's license, own or have regular access to a safe, reliable vehicle, then you're already on the road to volunteering.

For more information call the American Cancer Society at 800.227.2345 or visit cancer.org.

CLARK PRESCHOOLS LIGHTS IT UP BLUE!

CLARK MONTHLY • Page 17 • May 2019

Submitted by Christine Casale Broski

The Clark Preschool "Lit It Up Blue" by wearing blue in celebration of the Clark Public School District's Autism Awareness Day held on Tuesday, April 2, 2019.

Miss Gergich's class and Mrs. Koepfler's class from Valley Road School, Miss Martucci's and Mrs. Berkowitz's class from Frank K. Hehnly School, and both the Valley Road School and Frank K. Hehnly Mentor Link students joined the Clark Preschool in numerous events throughout the morning to raise awareness for autism. Events included bowling, basketball, soccer, a scooter and ice cream relay, a coloring craft, ball toss, obstacle course, and parachute. Students also crafted a puzzle piece necklace. The morning concluded with the students "blowing bubbles." The "blowing of bubbles" symbolized the spread of hope, awareness, and acceptance for those who have autism. According to Supervisor of the Preschool Lori Kowalski, "The students who participated in the event seemed to have a smile on their face from start to finish. It was a great

morning all around!"

She continued, "I would like to thank Mr. Bain, Elementary PE teacher and Danielle Dundas, our behaviorist, for their efforts in organizing and orchestrating this fun-filled event as well as the Preschool Special Services Staff for their assistance throughout the event. A special thanks to our distinguished guest, Superintendent Edward Grande, for helping make this event possible and for all his support throughout the school year." She continued, "The students were active participants and happy to join in with the FUN! It was pleasure watching the Mentor Link students as they interacted with the young children, and I think both groups not only enjoyed the experience, but learned a lot while doing it."

On Friday, April 26, the district's staff raised funds through a jeans day to donate to Autism, New Jersey, a non-profit agency committed to ensuring safe and fun filling lives for individual with autism, their families, and the professionals who support them.
