GIRL SCOUTS CELEBRATE WORLD THINKING DAY

By Anne Looney

Girl Scouts of New Providence came together to celebrate World Thinking Day on Saturday, March 23, 2019 at Our Lady of Peach Church. About 180 girls from 13 troops ranging from grades 1st through 9th were in attendance.

World Thinking Day is celebrated annually by Girl Scouts & Girl Guides in 140 countries. It's a day to promote international friendship and cooperation as well as to promote positive change in the world. This year's World Thinking Day theme was Leadership. The Girl Scout Heart of New Jersey council hosts events to celebrate World Thinking Day but this year for the first time in 7 years the Service Unit of New Providence organized this event for just the town's troops. Co-chairs Tara Cavanagh and Catherine Feuerstein, Brownie Troop 45240 leaders, put the event together. "There was a lot of interest," said Cavanagh. "We were very excited to see how many troops from our service unit participated."

The first half of the event was set up as an international showcase. Each troop chose a country to research and present. The troops made posters with facts on the country. Troops also showcased items of interest from the country like flags, money, stuffed animals native to the country, sports balls and equipment and other items. Each troop prepared an item of food from their country's cuisine to share with the participants. Food samples included Irish soda bread, spring rolls, pizzelles and Swedish meatballs. The Girl Scouts had the opportunity to represent their countries at their own display and also to "travel" from country to country. At each country, Girl Scouts received a stamp in their "passport" as well as a "SWAP". SWAPs are a Girl Scout tradition, which stands for "Special Whatchamacallits Affectionately Pinned Somewhere"; they are small tokens of friendship to be exchanged between Girl Scouts.

"I thought it was amazing to see all the different countries," said Stella Mascarina, a third grade Brownie. Another third grader Kate McClane said, "I had fun learning about all the different cultures."

For the final hour of the event, each troop put on a short performance to showcase their chosen country. The performances included dances from Sweden, Ireland and Swaziland, skits from Denmark, Chile and Bolivia as well as an Icelandic Soccer chant and a round of animal charades from Russia.

After the performances, Katherine Mera, a 5th grade Girl Scout, said, "I think it's fun to see a bunch of different cultures in one room."

The goal for the Service Unit is to make it an annual or biennial event. Keira Arnold a 7th grade Girl Scout said, "I really liked it, the last time they had this we were Daisies and I'm glad we did it again."

LIONS CLUB ACCEPTS TREX CHALLENGE

Submitted by Linda Kale

TREX, the world's largest manufacturer of wood alternative decking products, has offered a challenge to local community groups to collect 500 pounds of plastic in return for a TREX park bench. The New Providence Lions Club has accepted this challenge and has been working

with the manager of the local Acme store to reach the required goal. Bill Dunscombe of the Lions Club said, "The TREX Challenge has enabled the Lions Club to fulfill two of its goals, beautification and preservation of the environment and helping to enhance the local community."

LETTER CARRIERS' STAMP OUT HUNGER FOOD DRIVE – MAY 11

The Letter Carriers' Stamp Out Hunger® Food Drive is happening on Saturday, May 11, 2019. On this day, you can set out your non-perishable food before your letter carrier's regular pick up time. The top requested non-perishable food items are: cereal, pasta, pasta sauce, rice, canned fruits and vegetables, canned meals (such as soups, chili, and/or pasta), 100 percent juice, peanut butter, macaroni & cheese, canned protein (tuna, chicken, and/or turkey), beans (canned or dry). You can also donate healthy, low-sodium, low-sugar items such as beans, oatmeal, and other whole grains, and canola or olive oil.

Please do not donate frozen food, homemade food, or home-canned items. Please do not donate items that have expired or are in glass containers. In keeping with good food-handling and food-safety procedures, food that is opened, damaged, out of code or does not have the official ingredients will be discarded by the food bank in the sorting process.

The Food Drive is primarily a people food drive, but if you also want to give pet food in addition to your regular donation, food banks may be able to distribute or direct it to pet shelters and organizations in the area that have a need.

Please do not donate any form of individual baby food products, including formula, jarred vegetables and fruits, meals, snacks, infant cereal. Baby food may be donated by the case or pallet, but single item donations present potential contamination risks and special handling

requirements.

The Food Drive is primarily a food drive, but if you also want to give personal care items (such as diapers, laundry detergent, soap, toilet paper, and household cleaning items) in addition to your regular donation, food banks may be able to distribute or put them to good use with organizations that also provide help to those in need. Please note that not all food banks will be able to accept these items.

If you would like to volunteer with food distribution and sorting, or in any other capacity, call your local post office and ask to speak to the local food drive person there. Many food banks have a great need for volunteers on Food Drive Day, as well as all throughout the year.

All donations to the Letter Carriers' Stamp Out Hunger Food Drive are tax-deductible because all the food collected on Food Drive Day is given directly to non-profit charity food agencies in the

community the food was collected. Though the National Association of Letter Carriers plans the Food Drive's logistics and letter carriers provide the transportation for each donor's generous donation, the National Association of Letter Carriers is not the agency that gets listed on tax forms for claiming deductions. There are more than 10,000 food agencies throughout the country that receive these donations, so if you itemize your taxes and want to provide proper credit for your Food Drive donations, you will need to determine the name of the agency (food pantry or other charity) that received your food, as well as the agency's address and tax I.D. number for proper reporting on your tax-filing forms. The Food Drive Coordinator at your local post office should be able to give you the name of the receiving agency, and that agency will likely have tax information handy.

For more information, visit: nalc.org.

RUBBER DUCKY RACE TO BENEFIT SENIORS SATURDAY, JUNE 8, 2019

On Saturday, June 8, 2019, the Rotary Club of Berkeley Heights will sponsor the annual "Rubber Ducky Race" with festival family fun from 12:00 a.m. to 4:00 p.m. and the Rubber Ducky Race to begin at approximately 3:00 p.m.

The Rubber Ducky Race is a major fundraiser to reduce the costs to seniors for the Medical Alert system offered by the Berkeley Heights Rotary Club. The alert system helps seniors who live at home in both New Providence and Berkeley Heights.

"Adoption" tickets costing \$5 for each rubber ducky will be available for sale on Wednesdays in May (beginning May 8) before the 11:00 a.m. meetings of the New Providence Senior Citizen Club. As a "Soliciting Sponsor," the Club will receive 49% back on every \$5 ticket sold at the meetings and at the Memorial Day Remembrance event at the DeCorso Community Center.

Prizes for the fastest ducky swimmers this year will include 2 tickets to see the Broadway show "Hamilton" and 4 box seats to a Yankee home game.

THE LEAGUE OF WOMEN VOTERS PRESENT SPEAKER JOHN GRONBECK-TEDESCO

The League of Women Voters of Berkeley Heights, New Providence & Summit and the Network for Responsible Public Policy will be presenting a program on Immigration on Thursday, May 16, 2019, 7:30 p.m., at the De Corso Community Center, 15 East 4th Street in New Providence. All are invited. Our speaker is John Gronbeck-Tedesco, an Associate Professor of American Studies at Ramapo College. Immigration is front page news and Dr. Gronbeck-Tedesco is very knowledgeable about immigration history and policy as well as our current chaotic situation and he will offer policy solutions.

The League of Women Voters works to increase understanding of major public policy issues and influences public policy through education and advocacy.

The Network for Responsible Public Policy is a non-partisan organization that informs, educates and motivates the public on key public policy issues through programs featuring authoritative thought leaders.

(right) John Gronbeck-Tedesco, an Associate Professor of American Studies at Ramapo College, will be speaking on the topic of immigration on May 16.

NEW PROVIDENCE SENIOR CITIZEN HEALTH FAIR

The New Providence Health Department and the New Providence Senior Citizens Club will host the annual Senior Citizen Health Fair on Wednesday, May 15, 2019, from 8 - 11 a.m. at the DeCorso Community Center, located at 15 East Fourth Street, New Providence. All New Providence residents, 55 years or older, are invited to attend the Health Fair which will host a comprehensive list of health screenings and medical information at no cost to participants. Pre-registration is required for some screenings.

The focus for the Health Fair is to provide screenings relevant to senior health and well-being. One of the free central Health Fair screenings offered is a Stroke Health Risk Assessment conducted by the Community Health

Department of Atlantic Health System's Overlook Medical Center. This screening is an assessment of significant stroke risk factors with follow-up counseling and is available to the first 30 registrants. Although the aging process alone is not a risk factor for Stroke, contributing risk factors such as the development of Hypertension, Diabetes, and Heart Disease can increase the incidence of Stroke and other related illnesses. Pre-registration for this screening is required.

For additional information please contact the DeCorso Community Center at 908-665-0046 or the New Providence Health Department at 908-743-1049. Funding for this program is provided by the Union County Community Development Block Grant Program.

18TH ANNUAL BERKELEY HEIGHTS MOTHER'S DAY 5K

The 18th Annual Berkeley Heights Mother's Day 5K Race on Sunday, May 12, 2019 at 9:00 a.m. at Memorial Field in Berkeley Heights. The course runs through neighborhoods on rolling hills and flats and is a chip-timed, USATF-sanctioned Grand Prix event (500 points) with digital clocks at each mile. Registration is available at whartonarts.org.

On average, over 1,300 runners register for the race and this year will feature student performances by the New Jersey Youth Symphony and Paterson Music Project, both programs of the Wharton Institute for the Performing Arts (WIPA), along the route. The event will raise funds for free after-school music programming and includes a free Tot Trot as well as additional activities for the family to enjoy together.

For nearly two decades, the Summit Area

YMCA proudly hosted the Mother's Day 5K, bringing together Berkeley Heights, Summit, New Providence and neighboring communities. This year, as the Y works diligently to ensure the new Berkeley Heights YMCA is ready to welcome members in early 2020, they've passed the baton to WIPA to continue the tradition of this important community event. The Y believes that their mission to transform lives through their programs and services is mirrored in Wharton's cause to change lives through music in the communities both serve.

Says Director of Development Pamela Palumbo, "Wharton Arts is honored to take over this highly successful Berkeley Heights event. With the blessings of the YMCA, we're looking forward to carrying on the 5K's tradition of community involvement and family fun!"

A whole new vision of care!

JUST ASK JOHN:

**FROM MY ARRIVAL TIME FORWARD
I WAS TREATED LIKE FAMILY.**

"I was admitted to Spring Grove earlier this month from Overlook Hospital with a broken femur. I have to admit that I wasn't excited about the need to go anywhere for rehabilitation, but at the suggestion of my physician and a social worker I selected Spring Grove. The care has been great! Therapy was amazing! I went from being dependent to independent in a few short weeks!"
